To authorize a national memorial at, or proximate to, the World Trade Center site to commemorate the tragic events of September 11, 2001, to establish the World Trade Center Memorial Advisory Board, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “World Trade Center
5 National Memorial Act”.

6 **SEC. 2. FINDINGS AND PURPOSES.**

7 (a) FINDINGS.—Congress finds as follows:

1 (1) On September 11, 2001, terrorists hijacked
2 four civilian aircraft, causing two of them to crash
3 into the twin towers of the World Trade Center in
4 New York City, a third into the Pentagon, and a
5 fourth in rural southwest Pennsylvania.

6 (2) Nearly 3,000 people were killed at the
7 World Trade Center site in the most lethal terrorist
8 attack ever committed against the United States.

9 (3) In the months since the historic events of
10 September 11, 2001, thousands of people have vis-
11 ited the World Trade Center site to mourn the dead,
12 to pay tribute to the heroic action and sacrifice of
13 the firefighters, police, emergency personnel, and
14 other responders, and attempt to understand the na-
15 ture of this attack on the United States.

16 (4) The attack on the World Trade Center re-
17 sulted in great destruction and damage to homes,
18 churches, schools, and commercial and retail build-
19 ings, causing the loss of thousands of jobs and busi-
20 nesses in Lower Manhattan.

21 (5) The human and emotional toll of this attack
22 has been felt across the United States and through-
23 out the world.

24 (6) Many are profoundly concerned about the
25 future disposition of the World Trade Center site,

1 and many citizens, family members, professional or-
2 ganizations, local businesses and residents, and
3 State and local officials have formed coalitions and
4 held forums to provide a voice for all interested and
5 concerned parties.

6 (7) A broad and deep consensus has emerged in
7 the United States that this site is a sacred site that
8 cannot be forgotten and requires the highest form of
9 national recognition.

10 (8) It is appropriate that a national memorial
11 be established at, or proximate to, the World Trade
12 Center site to commemorate the internationally sig-
13 nificant events of September 11, 2001, and the lives
14 lost, and that the memorial be designated as a unit
15 of the National Park System.

22 (2) To ensure the public has full access to and
23 significant involvement in decisions regarding the lo-
24 cation, planning, and design of the national memo-
25 rial.
