H. R. 837

To provide that, for purposes of making determinations for certain trade remedies and trade adjustment assistance, imported semi-finished steel slabs and taconite pellets produced in the United States shall be considered to be articles like or directly competitive with each other.

IN THE HOUSE OF REPRESENTATIVES

March 1, 2001

Mr. Oberstar (for himself and Mr. Stupak) introduced the following bill; which was referred to the Committee on Ways and Means

A BILL

To provide that, for purposes of making determinations for certain trade remedies and trade adjustment assistance, imported semi-finished steel slabs and taconite pellets produced in the United States shall be considered to be articles like or directly competitive with each other.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. POSITIVE ADJUSTMENT BY INDUSTRIES IN-
- 4 **JURED BY IMPORTS.**
- 5 For purposes of making a determination under sec-
- 6 tion 202(b) of the Trade Act of 1974 (19 U.S.C. 2252(b))
- 7 with respect to increased imports of semi-finished steel

1	alaba taconita polleta produced in the United States shall
1	slabs, taconite pellets produced in the United States shall
2	be considered to be an article like or directly competitive
3	with such semi-finished steel slabs.
