Such individuals shall have a choice of such plans under section 1860D–5(d).

"(b) GENERAL ELECTION PROCEDURES.—

"(1) IN GENERAL.—An individual eligible to make an election under subsection (a) may elect to enroll in a prescription drug plan under this part, or elect the option of qualified prescription drug coverage under a MA-EFFS Rx plan under part C or part E, and to change such election only in such manner and form as may be prescribed by regulations of the Administrator of the Medicare Benefits Administration (appointed under section 1809(b)) (in this part referred to as the 'Medicare Benefits Administrator') and only during an election period prescribed in or under this subsection.

"(2) ELECTION PERIODS.—

"(iv) in cases of individuals (as determined by the Administrator) who become eligible for prescription drug assistance under title XIX under section 1935(d).

"(B) LATE ENROLLMENT PENALTY.—In the case of an individual who does not maintain such continuous prescription drug coverage (as described in subparagraph (C)), a PDP sponsor or an entity offering a MA-EFFS Rx plan may

(notwithstanding any provision in this title) adjust the premium otherwise applicable or impose a pre-existing condition exclusion with respect to qualified prescription drug coverage in a manner that reflects additional actuarial risk involved. Such a risk shall be established through an appropriate actuarial opinion of the type described in subparagraphs (A) through (C) of section 2103(c)(4).

"(C) CONTINUOUS PRESCRIPTION DRUG COVERAGE.—An individual is considered for purposes of this part to be maintaining continuous prescription drug coverage on and after the date the individual first qualifies to elect prescription drug coverage under this part if the individual establishes that as of such date the individual is covered under any of the following prescription drug coverage and before the date that is the last day of the 63-day period that begins on the date of termination of the particular prescription drug coverage involved (regardless of whether the individual subsequently obtains any of the following prescription drug coverage):

"(iv) PRESCRIPTION DRUG COVERAGE UNDER CERTAIN MEDIGAP POLICIES.—Coverage under a medicare supplemental policy under section 1882 that provides benefits for prescription drugs (whether or not such coverage conforms to the standards for packages of benefits under section 1882(p)(1)), but only if the policy was in effect on January 1, 2006, and if (subject to subparagraph (E)(ii)) the coverage provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(v) STATE PHARMACEUTICAL ASSISTANCE PROGRAM.—Coverage of prescription drugs under a State pharmaceutical assistance program, but only if (subject to subparagraph (E)(ii)) the coverage provides

benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(vi) VETERANS' COVERAGE OF PRESCRIPTION DRUGS.—Coverage of prescription drugs for veterans under chapter 17 of title 38, United States Code, but only if (subject to subparagraph (E)(ii)) the coverage provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(ii) WAIVER OF LIMITATIONS.—An individual may apply to the Administrator to waive the requirement that coverage of such type provide benefits at least equivalent to the benefits under a qualified prescription drug plan, if the individual establishes that the individual was not adequately informed that such coverage did not provide such level of benefits.

"(F) CONSTRUCTION.—Nothing in this section shall be construed as preventing the disenrollment of an individual from a prescription drug plan or a MA-EFFS Rx plan based on the termination of an election described in section 1851(g)(3), including for non-payment of premiums or for other reasons specified in subsection (d)(3), which takes into account a grace period described in section 1851(g)(3)(B)(i).

"(3) NONDISCRIMINATION.—A PDP sponsor that offers a prescription drug plan in an area designated under section 1860D–4(b)(5) shall make such plan available to all eligible individuals residing in the

area without regard to their health or economic status or their place of residence within the area.

"(d) EFFECTIVE DATE OF ELECTIONS.—

"(1) IN GENERAL.—Except as provided in this section, the Administrator shall provide that elections under subsection (b) take effect at the same time as the Administrator provides that similar elections under section 1851(e) take effect under section 1851(f).

"(B) ACTUARIALLY EQUIVALENT COVERAGE WITH ACCESS TO NEGOTIATED PRICES.—Coverage of covered outpatient drugs which meets the alternative coverage requirements of subsection (c) and access to negotiated prices under subsection (d), but only if it is approved by the Administrator, as provided under subsection (c).

"(2) PERMITTING ADDITIONAL OUTPATIENT PRESCRIPTION DRUG COVERAGE.—

"(A) IN GENERAL.—Subject to subparagraph (B), nothing in this part shall be construed as preventing qualified prescription drug coverage from including coverage of covered outpatient drugs that exceeds the coverage required under paragraph (1), but any such additional coverage shall be limited to coverage of covered outpatient drugs.

"(B) DISAPPROVAL AUTHORITY.—The Administrator shall review the offering of qualified prescription drug coverage under this part or part C or E. If the Administrator finds, in the case of a qualified prescription drug coverage under a prescription drug plan or a MA-EFFS Rx plan, that the organization or sponsor offering the coverage is engaged in activities intended to discourage enrollment of classes of eligible medicare beneficiaries obtaining coverage through the plan on the basis of their higher likelihood of utilizing prescription drug coverage, the Administrator may terminate the contract with the sponsor or organization under this part or part C or E.

"(3) APPLICATION OF SECONDARY PAYOR PROVISIONS.—The provisions of section 1852(a)(4) shall apply under this part in the same manner as they apply under part C.

"(b) STANDARD COVERAGE.—For purposes of this part, the 'standard coverage' is coverage of covered outpatient drugs (as defined in subsection (f)) that meets the following requirements:

"(1) DEDUCTIBLE.—The coverage has an annual deductible—

"(A) for 2006, that is equal to $250; or

"(B) for a subsequent year, that is equal to the amount specified under this paragraph for the previous year increased by the percentage specified in paragraph (5) for the year involved.

Any amount determined under subparagraph (B) that is not a multiple of $10 shall be rounded to the nearest multiple of $10.

"(2) 80:20 BENEFIT STRUCTURE.—

"(A) 20 PERCENT COINSURANCE.—The coverage has cost-sharing (for costs above the annual deductible specified in paragraph (1) and up to the initial coverage limit under paragraph (3)) that is—

"(i) equal to 20 percent; or

"(ii) is actuarially equivalent (using processes established under subsection (e)) to an average expected payment of 20 percent of such costs.

"(B) USE OF TIERS.—Nothing in this part shall be construed as preventing a PDP sponsor from applying tiered copayments, so long as such tiered copayments are consistent with subparagraph (A).

"(3) INITIAL COVERAGE LIMIT.—Subject to paragraph (4), the coverage has an initial coverage limit on the maximum costs that may be recognized for payment purposes—

"(A) for 2006, that is equal to $2,000; or

"(B) for a subsequent year, that is equal to the amount specified in this paragraph for the previous year, increased by the annual percentage increase described in paragraph (5) for the year involved.

Any amount determined under subparagraph (B) that is not a multiple of $25 shall be rounded to the nearest multiple of $25.

"(4) CATASTROPHIC PROTECTION.—

"(A) IN GENERAL.—Notwithstanding paragraph (3), the coverage provides benefits with no cost-sharing after the individual has incurred costs (as described in subparagraph (C)) for covered outpatient drugs in a year equal to the annual out-of-pocket threshold specified in subparagraph (B).

"(B) ANNUAL OUT-OF-POCKET THRESHOLD.—

"(i) IN GENERAL.—For purposes of this part, the 'annual out-of-pocket thresh-

old' specified in this subparagraph is equal to $3,500 (subject to adjustment under clause (ii) and subparagraph (D)).

"(ii) INFLATION INCREASE.—For a year after 2006, the dollar amount specified in clause (i) shall be increased by the annual percentage increase described in paragraph (5) for the year involved. Any amount determined under the previous sentence that is not a multiple of $100 shall be rounded to the nearest multiple of $100.

"(C) APPLICATION.—In applying subparagraph (A)—

"(i) incurred costs shall only include costs incurred for the annual deductible (described in paragraph (1)), cost-sharing (described in paragraph (2)), and amounts for which benefits are not provided because of the application of the initial coverage limit described in paragraph (3); and

"(ii) such costs shall be treated as incurred only if they are paid by the individual (or by another individual, such as a family member, on behalf of the individual), under section 1860D–7, under title XIX, or

under a State pharmaceutical assistance program and the individual (or other individual) is not reimbursed through insurance or otherwise, a group health plan, or other third-party payment arrangement (other than under such title or such program) for such costs.

"(D) ADJUSTMENT OF ANNUAL OUT-OF-POCKET THRESHOLDS.—

"(i) IN GENERAL.—For each enrollee in a prescription drug plan or in a MA-EFFS Rx plan whose adjusted gross income exceeds the income threshold as defined in clause (ii) for a year, the annual out-of-pocket threshold otherwise determined under subparagraph (B) for such year shall be increased by an amount equal to the percentage specified in clause (iii), multiplied by the lesser of—

"(I) the amount of such excess; or

"(II) the amount by which the income threshold limit exceeds the income threshold.

Any amount determined under the previous sentence that is not a multiple of $100 shall be rounded to the nearest multiple of $100.

"(ii) INCOME THRESHOLD.—For purposes of clause (i)—

"(I) IN GENERAL.—Subject to subclause (II), the term 'income threshold' means $60,000 and the term 'income threshold limit' means $200,000.

"(II) INCOME INFLATION ADJUSTMENT.—In the case of a year beginning after 2006, each of the dollar amounts in subclause (I) shall be increased by an amount equal to such dollar amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the Internal Revenue Code of 1986 for such year, determined by substituting 'calendar year 2005' for 'calendar year 1992'. If any amount increased under the previous sentence is not a multiple of $100, such amount shall be rounded to the nearest multiple of $100.

"(iii) PERCENTAGE.—The percentage specified in this clause for a year is a fraction (expressed as a percentage) equal to—

"(I) the annual out-of-pocket threshold for a year under subparagraph (B) (determined without regard to this subparagraph), divided by

"(II) the income threshold under clause (ii) for that year.

If any percentage determined under the previous sentence that is not a multiple of 1/10th of 1 percentage point, such percentage shall be rounded to the nearest multiple of 1/10th of 1 percentage point.

"(iv) USE OF MOST RECENT RETURN INFORMATION.—For purposes of clause (i) for an enrollee for a year, except as provided in clause (v), the adjusted gross income of an individual shall be based on the most recent information disclosed to the Secretary under section 6109(l)(19) of the Internal Revenue Code of 1986 before the beginning of that year.

"(v) INDIVIDUAL ELECTION TO PRESENT MOST RECENT INFORMATION RE-

GARDING INCOME.—The Secretary shall provide, in coordination with the Secretary of the Treasury, a procedure under which, for purposes of applying this subparagraph for a calendar year, instead of using the information described in clause (iv), an enrollee may elect to use more recent information, including information with respect to a taxable year ending in such calendar year. Such process shall—

"(I) require the enrollee to provide the Secretary with a copy of the relevant portion of the more recent return to be used under this clause;

"(II) provide for the Medicare Beneficiary Ombudsman (under section 1810) offering assistance to such enrollees in presenting such information and the toll-free number under such section being a point of contact for beneficiaries to inquire as to how to present such information;

"(III) provide for the verification of the information in such return by the Secretary of the Treasury under

section 6103(l)(19) of the Internal Revenue Code of 1986; and

"(IV) provide for the payment by the Secretary (in a manner specified by the Secretary) to the enrollee of an amount equal to the excess of the benefit payments that would have been payable under the plan if the more recent return information were used, over the benefit payments that were made under the plan.

In the case of a payment under subclause (III) for an enrollee under a prescription drug plan, the PDP sponsor of the plan shall pay to the Secretary the amount so paid, less the applicable reinsurance amount that would have applied under section 1860D–8(c)(1)(B) if such payment had been treated as an allowable cost under such section. Such plan payment shall be deposited in the Treasury to the credit of the Medicare Prescription Drug Account in the Federal Supplementary Medical Insurance Trust Fund (under section 1841).

