24 (C) is scheduled to be launched approxi-25 mately two years before the date by which the

objective space-based laser system configuration is to be completed.

3 (d) SENSE OF CONGRESS.—It is the sense of Con-4 gress that the structure required by this section for the 5 space-based laser program is consistent with the joint ven-6 ture contracting approach and overall objective that the 7 Department of Defense has established for the space-8 based laser program.

2 (a) MODIFICATION OF PROGRAM DEFINITION AND 3 **RISK REDUCTION AIRCRAFT.**—The Secretary of the Air Force may not commence any modification of the program 4 5 definition and risk reduction aircraft for the Airborne Laser program until the Secretary of Defense certifies to 6 7 Congress that he has determined that the commencement 8 of the aircraft modification according to the existing 9 schedule is justified on the basis of the results of test and 10 analysis involving the following activities: 11 (1) The North Oscura Peak dynamic test pro-12 gram. 13 (2) Scintillometry data collection and analysis. (3) The lethality/vulnerability program. 14 15 (4) The countermeasures test and analysis ef-16 fort. 17 (5) Reduction and analysis of other existing 18 data. 19 (b) AUTHORITY-TO-PROCEED-2.—Before the Authority-to-Proceed-2 may be approved for the Airborne Laser 20 program, the Secretary of Defense shall— 21 22 (1) ensure that the Secretary of the Air Force 23 has developed an appropriate plan for resolving the 24 technical challenges identified in the Airborne Laser 25 **Program Assessment**; 26 (2) approve the plan; and

(3) submit a report on the plan to the congres sional defense committees.

3 (c) MILESTONE II EXIT CRITERIA.—The Secretary

4 SEC. 225. SENSE OF CONGRESS REGARDING BALLISTIC MIS5 SILE DEFENSE TECHNOLOGY FUNDING.

6 It is the sense of Congress that—

7 (1) because technology development provides
8 the basis for future weapon systems, it is important
9 to maintain a healthy funding balance between bal10 listic missile defense technology development and
11 ballistic missile defense acquisition programs;

(2) funding planned within the future years defense program of the Department of Defense should
be sufficient to support the development of technology for future and follow-on ballistic missile defense systems while simultaneously supporting ballistic missile defense acquisition programs;

(3) the Secretary of Defense should seek to ensure that funding in the future years defense program is adequate for both advanced ballistic missile
defense technology development and for existing ballistic missile defense major defense acquisition programs; and

24 (4) the Secretary should submit a report to the25 congressional defense committees by March 15,

1	2000, on the Secretary's plan for dealing with the

4	agreement or understanding to be used by the Secre-

7	relating to acts of domestic violence involving mem-
8	bers of the Armed Forces.
9	(2) A requirement for a commanding officer of
10	a member of the Armed Forces ordered by a supe-

14	order.
15	(3) Standard guidance on the factors for com-

10 commander, any law enforcement authority of the
11 Armed Forces, or a family advocacy program of the
12 Department of Defense.

(B) The number of the cases that involve evidence determined sufficient for supporting disciplinary action and, for each such case, a description of
the substantiated allegation and the action taken by
command authorities in the case.

18 (C) The number of the cases that involve evi19 dence determined insufficient for supporting discipli20 nary action and, for each such case, a description of
21 the allegation.

1	SEC. 582. POSTHUMOUS ADVANCEMENT OF REAR ADMIRAL
2	(RETIRED) HUSBAND E. KIMMEL AND MAJOR
3	GENERAL (RETIRED) WALTER C. SHORT ON
4	RETIRED LISTS.

5 (a) FINDINGS.—Congress makes the following find-6 ings:

7 (1) The late Rear Admiral (retired) Husband 8 E. Kimmel, formerly serving in the grade of admiral 9 as the Commander in Chief of the United States 10 Fleet and the Commander in Chief, United States 11 Pacific Fleet, had an excellent and unassailable 12 record throughout his career in the United States 13 Navy prior to the December 7, 1941 attack on Pearl 14 Harbor.

