21 (1) in section 102, by adding at the end the fol-
22 lowing:

23 “(9) The term ‘installed’ means equipment, fa-
24 cilities, or services that are operable and commer-
25 cially available for use anywhere within a tele-
26 communications carrier’s network.

1 “(10) The term ‘deployed’ means equipment,
2 facilities, or services that are commercially available
3 anywhere within the telecommunications industry
4 and capable of being installed or utilized in a tele-
5 communications carrier’s network, whether or not
6 such equipment, facilities, or services were actually
7 installed or utilized within the carrier’s network.

8 “(11) The term ‘significantly upgraded or oth-
9 erwise undergoes a major modification’ means a ma-
10 terial and substantial change in the configuration of
11 a telecommunications carrier’s network, including
12 the installation of hardware or software that fun-
13 damentally alters the equipment, facilities, or serv-
14 ices of that network, but does not include the up-
15 grade of switching equipment or other modifications
16 made in the ordinary course of business or made so
17 as to comply with Federal or State law or regulatory
18 requirements.”;
