## RESOLUTION

Congratulating the Republic of Croatia on the 10th  
anniversary of its recognition by the United States.

Whereas the United States recognized the Republic of Croatia on April 7, 1992, acknowledging the decision of the Croatian people to live in an independent, democratic, and sovereign country;

Whereas, during the 10 years since the recognition, the people of Croatia have overcome the legacy of the autocratic Tudjman government and persevered in building a democratic society, based on the rule of law, respect for

human rights, and a free market economy, as shown by the democratic parliamentary and presidential elections held in January and February 2000;

Whereas the people and Government of the Republic of Croatia share the democratic values of the international community and the responsibility to uphold them, actively promoting democratic values in international organizations;

Whereas Croatia, cooperating on the basis of partnership and solidarity, participates in the Vilnius Group, which is committed to the common values of security and democratic stability through future North Atlantic Treaty Organization membership;

Whereas Croatia is a reliable friend and ally of the United States, actively contributing to the stabilization of South Central Europe; and

Whereas Croatia immediately positioned itself within the antiterrorism coalition of nations, sharing the common interests and values of the free and democratic world: Now, therefore, be it
