

107TH CONGRESS
2D SESSION

S. 3033

To amend the Public Health Service Act to establish an electronic system for practitioner monitoring of the dispensing of any schedule II, III, or IV controlled substance, and for other purposes.

IN THE SENATE OF THE UNITED STATES

OCTOBER 2, 2002

Mr. HUTCHINSON introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To amend the Public Health Service Act to establish an electronic system for practitioner monitoring of the dispensing of any schedule II, III, or IV controlled substance, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National All Schedules
5 Prescription Electronic Reporting Act of 2002”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds as follows:

1 (1) The Harold Rogers Prescription Monitoring
2 Program has supplied and will continue to supply
3 critically important information and experience re-
4 garding effective prescription drug monitoring prac-
5 tices.

6 (2) Schedule II, III, and IV controlled sub-
7 stances have a useful and legitimate medical purpose
8 and are necessary to maintain the health and gen-
9 eral welfare of the American people.

10 (3) Schedule II, III, and IV controlled sub-
11 stances have a moderate to high potential for misuse
12 when the prescribing practitioner is unaware of all
13 such prescriptions that a patient is receiving, includ-
14 ing abuse, improper use, and illegal distribution.

15 (4) Such misuse imposes substantial and detri-
16 mental effects on the health and welfare of the
17 American people.

18 (5) Currently there is no national databank
19 that health care practitioners and pharmacists who,
20 respectively, prescribe and dispense schedule II, III,
21 and IV controlled substances can access to deter-
22 mine whether a particular prescription is medically
23 unnecessary.

24 (6) A national electronic databank, supported
25 by State databanks where they are established under

1 State law, would allow providers to access the infor-
 2 mation necessary to ascertain that a particular pre-
 3 scription may be unnecessary or the subject of mis-
 4 use.

5 (7) A major portion of the use and misuse of
 6 schedule II, III, and IV controlled substances in-
 7 volves interstate and foreign commerce.

8 (8) Schedule II, III, and IV controlled sub-
 9 stances dispensed intrastate cannot be differentiated
 10 from schedule II, III, and IV controlled substances
 11 that are dispensed interstate, and have significant
 12 interstate effects.

13 **SEC. 3. ELECTRONIC MONITORING SYSTEM FOR DIS-**
 14 **PENSING CONTROLLED SUBSTANCES.**

15 Part P of title III of the Public Health Service Act
 16 (42 U.S.C. 280g et seq.) is amended by adding after sec-
 17 tion 399N the following:

18 **“SEC. 399O. ELECTRONIC MONITORING SYSTEM FOR DIS-**
 19 **PENSING CONTROLLED SUBSTANCES.**

20 “(a) ESTABLISHMENT.—The Secretary, acting
 21 through the Administrator of the Health Resources and
 22 Services Administration, shall establish an electronic sys-
 23 tem for practitioner monitoring of the dispensing of any
 24 schedule II, III, or IV controlled substance involving pa-
 25 tients under their care.

1 “(b) NO FEE OR TAX.—A practitioner shall not be
2 required to pay a fee or tax in connection with the system
3 established under subsection (a).

4 “(c) REPORTING REQUIREMENT.—Every dispenser
5 shall report to the Secretary the information required by
6 this section in a timely manner as prescribed by the Sec-
7 retary, except that reporting shall not be required for—

8 “(1) a drug administered directly to a patient;
9 or

10 “(2) a drug dispensed in a quantity limited to
11 an amount adequate to treat the patient for 48
12 hours or less.

13 “(d) INFORMATION TO BE REPORTED.—The Sec-
14 retary shall determine by regulation the information to be
15 reported under subsection (a) for each schedule II, III,
16 or IV controlled substance. Such information shall include
17 the following:

18 “(1) Patient identifier.

19 “(2) Drug dispensed.

20 “(3) Date of dispensing.

21 “(4) Quantity dispensed.

22 “(5) Number of refills ordered.

23 “(6) Practitioner who signed the prescription.

24 “(7) Dispenser.

