

107TH CONGRESS
2D SESSION

S. 3048

To amend the Public Health Service Act to add requirements regarding trauma care, and for other purposes.

IN THE SENATE OF THE UNITED STATES

OCTOBER 3, 2002

Mr. FRIST (for himself, Mr. KENNEDY, Mr. ENZI, Mr. JOHNSON, Mrs. MURRAY, Mrs. CLINTON, and Mr. ROBERTS) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To amend the Public Health Service Act to add requirements regarding trauma care, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Trauma Care Systems
5 Planning and Development Act of 2002”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

8 (1) The Federal Government and State govern-
9 ments have established a history of cooperation in

1 the development, implementation, and monitoring of
2 integrated, comprehensive systems for the provision
3 of emergency medical services.

4 (2) Trauma is the leading cause of death of
5 Americans between the ages of 1 and 44 years and
6 is the third leading cause of death in the general
7 population of the United States.

8 (3) In 1995, the total direct and indirect cost
9 of traumatic injury in the United States was esti-
10 mated at \$260,000,000,000.

11 (4) There are 40,000 fatalities and 5,000,000
12 nonfatal injuries each year from motor vehicle-re-
13 lated trauma, resulting in an aggregate annual cost
14 of \$230,000,000,000 in medical expenses, insurance,
15 lost wages, and property damage.

16 (5) Barriers to the receipt of prompt and ap-
17 propriate emergency medical services exist in many
18 areas of the United States.

19 (6) Many States do not have comprehensive
20 trauma care systems to provide prompt and appro-
21 priate services to all their residents.

22 (7) The number of deaths from trauma can be
23 reduced by improving the systems for the provision
24 of emergency medical services in the United States.

1 (8) Trauma care systems are an important part
2 of the emergency preparedness system needed for
3 homeland defense.

4 **SEC. 3. AMENDMENTS.**

5 (a) ESTABLISHMENT.—Section 1201 of the Public
6 Health Service Act (42 U.S.C. 300d) is amended—