(2) The late Major General (retired) Walter C.
Short, formerly serving in the grade of lieutenant
general as the Commander of the United States
Army Hawaiian Department, had an excellent and
unassailable record throughout his career in the
United States Army prior to the December 7, 1941
attack on Pearl Harbor.

(3) Numerous investigations following the attack on Pearl Harbor have documented that then
Admiral Kimmel and then Lieutenant General Short
were not provided necessary and critical intelligence
that was available, that foretold of war with Japan,

1	that warned of imminent attack, and that would
2	have alerted them to prepare for the attack, includ-
3	ing such essential communiques as the Japanese
4	Pearl Harbor Bomb Plot message of September 24,
5	1941, and the message sent from the Imperial Japa-
6	nese Foreign Ministry to the Japanese Ambassador
7	in the United States from December 6–7, 1941,
8	known as the Fourteen-Part Message.
9	(4) On December 16, 1941, Admiral Kimmel
10	and Lieutenant General Short were relieved of their
11	commands and returned to their permanent ranks of
12	rear admiral and major general.
13	(5) Admiral William Harrison Standley, who
14	served as a member of the investigating commission
15	known as the Roberts Commission that accused Ad-
16	miral Kimmel and Lieutenant General Short of
17	"dereliction of duty" only six weeks after the attack
18	on Pearl Harbor, later disavowed the report main-
19	taining that "these two officers were martyred" and
20	"if they had been brought to trial, both would have
21	been cleared of the charge".
22	(6) On October 19, 1944, a Naval Court of
23	Inquiry—
24	(A) exonerated Admiral Kimmel on the
25	grounds that his military decisions and the dis-

1	position of his forces at the time of the Decem-
2	ber 7, 1941 attack on Pearl Harbor were prop-
3	er "by virtue of the information that Admiral
4	Kimmel had at hand which indicated neither
5	the probability nor the imminence of an air at-
6	tack on Pearl Harbor";
7	(B) criticized the higher command for not
8	sharing with Admiral Kimmel "during the very
9	critical period of 26 November to 7 December
10	1941, important information regarding the
11	Japanese situation"; and
12	(C) concluded that the Japanese attack
13	and its outcome was attributable to no serious
14	fault on the part of anyone in the naval service.
15	(7) On June 15, 1944, an investigation con-
16	ducted by Admiral T. C. Hart at the direction of the
17	Secretary of the Navy produced evidence, subse-
18	quently confirmed, that essential intelligence con-
19	cerning Japanese intentions and war plans was
20	available in Washington but was not shared with Ad-
21	miral Kimmel.
22	(8) On October 20, 1944, the Army Pearl Har-
23	bor Board of Investigation determined that—
24	(A) Lieutenant General Short had not
25	been kept "fully advised of the growing tense-

1	ness of the Japanese situation which indicated
2	an increasing necessity for better preparation
3	for war'';
4	(B) detailed information and intelligence
5	about Japanese intentions and war plans were
6	available in "abundance", but were not shared
7	with Lieutenant General Short's Hawaii com-
8	mand; and
9	(C) Lieutenant General Short was not pro-
10	vided "on the evening of December 6th and the
11	early morning of December 7th, the critical in-
12	formation indicating an almost immediate break
13	with Japan, though there was ample time to
14	have accomplished this".
15	(9) The reports by both the Naval Court of In-
16	quiry and the Army Pearl Harbor Board of Inves-
17	tigation were kept secret, and Rear Admiral (re-
18	tired) Kimmel and Major General (retired) Short
19	were denied their requests to defend themselves
20	through trial by court-martial.
21	(10) The joint committee of Congress that was
22	established to investigate the conduct of Admiral
23	Kimmel and Lieutenant General Short completed, on
24	May 31, 1946, a 1,075-page report which included

