

108TH CONGRESS  
1ST SESSION

# H. CON. RES. 272

Expressing the sense of the Congress regarding the 75th anniversary of the Water Environment Federation.

---

## IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 4, 2003

Mr. MORAN of Virginia submitted the following concurrent resolution; which was referred to the Committee on Transportation and Infrastructure

---

## CONCURRENT RESOLUTION

Expressing the sense of the Congress regarding the 75th anniversary of the Water Environment Federation.

Whereas the Water Environment Federation has guided technological development and public health in water quality since 1928;

Whereas the Water Environment Federation is a not-for-profit technical and educational organization with members from varied disciplines who work toward the preservation and enhancement of the global water environment;

Whereas the Water Environment Federation is a global organization of 79 member associations and 6 corresponding associations representing every major region of the world;

Whereas the Water Environment Federation researches and publishes the latest information on wastewater treatment, public health, and water quality protection;

Whereas the Water Environment Federation provides technical expertise and training on issues including nonpoint source pollution, hazardous waste, residuals management, total maximum daily loads, and groundwater;

Whereas the Water Environment Federation reviews, testifies, and comments on environmental regulations and legislation;

Whereas the Water Environment Federation sponsors conferences and other special events around the world for technical experts, government officials, and the general public; and

Whereas the Water Environment Federation provides assistance with technical services and educational resources for members of the Federation, government officials, and the general public: Now, therefore, be it

1        *Resolved by the House of Representatives (the Senate*  
2        *concurring), That the Congress—*

3                (1) honors and acknowledges the Water Envi-  
4        ronment Federation for its 75 years of service to-  
5        ward the preservation and enhancement of the global  
6        water environment; and

7                (2) recognizes the Water Environment Federa-  
8        tion as it moves into a century of improving water  
9        quality.
