

106TH CONGRESS
1ST SESSION

S. 1551

To prohibit the importation of goods produced abroad with child labor, and
for other purposes.

IN THE SENATE OF THE UNITED STATES

AUGUST 5, 1999

Mr. HARKIN (for himself, Mr. HOLLINGS, Mr. DORGAN, Mr. LEVIN, Ms. MIKULSKI, and Mr. KENNEDY) introduced the following bill; which was read twice and referred to the Committee on Finance

A BILL

To prohibit the importation of goods produced abroad with
child labor, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Child Labor Deter-
5 rence Act of 1999”.

6 **SEC. 2. FINDINGS; PURPOSE; POLICY.**

7 (a) FINDINGS.—Congress makes the following find-
8 ings:

9 (1) Principle 9 of the Declaration of the Rights
10 of the Child proclaimed by the General Assembly of

1 the United Nations on November 20, 1959, states
 2 that “. . . the child shall not be admitted to employ-
 3 ment before an appropriate minimum age; he shall
 4 in no case be caused or permitted to engage in any
 5 occupation or employment which would prejudice his
 6 health or education, or interfere with his physical,
 7 mental, or moral development . . .”.

8 (2) Article 2 of the International Labor Con-
 9 vention No. 138 Concerning Minimum Age For Ad-
 10 mission to Employment states that “The minimum
 11 age specified in pursuance of paragraph 1 of this ar-
 12 ticle shall not be less than the age of compulsory
 13 schooling and, in any case, shall not be less than 15
 14 years.”.

15 (3) The new International Labor Convention
 16 addressing the worst forms of child labor calls on
 17 member States to take immediate and effective ac-
 18 tion to prohibit and eliminate such labor. According
 19 to the convention, the worst forms of child labor
 20 are—

- 21 (A) slavery;
- 22 (B) debt bondage;
- 23 (C) forced or compulsory labor;

1 (D) the sale or trafficking of children, in-
 2 cluding the forced or compulsory recruitment of
 3 children for use in armed conflict;

4 (E) child prostitution;

5 (F) the use of children in the production
 6 and trafficking of narcotics; and

7 (G) any other work that, by its nature or
 8 due to the circumstances in which it is carried
 9 out, is likely to harm the health, safety, or mor-
 10 als of children.

11 (4) According to the International Labor Orga-
 12 nization, an estimated 250,000,000 children under
 13 the age of 15 worldwide are working, many of them
 14 in dangerous industries like mining and fireworks.

15 (5) Children under the age of 15 constitute ap-
 16 proximately 22 percent of the workforce in some
 17 Asian countries, 41 percent of the workforce in parts
 18 of Africa, and 17 percent of the workforce in many
 19 countries in Latin America.

20 (6) The number of children under the age of 15
 21 who are working, and the scale of their suffering, in-
 22 crease every year, despite the existence of more than
 23 20 International Labor Organization conventions on
 24 child labor and national laws in many countries

1 which purportedly prohibit the employment of under
2 age children.

3 (7) In many countries, children under the age
4 of 15 lack either the legal standing or means to pro-
5 tect themselves from exploitation in the workplace.

6 (8) The prevalence of child labor in many devel-
7 oping countries is rooted in widespread poverty that
8 is attributable to unemployment and underemploy-
9 ment, precarious incomes, low living standards, and
10 insufficient education and training opportunities
11 among adult workers.

12 (9) The employment of children under the age
13 of 15 commonly deprives the children of the oppor-
14 tunity for basic education and also denies gainful
15 employment to millions of adults.

16 (10) The employment of children under the age
17 of 15, often at pitifully low wages, undermines the
18 stability of families and ignores the importance of
19 increasing jobs, aggregated demand, and purchasing
20 power among adults as a catalyst to the development
21 of internal markets and the achievement of
22 broadbased, self-reliant economic development in
23 many developing countries.

24 (11) United Nations Children's Fund (com-
25 monly known as UNICEF) estimates that by the

1 year 2000, over 1,000,000 adults will be unable to
2 read or write at a basic level because such adults
3 were forced to work as children and were thus un-
4 able to devote the time to secure a basic education.

5 (b) PURPOSE.—The purpose of this Act is to curtail
6 the employment of children under the age of 15 in the
7 production of goods for export by—

8 (1) eliminating the role of the United States in
9 providing a market for foreign products made by
10 such children;

11 (2) supporting activities and programs to ex-
12 tend primary education, rehabilitation, and alter-
13 native skills training to child workers, to improve
14 birth registration, and to improve the scope and
15 quality of statistical information and research on the
16 commercial exploitation of such children in the work-
17 place; and

18 (3) encouraging other nations to join in a ban
19 on trade in products described in paragraph (1) and
20 to support those activities and programs described in
21 paragraph (2).

22 (c) POLICY.—It is the policy of the United States—

23 (1) to actively discourage the employment of
24 children under the age of 15 in the production of
25 goods for export or domestic consumption;

1 (2) to strengthen and supplement international
2 trading rules with a view to renouncing the use of
3 under age children in the production of goods for
4 export as a means of competing in international
5 trade;

6 (3) to amend Federal law to prohibit the entry
7 into commerce of products resulting from the labor
8 of under age children; and

9 (4) to offer assistance to foreign countries to
10 improve the enforcement of national laws prohibiting
11 the employment of children under the age of 15 and
12 to increase assistance to alleviate the underlying
13 poverty that is often the cause of the commercial ex-
14 ploitation of such children.

15 **SEC. 3. UNITED STATES INITIATIVE TO CURTAIL INTER-**
16 **NATIONAL TRADE IN PRODUCTS OF CHILD**
17 **LABOR.**

18 In pursuit of the policy set forth in this Act, the
19 President is urged to seek an agreement with the govern-
20 ment of each country that conducts trade with the United
21 States for the purpose of securing an international ban
22 on trade in products of child labor.