1 “(e) ELECTRONIC FORMAT.—The Secretary shall
2 specify the electronic format for the reporting of informa-
3 tion under subsection (a), and may waive the requirement
4 of such format with respect to an individual dispenser.

5 “(f) PROVISION OF INFORMATION.—The Secretary
6 may provide information from the system established
7 under subsection (a) and, in the case of a request under
8 paragraph (2), compilations of such information, in re-
9 sponse to a request by—

10 “(1) a practitioner who certifies that the re-
11 quested information is for the purpose of providing
12 medical or pharmaceutical treatment or evaluating
13 the need for such treatment to a bona fide current
14 patient; or

15 “(2) any local, State, or Federal law enforce-
16 ment, narcotics control, licensure, disciplinary, or
17 program authority, who certifies that—

18 “(A) the requested information is related
19 to an investigation or proceeding involving the
20 unlawful diversion or misuse of a schedule II,
21 III, or IV substance, and the authority has rea-
22 sonable cause to conclude that such information
23 will further the purpose of the investigation or
24 assist in the proceeding; or

1 “(B) the requested information is nec-
2 essary for research purposes, but only in the
3 case of research to be conducted by the Depart-
4 ment of Health and Human Services, a State
5 medicaid program, or the Drug Enforcement
6 Administration, and the intended purpose of the
7 research is related to a function committed to
8 such agency by law that is not investigative in
9 nature.

10 “(g) RULE OF CONSTRUCTION.—Nothing in this sec-
11 tion shall be construed to restrict the ability of any author-
12 ity, including any local, State, or Federal law enforcement,
13 narcotics control, licensure, disciplinary, or program au-
14 thority, to secure information as otherwise authorized by
15 law.

16 “(h) LIMITATION.—The Secretary shall make reason-
17 able efforts to limit the information provided pursuant to
18 a valid request under subsection (f) to the minimum nec-
19 essary to accomplish the intended purpose of the request.
20 The Secretary shall also make reasonable efforts to imple-
21 ment a real-time electronic system, as consistent with any
22 available appropriated funds. Reports or communications
23 made under subsections (c), (f)(1), or (f)(2)(A) shall not,
24 in any event, be made to or by the Secretary more than
25 1 week after the antecedent or triggering request or event.

1 “(i) SUBSEQUENT TRANSFER OF INFORMATION.—A
2 person who, pursuant to subsection (f), receives data or
3 any report of the system from the Secretary shall not pro-
4 vide the information to any other person or entity except
5 by order of a court of competent jurisdiction or other legal
6 authority, by written patient authorization as authorized
7 under section 164.508(b) of title 45, Code of Federal Reg-
8 ulations, or any successor regulations, or as otherwise au-
9 thorized or permitted by the Health Insurance Portability
10 and Accountability Act of 1996. The provisions of sub-
11 sections (f), (g), and (h) are deemed to comply with the
12 Health Insurance Portability and Accountability Act of
13 1996 and regulations promulgated thereunder. This sec-
14 tion shall not prevent the disclosure of information by a
15 local, State, or Federal law enforcement, narcotics control,
16 licensure, disciplinary, or program authority to district at-
17 torneys, attorneys general, and others, in furtherance of
18 criminal investigations or prosecutions, or licensure, dis-
19 ciplinary, or other judicial or administrative proceedings
20 within their respective jurisdictions.

21 “(j) PENALTIES.—

22 “(1) FAILURE TO TRANSMIT.—Any dispenser
23 who knowingly fails to transmit information to the
24 Secretary as required by this section shall be subject
25 to a civil monetary penalty of \$100 for each such

1 failure, and a maximum civil monetary penalty of
2 \$25,000 for such failures concerning any particular
3 patient.

4 “(2) KNOWING DISCLOSURE.—Any person who
5 seeks or makes a knowing disclosure of transmitted
6 information by or to a person not authorized by sub-
7 section (f) or the Health Insurance Portability and
8 Accountability Act of 1996, or who knowingly ob-
9 tains information under this section not relating to
10 a bona fide specific current patient, shall be subject
11 to a civil monetary penalty of not more than
12 \$25,000 for each such violation.

