

107TH CONGRESS  
1ST SESSION

# S. 307

To provide grants to State educational agencies and local educational agencies for the provision of classroom-related technology training for elementary and secondary school teachers.

---

## IN THE SENATE OF THE UNITED STATES

FEBRUARY 13, 2001

Mrs. FEINSTEIN introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

---

## A BILL

To provide grants to State educational agencies and local educational agencies for the provision of classroom-related technology training for elementary and secondary school teachers.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Teacher Technology  
5       Training Act”.

6       **SEC. 2. FINDINGS.**

7       Congress makes the following findings:

1           (1) Between 1994 and 2005, more than  
2           1,000,000 new computer scientists and engineers,  
3           system analysts, and computer programmers will be  
4           required in the United States.

5           (2) Today's elementary school and secondary  
6           school students need effective computer training in  
7           schools so that the students can effectively compete  
8           in tomorrow's job market.

9           (3) More schools are using computers than ever  
10          before creating a greater need for teachers to utilize  
11          computer equipment effectively in a classroom set-  
12          ting.

13          (4) In just 3 years, the percentage of public  
14          schools with Internet access increased from 35 per-  
15          cent in the fall of 1994 to 78 percent in the fall of  
16          1997, with 98 percent of all schools owning com-  
17          puters.

18          (5) The need for teachers who have knowledge  
19          and mastery of computer skills in the classroom is  
20          great.

21          (6) Schools need increased funding to serve the  
22          computer and technology needs of their rapidly  
23          growing student populations.

24          (7) Only 23 percent of elementary school and  
25          secondary school teachers feel qualified in using

1 computers and related technology, according to the  
2 Department of Education.

3 **SEC. 3 DEFINITIONS.**

4 The terms used in this Act have the meanings given  
5 the terms in section 14101 of the Elementary and Sec-  
6 ondary Education Act of 1965 (20 U.S.C. 8801).

7 **SEC. 4. PROGRAM AUTHORIZED.**

8 (a) IN GENERAL.—The Secretary is authorized to  
9 award grants to State educational agencies to enable the  
10 State educational agencies to award grants to local edu-  
11 cational agencies for the provision of classroom-related  
12 technology training for licensed or certified elementary  
13 school or secondary school teachers.

14 (b) NEED BASIS.—Each State educational agency  
15 that receives a grant under this Act shall use the grant  
16 funds to award grants to local educational agencies in the  
17 State on the basis of the local educational agencies' dem-  
18 onstrated need for strengthening teacher training in the  
19 use of technology in instruction.

20 (c) DURATION.—A grant made under this Act shall  
21 be awarded for a period not to exceed 5 years.

22 **SEC. 5. GRANT AWARD.**

23 (a) APPLICATIONS.—To be eligible to receive a grant  
24 under this Act—

1           (1) a State educational agency shall submit an  
2           application to the Secretary at such time and in  
3           such form as the Secretary may require; and

4           (2) a local educational agency shall submit an  
5           application to the State educational agency at such  
6           time and in such form as the State educational  
7           agency may require.

8           (b) NUMBER.—The State educational agency shall  
9           award not less than one grant under this Act to a local  
10          educational agency in the State that meets criteria for the  
11          grant award that are established by the Secretary. If the  
12          amount appropriated under section 8 for a fiscal year is  
13          \$50,000,000 or greater, then the Secretary shall award  
14          1 grant to each State educational agency that applies for  
15          such grant serving 1 of the 50 States of the United States.

16   **SEC. 6. USES OF FUNDS.**

17          A local educational agency that receives a grant  
18          under this Act may use the grant funds to strengthen in-  
19          struction and learning, provide professional development,  
20          and pay the costs of training, related to the use of tech-  
21          nologies in instruction. A local educational agency that re-  
22          ceives a grant under this Act may use the grant funds  
23          to provide training by local educational agency personnel  
24          on school premises.

1 **SEC. 7. EVALUATION.**

2 (a) IN GENERAL.—Not later than 3 years after the  
3 Secretary first awards grants under this Act, the Sec-  
4 retary shall evaluate the technology training programs for  
5 teachers developed by local educational agencies under this  
6 Act.

7 (b) DISSEMINATION OF RESULTS.—The Secretary  
8 shall collect information related to the evaluation and  
9 make available to the public upon request the results of  
10 the evaluation.

11 (c) ADMINISTRATIVE COSTS.—The Secretary may  
12 use not more than 2 percent of the total amount appro-  
13 priated under section 8 for fiscal year 2002 to conduct  
14 the evaluation under subsection (a).

15 **SEC. 8. AUTHORIZATION OF APPROPRIATIONS.**

16 There are authorized to be appropriated to carry out  
17 this Act \$100,000,000 for each of the fiscal years 2002,  
18 2003, 2004, 2005, and 2006.