1	the conclusions of the committee that the two offi-
2	cers had not been guilty of dereliction of duty.
3	(11) The Officer Personnel Act of 1947, in es-
4	tablishing a promotion system for the Navy and the
5	Army, provided a legal basis for the President to
6	honor any officer of the Armed Forces of the United
7	States who served his country as a senior com-
8	mander during World War II with a placement of
9	that officer, with the advice and consent of the Sen-
10	ate, on the retired list with the highest grade held
11	while on the active duty list.
12	(12) On April 27, 1954, the then Chief of
13	Naval Personnel, Admiral J. L. Holloway, Jr., rec-
14	ommended that Rear Admiral Kimmel be advanced
15	in rank in accordance with the provisions of the Of-
16	ficer Personnel Act of 1947.
17	(13) On November 13, 1991, a majority of the
18	members of the Board for the Correction of Military
19	Records of the Department of the Army found that
20	the late Major General (retired) Short "was unjustly
21	held responsible for the Pearl Harbor disaster" and
22	that "it would be equitable and just" to advance him
23	to the rank of lieutenant general on the retired list".
24	(14) In October 1994, the then Chief of Naval
25	Operations, Admiral Carlisle Trost, withdrew his

1	1988 recommendation against the advancement of
2	Rear Admiral (retired) Kimmel (by then deceased)
3	and recommended that the case of Rear Admiral
4	Kimmel be reopened.
5	(15) Although the Dorn Report, a report on the
6	results of a Department of Defense study that was
7	issued on December 15, 1995, did not provide sup-
8	port for an advancement of the late Rear Admiral
9	(retired) Kimmel or the late Major General (retired)
10	Short in grade, it did set forth as a conclusion of the
11	study that "responsibility for the Pearl Harbor dis-
12	aster should not fall solely on the shoulders of Admi-
13	ral Kimmel and Lieutenant General Short, it should
14	be broadly shared".
15	(16) The Dorn Report found—
16	(A) that "Army and Navy officials in
17	Washington were privy to intercepted Japanese
18	$diplomatic communications \dots which provided$
19	crucial confirmation of the imminence of war";
20	(B) that "the evidence of the handling of
21	these messages in Washington reveals some in-
22	eptitude, some unwarranted assumptions and
23	misestimations, limited coordination, ambiguous
24	language, and lack of clarification and follow-up
25	at higher levels"; and

1	(C) that "together, these characteristics re-
2	sulted in failureto appreciate fully and to
3	convey to the commanders in Hawaii the sense
4	of focus and urgency that these intercepts
5	should have engendered".
6	(17) On July 21, 1997, Vice Admiral David C.
7	Richardson (United States Navy, retired) responded
8	to the Dorn Report with his own study which con-
9	firmed findings of the Naval Court of Inquiry and
10	the Army Pearl Harbor Board of Investigation and
11	established, among other facts, that the war effort
12	in 1941 was undermined by a restrictive intelligence
13	distribution policy, and the degree to which the com-
14	manders of the United States forces in Hawaii were
15	not alerted about the impending attack on Hawaii
16	was directly attributable to the withholding of intel-
17	ligence from then Admiral Kimmel and Lieutenant
18	General Short.
19	(18) Rear Admiral (retired) Kimmel and Major
20	General (retired) Short are the only two officers eli-
21	gible for advancement under the Officer Personnel
22	Act of 1947 as senior World War II commanders
23	who were excluded from the list of retired officers
24	presented for advancement on the retired lists to

their highest wartime ranks under that Act.

25

1 (19) This singular exclusion from advancement 2 of Rear Admiral (retired) Kimmel and Major Gen-3 eral (retired) Short from the Navy retired list and 4 the Army retired list, respectively, serves only to 5 perpetuate the myth that the senior commanders in 6 Hawaii were derelict in their duty and responsible 7 for the success of the attack on Pearl Harbor, and 8 is a distinct and unacceptable expression of dishonor 9 toward two of the finest officers who have served in 10 the Armed Forces of the United States.

