1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

1 (1) Each day an estimated 13,000,000 children
2 spend some part of their day in child care.

3 (2) Fifty-four percent of mothers with children
4 between the ages of 0–3 are in the work force.
5 Labor force participation rises to 63 percent for
6 mothers with children under the age of 6, and to 78
7 percent for mothers with children ages 6–17.

8 (3) The availability of child care that is reliable,
9 convenient, and affordable helps parents to reach
10 and maintain self-sufficiency and is essential to
11 making the transition from welfare to work.

12 (4) Only an estimated 1 out of 10 eligible fami-
13 lies receive assistance in paying for child care
14 through the Child Care and Development Block
15 Grant Act of 1990.

16 (5) Full-day child care can cost \$4,000 to
17 \$9,000 a year.

18 (6) In many instances, high quality child care
19 services cost little more than mediocre services. An
20 investment of only an additional 10 percent has been
21 found to have a significant impact on quality.

22 (7) Only 1 in 7 child care centers provides care
23 that promotes healthy development. Child care at 1
24 in 8 centers actually threatens children’s health and
25 safety.

1 (8) The education, training, and salary of a
2 child care provider make the difference between poor
3 and good quality child care.

4 (A) The average salary of a child care pro-
5 vider in a center is only \$12,058 a year, which
6 is approximately equal to the poverty level for
7 a family of 3.

8 (B) Home-based providers earn \$9,000 a
9 year on average.

10 (9) Poor compensation and limited opportuni-
11 ties for professional training and education contrib-
12 ute to high turnover among child care providers,
13 which disrupts the creation of strong provider-child
14 relationships that are critical to children's healthy
15 development.

16 (10) Children placed in poor quality child care
17 settings have been found to have delayed language
18 and reading skills, as well as increased aggressive
19 behavior toward other children and adults.

20 (11) Nearly 5,000,000 children are home alone
21 after school each week.

22 (12) Although it is thought that juvenile crime
23 occurs mostly on evenings and weekends, juvenile
24 crime actually peaks between 3 and 6 p.m.

1 (13) Eighth-graders left home alone after
 2 school report greater use of cigarettes, alcohol, and
 3 marijuana than those in adult-supervised settings.

11 evaluation of such a child care facility or entity
12 directly, or through an agreement with another
13 Federal agency or private entity, other than the
14 Federal agency for which the child care facility
15 is providing services. If the Administrator de-

14 notification;

15 (III) provide the parents of the
16 children receiving child care services
17 at the child care facility and employ-

1 deficiencies are corrected, whichever is
2 later;

3 (IV) bring the child care facility
4 and entity into compliance with the
5 requirements and certify to the Ad-

7 are in compliance, based on an onsite
8 evaluation of the facility conducted by
9 an independent entity with expertise
10 in child care health and safety; and

11 (V) in the event that deficiencies
12 determined by the Administrator to be
13 life threatening or to present a risk of
14 serious bodily harm cannot be cor-
15 rected within 2 business days after
16 the date of receipt of the notification,
17 close the child care facility, or the af-
18 fected portion of the facility, until
19 such deficiencies are corrected and no-
20 tify the Administrator of such closure;
21 and

22 (ii) if the entity operating the child
23 care facility is a contractor or licensee of
24 the Executive agency—

1 (I) require the contractor or li-
2 censee, not later than 2 business days
3 after the date of receipt of the notifi-

7 risk of serious bodily harm;

8 (II) require the contractor or li-
9 censee to develop and provide to the
10 head of the agency a plan to correct
11 any other deficiencies in the operation
12 of the child care facility and bring the
13 facility and entity into compliance
14 with the requirements not later than 4
15 months after the date of receipt of the
16 notification;

17 (III) require the contractor or li-
18 censee to provide the parents of the
19 children receiving child care services
20 at the child care facility and employ-

2 facility for 5 working days or until the
3 deficiencies are corrected, whichever is
4 later;

