## CONCURRENT RESOLUTION

Expressing the sense of the Congress with respect to coverage of outpatient prescription drugs under the Medicare Program and with respect to providing for appropriate new budget authority for such coverage.

Whereas the concurrent resolution on the budget for fiscal year 2002 established a reserve fund of \$300 billion for a medicare outpatient prescription drug program;

Whereas the rising costs of outpatient prescription drugs presents a great financial hardship for seniors and disabled individuals and impairs their overall well-being;

Whereas enactment of a medicare outpatient prescription drug plan that provides for a comprehensive, universal, and voluntary drug program for medicare beneficiaries is needed; and

Whereas Congress and the President have pledged to enact a meaningful medicare prescription drug plan: Now, therefore, be it

1       *Resolved by the House of Representatives (the Senate*  
2       *concurring)*, That it is the sense of the Congress that—

3               (1) an outpatient prescription drug benefit for  
4       medicare beneficiaries under the medicare program  
5       should be enacted in 2002;

6               (2) the concurrent resolution on the budget for  
7       fiscal year 2003 should include new budget authority  
8       for each of fiscal years 2003 through 2008 to pro-  
9       vide for coverage of outpatient prescription drugs  
10      under the medicare program; and

11              (3) the aggregate amount of that new budget  
12      authority for fiscal years 2003 through 2008 under  
13      the concurrent resolution on the budget should be  
14      \$300,000,000,000.