(20) Major General (retired) Walter Short died
on September 23, 1949, and Rear Admiral (retired)
Husband Kimmel died on May 14, 1968, without
having been accorded the honor of being returned to
their wartime ranks as were their fellow veterans of
World War II.

17 (21) The Veterans of Foreign Wars, the Pearl 18 Harbor Survivors Association, the Admiral Nimitz 19 Foundation, the Naval Academy Alumni Association, 20 the Retired Officers Association, the Pearl Harbor 21 Commemorative Committee, and other associations 22 and numerous retired military officers have called 23 for the rehabilitation of the reputations and honor of 24 the late Rear Admiral (retired) Kimmel and the late 25 Major General (retired) Short through their post-

1 humous advancement on the retired lists to their 2 highest wartime grades. 3 (b) Request for Advancement on Retired 4 LISTS.—(1) The President is requested— 5 (A) to advance the late Rear Admiral (retired) 6 Husband E. Kimmel to the grade of admiral on the 7 retired list of the Navy; and 8 (B) to advance the late Major General (retired) 9 Walter C. Short to the grade of lieutenant general 10 on the retired list of the Army. 11 (2) Any advancement in grade on a retired list re-12 quested under paragraph (1) shall not increase or other-13 wise modify the compensation or benefits from the United States to which any person is now or may in the future 14 15 be entitled based upon the military service of the officer 16 advanced. 17 (c) SENSE OF CONGRESS.—It is the sense of Con-18 gress that— 19 (1) the late Rear Admiral (retired) Husband E. 20 Kimmel performed his duties as Commander in 21 Chief, United States Pacific Fleet, competently and

professionally, and, therefore, the losses incurred by
the United States in the attacks on the naval base
at Pearl Harbor, Hawaii, and other targets on the
island of Oahu, Hawaii, on December 7, 1941, were

1	not a result of dereliction in the performance of
2	those duties by the then Admiral Kimmel; and
3	(2) the late Major General (retired) Walter C.
4	Short performed his duties as Commanding General,
5	Hawaiian Department, competently and profes-
6	sionally, and, therefore, the losses incurred by the
7	United States in the attacks on Hickam Army Air
8	Field and Schofield Barracks, Hawaii, and other
9	targets on the island of Oahu, Hawaii, on December
10	7, 1941, were not a result of dereliction in the per-
11	formance of those duties by the then Lieutenant
12	General Short.

13 SEC. 583. EXIT SURVEY FOR SEPARATING MEMBERS.

14 (a) REQUIREMENT.—The Secretary of Defense shall 15 develop and carry out a survey on attitudes toward military service to be completed by members of the Armed 16 17 Forces who voluntarily separate from the Armed Forces 18 or transfer from a regular component to a reserve compo-19 nent during the period beginning on January 1, 2000, and 20 ending on June 30, 2000, or such later date as the Sec-21 retary determines necessary in order to obtain enough sur-22 vey responses to provide a sufficient basis for meaningful analysis of survey results. Completion of the survey shall 23 24 be required of such personnel as part of outprocessing activities. The Secretary of each military department shall 25

1	suspend exit surveys and interviews of that department
2	during the period described in the first sentence.
3	(b) SURVEY CONTENT.—The survey shall, at a min-
4	imum, cover the following subjects:
5	(1) Reasons for leaving military service.
6	(2) Plans for activities after separation (such as
7	enrollment in school, use of Montgomery GI Bill
8	benefits, and work).
9	(3) Affiliation with a Reserve component, to-
10	gether with the reasons for affiliating or not
11	affiliating, as the case may be.
12	(4) Attitude toward pay and benefits for service
13	in the Armed Forces.
14	(5) Extent of job satisfaction during service as
15	a member of the Armed Forces.
16	(6) Such other matters as the Secretary deter-
17	mines appropriate to the survey concerning reasons
18	for choosing to separate from the Armed Forces.
19	(c) REPORT.—Not later than February 1, 2001, the
20	Secretary shall submit to Congress a report containing the
21	results of the surveys. The report shall include an analysis
22	of the reasons why military personnel voluntarily separate
23	from the Armed Forces and the post-separation plans of
24	those personnel. The Secretary shall utilize the report's

findings in crafting future responses to declining retention
 and recruitment.