"(vi) DISSEMINATION OF INFORMATION ON PROCESS.—The Secretary shall provide, through the annual medicare handbook under section 1804(a), for a general description of the adjustment of annual out-of-pocket thresholds provided under this subparagraph, including the process for adjustment based upon more recent information and the confidentiality provisions of subparagraph (F), and shall provide for dissemination of a table for each year that sets forth the amount of the adjustment that is made under clause (i) based on the amount of an enrollee's adjusted gross income.

"(E) REQUESTING INFORMATION ON ENROLLEES.—

"(i) IN GENERAL.—The Secretary shall, periodically as required to carry out subparagraph (D), transmit to the Secretary of the Treasury a list of the names and TINs of enrollees in prescription drug plans (or in MA-EFFS Rx plans) and request that such Secretary disclose to the Secretary information under subparagraph (A) of section 6103(l)(19) of the Internal

Revenue Code of 1986 with respect to those enrollees for a specified taxable year for application in a particular calendar year.

"(ii) DISCLOSURE TO PLAN SPONSORS.—In the case of a specified taxpayer (as defined in section 6103(l)(19)(B) of the Internal Revenue Code of 1986) who is enrolled in a prescription drug plan or in an MA-EFFS Rx plan, the Secretary shall disclose to the entity that offers the plan the annual out-of-pocket threshold applicable to such individual under subparagraph (D).

"(F) MAINTAINING CONFIDENTIALITY OF INFORMATION.—

"(i) IN GENERAL.—The amount of any increase in an annual out-of-pocket threshold under subparagraph (D) may not be disclosed by the Secretary except to a PDP sponsor or entity that offers a MA-EFFS Rx plan to the extent necessary to carry out this part.

"(ii) CRIMINAL AND CIVIL PENALTIES FOR UNAUTHORIZED DISCLOSURE.—A person who makes an unauthorized disclosure of information disclosed under section

6103(l)(19) of the Internal Revenue Code of 1986 (including disclosure of any increase in an annual out-of-pocket threshold under subparagraph (D)) shall be subject to penalty to the extent provided under—

"(I) section 7213 of such Code (relating to criminal penalty for unauthorized disclosure of information);

"(II) section 7213A of such Code (relating to criminal penalty for unauthorized inspection of returns or return information);

"(III) section 7431 of such Code (relating to civil damages for unauthorized inspection or disclosure of returns and return information);

"(IV) any other provision of the Internal Revenue Code of 1986; or

"(V) any other provision of law.

"(iii) APPLICATION OF ADDITIONAL CIVIL MONETARY PENALTY FOR UNAUTHORIZED DISCLOSURES.—In addition to any penalty otherwise provided under law, any person who makes an unauthorized disclosure of such information shall be subject to

a civil monetary penalty of not to exceed $10,000 for each such unauthorized disclosure. The provisions of section 1128A (other than subsections (a) and (b)) shall apply to civil money penalties under this subparagraph in the same manner as they apply to a penalty or proceeding under section 1128A(a).

"(5) ANNUAL PERCENTAGE INCREASE.—For purposes of this part, the annual percentage increase specified in this paragraph for a year is equal to the annual percentage increase in average per capita aggregate expenditures for covered outpatient drugs in the United States for medicare beneficiaries, as determined by the Administrator for the 12-month period ending in July of the previous year.

"(c) ALTERNATIVE COVERAGE REQUIREMENTS.—A prescription drug plan or MA-EFFS Rx plan may provide a different prescription drug benefit design from the standard coverage described in subsection (b) so long as the Administrator determines (based on an actuarial analysis by the Administrator) that the following requirements are met and the plan applies for, and receives, the approval of the Administrator for such benefit design:

"(1) ASSURING AT LEAST ACTUARIALLY EQUIVALENT COVERAGE.—

"(A) ASSURING EQUIVALENT VALUE OF TOTAL COVERAGE.—The actuarial value of the total coverage (as determined under subsection (e)) is at least equal to the actuarial value (as so determined) of standard coverage.

"(B) ASSURING EQUIVALENT UNSUBSIDIZED VALUE OF COVERAGE.—The unsubsidized value of the coverage is at least equal to the unsubsidized value of standard coverage. For purposes of this subparagraph, the unsubsidized value of coverage is the amount by which the actuarial value of the coverage (as determined under subsection (e)) exceeds the actuarial value of the subsidy payments under section 1860D–8 with respect to such coverage.

"(C) ASSURING STANDARD PAYMENT FOR COSTS AT INITIAL COVERAGE LIMIT.—The coverage is designed, based upon an actuarially representative pattern of utilization (as determined under subsection (e)), to provide for the payment, with respect to costs incurred that are equal to the initial coverage limit under sub-

section (b)(3), of an amount equal to at least the product of—

"(i) the amount by which the initial coverage limit described in subsection (b)(3) exceeds the deductible described in subsection (b)(1); and

"(ii) 100 percent minus the cost-sharing percentage specified in subsection (b)(2)(A)(i).

"(2) CATASTROPHIC PROTECTION.—The coverage provides for beneficiaries the catastrophic protection described in subsection (b)(4).

"(d) ACCESS TO NEGOTIATED PRICES.—

"(1) IN GENERAL.—Under qualified prescription drug coverage offered by a PDP sponsor or an entity offering a MA-EFFS Rx plan, the sponsor or entity shall provide beneficiaries with access to negotiated prices (including applicable discounts) used for payment for covered outpatient drugs, regardless of the fact that no benefits may be payable under the coverage with respect to such drugs because of the application of cost-sharing or an initial coverage limit (described in subsection (b)(3)). Insofar as a State elects to provide medical assistance under title XIX for a drug based on the prices negotiated by a prescription

drug plan or MA-EFFS Rx plan under this part, the requirements of section 1927 shall not apply to such drugs. The prices negotiated by a prescription drug plan under this part, by a MA-EFFS Rx plan with respect to covered outpatient drugs, or by a qualified retiree prescription drug plan (as defined in section 1860D–8(f)(1)) with respect to such drugs on behalf of individuals entitled to benefits under part A or enrolled under part B, shall (notwithstanding any other provision of law) not be taken into account for the purposes of establishing the best price under section 1927(c)(1)(C).

"(2) DISCLOSURE.—The PDP sponsor or entity offering a MA-EFFS Rx plan shall disclose to the Administrator (in a manner specified by the Administrator) the extent to which discounts or rebates or other remuneration or price concessions made available to the sponsor or organization by a manufacturer are passed through to enrollees through pharmacies and other dispensers or otherwise. The provisions of section 1927(b)(3)(D) shall apply to information disclosed to the Administrator under this paragraph in the same manner as such provisions apply to information disclosed under such section.

"(3) AUDITS AND REPORTS.—To protect against fraud and abuse and to ensure proper disclosures and accounting under this part, in addition to any protections against fraud and abuse provided under section 1860D–4(b)(3)(C), the Administrator may periodically audit the financial statements and records of PDP sponsor or entities offering a MA-EFFS Rx plan.

"(e) ACTUARIAL VALUATION; DETERMINATION OF ANNUAL PERCENTAGE INCREASES.—

"(1) PROCESSES.—For purposes of this section, the Administrator shall establish processes and methods—

"(A) for determining the actuarial valuation of prescription drug coverage, including—

"(i) an actuarial valuation of standard coverage and of the reinsurance subsidy payments under section 1860D–8;

"(ii) the use of generally accepted actuarial principles and methodologies; and

"(iii) applying the same methodology for determinations of alternative coverage under subsection (c) as is used with respect to determinations of standard coverage under subsection (b); and

"(B) for determining annual percentage increases described in subsection (b)(5).

"(2) USE OF OUTSIDE ACTUARIES.—Under the processes under paragraph (1)(A), PDP sponsors and entities offering MA-EFFS Rx plans may use actuarial opinions certified by independent, qualified actuaries to establish actuarial values, but the Administrator shall determine whether such actuarial values meet the requirements under subsection (c)(1).

"(f) COVERED OUTPATIENT DRUGS DEFINED.—

"(1) IN GENERAL.—Except as provided in this subsection, for purposes of this part, the term 'covered outpatient drug' means—

"(A) a drug that may be dispensed only upon a prescription and that is described in subparagraph (A)(i) or (A)(ii) of section 1927(k)(2); or

"(B) a biological product described in clauses (i) through (iii) of subparagraph (B) of such section or insulin described in subparagraph (C) of such section and medical supplies associated with the injection of insulin (as defined in regulations of the Secretary),

and such term includes a vaccine licensed under section 351 of the Public Health Service Act and any

use of a covered outpatient drug for a medically accepted indication (as defined in section 1927(k)(6)).

"(2) EXCLUSIONS.—

"(A) IN GENERAL.—Such term does not include drugs or classes of drugs, or their medical uses, which may be excluded from coverage or otherwise restricted under section 1927(d)(2), other than subparagraph (E) thereof (relating to smoking cessation agents), or under section 1927(d)(3).

"(B) AVOIDANCE OF DUPLICATE COVERAGE.—A drug prescribed for an individual that would otherwise be a covered outpatient drug under this part shall not be so considered if payment for such drug is available under part A or B for an individual entitled to benefits under part A and enrolled under part B.

"(3) APPLICATION OF FORMULARY RESTRICTIONS.—A drug prescribed for an individual that would otherwise be a covered outpatient drug under this part shall not be so considered under a plan if the plan excludes the drug under a formulary and such exclusion is not successfully appealed under section 1860D–3(f)(2).

"(4) APPLICATION OF GENERAL EXCLUSION PROVISIONS.—A prescription drug plan or MA-EFFS Rx plan may exclude from qualified prescription drug coverage any covered outpatient drug—

"(A) for which payment would not be made if section 1862(a) applied to part D; or

"(B) which are not prescribed in accordance with the plan or this part.

Such exclusions are determinations subject to reconsideration and appeal pursuant to section 1860D–3(f).

"SEC. 1860D–3. BENEFICIARY PROTECTIONS FOR QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) GUARANTEED ISSUE, COMMUNITY-RATED PREMIUMS, ACCESS TO NEGOTIATED PRICES, AND NONDISCRIMINATION.—For provisions requiring guaranteed issue, community-rated premiums, access to negotiated prices, and nondiscrimination, see sections 1860D–1(c)(1), 1860D–1(c)(2), 1860D–2(d), and 1860D–6(b), respectively.

"(b) DISSEMINATION OF INFORMATION.—

"(1) GENERAL INFORMATION.—A PDP sponsor shall disclose, in a clear, accurate, and standardized form to each enrollee with a prescription drug plan offered by the sponsor under this part at the time of enrollment and at least annually thereafter, the infor-

mation described in section 1852(c)(1) relating to such plan. Such information includes the following:

"(A) Access to specific covered outpatient drugs, including access through pharmacy networks.

"(B) How any formulary used by the sponsor functions, including the drugs included in the formulary.

"(C) Co-payments and deductible requirements, including the identification of the tiered or other co-payment level applicable to each drug (or class of drugs).

"(D) Grievance and appeals procedures.

Such information shall also be made available upon request to prospective enrollees.

"(2) DISCLOSURE UPON REQUEST OF GENERAL COVERAGE, UTILIZATION, AND GRIEVANCE INFORMATION.—Upon request of an individual eligible to enroll under a prescription drug plan, the PDP sponsor shall provide the information described in section 1852(c)(2) (other than subparagraph (D)) to such individual.

