

107TH CONGRESS
2D SESSION

S. RES. 241

Designating April 11, 2002, as “National Alternative Fuel Vehicle Day”.

IN THE SENATE OF THE UNITED STATES

APRIL 15, 2002

Mr. ROCKEFELLER (for himself, Mr. BYRD, Mr. HATCH, Mr. REID, Mr. DASCHLE, and Mr. DURBIN) submitted the following resolution; which was considered and agreed to

RESOLUTION

Designating April 11, 2002, as “National Alternative Fuel Vehicle Day”.

Whereas the energy security of the United States needs to be strengthened to prevent future terrorist attacks;

Whereas the United States needs to reduce its dependence on foreign oil;

Whereas the United States needs to improve its air quality by reducing emissions from the millions of motor vehicles on the Nation’s roads;

Whereas the United States needs to foster national expertise and technological advancement in cleaner alternative fuel vehicles;

Whereas the people of the United States need more choices in cleaner transportation;

Whereas the people of the United States need to know that alternative fuel vehicles are a positive choice for transportation; and

Whereas it is in the public interest of the United States to foster the support for new and existing technologies that offer more environmentally friendly transportation choices for the people of the United States during peacetime or wartime; Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) designates April 11, 2002, as “National Al-
3 ternative Fuel Vehicle Day”;

4 (2) proclaims “National Alternative Fuel Vehi-
5 cle Day” as a day to promote programs and activi-
6 ties that will lead to the greater use of cleaner trans-
7 portation in the United States; and

8 (3) requests the President to issue a proclama-
9 tion, calling upon interested organizations and the
10 people of the United States—

11 (A) to promote programs and activities
12 that take full advantage of the new and existing
13 technologies in cleaner alternative fuel vehicles;
14 and

15 (B) to foster public interest in the use of
16 cleaner alternative fuel vehicles through the dis-
17 semination of information.