3 SEC. 584. ADMINISTRATION OF DEFENSE REFORM INITIA4 TIVE ENTERPRISE PROGRAM FOR MILITARY 5 MANPOWER AND PERSONNEL INFORMATION.

6 (a) EXECUTIVE AGENT.—The Secretary of Defense 7 shall designate the Secretary of the Navy as the executive 8 agent for carrying out the defense reform initiative enter-9 prise pilot program for military manpower and personnel 10 information established under section 8147 of the Depart-11 ment of Defense Appropriations Act, 1999 (Public Law 12 105–262; 112 Stat. 2341; 10 U.S.C. 113 note).

(b) ACTION OFFICIALS.—In carrying out the pilot
program, the Secretary of the Navy shall act through the
head of the Systems Executive Office for Manpower and
Personnel, who shall act in coordination with the Under
Secretary of Defense for Personnel and Readiness and the
Chief Information Officer of the Department of Defense.

4	REPUBLIC OF YUGOSLAVIA.
5	(a) The Senate finds that—
6	(1) the United Nations Security Council created
7	the International Criminal Tribunal for the former
8	Yugoslavia (in this section referred to as the
9	"ICTY") by resolution on May 25, 1993;
10	(2) although the ICTY has indicted 84 people
11	since its creation, these indictments have only re-
12	sulted in the trial and conviction of 8 criminals;
13	(3) the ICTY has jurisdiction to investigate:
14	Grave breaches of the 1949 Geneva Conventions
15	(Article 2); violations of the laws or customs of war
16	(Article 3); genocide (Article 4); and crimes against
17	humanity (Article 5);
18	(4) the Chief Prosecutor of the ICTY, Justice
19	Louise Arbour, stated on July 7, 1998, to the Con-
20	tact Group for the former Yugoslavia that "[t]he
21	Prosecutor believes that the nature and scale of the
22	fighting indicate that an 'armed conflict', within the
23	meaning of international law, exists in Kosovo. As a
24	consequence, she intends to bring charges for crimes
25	against humanity or war crimes, if evidence of such

1 (5) reports from Kosovar Alabanian refugees 2 provide detailed accounts of systematic efforts to 3 displace the entire Muslim population of Kosovo; 4 (6) in furtherance of this plan, Serbian troops, 5 police, and paramilitary forces have engaged in de-6 tention and summary execution of men of all ages, 7 wanton destruction of civilian housing, forcible ex-8 pulsions, mass executions in at least 60 villages and 9 towns, as well as widespread organized rape of 10 women and young girls; 11 (7) these reports of atrocities provide prima 12 facie evidence of war crimes, crimes against human-13 ity, as well as genocide; 14 (8) any criminal investigation is best served by 15 the depositions and interviews of witnesses as soon 16 after the commission of the crime as possible; 17 (9) the indictment, arrest, and trial of war 18 criminals would provide a significant deterrent to 19 further atrocities; 20 (10) the ICTY has issued 14 international war-21 rants for war crimes suspects that have yet to be 22 served, despite knowledge of the suspects' where-23 abouts;

1	(11) vigorous prosecution of war crimes after

3	ing atrocities in Kosovo; and
4	(12) investigative reporters have identified spe-
5	cific documentary evidence implicating the Serbian
6	leadership in the commission of war crimes.
7	(b) It is the sense of Congress that—
8	(1) the United States, in coordination with
9	other United Nations contributors, should provide
10	sufficient resources for an expeditious and thorough
11	investigation of allegations of the atrocities and war
12	crimes committed in Kosovo;
13	(2) the United States, through its intelligence
14	services, should provide all possible cooperation in
15	the gathering of evidence of sufficient specificity and
16	credibility to secure the indictment of those respon-
17	sible for the commission of war crimes, crimes
18	against humanity, and genocide in the former Yugo-
19	slavia;
20	(3) where evidence warrants, indictments for
21	war crimes, crimes against humanity, and genocide
22	should be issued against suspects regardless of their
23	position within the Serbian leadership;
24	(4) the United States and all nations have an
25	obligation to honor arrest warrants issued by the

