16 **TITLE XXIX—RENEWAL OF**  
 17 **MILITARY LAND WITHDRAWALS**

18 **SEC. 2901. FINDINGS.**

19 The Congress finds that—

20 (1) Public Law 99–606 authorized public land  
 21 withdrawals for several military installations, includ-  
 22 ing the Barry M. Goldwater Air Force Range in Ari-  
 23 zona, the McGregor Range in New Mexico, and Fort  
 24 Wainwright and Fort Greely in Alaska, collectively  
 25 comprising over 4 million acres of public land;

1           (2) these military ranges provide important  
2       military training opportunities and serve a critical  
3       role in the national security of the United States  
4       and their use for these purposes should be contin-  
5       ued;

6           (3) in addition to their use for military pur-  
7       poses, these ranges contain significant natural and  
8       cultural resources, and provide important wildlife  
9       habitat;

10          (4) the future use of these ranges is important  
11       not only for the affected military branches, but also  
12       for local residents and other public land users;

13          (5) the public land withdrawals authorized in  
14       1986 under Public Law 99–606 were for a period of  
15       15 years, and expire in November 2001; and

16          (6) it is important that the renewal of these  
17       public land withdrawals be completed in a timely  
18       manner, consistent with the process established in  
19       Public Law 99–606 and other applicable laws, in-  
20       cluding the completion of appropriate environmental  
21       impact studies and opportunities for public comment  
22       and review.

1 **SEC. 2902. SENSE OF THE SENATE REGARDING PROPOSAL**  
2 **TO RENEW PUBLIC LAND WITHDRAWALS.**

3 It is the sense of the Senate that the Secretary of  
4 Defense and the Secretary of the Interior, consistent with  
5 their responsibilities and requirements under applicable  
6 laws, should jointly prepare a comprehensive legislative  
7 proposal to renew the public land withdrawals for the four  
8 ranges referenced in section 2901 and transmit such pro-  
9 posal to the Congress no later than July 1, 1999.

10 **SEC. 2903. SENSE OF SENATE REGARDING WITHDRAWALS**  
11 **OF CERTAIN LANDS IN ARIZONA.**

12 It is the sense of the Senate that—

13 (1) it is vital to the national interest that the  
14 withdrawal of the lands withdrawn by section 1(c) of  
15 the Military Lands Withdrawal Act of 1986 (Public  
16 Law 99–606), relating to Barry M. Goldwater Air  
17 Force Range and the Cabeza Prieta National Wild-  
18 life Refuge, which would otherwise expire in 2001,  
19 be renewed in 1999;

20 (2) the renewed withdrawal of such lands is  
21 critical to meet the military training requirements of  
22 the Armed Forces and to provide the Armed Forces  
23 with experience necessary to defend the national in-  
24 terests;

1           (3) the Armed Forces currently carry out envi-  
2           ronmental stewardship of such lands in a com-  
3           prehensive and focused manner; and

4           (4) a continuation in high-quality management  
5           of United States natural and cultural resources is  
6           required if the United States is to preserve its na-  
7           tional heritage.

Passed the Senate May 27, 1999.