"(3) RESPONSE TO BENEFICIARY QUESTIONS.—Each PDP sponsor offering a prescription drug plan shall have a mechanism for providing specific infor-

mation to enrollees upon request. The sponsor shall make available on a timely basis, through an Internet website and in writing upon request, information on specific changes in its formulary.

"(4) CLAIMS INFORMATION.—Each PDP sponsor offering a prescription drug plan must furnish to each enrollee in a form easily understandable to such enrollees an explanation of benefits (in accordance with section 1806(a) or in a comparable manner) and a notice of the benefits in relation to initial coverage limit and the annual out-of-pocket threshold applicable to such enrollee for the current year, whenever prescription drug benefits are provided under this part (except that such notice need not be provided more often than monthly).

"(c) ACCESS TO COVERED BENEFITS.—

"(1) ASSURING PHARMACY ACCESS.—

"(A) SECURING SUFFICIENT PARTICIPATION.—

"(i) PARTICIPATION OF ANY WILLING PHARMACY.—A PDP sponsor and an entity offering a MA-EFFS Rx plan shall permit the participation of any pharmacy that meets terms and conditions that the plan has established.

"(ii) DISCOUNTS ALLOWED FOR NETWORK PHARMACIES.—A prescription drug plan and a MA-EFFS Rx plan may, notwithstanding clause (i), reduce coinsurance or copayments for its enrolled beneficiaries below the level otherwise provided for covered outpatient drugs dispensed through in-network pharmacies, but in no case shall such a reduction result in an increase in payments made by the Administrator under section 1860D–8 to a plan.

"(iii) CONVENIENT ACCESS FOR NETWORK PHARMACIES.—The PDP sponsor of the prescription drug plan and the entity offering a MA-EFFS Rx plan shall secure the participation in its network of a sufficient number of pharmacies that dispense (other than by mail order) drugs directly to patients to ensure convenient access (consistent with rules of the Administrator established under subparagraph (B)). The Administrator shall establish convenient access rules under this clause that are no less favorable to enrollees than the rules for convenient access to pharmacies of the Sec-

retary of Defense established as of June 1, 2003, for purposes of the TRICARE Retail Pharmacy (TRRx) program. Such rules shall include adequate emergency access for enrolled beneficiaries.

"(iv) LEVEL PLAYING FIELD.—Such a sponsor shall permit enrollees to receive benefits (which may include a 90-day supply of drugs or biologicals) through a community pharmacy, rather than through mail order, with any differential in cost paid by such enrollees.

"(v) NOT REQUIRED TO ACCEPT INSURANCE RISK.—The terms and conditions under clause (i) may not require participating pharmacies to accept insurance risk as a condition of participation.

"(2) USE OF STANDARDIZED TECHNOLOGY.—

"(A) IN GENERAL.—The PDP sponsor of a prescription drug plan and an entity offering a MA-EFFS Rx plan shall issue (and reissue, as appropriate) such a card (or other technology) that may be used by an enrollee to assure access to negotiated prices under section 1860D–2(d) for the purchase of prescription drugs for which

coverage is not otherwise provided under the plan.

"(B) STANDARDS.—

"(i) DEVELOPMENT.—The Administrator shall provide for the development or utilization of uniform standards relating to a standardized format for the card or other technology referred to in subparagraph (A). Such standards shall be compatible with standards established under part C of title XI.

"(ii) APPLICATION OF ADVISORY TASK FORCE.—The advisory task force established under subsection (d)(3)(B)(ii) shall provide recommendations to the Administrator under such subsection regarding the standards developed under clause (i).

"(3) REQUIREMENTS ON DEVELOPMENT AND APPLICATION OF FORMULARIES.—If a PDP sponsor of a prescription drug plan or an entity offering a MA-EFFS Rx plan uses a formulary, the following requirements must be met:

"(A) PHARMACY AND THERAPEUTIC (P&T) COMMITTEE.—The sponsor or entity must establish a pharmacy and therapeutic committee that

develops and reviews the formulary. Such committee shall include at least one practicing physician and at least one practicing pharmacist both with expertise in the care of elderly or disabled persons and a majority of its members shall consist of individuals who are practicing physicians or practicing pharmacists (or both).

"(B) FORMULARY DEVELOPMENT.—In developing and reviewing the formulary, the committee shall—

"(i) base clinical decisions on the strength of scientific evidence and standards of practice, including assessing peer-reviewed medical literature, such as randomized clinical trials, pharmacoeconomic studies, outcomes research data, and such other information as the committee determines to be appropriate; and

"(ii) shall take into account whether including in the formulary particular covered outpatient drugs has therapeutic advantages in terms of safety and efficacy.

"(C) INCLUSION OF DRUGS IN ALL THERAPEUTIC CATEGORIES.—The formulary must include drugs within each therapeutic category and

class of covered outpatient drugs (although not necessarily for all drugs within such categories and classes). In establishing such classes, the committee shall take into account the standards published in the United States Pharmacopeia-Drug Information. The committee shall make available to the enrollees under the plan through the Internet or otherwise the clinical bases for the coverage of any drug on the formulary.

"(D) PROVIDER AND PATIENT EDUCATION.—The committee shall establish policies and procedures to educate and inform health care providers and enrollees concerning the formulary.

"(E) NOTICE BEFORE REMOVING DRUG FROM FORMULARY FOR CHANGING PREFERRED OR TIER STATUS OF DRUG.—Any removal of a covered outpatient drug from a formulary and any change in the preferred or tier cost-sharing status of such a drug shall take effect only after appropriate notice is made available to beneficiaries and physicians.

"(F) PERIODIC EVALUATION OF PROTOCOLS.—In connection with the formulary, a prescription drug plan shall provide for the periodic

evaluation and analysis of treatment protocols and procedures.

"(G) GRIEVANCES AND APPEALS RELATING TO APPLICATION OF FORMULARIES.—For provisions relating to grievances and appeals of coverage, see subsections (e) and (f).

"(d) COST AND UTILIZATION MANAGEMENT; QUALITY ASSURANCE; MEDICATION THERAPY MANAGEMENT PROGRAM.—

"(1) IN GENERAL.—The PDP sponsor or entity offering a MA-EFFS Rx plan shall have in place, directly or through appropriate arrangements, with respect to covered outpatient drugs—

"(A) an effective cost and drug utilization management program, including medically appropriate incentives to use generic drugs and therapeutic interchange, when appropriate;

"(B) quality assurance measures and systems to reduce medical errors and adverse drug interactions, including side-effects, and improve medication use, including a medication therapy management program described in paragraph (2) and for years beginning with 2007, an electronic prescription program described in paragraph (3); and

"(C) a program to control fraud, abuse, and waste.

Nothing in this section shall be construed as impairing a PDP sponsor or entity from utilizing cost management tools (including differential payments) under all methods of operation.

"(2) MEDICATION THERAPY MANAGEMENT PROGRAM.—

"(A) IN GENERAL.—A medication therapy management program described in this paragraph is a program of drug therapy management and medication administration that may be furnished by a pharmacy provider and that is designed to assure, with respect to beneficiaries at risk for potential medication problems, such as beneficiaries with complex or chronic diseases (such as diabetes, asthma, hypertension, and congestive heart failure) or multiple prescriptions, that covered outpatient drugs under the prescription drug plan are appropriately used to optimize therapeutic outcomes through improved medication use and reduce the risk of adverse events, including adverse drug interactions. Such programs may distinguish between services in ambulatory and institutional settings.

"(B) ELEMENTS.—Such program may include—

"(i) enhanced beneficiary understanding to promote the appropriate use of medications by beneficiaries and to reduce the risk of potential adverse events associated with medications, through beneficiary education, counseling, case management, disease state management programs, and other appropriate means;

"(ii) increased beneficiary adherence with prescription medication regimens through medication refill reminders, special packaging, and other compliance programs and other appropriate means; and

"(iii) detection of patterns of overuse and underuse of prescription drugs.

"(C) DEVELOPMENT OF PROGRAM IN COOPERATION WITH LICENSED PHARMACISTS.—The program shall be developed in cooperation with licensed and practicing pharmacists and physicians.

"(D) CONSIDERATIONS IN PHARMACY FEES.—The PDP sponsor of a prescription drug program and an entity offering a MA-EFFS Rx

plan shall take into account, in establishing fees for pharmacists and others providing services under the medication therapy management program, the resources and time used in implementing the program. Each such sponsor or entity shall disclose to the Administrator upon request the amount of any such management or dispensing fees.

"(3) ELECTRONIC PRESCRIPTION PROGRAM.—

"(A) IN GENERAL.—An electronic prescription drug program described in this paragraph is a program that includes at least the following components, consistent with uniform standards established under subparagraph (B):

"(i) ELECTRONIC TRANSMITTAL OF PRESCRIPTIONS.—Prescriptions must be written and transmitted electronically (other than by facsimile), except in emergency cases and other exceptional circumstances recognized by the Administrator.

"(ii) PROVISION OF INFORMATION TO PRESCRIBING HEALTH CARE PROFESSIONAL.—The program provides for the electronic transmittal to the prescribing health

care professional of information that includes—

"(I) information (to the extent available and feasible) on the drug or drugs being prescribed for that patient and other information relating to the medical history or condition of the patient that may be relevant to the appropriate prescription for that patient;

"(II) cost-effective alternatives (if any) for the use of the drug prescribed; and

"(III) information on the drugs included in the applicable formulary.

To the extent feasible, such program shall permit the prescribing health care professional to provide (and be provided) related information on an interactive, real-time basis.

"(B) STANDARDS.—

"(i) DEVELOPMENT.—The Administrator shall provide for the development of uniform standards relating to the electronic prescription drug program described in subparagraph (A). Such standards shall be

compatible with standards established under part C of title XI.

"(ii) ADVISORY TASK FORCE.—In developing such standards and the standards described in subsection (c)(2)(B)(i) the Administrator shall establish a task force that includes representatives of physicians, hospitals, pharmacies, beneficiaries, pharmacy benefit managers, individuals with expertise in information technology, and pharmacy benefit experts of the Departments of Veterans Affairs and Defense and other appropriate Federal agencies to provide recommendations to the Administrator on such standards, including recommendations relating to the following:

"(I) The range of available computerized prescribing software and hardware and their costs to develop and implement.

"(II) The extent to which such standards and systems reduce medication errors and can be readily implemented by physicians, pharmacies, and hospitals.

"(III) Efforts to develop uniform standards and a common software platform for the secure electronic communication of medication history, eligibility, benefit, and prescription information.

"(IV) Efforts to develop and promote universal connectivity and interoperability for the secure electronic exchange of such information.

"(V) The cost of implementing such systems in the range of hospital and physician office settings and pharmacies, including hardware, software, and training costs.

"(VI) Implementation issues as they relate to part C of title XI, and current Federal and State prescribing laws and regulations and their impact on implementation of computerized prescribing.

"(iii) DEADLINES.—

"(I) The Administrator shall constitute the task force under clause (ii) by not later than April 1, 2004.

"(II) Such task force shall submit recommendations to Administrator by not later than January 1, 2005.

"(III) The Administrator shall provide for the development and promulgation, by not later than January 1, 2006, of national standards relating to the electronic prescription drug program described in clause (ii). Such standards shall be issued by a standards organization accredited by the American National Standards Institute (ANSI) and shall be compatible with standards established under part C of title XI.

"(4) TREATMENT OF ACCREDITATION.—Section 1852(e)(4) (relating to treatment of accreditation) shall apply to prescription drug plans under this part with respect to the following requirements, in the same manner as they apply to plans under part C with respect to the requirements described in a clause of section 1852(e)(4)(B):

"(A) Paragraph (1) (including quality assurance), including medication therapy management program under paragraph (2).