1	ICTY, and the United States should use all appro-
2	priate means to apprehend war criminals already
3	under indictment; and
4	(5) NATO should not accept any diplomatic
5	resolution to the conflict in Kosovo that would bar
6	the indictment, apprehension, or prosecution of war
7	criminals for crimes committed during operations in
8	Kosovo.

1 SEC. 1068. SENSE OF THE CONGRESS REGARDING THE CON-2 TINUATION OF SANCTIONS AGAINST LIBYA. 3 (a) FINDINGS.—Congress makes the following find-4 ings: 5 (1) On December 21, 1988, 270 people, includ-6 ing 189 United States citizens, were killed in a ter-7 rorist bombing on Pan Am Flight 103 over 8 Lockerbie, Scotland. 9 (2) Britain and the United States indicted two 10 Libyan intelligence agents, Abd al-Baset Ali al-11 Megrahi and Al-Amin Khalifah Fhimah, in 1991 12 and sought their extradition from Libya to the 13 United States or the United Kingdom to stand trial 14 for this heinous terrorist act. 15 (3) The United Nations Security Council called 16 for the extradition of the suspects in Security Coun-17 cil Resolution 731 and imposed sanctions on Libya 18 in Security Council Resolutions 748 and 883 be-19 cause Libyan leader Colonel Muammar Qadhafi re-20 fused to transfer the suspects to either the United 21 States or the United Kingdom to stand trial. 22 (4) The United Nations Security Council Reso-23 lutions 731, 748, and 883 demand that Libya cease 24 all support for terrorism, turn over the two suspects, 25 cooperate with the investigation and the trial, and 26 address the issue of appropriate compensation.

1	(5) The sanctions in United Nations Security
2	Council Resolutions 748 and 883 include—
3	(A) a worldwide ban on Libya's national
4	airline;
5	(B) a ban on flights into and out of Libya
6	by other nations' airlines; and
7	(C) a prohibition on supplying arms, air-
8	plane parts, and certain oil equipment to Libya,
9	and a blocking of Libyan Government funds in
10	other countries.
11	(6) Colonel Muammar Qadhafi for many years
12	refused to extradite the suspects to either the United
13	States or the United Kingdom and had insisted that
14	he would only transfer the suspects to a third and
15	neutral country to stand trial.
16	(7) On August 24, 1998, the United States and
17	the United Kingdom agreed to the proposal that
18	Colonel Qadhafi transfer the suspects to The Neth-
19	erlands, where they would stand trial under a Scot-
20	tish court, under Scottish law, and with a panel of
21	Scottish judges.
22	(8) The United Nations Security Council en-
23	dorsed the United States-United Kingdom proposal
24	on August 27, 1998 in United Nations Security
25	Council Resolution 1192.

1	(9) The United States, consistent with United
2	Nations Security Council resolutions, called on Libya
3	to ensure the production of evidence, including the
4	presence of witnesses before the court, and to com-
5	ply fully with all the requirements of the United Na-
6	tions Security Council resolutions.
7	(10) After years of intensive diplomacy, Colonel
8	Qadhafi finally transferred the two Libyan suspects
9	to The Netherlands on April 5, 1999, and the
10	United Nations Security Council, in turn, suspended
11	its sanctions against Libya that same day.
12	(11) Libya has only fulfilled one of four condi-
13	tions (the transfer of the two suspects accused in the
14	Lockerbie bombing) set forth in United Nations Se-
15	curity Council Resolutions 731, 748, and 883 that
16	would justify the lifting of United Nations Security
17	Council sanctions against Libya.
18	(12) Libya has not fulfilled the other three con-
19	ditions (cooperation with the Lockerbie investigation
20	and trial; renunciation of and ending support for
21	terrorism; and payment of appropriate compensa-
22	tion) necessary to lift the United Nations Security
23	Council sanctions.
24	(13) The United Nations Secretary General is
25	expected to issue a report to the Security Council on

