8 other cultural groups on both sides of the border
9 have a rich history that must be preserved and told
10 for the benefit of current and future generations of
11 Americans;

12 (4) the histories of the many individuals and
13 families, who came from many different backgrounds
14 and who faced hardship and adversity as they mi-
15 grated in search of better lives for themselves and
16 their descendants, need to be better documented and
17 incorporated into the larger history of the United
18 States;

19 (5) the histories of these courageous people re-
20 flect the strong relationship between the people of
21 the United States and the people of Mexico;

22 (6) there is no museum dedicated to the history
23 of migration at the United States southern border;

1 (7) historically, El Paso, Texas, has been the
2 largest port of entry for people immigrating to the
3 United States from Mexico;

4 (8) El Camino Real de Tierra Adentro (the
5 Royal Road of the Interior) passes through El Paso
6 and served as the primary route between the colonial
7 Spanish capital of Mexico City and the Spanish Pro-
8 vincial capitals San Juan de los Caballeros, San Ga-
9 briel, and Santa Fe, all part of the present day
10 United States;

11 (9) El Paso and its sister city, Ciudad Juarez,
12 Mexico, together form the largest international bor-
13 der city;

14 (10) the University of Texas at El Paso, a ma-
15 jority of whose students are Mexican-American, is
16 coordinating a national effort to create in El Paso
17 a national museum dedicated to preserving the his-
18 tory of people who, for many centuries, have moved
19 between Mexico and territories that are now part of
20 the United States; and

21 (11) the City of El Paso has made the estab-
