## S. 589

To require the National Park Service to undertake a study of the Loess Hills area in western Iowa to review options for the protection and interpretation of the area's natural, cultural, and historical resources.

## IN THE SENATE OF THE UNITED STATES

March 11, 1999

Mr. Harkin introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

## A BILL

To require the National Park Service to undertake a study of the Loess Hills area in western Iowa to review options for the protection and interpretation of the area's natural, cultural, and historical resources.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Loess Hills Preserva-
- 5 tion Act of 1999".
- 6 SEC. 2. FINDINGS.
- 7 The Congress finds that—

- 1 (1) the Loess Hills area in western Iowa,
  2 formed by ancient glaciers and hundreds of centuries
  3 of westerly winds blowing across the Missouri River,
  4 has resulted in the largest loess formation in the
  5 United States, and one of the two largest in the
  6 world;
  - (2) portions of the Loess Hills remain undeveloped and provide an important opportunity to protect an historic and unique natural resource;
  - (3) a program to study the Loess Hills can only be successfully implemented with the cooperation and participation of affected local governments and landowners;
  - (4) in 1986, the Loess Hills area was designated as a National Natural Landmark in recognition of the area's nationally significant natural resources;
  - (5) although significant natural resources remain in the area, increasing development in the area has threatened the future stability and integrity of the Loess Hills area; and
  - (6) the Loess Hills area merits further study by the National Park Service, in cooperation with the State of Iowa, local governments, and affected landowners, to determine appropriate means to better

1 protect, preserve, and interpret the significant re-2 sources in the area. 3 SEC. 3. DEFINITIONS. 4 As used in this Act: (1) The term "Loess Hills" means the area in 6 the State of Iowa located between Waubansie State 7 Park and Stone Park, and which includes Plymouth, 8 Woodbury, Monona, Harrison, Pottawattamie, Mills, 9 and Fremont counties. (2) The term "Secretary" means the Secretary 10 11 of the Interior. (3) The term "State" means the State of Iowa. 12 SEC. 4. LOESS HILLS STUDY. 14 (a) The Secretary shall undertake a study of the Loess Hills area to review options for the protection and interpretation of the area's natural, cultural, and historical resources. The study shall include, but need not be limited to an analysis of the suitability and feasibility of 18 19 designating the area as— 20 (1) a unit of the National Park System; (2) a National Heritage Area or Heritage Cor-21 22 ridor; or 23 (3) such other designation as may be appro-24 priate.

- 1 (b) The study shall examine the appropriateness and
- 2 feasibility of cooperative protection and interpretive efforts
- 3 between the United States, the State, and its political sub-
- 4 divisions.
- 5 (c) The Secretary shall consult in the preparation of
- 6 the study with State and local governmental entities, af-
- 7 fected landowners, and other interested public and private
- 8 organizations and individuals.
- 9 (d) The study shall be completed within one year
- 10 after the date funds are made available. Upon its comple-
- 11 tion, the Secretary shall transmit a report of the study,
- 12 along with any recommendations, to the Committee on
- 13 Energy and Natural Resources of the United States Sen-
- 14 ate and the Committee on Resources of the United States
- 15 House of Representatives.
- 16 SEC. 5. AUTHORIZATION OF APPROPRIATIONS.
- 17 There is authorized to be appropriated such sums as
- 18 may be necessary to carry out this Act.