1	or before July 5, 1999, on the issue of Libya's com-
2	pliance with the remaining conditions.
3	(14) Any member of the United Nations Secu-
4	rity Council has the right to introduce a resolution
5	to lift the sanctions against Libya after the United
6	Nations Secretary General's report has been issued.
7	(15) The United States Government considers
8	Libya a state sponsor of terrorism and the State De-
9	partment Report, "Patterns of Global Terrorism;
10	1998", stated that Colonel Qadhafi "continued pub-
11	licly and privately to support Palestinian terrorist

(b) SENSE OF CONGRESS.—It is the sense of Congress that the President should use all diplomatic means
necessary, including the use of the United States veto at
the United Nations Security Council, to prevent the Secu-

rity Council from lifting sanctions against Libya until
 Libya fulfills all of the conditions set forth in United Na tions Security Council Resolutions 731, 748, and 883.

4 SEC. 1069. INVESTIGATIONS OF VIOLATIONS OF EXPORT
5 CONTROLS BY UNITED STATES SATELLITE
6 MANUFACTURERS.

7 (a) NOTICE TO CONGRESS OF INVESTIGATIONS.—
8 The President shall promptly notify Congress whenever an
9 investigation is undertaken of an alleged violation of
10 United States export control laws in connection with a
11 commercial satellite of United States origin.

12 (b) NOTICE TO CONGRESS OF CERTAIN EXPORT 13 WAIVERS.—The President shall promptly notify Congress 14 whenever an export waiver is granted on behalf of any 15 United States person or firm that is the subject of an in-16 vestigation described in subsection (a). The notice shall 17 include a justification for the waiver.

18 (c) NOTICE IN APPLICATIONS.—It is the sense of 19 Congress that any United States person or firm subject 20 to an investigation described in subsection (a) that sub-21 mits to the United States an application for the export 22 of a commercial satellite should include in the application 23 a notice of the investigation.

24 (d) PROTECTION OF CLASSIFIED AND OTHER SEN-25 SITIVE INFORMATION.—The Senate and the House of

Representatives shall each establish, by rule or resolution
 of such House, procedures to protect from unauthorized
 disclosure classified information, informatioin relating to
 intelligence sources and methods, and sensitive law en forcement information that is furnished to Congress pur suant to this section.

7 (e) EXCEPTION.—The requirements of subsections 8 (a) and (b) shall not apply if the President determines 9 that notification of Congress would jeopardize an on-going 10 criminal investigation. If the President makes such a determination he shall provide written notification to the 11 12 Majority Leader of the Senate, the Minority Leader of the 13 Senate, the Speaker of the House of Representatives and the Minority Leader of the House of Representatives. 14 15 Such notification shall include a justification for any such 16 determination.

17 SEC. 1070. ENHANCEMENT OF ACTIVITIES OF DEFENSE 18 THREAT REDUCTION AGENCY.

(a) IN GENERAL.—Not later than 180 days after the
date of the enactment of this Act, the Secretary of Defense
shall prescribe regulations—