13 “(k) STATE MONITORING SYSTEM.—A State may
14 elect to have its own prescription monitoring system, sub-
15 ject to its own rules and regulations, operating in its juris-
16 diction to the exclusion of the Federal program created
17 by this section, so long as the State system provides the
18 information required by this provision to the Federal pro-
19 gram in a fashion consistent with any requirements issued
20 by the Secretary. The Harold Rogers Prescription Moni-
21 toring Program and the funding it provides may be
22 accessed by a State electing to proceed under this provi-
23 sion. This mechanism is intended to encourage States to
24 develop systems that may operate to provide additional in-

1 formation and experience that will assist in the refinement
 2 of both the Federal and State programs.

3 “(l) DEFINITIONS.—For purposes of this section:

4 “(1) ADMINISTERED DIRECTLY TO A PA-
 5 TIENT.—The term ‘administered directly to a pa-
 6 tient’ means the direct application of a schedule II,
 7 III, or IV controlled substance to the body of a pa-
 8 tient by a practitioner or by the practitioner’s agent
 9 in the practitioner’s’s presence, whether such appli-
 10 cation is by injection, inhalation, ingestion, or any
 11 other means.

12 “(2) AGENT.—The term ‘agent’ means an au-
 13 thorized person who acts on behalf of or at the di-
 14 rection of a practitioner.

15 “(3) DISPENSE.—The term ‘dispense’ means to
 16 deliver a schedule II, III, or IV controlled substance
 17 to an ultimate user pursuant to the lawful order of
 18 a practitioner.

19 “(4) DISPENSER.—The term ‘dispenser’ means
 20 a practitioner who so delivers a schedule II, III, or
 21 IV controlled substance to an ultimate user.

22 “(5) LOCAL, STATE, OR FEDERAL LAW EN-
 23 FORCEMENT, NARCOTICS CONTROL, LICENSURE, DIS-
 24 CIPLINARY, OR PROGRAM AUTHORITY.—The term
 25 ‘local, State, or Federal law enforcement, narcotics

1 control, licensure, disciplinary, or program authority’
2 means—

3 “(A) any State or local officer authorized
4 under State or local law who is employed as an
5 investigative agent of a State or local narcotics
6 control agency;

7 “(B) the Drug Enforcement Administra-
8 tion;

9 “(C) the executive director or chief investi-
10 gator, as designated by each board, of the State
11 boards of podiatry, dentistry, pharmacy, med-
12 ical licensure, osteopathic examiners, veterinary
13 medical examiners, nursing, or other boards
14 representing appropriate health care-related dis-
15 ciplines, but only with respect to information
16 relevant to licensees of the respective boards;

17 “(D) the Department of Health and
18 Human Services;

19 “(E) a State medicaid program;

20 “(F) a properly convened Federal or State
21 grand jury or other judicial authority pursuant
22 to an appropriately and properly issued sub-
23 poena; or

24 “(G) any contractor selected by the Sec-
25 retary to establish or maintain the prescription

1 database if the Secretary imposes appropriate
2 restrictions on such contractor and its per-
3 sonnel.

4 “(6) PATIENT IDENTIFIER.—The term ‘patient
5 identifier’ means the patient’s—

6 “(A) full name;

7 “(B) address, including zip code;

8 “(C) date of birth; and

9 “(D) social security number or alternative
10 identification number.

11 “(7) PRACTITIONER.—The term ‘practitioner’
12 means a physician, nurse practitioner, clinical nurse
13 specialist, physician assistant, dentist, veterinarian,
14 pharmacist, hospital, or other person licensed, reg-
15 istered, or otherwise permitted under Federal or
16 State law to distribute, dispense, or administer a
17 controlled substance in the course of professional
18 practice.

19 “(8) SCHEDULE II, III, OR IV CONTROLLED
20 SUBSTANCE.—The term ‘schedule II, III, or IV con-
21 trolled substance’ means a controlled substance (as
22 that term is defined in section 102 of the Controlled
23 Substances Act) included in schedule II, III, or IV
24 of section 202 of such Act.”.
