A BILL

To establish a commission to review the facts and circumstances surrounding injustices suffered by European Americans, European Latin Americans, and European refugees during World War II.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Wartime Treatment
3 of European Americans and Refugees Study Act”.

4 **SEC. 2. FINDINGS.**

5 Congress makes the following findings:

6 (1) The United States has long encouraged
7 other nations to acknowledge their wartime offenses
8 against civilians. Now, the United States Govern-
9 ment should fully assess its treatment of European
10 Americans and European Latin Americans during
11 World War II and its effect on Italian American,
12 German American, and other European American
13 communities.

14 (2) The United States Government should also
15 fully assess its treatment of European refugees who
16 fled persecution and genocide in Europe to seek ref-
17 uge in the United States prior to and during World
18 War II.

19 (3) During World War II, the United States
20 Government branded as “enemy aliens” more than
21 600,000 Italian-born and 300,000 German-born
22 United States resident aliens and their families and
23 required them to carry Certificates of Identification,
24 limited their travel, and seized their personal prop-
25 erty. At that time, these groups were the two largest
26 foreign-born groups in the United States.

1 (4) During World War II, the United States
2 Government arrested, interned or otherwise detained
3 thousands of European Americans, some remaining
4 in custody for years after cessation of World War II
5 hostilities, and repatriated, exchanged, or deported
6 European Americans, including American-born chil-
7 dren, to hostile, war-torn European Axis nations;
8 many to be exchanged for Americans held in those
9 nations.

10 (5) Pursuant to a policy coordinated by the
11 United States with Latin American countries, many
12 European Latin Americans, including German and
13 Austrian Jews, were captured, shipped to the United
14 States and interned. Many were later expatriated,
15 repatriated or deported to hostile, war-torn Euro-
16 pean Axis nations during World War II, most to be
17 exchanged for Americans and Latin Americans held
18 in those nations.

19 (6) Millions of European Americans served in
20 the armed forces and thousands sacrificed their lives
21 in defense of the United States.

22 (7) The wartime policies of the United States
23 Government were devastating to the Italian Ameri-
24 cans and German American communities; individuals

1 and their families. The detrimental effects are still
2 being experienced.

3 (8) Prior to and during World War II, the
4 United States restricted the entry of European refu-
5 gees who were fleeing persecution and sought safety
6 in the United States. During the 1930's and 1940's,
7 the quota system, immigration regulations, visa re-
8 quirements, and the time required to process visa
9 applications affected the number of European refu-
10 gees, particularly those from Germany and Austria,
11 who could gain admittance to the United States.

12 (9) Time is of the essence for the establishment
13 of a Commission, because of the increasing danger
14 of destruction and loss of relevant documents, the
15 advanced age of potential witnesses and, most im-
16 portantly, the advanced age of those affected by the
17 United States Government's policies. Many who suf-
18 fered have already passed away and will never know
19 of this effort.

19 **SECTION 1. SHORT TITLE.**

20 *This Act may be cited as the “Wartime Treatment*
 21 *Study Act”.*

22 **SEC. 2. FINDINGS.**

23 *Congress makes the following findings:*

1 (1) *During World War II, the United States suc-*
2 *cessfully fought the spread of Nazism and fascism by*
3 *Germany, Italy, and Japan.*

4 (2) *Nazi Germany persecuted and engaged in*
5 *genocide against Jews and certain other groups. By*
6 *the end of the war, 6,000,000 Jews had perished at*
7 *the hands of Nazi Germany. United States Govern-*
8 *ment policies, however, restricted entry to the United*
9 *States to Jewish and other refugees who sought safety*
10 *from Nazi persecution.*

11 (3) *While we were at war, the United States*
12 *treated the Japanese American, German American,*
13 *and Italian American communities as suspect.*

14 (4) *The United States Government should con-*
15 *duct an independent review to assess fully and ac-*
16 *knowledge these actions. Congress has previously re-*
17 *viewed the United States Government's wartime treat-*
18 *ment of Japanese Americans through the Commission*
19 *on Wartime Relocation and Internment of Civilians.*
20 *An independent review of the treatment of German*
21 *Americans and Italian Americans and of Jewish refu-*
22 *gees fleeing persecution and genocide has not yet been*
23 *undertaken.*

24 (5) *During World War II, the United States*
25 *Government branded as "enemy aliens" more than*

1 600,000 Italian-born and 300,000 German-born
2 United States resident aliens and their families and
3 required them to carry Certificates of Identification,
4 limited their travel, and seized their personal prop-
5 erty. At that time, these groups were the two largest
6 foreign-born groups in the United States.

7 (6) During World War II, the United States
8 Government arrested, interned or otherwise detained
9 thousands of European Americans, some remaining
10 in custody for years after cessation of World War II
11 hostilities, and repatriated, exchanged, or deported
12 European Americans, including American-born chil-
13 dren, to hostile, war-torn European Axis nations,
14 many to be exchanged for Americans held in those na-
15 tions.

16 (7) Pursuant to a policy coordinated by the
17 United States with Latin American countries, many
18 European Latin Americans, including German and
19 Austrian Jews, were captured, shipped to the United
20 States and interned. Many were later expatriated, re-
21 patriated or deported to hostile, war-torn European
22 Axis nations during World War II, most to be ex-
23 changed for Americans and Latin Americans held in
24 those nations.

1 (8) *Millions of European Americans served in*
2 *the armed forces and thousands sacrificed their lives*
3 *in defense of the United States.*

4 (9) *The wartime policies of the United States*
5 *Government were devastating to the Italian Ameri-*
6 *cans and German American communities, individuals*
7 *and their families. The detrimental effects are still*
8 *being experienced.*

9 (10) *Prior to and during World War II, the*
10 *United States restricted the entry of Jewish refugees*
11 *who were fleeing persecution and sought safety in the*
12 *United States. During the 1930's and 1940's, the*
13 *quota system, immigration regulations, visa require-*
14 *ments, and the time required to process visa applica-*
15 *tions affected the number of Jewish refugees, particu-*
16 *larly those from Germany and Austria, who could*
17 *gain admittance to the United States.*

18 (11) *Time is of the essence for the establishment*
19 *of commissions, because of the increasing danger of*
20 *destruction and loss of relevant documents, the ad-*
21 *vanced age of potential witnesses and, most impor-*
22 *tantly, the advanced age of those affected by the*
23 *United States Government's policies. Many who suf-*
24 *fered have already passed away and will never know*
25 *of this effort.*