campaigns at any time if the suspension is required

1	for purposes of the national security of the United
2	States;
3	(2) to establish appropriate professional and
4	technical qualifications for such personnel;
5	(3) to allocate funds and other resources to the
6	Agency at levels sufficient to prevent any shortfalls
7	in the number of such personnel;
8	(4) to establish mechanisms in accordance with
9	the provisions of section $1514(a)(2)(A)$ of the Strom
10	Thurmond National Defense Authorization Act for
11	Fiscal Year 1999 (Public Law 105–261; 112 Stat.
12	2175; 22 U.S.C. 2778 note) that provide for—
13	(A) the allocation to the Agency, in ad-
14	vance of a launch campaign, of an amount
15	equal to the amount estimated to be required by
16	the Agency to monitor the launch campaign;
17	and
18	(B) the reimbursement of the Department,
19	at the end of a launch campaign, for amounts
20	expended by the Agency in monitoring the
21	launch campaign;
22	(5) to establish a formal technology training
23	program for personnel of the Agency who monitor
24	satellite launch campaigns overseas, including a

1	structured framework for providing training in areas
2	of export control laws;

1	SEC. 1077. DISENGAGING FROM NONCRITICAL OVERSEAS
2	MISSIONS INVOLVING UNITED STATES COM-
3	BAT FORCES.
4	(a) FINDINGS.—Congress makes the following find-
5	ings:
6	(1) It is the National Security Strategy of the
7	United States to "deter and defeat large-scale,
8	cross-border aggression in two distant theaters in
9	overlapping time frames".
10	(2) The determence of Iraq and Iran in South-
11	west Asia and the deterrence of North Korea in
12	Northeast Asia represent two such potential large-
13	scale, cross-border theater requirements.
14	(3) The United States has 120,000 troops per-
15	manently assigned to those theaters.
16	(4) The United States has an additional 70,000
17	forces assigned to non-NATO/non-Pacific threat for-
18	eign countries.
19	(5) The United States has more than 6,000
20	troops in Bosnia-Herzegovina on indefinite assign-
21	ment.
22	(6) The United States has diverted permanently
23	assigned resources from other theaters to support
24	operations in the Balkans.
25	(7) The United States provides military forces
26	to seven active United Nations peacekeeping oper-

ations, including some missions that have continued
 for decades.

3 (8) Between 1986 and 1998, the number of
4 American military deployments per year has nearly
5 tripled at the same time the Department of Defense
6 budget has been reduced in real terms by 38 per7 cent.

8 (9) The Army has 10 active-duty divisions 9 today, down from 18 in 1991, while on an average 10 day in fiscal year 1998, 28,000 United States Army 11 soldiers were deployed to more than 70 countries for 12 over 300 separate missions.

In response, the Air Force has initiated a 19 "stop loss" program to block normal retirements 20 and separations.

(11) The United States Navy has been reduced
in size to 339 ships, its lowest level since 1938, necessitating the redeployment of the only overseas
homeported aircraft carrier from the Western Pacific

1 to the Mediterranean to support Operation Allied 2 Force. 3 (12) In 1998 just 10 percent of eligible carrier 4 naval aviators—27 out of 261—accepted continu-5 ation bonuses and remained in service. 6 (13) In 1998 48 percent of Air Force pilots eli-7 gible for continuation opted to leave the service. 8 (14) The Army could fall 6,000 below Congres-9 sionally authorized troop strength by the end of 10 1999. 11 (b) SENSE OF CONGRESS.—It is the sense of Con-12 gress that: 13 The readiness of United States military (1)14 forces to execute the National Security Strategy of 15 the United States is being eroded from a combina-16 tion of declining defense budgets and expanded mis-17 sions. 18 (2) There may be missions to which the United 19 States is contributing Armed Forces from which the 20 United States can begin disengaging. 21 (c) REPORT REQUIREMENT.—Not later than March 22 1, 2000, the President shall submit to the Committee on 23 Armed Services of the Senate and the Committee on Na-24 tional Security of the House of Representatives, and to 25 the Committees on Appropriations in both Houses, a re-

port prioritizing the ongoing global missions to which the 1 United States is contributing troops. The President shall 2 3 include in the report a feasibility analysis of how the 4 United States can— (1) shift resources from low priority missions in 5 6 support of higher priority missions; 7 (2) consolidate or reduce United States troop 8 commitments worldwide; 9 (3) end low priority missions.