"(B) Subsection (c)(1) (relating to access to covered benefits).

"(C) Subsection (g) (relating to confidentiality and accuracy of enrollee records).

"(5) PUBLIC DISCLOSURE OF PHARMACEUTICAL PRICES FOR EQUIVALENT DRUGS.—Each PDP sponsor and each entity offering a MA-EFFS Rx plan shall provide that each pharmacy or other dispenser that arranges for the dispensing of a covered outpatient drug shall inform the beneficiary at the time of purchase of the drug of any differential between the price of the prescribed drug to the enrollee and the price of the lowest cost available generic drug covered under the plan that is therapeutically equivalent and bioequivalent.

"(e) GRIEVANCE MECHANISM, COVERAGE DETERMINATIONS, AND RECONSIDERATIONS.—

"(1) IN GENERAL.—Each PDP sponsor shall provide meaningful procedures for hearing and resolving grievances between the organization (including any entity or individual through which the sponsor provides covered benefits) and enrollees with prescription drug plans of the sponsor under this part in accordance with section 1852(f).

"(2) APPLICATION OF COVERAGE DETERMINATION AND RECONSIDERATION PROVISIONS.—A PDP sponsor shall meet the requirements of paragraphs (1) through (3) of section 1852(g) with respect to covered benefits under the prescription drug plan it offers under this part in the same manner as such requirements apply to an organization with respect to benefits it offers under a plan under part C.

"(3) REQUEST FOR REVIEW OF TIERED FORMULARY DETERMINATIONS.—In the case of a prescription drug plan offered by a PDP sponsor or a MA-EFFS Rx plan that provides for tiered cost-sharing for drugs included within a formulary and provides lower cost-sharing for preferred drugs included within the formulary, an individual who is enrolled in the plan may request coverage of a nonpreferred drug under the terms applicable for preferred drugs if the prescribing physician determines that the preferred drug for treatment of the same condition either would not be as effective for the individual or would have adverse effects for the individual or both.

"(f) APPEALS.—

"(1) IN GENERAL.—Subject to paragraph (2), a PDP sponsor shall meet the requirements of paragraphs (4) and (5) of section 1852(g) with respect to

drugs (including a determination related to the application of tiered cost-sharing described in subsection (e)(3)) in the same manner as such requirements apply to an organization with respect to benefits it offers under a plan under part C.

"(2) FORMULARY DETERMINATIONS.—An individual who is enrolled in a prescription drug plan offered by a PDP sponsor or in a MA-EFFS Rx plan may appeal to obtain coverage for a covered outpatient drug that is not on a formulary of the sponsor or entity offering the plan if the prescribing physician determines that the formulary drug for treatment of the same condition either would not be as effective for the individual or would have adverse effects for the individual or both.

"(g) CONFIDENTIALITY AND ACCURACY OF ENROLLEE RECORDS.—A PDP sponsor that offers a prescription drug plan shall meet the requirements of section 1852(h) with respect to enrollees under the plan in the same manner as such requirements apply to an organization with respect to enrollees under part C. A PDP sponsor shall be treated as a covered entity for purposes of the provisions of subpart E of part 164 of title 45, Code of Federal Regulations, adopted pursuant to the authority of the Secretary under

section 264(c) of the Health Insurance Portability and Accountability Act of 1996 (42 U.S. C. 1320d-2 note).

"SEC. 1860D–4. REQUIREMENTS FOR AND CONTRACTS WITH PRESCRIPTION DRUG PLAN (PDP) SPONSORS.

"(a) GENERAL REQUIREMENTS.—Each PDP sponsor of a prescription drug plan shall meet the following requirements:

"(1) LICENSURE.—Subject to subsection (c), the sponsor is organized and licensed under State law as a risk-bearing entity eligible to offer health insurance or health benefits coverage in each State in which it offers a prescription drug plan.

"(2) ASSUMPTION OF FINANCIAL RISK FOR UNSUBSIDIZED COVERAGE.—

"(A) IN GENERAL.—Subject to subparagraph (B) and section 1860D–5(d)(2), the entity assumes full financial risk on a prospective basis for qualified prescription drug coverage that it offers under a prescription drug plan and that is not covered under section 1860D–8.

"(B) REINSURANCE PERMITTED.—The entity may obtain insurance or make other arrangements for the cost of coverage provided to any enrollee.

"(3) SOLVENCY FOR UNLICENSED SPONSORS.—In the case of a sponsor that is not described in paragraph (1), the sponsor shall meet solvency standards established by the Administrator under subsection (d).

"(b) CONTRACT REQUIREMENTS.—

"(1) IN GENERAL.—The Administrator shall not permit the election under section 1860D–1 of a prescription drug plan offered by a PDP sponsor under this part, and the sponsor shall not be eligible for payments under section 1860D–7 or 1860D–8, unless the Administrator has entered into a contract under this subsection with the sponsor with respect to the offering of such plan. Such a contract with a sponsor may cover more than one prescription drug plan. Such contract shall provide that the sponsor agrees to comply with the applicable requirements and standards of this part and the terms and conditions of payment as provided for in this part.

"(2) NEGOTIATION REGARDING TERMS AND CONDITIONS.—The Administrator shall have the same authority to negotiate the terms and conditions of prescription drug plans under this part as the Director of the Office of Personnel Management has with respect to health benefits plans under chapter 89 of title 5, United States Code. In negotiating the terms and

conditions regarding premiums for which information is submitted under section 1860D–6(a)(2), the Administrator shall take into account the subsidy payments under section 1860D–8.

"(3) INCORPORATION OF CERTAIN MEDICARE ADVANTAGE CONTRACT REQUIREMENTS.—The following provisions of section 1857 shall apply, subject to subsection (c)(5), to contracts under this section in the same manner as they apply to contracts under section 1857(a):

"(A) MINIMUM ENROLLMENT.—Paragraphs (1) and (3) of section 1857(b).

"(B) CONTRACT PERIOD AND EFFECTIVENESS.—Paragraphs (1) through (3) and (5) of section 1857(c).

"(C) PROTECTIONS AGAINST FRAUD AND BENEFICIARY PROTECTIONS.—Section 1857(d).

"(D) ADDITIONAL CONTRACT TERMS.—Section 1857(e); except that in applying section 1857(e)(2) under this part—

"(i) such section shall be applied separately to costs relating to this part (from costs under part C and part E);

"(ii) in no case shall the amount of the fee established under this subparagraph for

a plan exceed 20 percent of the maximum amount of the fee that may be established under subparagraph (B) of such section; and

"(iii) no fees shall be applied under this subparagraph with respect to MA-EFFS Rx plans.

"(E) INTERMEDIATE SANCTIONS.—Section 1857(g).

"(F) PROCEDURES FOR TERMINATION.—Section 1857(h).

"(4) RULES OF APPLICATION FOR INTERMEDIATE SANCTIONS.—In applying paragraph (3)(E)—

"(A) the reference in section 1857(g)(1)(B) to section 1854 is deemed a reference to this part; and

"(B) the reference in section 1857(g)(1)(F) to section 1852(k)(2)(A)(ii) shall not be applied.

"(5) SERVICE AREA REQUIREMENT.—For purposes of this part, the Administrator shall designate at least 10 areas covering the entire United States and to the extent practicable shall be consistent with EFFS regions established under section 1860E–1(a)(2).

"(c) WAIVER OF CERTAIN REQUIREMENTS TO EXPAND CHOICE.—

"(1) IN GENERAL.—In the case of an entity that seeks to offer a prescription drug plan in a State, the Administrator shall waive the requirement of subsection (a)(1) that the entity be licensed in that State if the Administrator determines, based on the application and other evidence presented to the Administrator, that any of the grounds for approval of the application described in paragraph (2) have been met.

"(2) GROUNDS FOR APPROVAL.—The grounds for approval under this paragraph are the grounds for approval described in subparagraph (B), (C), and (D) of section 1855(a)(2), and also include the application by a State of any grounds other than those required under Federal law.

"(3) APPLICATION OF WAIVER PROCEDURES.—With respect to an application for a waiver (or a waiver granted) under this subsection, the provisions of subparagraphs (E), (F), and (G) of section 1855(a)(2) shall apply.

"(4) LICENSURE DOES NOT SUBSTITUTE FOR OR CONSTITUTE CERTIFICATION.—The fact that an entity is licensed in accordance with subsection (a)(1) does

not deem the entity to meet other requirements imposed under this part for a PDP sponsor.

"(5) REFERENCES TO CERTAIN PROVISIONS.—For purposes of this subsection, in applying provisions of section 1855(a)(2) under this subsection to prescription drug plans and PDP sponsors—

"(A) any reference to a waiver application under section 1855 shall be treated as a reference to a waiver application under paragraph (1); and

"(B) any reference to solvency standards shall be treated as a reference to solvency standards established under subsection (d).

"(d) SOLVENCY STANDARDS FOR NON-LICENSED SPONSORS.—

"(1) ESTABLISHMENT.—The Administrator shall establish, by not later than October 1, 2004, financial solvency and capital adequacy standards that an entity that does not meet the requirements of subsection (a)(1) must meet to qualify as a PDP sponsor under this part.

"(2) COMPLIANCE WITH STANDARDS.—Each PDP sponsor that is not licensed by a State under subsection (a)(1) and for which a waiver application has been approved under subsection (c) shall meet sol-

vency and capital adequacy standards established under paragraph (1). The Administrator shall establish certification procedures for such PDP sponsors with respect to such solvency standards in the manner described in section 1855(c)(2).

"(e) RELATION TO STATE LAWS.—

"(1) IN GENERAL.—The standards established under this part shall supersede any State law or regulation (other than State licensing laws or State laws relating to plan solvency, except as provided in subsection (d)) with respect to prescription drug plans which are offered by PDP sponsors under this part.

"(2) PROHIBITION OF STATE IMPOSITION OF PREMIUM TAXES.—No State may impose a premium tax or similar tax with respect to premiums paid to PDP sponsors for prescription drug plans under this part, or with respect to any payments made to such a sponsor by the Administrator under this part.

"SEC. 1860D–5. PROCESS FOR BENEFICIARIES TO SELECT QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) IN GENERAL.—The Administrator shall establish a process for the selection of the prescription drug plan or MA-EFFS Rx plan through which eligible individuals elect qualified prescription drug coverage under this part.

"(b) ELEMENTS.—Such process shall include the following:

"(1) Annual, coordinated election periods, in which such individuals can change the qualifying plans through which they obtain coverage, in accordance with section 1860D–1(b)(2).

"(2) Active dissemination of information to promote an informed selection among qualifying plans based upon price, quality, and other features, in the manner described in (and in coordination with) section 1851(d), including the provision of annual comparative information, maintenance of a toll-free hotline, and the use of non-Federal entities.

"(3) Coordination of elections through filing with the entity offering a MA-EFFS Rx plan or a PDP sponsor, in the manner described in (and in coordination with) section 1851(c)(2).

"(4) Informing each enrollee before the beginning of each year of the annual out-of-pocket threshold applicable to the enrollee for that year under section 1860D–2(b)(4) at such time.

"(c) MA-EFFS RX ENROLLEE MAY ONLY OBTAIN BENEFITS THROUGH THE PLAN.—An individual who is enrolled under a MA-EFFS Rx plan may only elect to re-

ceive qualified prescription drug coverage under this part through such plan.