5 (IV) require the contractor or li-
6 censee to bring the child care facility
7 and entity into compliance with the
8 requirements and certify to the head
9 of the agency that the facility and en-

16 determined by the Administrator to be
17 life threatening or to present a risk of
18 serious bodily harm cannot be cor-

25 which closure may be grounds for the

1 immediate termination or suspension
2 of the contract or license of the con-

4 (C) COST REIMBURSEMENT.—The Execu-
5 tive agency shall reimburse the Administrator
6 for the costs of carrying out subparagraph (A)
7 for child care facilities located in an executive
8 facility other than an executive facility of the
9 General Services Administration. If an entity is
10 sponsoring a child care facility for 2 or more
11 Executive agencies, the Administrator shall allo-
12 cate the costs of providing such reimbursement
13 with respect to the entity among the agencies in
14 a fair and equitable manner, based on the ex-

23 who is a parent of any child enrolled at the facility,
24 a parent of a child for whom an application has been

1 submitted to enroll at the facility, or an employee of
 2 the facility, shall provide to the individual—

3 (A) copies of all notifications of defi-

10 a contractor, for civilian employees of such agency.

4 “(B) Each provider of child care services at an indi-
5 vidual Federal child care center shall maintain 50 percent
6 of the enrollment at the center of children described under
7 subparagraph (A) as a goal for enrollment at the center.

8 “(C) If enrollment at a center does not meet the per-

23 subsection (a)(3) and paragraph (1) of this subsection.”.

1 (b) PAYMENT OF COSTS OF TRAINING PROGRAMS.—
2 Section 616(b)(3) of such Public Law (40 U.S.C.
3 490b(b)(3)) is amended to read as follows:

4 “(3) If an agency has a child care facility in its space,
5 or is a sponsoring agency for a child care facility in other
6 Federal or leased space, the agency or the General Serv-
7 ices Administration may pay accreditation fees, including
8 renewal fees, for that center to be accredited. Any agency,

24 facility in other Federal or leased space, the agency, the
25 child care center board of directors, or the General Serv-

1 ices Administration may enter into an agreement with 1
2 or more private entities under which such private entities
3 would assist in defraying the general operating expenses
4 of the child care providers including salaries and tuition
5 assistance programs at the facility.

6 “(2)(A) Notwithstanding any other provision of law,
7 if a Federal agency does not have a child care program,
8 or if the Administrator of General Services has identified
9 a need for child care for Federal employees at an agency
10 providing child care services that do not meet the require-
11 ments of subsection (a), the agency or the Administrator
12 may enter into an agreement with a non-Federal, licensed,
13 and accredited child care facility, or a planned child care
14 facility that will become licensed and accredited, for the
15 provision of child care services for children of Federal em-
16 ployees.

17 “(B) Before entering into an agreement, the head of
18 the Federal agency shall determine that child care services
19 to be provided through the agreement are more cost effec-
20 tively provided through such arrangement than through
21 establishment of a Federal child care facility.

22 “(C) The agency may provide any of the services de-
23 scribed in subsection (b)(3) if, in exchange for such serv-
24 ices, the facility reserves child care spaces for children re-

11 law for no more than 2 years to test innovative approaches
12 to providing alternative forms of quality child care assist-
13 ance for Federal employees. An agency head may extend
14 a pilot project for an additional 2-year period. Before any
15 pilot project may be implemented, a determination shall
16 be made by the agency head that initiating the pilot
17 project would be more cost-effective than establishing a
18 new child care facility. Costs of any pilot project shall be
19 borne solely by the agency conducting the pilot project.

20 “(2) The Administrator of General Services shall
21 serve as an information clearinghouse for pilot projects
22 initiated by other agencies to disseminate information con-
23 cerning the pilot projects to the other agencies.

24 “(3) Within 6 months after completion of the initial
25 2-year pilot project period, an agency conducting a pilot

1 project under this subsection shall provide for an evalua-
