

107TH CONGRESS
2^D SESSION

H. CON. RES. 419

IN THE SENATE OF THE UNITED STATES

SEPTEMBER 25, 2002

Received and referred to the Committee on the Judiciary

CONCURRENT RESOLUTION

Requesting the President to issue a proclamation in observance of the 100th Anniversary of the founding of the International Association of Fish and Wildlife Agencies.

Whereas on September 17, 1902, when Theodore Roosevelt was President, 8 wildlife managers and game wardens from 6 States met in West Yellowstone, Montana, on behalf of the country's beleaguered fish and wildlife populations, and established the National Association of Game and Fish Wardens and Commissioners, which later

became the International Association of Fish and Wildlife Agencies (IAFWA);

Whereas 100 years later, IAFWA represents the fish and wildlife agencies of all 50 States and enjoys the membership of several Federal natural resource agencies, the Federal and provincial fish and wildlife agencies of Canada, and the Federal natural resource agency of Mexico;

Whereas IAFWA has been a significant force in the enactment of fish and wildlife conservation treaties and Federal statutes too numerous to enumerate, including the Migratory Bird Treaty Act; the Pittman-Robertson Wildlife Restoration Act; the Dingell-Johnson Sportfish Restoration Act; all farm bills enacted since 1985; the North American Wetlands Conservation Act; the National Wildlife Refuge System Improvement Act of 1997, and the Fish and Wildlife Programs Improvement and National Wildlife Refuge System Centennial Act of 2000, to mention but a few;

Whereas IAFWA continues to promote the sustainable use of natural resources; to encourage cooperation and coordination of fish and wildlife conservation and management at all levels of government; to encourage professional management of fish and wildlife; to develop coalitions among conservation organizations to promote fish and wildlife interests; and to foster public understanding of the need for conservation; and

Whereas the State fish and wildlife agencies have successfully restored healthy fish and wildlife populations enjoyed by all Americans largely using Federal excise taxes paid by hunters and anglers into the Federal trust funds known as the Pittman-Robertson, Dingell-Johnson, and Wallop-

Breaux trust funds, and using State hunting and fishing license fees: Now, therefore, be it