"(d) ASSURING ACCESS TO A CHOICE OF QUALIFIED PRESCRIPTION DRUG COVERAGE.—

"(1) CHOICE OF AT LEAST TWO PLANS IN EACH AREA.—

"(A) IN GENERAL.—The Administrator shall assure that each individual who is entitled to benefits under part A or enrolled under part B and who is residing in an area in the United States has available, consistent with subparagraph (B), a choice of enrollment in at least two qualifying plans (as defined in paragraph (5)) in the area in which the individual resides, at least one of which is a prescription drug plan.

"(B) REQUIREMENT FOR DIFFERENT PLAN SPONSORS.—The requirement in subparagraph (A) is not satisfied with respect to an area if only one PDP sponsor or one entity that offers a MA-EFFS Rx plan offers all the qualifying plans in the area.

"(2) GUARANTEEING ACCESS TO COVERAGE.—In order to assure access under paragraph (1) and consistent with paragraph (3), the Administrator may provide partial underwriting of risk for a PDP spon-

sor to expand the service area under an existing prescription drug plan to adjoining or additional areas or to establish such a plan (including offering such a plan on a regional or nationwide basis), but only so long as (and to the extent) necessary to assure the access guaranteed under paragraph (1).

"(3) LIMITATION ON AUTHORITY.—In exercising authority under this subsection, the Administrator—

"(A) shall not provide for the full underwriting of financial risk for any PDP sponsor; and

"(B) shall seek to maximize the assumption of financial risk by PDP sponsors or entities offering a MA-EFFS Rx plan.

"(4) REPORTS.—The Administrator shall, in each annual report to Congress under section 1809(f), include information on the exercise of authority under this subsection. The Administrator also shall include such recommendations as may be appropriate to minimize the exercise of such authority, including minimizing the assumption of financial risk.

"(5) QUALIFYING PLAN DEFINED.—For purposes of this subsection, the term 'qualifying plan' means a prescription drug plan or a MA-EFFS Rx plan.

"SEC. 1860D–6. SUBMISSION OF BIDS AND PREMIUMS.

"(a) SUBMISSION OF BIDS, PREMIUMS, AND RELATED INFORMATION.—

"(1) IN GENERAL.—Each PDP sponsor shall submit to the Administrator the information described in paragraph (2) in the same manner as information is submitted by an organization under section 1854(a)(1).

"(2) INFORMATION SUBMITTED.—The information described in this paragraph is the following:

"(A) COVERAGE PROVIDED.—Information on the qualified prescription drug coverage to be provided.

"(B) ACTUARIAL VALUE.—Information on the actuarial value of the coverage.

"(C) BID AND PREMIUM.—Information on the bid and the premium for the coverage, including an actuarial certification of—

"(i) the actuarial basis for such bid and premium;

"(ii) the portion of such bid and premium attributable to benefits in excess of standard coverage;

"(iii) the reduction in such bid resulting from the reinsurance subsidy payments provided under section 1860D–8(a)(2); and

"(iv) the reduction in such premium resulting from the direct and reinsurance subsidy payments provided under section 1860D–8.

"(D) ADDITIONAL INFORMATION.—Such other information as the Administrator may require to carry out this part.

"(3) REVIEW OF INFORMATION; NEGOTIATION AND APPROVAL OF PREMIUMS.—

"(A) IN GENERAL.—Subject to subparagraph (B), the Administrator shall review the information filed under paragraph (2) for the purpose of conducting negotiations under section 1860D–4(b)(2) (relating to using OPM-like authority under the FEHBP). The Administrator, using the information provided (including the actuarial certification under paragraph (2)(C)) shall approve the premium submitted under this subsection only if the premium accurately reflects both (i) the actuarial value of the benefits provided, and (ii) the 73 percent average subsidy provided under section 1860D–8 for the standard benefit. The Administrator shall apply actuarial principles to approval of a premium under this part in a manner similar to the manner in

which those principles are applied in establishing the monthly part B premium under section 1839.

"(B) EXCEPTION.—In the case of a plan described in section 1851(a)(2)(C), the provisions of subparagraph (A) shall not apply and the provisions of paragraph (5)(B) of section 1854(a), prohibiting the review, approval, or disapproval of amounts described in such paragraph, shall apply to the negotiation and rejection of the monthly bid amounts and proportion referred to in subparagraph (A).

"(b) UNIFORM BID AND PREMIUM.—

"(1) IN GENERAL.—The bid and premium for a prescription drug plan under this section may not vary among enrollees in the plan in the same service area.

"(2) CONSTRUCTION.—Nothing in paragraph (1) shall be construed as preventing the imposition of a late enrollment penalty under section 1860D–1(c)(2)(B).

"(c) COLLECTION.—

"(1) BENEFICIARY'S OPTION OF PAYMENT THROUGH WITHHOLDING FROM SOCIAL SECURITY PAYMENT OR USE OF ELECTRONIC FUNDS TRANSFER

MECHANISM.—In accordance with regulations, a PDP sponsor shall permit each enrollee, at the enrollee's option, to make payment of premiums under this part to the sponsor through withholding from benefit payments in the manner provided under section 1840 with respect to monthly premiums under section 1839 or through an electronic funds transfer mechanism (such as automatic charges of an account at a financial institution or a credit or debit card account) or otherwise. All premium payments that are withheld under this paragraph shall be credited to the Medicare Prescription Drug Trust Fund and shall be paid to the PDP sponsor involved.

"(2) OFFSETTING.—Reductions in premiums for coverage under parts A and B as a result of a selection of a MA-EFFS Rx plan may be used to reduce the premium otherwise imposed under paragraph (1).

"(d) ACCEPTANCE OF REFERENCE PREMIUM AMOUNT AS FULL PREMIUM FOR SUBSIDIZED LOW-INCOME INDIVIDUALS IF NO STANDARD (OR EQUIVALENT) COVERAGE IN AN AREA.—

"(1) IN GENERAL.—If there is no standard prescription drug coverage (as defined in paragraph (2)) offered in an area, in the case of an individual who is eligible for a premium subsidy under section

1860D–7 and resides in the area, the PDP sponsor of any prescription drug plan offered in the area (and any entity offering a MA-EFFS Rx plan in the area) shall accept the reference premium amount (under paragraph (3)) as payment in full for the premium charge for qualified prescription drug coverage.

"(2) STANDARD PRESCRIPTION DRUG COVERAGE DEFINED.—For purposes of this subsection, the term 'standard prescription drug coverage' means qualified prescription drug coverage that is standard coverage or that has an actuarial value equivalent to the actuarial value for standard coverage.

"(3) REFERENCE PREMIUM AMOUNT DEFINED.—For purposes of this subsection, the term 'reference premium amount' means, with respect to qualified prescription drug coverage offered under—

"(A) a prescription drug plan that—

"(i) provides standard coverage (or alternative prescription drug coverage the actuarial value of which is equivalent to that of standard coverage), the plan's PDP premium; or

"(ii) provides alternative prescription drug coverage the actuarial value of which is greater than that of standard coverage,

the plan's PDP premium multiplied by the ratio of (I) the actuarial value of standard coverage, to (II) the actuarial value of the alternative coverage;

"(B) an EFFS plan, the EFFS monthly prescription drug beneficiary premium (as defined in section 1860E–4(a)(3)(B)); or

"(C) a Medicare Advantage, the Medicare Advantage monthly prescription drug beneficiary premium (as defined in section 1854(b)(2)(B)).

For purposes of subparagraph (A), the term 'PDP premium' means, with respect to a prescription drug plan, the premium amount for enrollment under the plan under this part (determined without regard to any low-income subsidy under section 1860D–7 or any late enrollment penalty under section 1860D–1(c)(2)(B)).

"SEC. 1860D–7. PREMIUM AND COST-SHARING SUBSIDIES FOR LOW-INCOME INDIVIDUALS.

"(a) INCOME-RELATED SUBSIDIES FOR INDIVIDUALS WITH INCOME BELOW 150 PERCENT OF FEDERAL POVERTY LEVEL.—

"(1) FULL PREMIUM SUBSIDY AND REDUCTION OF COST-SHARING FOR INDIVIDUALS WITH INCOME BELOW 135 PERCENT OF FEDERAL POVERTY LEVEL.—

In the case of a subsidy eligible individual (as defined in paragraph (4)) who is determined to have income that does not exceed 135 percent of the Federal poverty level, the individual is entitled under this section—

"(A) to an income-related premium subsidy equal to 100 percent of the amount described in subsection (b)(1); and

"(B) subject to subsection (c), to the substitution for the beneficiary cost-sharing described in paragraphs (1) and (2) of section 1860D–2(b) (up to the initial coverage limit specified in paragraph (3) of such section) of amounts that do not exceed $2 for a multiple source or generic drug (as described in section 1927(k)(7)(A)) and $5 for a non-preferred drug.

"(2) SLIDING SCALE PREMIUM SUBSIDY FOR INDIVIDUALS WITH INCOME ABOVE 135, BUT BELOW 150 PERCENT, OF FEDERAL POVERTY LEVEL.—In the case of a subsidy eligible individual who is determined to have income that exceeds 135 percent, but does not exceed 150 percent, of the Federal poverty level, the individual is entitled under this section to an income-related premium subsidy determined on a linear sliding scale ranging from 100 percent of the amount de-

scribed in subsection (b)(1) for individuals with incomes at 135 percent of such level to 0 percent of such amount for individuals with incomes at 150 percent of such level.

"(3) CONSTRUCTION.—Nothing in this section shall be construed as preventing a PDP sponsor or entity offering a MA-EFFS Rx plan from reducing to 0 the cost-sharing otherwise applicable to generic drugs.

"(4) DETERMINATION OF ELIGIBILITY.—

"(A) SUBSIDY ELIGIBLE INDIVIDUAL DEFINED.—For purposes of this section, subject to subparagraph (D), the term 'subsidy eligible individual' means an individual who—

"(i) is eligible to elect, and has elected, to obtain qualified prescription drug coverage under this part;

"(ii) has income below 150 percent of the Federal poverty line; and

"(iii) meets the resources requirement described in subparagraph (D) .

"(B) DETERMINATIONS.—The determination of whether an individual residing in a State is a subsidy eligible individual and the amount of such individual's income shall be determined

under the State medicaid plan for the State under section 1935(a) or by the Social Security Administration. In the case of a State that does not operate such a medicaid plan (either under title XIX or under a statewide waiver granted under section 1115), such determination shall be made under arrangements made by the Administrator. There are authorized to be appropriated to the Social Security Administration such sums as may be necessary for the determination of eligibility under this subparagraph.

"(C) INCOME DETERMINATIONS.—For purposes of applying this section—

"(i) income shall be determined in the manner described in section 1905(p)(1)(B); and

"(ii) the term 'Federal poverty line' means the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 673(2) of the Omnibus Budget Reconciliation Act of 1981) applicable to a family of the size involved.

"(D) RESOURCE STANDARD APPLIED TO BE BASED ON TWICE SSI RESOURCE STANDARD.—

The resource requirement of this subparagraph is that an individual's resources (as determined under section 1613 for purposes of the supplemental security income program) do not exceed—

"(i) for 2006 twice the maximum amount of resources that an individual may have and obtain benefits under that program; and

"(ii) for a subsequent year the resource limitation established under this clause for the previous year increased by the annual percentage increase in the consumer price index (all items; U.S. city average) as of September of such previous year.

Any resource limitation established under clause (ii) that is not a multiple of $10 shall be rounded to the nearest multiple of $10.

"(E) TREATMENT OF TERRITORIAL RESIDENTS.—In the case of an individual who is not a resident of the 50 States or the District of Columbia, the individual is not eligible to be a subsidy eligible individual but may be eligible for financial assistance with prescription drug expenses under section 1935(e).

"(F) TREATMENT OF CONFORMING MEDIGAP POLICIES.—For purposes of this section, the term 'qualified prescription drug coverage' includes a medicare supplemental policy described in section 1860D–8(b)(4).

"(5) INDEXING DOLLAR AMOUNTS.—

"(A) FOR 2007.—The dollar amounts applied under paragraphs (1)(B) for 2007 shall be the dollar amounts specified in such paragraph increased by the annual percentage increase described in section 1860D–2(b)(5) for 2007.

"(B) FOR SUBSEQUENT YEARS.—The dollar amounts applied under paragraph (1)(B) for a year after 2007 shall be the amounts (under this paragraph) applied under paragraph (1)(B) for the preceding year increased by the annual percentage increase described in section 1860D–2(b)(5) (relating to growth in medicare prescription drug costs per beneficiary) for the year involved.

"(b) PREMIUM SUBSIDY AMOUNT.—

"(1) IN GENERAL.—The premium subsidy amount described in this subsection for an individual residing in an area is the benchmark premium amount (as defined in paragraph (2)) for qualified

prescription drug coverage offered by the prescription drug plan or the MA-EFFS Rx plan in which the individual is enrolled.

"(2) BENCHMARK PREMIUM AMOUNT DEFINED.—For purposes of this subsection, the term 'benchmark premium amount' means, with respect to qualified prescription drug coverage offered under—

"(A) a prescription drug plan that—

"(i) provides standard coverage (or alternative prescription drug coverage the actuarial value of which is equivalent to that of standard coverage), the premium amount for enrollment under the plan under this part (determined without regard to any subsidy under this section or any late enrollment penalty under section 1860D–1(c)(2)(B)); or

"(ii) provides alternative prescription drug coverage the actuarial value of which is greater than that of standard coverage, the premium amount described in clause (i) multiplied by the ratio of (I) the actuarial value of standard coverage, to (II) the actuarial value of the alternative coverage; or

"(B) a MA-EFFS Rx plan, the portion of the premium amount that is attributable to statutory drug benefits (described in section 1853(a)(1)(A)(ii)(II)).

"(c) RULES IN APPLYING COST-SHARING SUBSIDIES.—

"(1) IN GENERAL.—In applying subsection (a)(1)(B), nothing in this part shall be construed as preventing a plan or provider from waiving or reducing the amount of cost-sharing otherwise applicable.

"(2) LIMITATION ON CHARGES.—In the case of an individual receiving cost-sharing subsidies under subsection (a)(1)(B), the PDP sponsor or entity offering a MA-EFFS Rx plan may not charge more than $5 per prescription.

"(3) APPLICATION OF INDEXING RULES.—The provisions of subsection (a)(5) shall apply to the dollar amount specified in paragraph (2) in the same manner as they apply to the dollar amounts specified in subsections (a)(1)(B).

"(d) ADMINISTRATION OF SUBSIDY PROGRAM.—The Administrator shall provide a process whereby, in the case of an individual who is determined to be a subsidy eligible individual and who is enrolled in prescription drug plan or is enrolled in a MA-EFFS Rx plan—

"(1) the Administrator provides for a notification of the PDP sponsor or the entity offering the MA-EFFS Rx plan involved that the individual is eligible for a subsidy and the amount of the subsidy under subsection (a);

"(2) the sponsor or entity involved reduces the premiums or cost-sharing otherwise imposed by the amount of the applicable subsidy and submits to the Administrator information on the amount of such reduction; and

"(3) the Administrator periodically and on a timely basis reimburses the sponsor or entity for the amount of such reductions.

The reimbursement under paragraph (3) with respect to cost-sharing subsidies may be computed on a capitated basis, taking into account the actuarial value of the subsidies and with appropriate adjustments to reflect differences in the risks actually involved.

"(e) RELATION TO MEDICAID PROGRAM.—

"(1) IN GENERAL.—For provisions providing for eligibility determinations, and additional financing, under the medicaid program, see section 1935.

"(2) MEDICAID PROVIDING WRAP AROUND BENEFITS.—The coverage provided under this part is primary payor to benefits for prescribed drugs provided

under the medicaid program under title XIX consistent with section 1935(d)(1).

"(3) COORDINATION.—The Administrator shall develop and implement a plan for the coordination of prescription drug benefits under this part with the benefits provided under the medicaid program under title XIX, with particular attention to insuring coordination of payments and prevention of fraud and abuse. In developing and implementing such plan, the Administrator shall involve the Secretary, the States, the data processing industry, pharmacists, and pharmaceutical manufacturers, and other experts.

"SEC. 1860D–8. SUBSIDIES FOR ALL MEDICARE BENEFICIARIES FOR QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) SUBSIDY PAYMENT.—In order to reduce premium levels applicable to qualified prescription drug coverage for all medicare beneficiaries consistent with an overall subsidy level of 73 percent, to reduce adverse selection among prescription drug plans and MA-EFFS Rx plans, and to promote the participation of PDP sponsors under this part, the Administrator shall provide in accordance with this section for payment to a qualifying entity (as defined in subsection (b)) of the following subsidies:

"(1) DIRECT SUBSIDY.—In the case of an enrollee enrolled for a month in a prescription drug plan or a MA-EFFS Rx plan, a direct subsidy equal to 43 percent of the national average monthly bid amount (computed under subsection (g)) for that month.

"(2) SUBSIDY THROUGH REINSURANCE.—In the case of an enrollee enrolled for a month in a prescription drug plan or a MA-EFFS Rx plan, the reinsurance payment amount (as defined in subsection (c)), which in the aggregate is 30 percent of the total payments made by qualifying entities for standard coverage under the respective plan, for excess costs incurred in providing qualified prescription drug coverage—

"(A) for enrollees with a prescription drug plan under this part; and

"(B) for enrollees with a MA-EFFS Rx plan.

"(3) EMPLOYER AND UNION FLEXIBILITY.—In the case of an individual who is a participant or beneficiary in a qualified retiree prescription drug plan (as defined in subsection (f)(1)) and who is not enrolled in a prescription drug plan or in a MA-EFFS

Rx plan, the special subsidy payments under subsection (f)(3).

This section constitutes budget authority in advance of appropriations Acts and represents the obligation of the Administrator to provide for the payment of amounts provided under this section. In applying the percentages under paragraphs (1) and (2), there shall be taken into account under the respective paragraphs the portion of the employer and union special subsidy payments under subsection (f)(3) that reflect payments that would have been made under the respective paragraphs if such paragraphs had applied to qualified retiree prescription drug plans instead of paragraph (3).

"(b) QUALIFYING ENTITY DEFINED.—For purposes of this section, the term 'qualifying entity' means any of the following that has entered into an agreement with the Administrator to provide the Administrator with such information as may be required to carry out this section:

"(1) A PDP sponsor offering a prescription drug plan under this part.

"(2) An entity that offers a MA-EFFS Rx plan.

"(3) The sponsor of a qualified retiree prescription drug plan (as defined in subsection (f)).

"(c) REINSURANCE PAYMENT AMOUNT.—

"(1) IN GENERAL.—Subject to subsection (d)(1)(B) and paragraph (4), the reinsurance payment amount under this subsection for a qualifying covered individual (as defined in paragraph (5)) for a coverage year (as defined in subsection (h)(2)) is equal to the sum of the following:

"(A) REINSURANCE BETWEEN INITIAL REINSURANCE THRESHOLD AND THE INITIAL COVERAGE LIMIT.—For the portion of the individual's gross covered prescription drug costs (as defined in paragraph (3)) for the year that exceeds the initial reinsurance threshold specified in paragraph (4), but does not exceed the initial coverage limit specified in section 1860D–2(b)(3), an amount equal to 20 percent of the allowable costs (as defined in paragraph (2)) attributable to such gross covered prescription drug costs.

"(B) REINSURANCE ABOVE ANNUAL OUT-OF-POCKET THRESHOLD.—For the portion of the individual's gross covered prescription drug costs for the year that exceeds the annual out-of-pocket threshold specified in 1860D–2(b)(4)(B), an amount equal to 80 percent of the allowable costs

attributable to such gross covered prescription drug costs.

"(2) ALLOWABLE COSTS.—For purposes of this section, the term 'allowable costs' means, with respect to gross covered prescription drug costs under a plan described in subsection (b) offered by a qualifying entity, the part of such costs that are actually paid (net of discounts, chargebacks, and average percentage rebates) under the plan, but in no case more than the part of such costs that would have been paid under the plan if the prescription drug coverage under the plan were standard coverage.

"(3) GROSS COVERED PRESCRIPTION DRUG COSTS.—For purposes of this section, the term 'gross covered prescription drug costs' means, with respect to an enrollee with a qualifying entity under a plan described in subsection (b) during a coverage year, the costs incurred under the plan (including costs attributable to administrative costs) for covered prescription drugs dispensed during the year, including costs relating to the deductible, whether paid by the enrollee or under the plan, regardless of whether the coverage under the plan exceeds standard coverage and regardless of when the payment for such drugs is made.

"(4) INITIAL REINSURANCE THRESHOLD.—The initial reinsurance threshold specified in this paragraph—

"(A) for 2006, is equal to $1,000; or

"(B) for a subsequent year, is equal to the payment threshold specified in this paragraph for the previous year, increased by the annual percentage increase described in section 1860D–2(b)(5) for the year involved.

Any amount determined under subparagraph (B) that is not a multiple of $10 shall be rounded to the nearest multiple of $10.

"(5) QUALIFYING COVERED INDIVIDUAL DEFINED.—For purposes of this subsection, the term 'qualifying covered individual' means an individual who—

"(A) is enrolled with a prescription drug plan under this part; or

"(B) is enrolled with a MA-EFFS Rx plan.

"(d) ADJUSTMENT OF PAYMENTS.—

"(1) ADJUSTMENT OF REINSURANCE PAYMENTS TO ASSURE 30 PERCENT LEVEL OF SUBSIDY THROUGH REINSURANCE.—

"(A) ESTIMATION OF PAYMENTS.—The Administrator shall estimate—

"(i) the total payments to be made (without regard to this subsection) during a year under subsections (a)(2) and (c); and

"(ii) the total payments to be made by qualifying entities for standard coverage under plans described in subsection (b) during the year.

"(B) ADJUSTMENT.—The Administrator shall proportionally adjust the payments made under subsections (a)(2) and (c) for a coverage year in such manner so that the total of the payments made under such subsections (and under subsection (f)(3) insofar as such payments reflect payments that would have been made under such subsections if such subsections had applied to qualified retiree prescription drug plans instead of subsections (a)(3) and (f)(3)) for the year is equal to 30 percent of the total payments described in subparagraph (A)(ii).

"(2) RISK ADJUSTMENT FOR DIRECT SUBSIDIES.—To the extent the Administrator determines it appropriate to avoid risk selection, the payments made for direct subsidies under subsection (a)(1) are subject to adjustment based upon risk factors specified by the Administrator. Any such risk adjustment shall

be designed in a manner as to not result in a change in the aggregate payments made under such subsection.

"(e) PAYMENT METHODS.—

"(1) IN GENERAL.—Payments under this section shall be based on such a method as the Administrator determines. The Administrator may establish a payment method by which interim payments of amounts under this section are made during a year based on the Administrator's best estimate of amounts that will be payable after obtaining all of the information.

"(2) SOURCE OF PAYMENTS.—Payments under this section shall be made from the Medicare Prescription Drug Trust Fund.

"(f) RULES RELATING TO QUALIFIED RETIREE PRESCRIPTION DRUG PLAN.—

"(1) DEFINITION.—For purposes of this section, the term 'qualified retiree prescription drug plan' means employment-based retiree health coverage (as defined in paragraph (4)(A)) if, with respect to an individual who is a participant or beneficiary under such coverage and is eligible to be enrolled in a prescription drug plan or a MA-EFFS Rx plan under this part, the following requirements are met:

"(A) ACTUARIAL EQUIVALENCE TO STANDARD COVERAGE.—The Administrator determines (based on an actuarial analysis by the Administrator) that coverage provides at least the same actuarial value as standard coverage. Such determination may be made on an annual basis.

"(B) AUDITS.—The sponsor (and the plan) shall maintain, and afford the Administrator access to, such records as the Administrator may require for purposes of audits and other oversight activities necessary to ensure the adequacy of prescription drug coverage and the accuracy of payments made.

"(C) PROVISION OF CERTIFICATION OF PRESCRIPTION DRUG COVERAGE.—The sponsor of the plan shall provide for issuance of certifications of the type described in section 1860D–1(c)(2)(D).

"(2) LIMITATION ON BENEFIT ELIGIBILITY.—No payment shall be provided under this section with respect to a participant or beneficiary in a qualified retiree prescription drug plan unless the individual is—

"(A) is covered under the plan; and

"(B) is eligible to obtain qualified prescription drug coverage under section 1860D–1 but did not elect such coverage under this part (either through a prescription drug plan or through a MA-EFFS Rx plan).

"(3) EMPLOYER AND UNION SPECIAL SUBSIDY AMOUNTS.—

"(A) IN GENERAL.—For purposes of subsection (a), the special subsidy payment amount under this paragraph for a qualifying covered retiree (as defined in paragraph (6)) for a coverage year (as defined in subsection (h)) enrolled in a qualifying entity described in subsection (b)(3) under a qualified retiree prescription drug plan is, for the portion of the individual's gross covered prescription drug costs for the year that exceeds the deductible amount specified in subparagraph (B), an amount equal to, subject to subparagraph (D), 28 percent of the allowable costs attributable to such gross covered prescription drug costs, but only to the extent such costs exceed the deductible under subparagraph (B) and do not exceed the cost limit under such subparagraph in the case of any such individual for the plan year.

"(B) DEDUCTIBLE AND COST LIMIT APPLICABLE.—Subject to subparagraph (C)—

"(i) the deductible under this subparagraph is equal to $250 for plan years that end in 2006; and

"(ii) the cost limit under this subparagraph is equal to $5,000 for plan years that end in 2006.

"(C) INDEXING.—The deductible and cost limit amounts specified in subparagraphs (B) for a plan year that ends after 2006 shall be adjusted in the same manner as the annual deductible under section 1860D–2(b)(1) is annually adjusted under such section.

"(D) ADJUSTMENT CONTINGENCY.—The Secretary may adjust the percentage specified in subparagraph (A) with respect to plan years that end in a year in a manner so that the aggregate expenditures in the year under this section are the same as the aggregate expenditures that would have been made under this section (taking into account the effect of any adjustment under subsection (d)(1)(B)) if paragraphs (1) and (2) of subsection (a) had applied to qualified pre-

scription drug coverage instead of this paragraph and subsection (a)(3).

"(4) RELATED DEFINITIONS.—As used in this section:

"(A) EMPLOYMENT-BASED RETIREE HEALTH COVERAGE.—The term 'employment-based retiree health coverage' means health insurance or other coverage of health care costs for individuals eligible to enroll in a prescription drug plan or MA-EFFS Rx plan under this part (or for such individuals and their spouses and dependents) under a group health plan (including such a plan that is established or maintained under or pursuant to one or more collective bargaining agreements) based on their status as retired participants in such plan.

"(B) QUALIFYING COVERED RETIREE.—The term 'qualifying covered retiree' means an individual who is eligible to obtain qualified prescription drug coverage under section 1860D–1 but did not elect such coverage under this part (either through a prescription drug plan or through a MA-EFFS Rx plan) but is covered under a qualified retiree prescription drug plan.

"(C) SPONSOR.—The term 'sponsor' means a plan sponsor, as defined in section 3(16)(B) of the Employee Retirement Income Security Act of 1974.

"(5) CONSTRUCTION.—Nothing in this subsection shall be construed as—

"(A) precluding an individual who is covered under employment-based retiree health coverage from enrolling in a prescription drug plan or in a MA-EFFS plan;

"(B) precluding such employment-based retiree health coverage or an employer or other person from paying all or any portion of any premium required for coverage under such a prescription drug plan or MA-EFFS plan on behalf of such an individual; or

"(C) preventing such employment-based retiree health coverage from providing coverage for retirees—

"(i) who are covered under a qualified retiree prescription plan that is better than standard coverage; or

"(ii) who are not covered under a qualified retiree prescription plan but who are enrolled in a prescription drug plan or

a MA-EFFS Rx plan, that is supplemental to the benefits provided under such prescription drug plan or MA-EFFS Rx plan, except that any such supplemental coverage (not including payment of any premium referred to in subparagraph (B)) shall be treated as primary coverage to which section 1862(b)(2)(A)(i) is deemed to apply.

"(g) COMPUTATION OF NATIONAL AVERAGE MONTHLY BID AMOUNT.—

"(1) IN GENERAL.—For each year (beginning with 2006) the Administrator shall compute a national average monthly bid amount equal to the average of the benchmark bid amounts for each prescription drug plan and for each MA-EFFS Rx plan (as computed under paragraph (2), but excluding plans described in section 1851(a)(2)(C))) adjusted under paragraph (4) to take into account reinsurance payments.

"(2) BENCHMARK BID AMOUNT DEFINED.—For purposes of this subsection, the term 'benchmark bid amount' means, with respect to qualified prescription drug coverage offered under—

"(A) a prescription drug plan that—

"(i) provides standard coverage (or alternative prescription drug coverage the actuarial value is equivalent to that of standard coverage), the PDP bid; or

"(ii) provides alternative prescription drug coverage the actuarial value of which is greater than that of standard coverage, the PDP bid multiplied by the ratio of (I) the actuarial value of standard coverage, to (II) the actuarial value of the alternative coverage; or

"(B) a MA-EFFS Rx plan, the portion of the bid amount that is attributable to statutory drug benefits (described in section 1853(a)(1)(A)(ii)(II)).

The Secretary shall specify the form, manner, and timing of such election but shall permit the exercise of such election at the time the individual is eligible to enroll. The annual open enrollment periods shall be coordinated with those provided under the Medicare Advantage and EFFS programs under parts C and E as well as under the prescription drug program under part D.

"(B) OPEN ENROLLMENT PERIOD FOR CURRENT BENEFICIARIES.—The Secretary shall establish a period, which shall begin on the date on which the Secretary first begins to accept elections for enrollment under this section and shall end not earlier than 3 months later, during which any eligible beneficiary may enroll under this section.

"(C) SPECIAL ENROLLMENT PERIOD IN CASE OF TERMINATION OF COVERAGE UNDER A GROUP HEALTH PLAN.—The Secretary shall provide for a special enrollment period under this section in the same manner as is provided under section 1837(i) with respect to part B, except that for purposes of this subparagraph any reference to 'by reason of the individual's (or the individual's spouse's) current employment status' shall be treated as being deleted.

"(B) RULES.—In establishing the process under subparagraph (A), the Secretary shall use

rules similar to the rules for enrollment and disenrollment with a Medicare Advantage plan under section 1851 (including the special election periods under subsection (e)(4) of such section), including that—

"(i) an individual may not select more than one eligible entity at any time; and

"(ii) an individual shall only be permitted (except for unusual circumstances) to change the selection of the entity once a year.

In carrying out clause (ii), the Secretary may consider a change in residential setting (such as placement in a nursing facility) to be an unusual circumstance.

"(C) DEFAULT SELECTION.—In establishing such process, the Secretary shall provide an equitable method for selecting an eligible entity for individuals who enroll under this section and fail to make such a selection.

"(2) COMPETITION.—Eligible entities with a contract under this section shall compete for beneficiaries on the basis of discounts, formularies, pharmacy networks, and other services provided for under the contract.

year beginning after 2004, the dollar amount of the enrollment fee in subparagraph (A) shall be the dollar amount of such fee for the previous year increased by the annual percentage increase in the consumer price index for all urban consumers (U.S. city average; all items) as of September before the beginning of the year involved. If any increase determined under the previous sentence is not a multiple of $1, such increase shall be rounded to the nearest multiple of $1.

''(2) COLLECTION OF ENROLLMENT FEE.—The annual enrollment fee shall be collected and credited to the Federal Supplementary Medical Insurance Trust Fund in the same manner as the monthly premium determined under section 1839 is collected and credited to such Trust Fund under section 1840, except that it shall be collected only 1 time per year.

''(3) PAYMENT OF ENROLLMENT FEE BY STATE FOR CERTAIN BENEFICIARIES.—

''(A) IN GENERAL.—The Secretary shall establish an arrangement under which a State may provide for payment of some or all of the enrollment fee for some or all low income enrollees in the State, as specified by the State under the arrangement. Insofar as such a payment ar-

"(i) BENEFITS UNDER THE PROGRAM THROUGH SAVINGS TO ENROLLEES THROUGH NEGOTIATED PRICES.—

"(1) IN GENERAL.—Subject to paragraph (2), each eligible entity with a contract under this section shall provide each eligible beneficiary enrolled with the entity with access to negotiated prices (including applicable discounts). For purposes of this paragraph, the term 'prescription drugs' is not limited to covered outpatient drugs, but does not include any over-the-counter drug that is not a covered outpatient drug. The prices negotiated by an eligible entity under this paragraph shall (notwithstanding any other provision of law) not be taken into account for the purposes of

establishing the best price under section 1927(c)(1)(C).

"(ii) authorizes in a form and manner specified by the Secretary the verification of the individual's modified adjusted gross income by the Secretary through arrangements with States.

An arrangement with a State under clause (ii) shall provide for the payment by the Secretary under this section of the State's reasonable costs of conducting income verifications under such arrangement.

"(B) PENALTIES FOR UNDERSTATEMENT OF INCOME.—The provision of false information

under subparagraph (A)(i) is subject to criminal penalties under section 1128B.

"(C) PROCEDURES FOR DETERMINING MODIFIED ADJUSTED GROSS INCOME.—

"(3) SUBMISSION OF BID AMOUNT INFORMATION BY EFFS ORGANIZATIONS.—

"(A) INFORMATION TO BE SUBMITTED.—The information described in this subparagraph is as follows:

"(II) the provision of statutory prescription drug benefits; and

5, United States Code. The Administrator may reject such a bid amount or proportion if the Administrator determines that such amount or proportion is not supported by the actuarial bases provided under subparagraph (A).

"(D) CONTRACT AUTHORITY.—The Administrator may, taking into account the unadjusted EFFS statutory non-drug monthly bid amounts accepted under subparagraph (C), enter into contracts for the offering of up to 3 EFFS plans in any region.

"(A) DETERMINATION OF REGION-WIDE AVERAGE RISK ADJUSTMENT.—

"(i) IN GENERAL.—The Medicare Benefits Administrator shall determine, at the same time rates are promulgated under section 1853(b)(1) (beginning with 2006), for each EFFS region the average of the risk adjustment factors described in subsection (c)(3) to be applied to enrollees under this part in that region. In the case of an EFFS region in which an EFFS plan was offered

in the previous year, the Administrator may compute such average based upon risk adjustment factors applied under subsection (c)(3) in that region in a previous year.

"(ii) TREATMENT OF NEW REGIONS.—In the case of a region in which no EFFS plan was offered in the previous year, the Administrator shall estimate such average. In making such estimate, the Administrator may use average risk adjustment factors applied to comparable EFFS regions or applied on a national basis.

"(B) DETERMINATION OF RISK ADJUSTED BENCHMARK AND RISK-ADJUSTED BID.—For each EFFS plan offered in an EFFS region, the Administrator shall—

"(i) adjust the EFFS region-specific non-drug monthly benchmark amount (as defined in paragraph (3)) by the applicable average risk adjustment factor computed under subparagraph (A); and

"(ii) adjust the unadjusted EFFS statutory non-drug monthly bid amount by such applicable average risk adjustment factor.

"(C) DETERMINATION OF AVERAGE PER CAPITA MONTHLY SAVINGS.—The average per capita monthly savings described in this subparagraph is equal to the amount (if any) by which—

"(i) the risk-adjusted benchmark amount computed under subparagraph (B)(i), exceeds

"(ii) the risk-adjusted bid computed under subparagraph (B)(ii).

"(3) COMPUTATION OF EFFS REGION-SPECIFIC NON-DRUG MONTHLY BENCHMARK AMOUNT.—For purposes of this part, the term 'EFFS region-specific non-drug monthly benchmark amount' means, with respect to an EFFS region for a month in a year, an amount equal to 1/12 of the average (weighted by number of EFFS eligible individuals in each payment area described in section 1853(d)) of the annual capitation rate as calculated under section 1853(c)(1) for that area.

"(c) PAYMENT OF PLANS BASED ON BID AMOUNTS.—

"(1) NON-DRUG BENEFITS.—Under a contract under section 1860E–4(c) and subject to section 1853(g) (as made applicable under subsection (d)), the Administrator shall make monthly payments

under this subsection in advance to each EFFS organization, with respect to coverage of an individual under this part in an EFFS region for a month, in an amount determined as follows:

"(A) PLANS WITH BIDS BELOW BENCHMARK.—In the case of a plan for which there are average per capita monthly savings described in subsection (b)(2)(C), the payment under this subsection is equal to the unadjusted EFFS statutory non-drug monthly bid amount, adjusted under paragraphs (3) and (4), plus the amount of the monthly rebate computed under subsection (b)(1)(A) for that plan and year.

"(B) PLANS WITH BIDS AT OR ABOVE BENCHMARK.—In the case of a plan for which there are no average per capita monthly savings described in subsection (b)(2)(C), the payment amount under this subsection is equal to the EFFS region-specific non-drug monthly benchmark amount, adjusted under paragraphs (3) and (4).

"(2) FOR FEDERAL DRUG SUBSIDIES.—In the case in which an enrollee who elects under part D to be provided qualified prescription drug coverage

through the plan, the EFFS organization offering such plan also is entitled—

"(C) to reimbursement for premium and cost-sharing reductions for low-income individuals under section 1860D–7(c)(3).

"(3) DEMOGRAPHIC RISK ADJUSTMENT, INCLUDING ADJUSTMENT FOR HEALTH STATUS.—The Administrator shall adjust under paragraph (1)(A) the unadjusted EFFS statutory non-drug monthly bid amount and under paragraph (1)(B) the EFFS region-specific non-drug monthly benchmark amount for such risk factors as age, disability status, gender, institutional status, and such other factors as the Administrator determines to be appropriate, including adjustment for health status under section 1853(a)(3) (as applied under subsection (d)), so as to ensure actuarial equivalence. The Administrator may add to, modify, or substitute for such adjustment factors if such changes will improve the determination of actuarial equivalence.

"(4) ADJUSTMENT FOR INTRA-REGIONAL GEOGRAPHIC VARIATIONS.—The Administrator shall also adjust such amounts in a manner to take into account variations in payments rates under part C among the different payment areas under such part included in each EFFS region.

"(d) APPLICATION OF ADDITIONAL PAYMENT RULES.—The provisions of section 1853 (other than subsections (a)(1)(A), (d), and (e)) shall apply to an EFFS plan under this part, except as otherwise provided in this section.

"(B) EFFS MONTHLY PRESCRIPTION DRUG BENEFICIARY PREMIUM.—The term 'EFFS monthly prescription drug beneficiary premium' means, with respect to an EFFS plan, the portion of the aggregate monthly bid amount submitted under clause (i) of section 1860E–3(a)(3)(A) for the year that is attributable under such section to the provision of statutory prescription drug benefits.

"(i) does not exceed the competitive Medicare Advantage non-drug benchmark (as determined under paragraph (2) of section 1853(k), without regard to paragraph (8) thereof) for such area, the amount of the premium for the individual for the month shall be reduced by an amount equal to the product of the adjustment factor under subparagraph (C) and 75 percent of the amount by which such competitive benchmark exceeds such fee-for-service area-specific non-drug amount; or

"(ii) exceeds such competitive Medicare Advantage non-drug benchmark, the amount of the premium for the individual for the month shall be adjusted to ensure, subject to subparagraph (B), that—

"(I) the sum of the amount of the adjusted premium and the competitive Medicare Advantage non-drug benchmark for the area, is equal to

"(II) the sum of the unadjusted premium plus amount of the fee-for-service area-specific non-drug amount for the area.

"(B) In no case shall the actual amount of an adjustment under subparagraph (A)(ii) exceed the product of the adjustment factor under subparagraph (C) and the amount

of the adjustment otherwise computed under subparagraph (A)(ii) without regard to this subparagraph.

"(C) The adjustment factor under this subparagraph for an area for a year is equal to—

"(i) the number of consecutive years (in the 5-year period ending with the year involved) in which such area was a competitive Medicare Advantage area; divided by

"(ii) 5.

"(2)(A) In the case of an individual who resides in an area that is within a competitive EFFS region under section 1860E–3(e) but is not within a competitive Medicare Advantage area under section 1853(k)(1) and who is not enrolled in a Medicare Advantage plan under part C or in an EFFS plan under part E, the monthly premium otherwise applied under this part (determined without regard to subsections (b) and (f) or any adjustment under this subsection) shall be adjusted as follows: If the fee-for-service region-specific non-drug amount (as defined in section 1860E–3(e)(6)) for a region for a month—

"(i) the number of consecutive years (in the 5-year period ending with the year involved) in which

such region was a competitive EFFS region; divided by

"(ii) 5.

"(3) Nothing in this subsection shall be construed as preventing a reduction under paragraph (1)(A) or paragraph (2)(A) in the premium otherwise applicable under this part to zero or from requiring the provision of a rebate to the extent such premium would otherwise be required to be less than zero.

"(4) The adjustment in the premium under this subsection shall be effected in such manner as the Medicare Benefits Administrator determines appropriate.

"(5) In order to carry out this subsection (insofar as it is effected through the manner of collection of premiums under 1840(a)), the Medicare Benefits Administrator shall transmit to the Commissioner of Social Security—

"(B) WHOLESALE ACQUISITION COST (WAC).—The wholesale acquisition cost (as defined in subsection (c)(6)(B)) reported for the single source drug.

"(5) BASIS FOR DETERMINATION.—The payment amount shall be determined under this subsection based on information reported under subsection (e) and without regard to any special packaging, labeling, or identifiers on the dosage form or product or package.

"(6) STUDY AND AUTHORIZATION.—Not later than 2 years after the date of the enactment of this section, the Secretary shall conduct and complete a study on the adequacy of the payment rates provided under this subsection, taking into account the acquisition costs for the covered outpatient drugs and biologicals as well as provider-related costs, in rural and urban areas. The Secretary shall submit the results of such study to Congress. For calendar years after the date such results are submitted, the Secretary may adjust the percentage specified in paragraphs (1)(A) and (1)(B) based upon such results.

"(c) MANUFACTURER'S AVERAGE SALES PRICE.—

"(1) IN GENERAL.—For purposes of this subsection, subject to paragraphs (2) and (3), the manufacturer's 'average sales price' means, of a covered outpatient drug or biological for a NDC code for a calendar quarter for a manufacturer for a unit—

"(A) the manufacturer's total sales (as defined by the Secretary in regulations for purposes of section 1927(c)(1)) in the United States for such drug or biological in the calendar quarter; divided by

"(B) the total number of such units of such drug or biological sold by the manufacturer in such quarter.

"(2) CERTAIN SALES EXEMPTED FROM COMPUTATION.—In calculating the manufacturer's average sales price under this subsection, the following sales shall be excluded:

"(A) SALES EXEMPT FROM BEST PRICE.—Sales exempt from the inclusion in the determination of 'best price' under section 1927(c)(1)(C)(i).

"(B) SALES AT NOMINAL CHARGE.—Such other sales as the Secretary identifies by regulation as sales to an entity that are nominal in price or do not reflect a market price paid by an entity to which payment is made under this section.

"(3) SALE PRICE NET OF DISCOUNTS.—In calculating the manufacturer's average sales price under this subsection, such price shall be determined taking into account volume discounts, prompt pay discounts, cash discounts, the free goods that are contingent on any purchase requirement, chargebacks, and rebates (other than rebates under section 1927), that result in a reduction of the cost to the purchaser. A rebate to

a payor or other entity that does not take title to a covered outpatient drug or biological shall not be taken into account in determining such price unless the manufacturer has an agreement with the payor or other entity under which the purchaser's price for the drug or biological is reduced as a consequence of such rebate.

"(4) AUTHORITY TO DISREGARD AVERAGE SALES PRICE DURING FIRST QUARTER OF SALES.—In the case of a covered outpatient drug or biological during an initial period (not to exceed a full calendar quarter) in which data on the prices for sales for the drug or biological is not available from the manufacturer to compute an average sales price for the drug or biological, the Secretary may determine the amount payable under this section for the drug or biological without considering the manufacturer's average sales price of that manufacturer for that drug or biological.

"(5) FREQUENCY OF DETERMINATIONS.—

"(A) IN GENERAL ON A QUARTERLY BASIS.—The manufacturer's average sales price, for a covered outpatient drug or biological of a manufacturer, shall be determined by such manufacturer under this subsection on a quarterly basis. In making such determination insofar as

there is a lag in the reporting of the information on rebates and chargebacks under paragraph (3) so that adequate data are not available on a timely basis, the manufacturer shall apply a methodology established by the Secretary based on a 12-month rolling average for the manufacturer to estimate costs attributable to rebates and chargebacks.

"(B) UPDATES IN RATES.—The payment rates under subsection (b)(1) and (b)(2)(A) shall be updated by the Secretary on a quarterly basis and shall be applied based upon the manufacturer's average sales price determined for the most recent calendar quarter.

"(C) USE OF CONTRACTORS; IMPLEMENTATION.—The Secretary may use a carrier, fiscal intermediary, or other contractor to determine the payment amount under subsection (b). Notwithstanding any other provision of law, the Secretary may implement, by program memorandum or otherwise, any of the provisions of this section.

"(6) DEFINITIONS AND OTHER RULES.—In this section:

"(A) MANUFACTURER.—The term 'manufacturer' means, with respect to a covered outpatient drug or biological, the manufacturer (as defined in section 1927(k)(5)) whose national drug code appears on such drug or biological.

"(ii) WHOLESALE ACQUISITION COST.—The term 'wholesale acquisition cost' means, with respect to a covered outpatient drug or biological, the manufacturer's list price for the drug or biological to wholesalers or direct purchasers in the United States, not including prompt pay or other discounts, rebates or reductions in price, for the most recent month for which the information is available, as reported in wholesale price guides or other publications of drug pricing data.

"(C) MULTIPLE SOURCE DRUG.—The term 'multiple source drug' means, for a calendar quarter, a covered outpatient drug or biological for which there are 2 or more drug products which—

"(i) are rated as therapeutically equivalent (under the Food and Drug Administration's most recent publication of 'Ap-

proved Drug Products with Therapeutic Equivalence Evaluations'),

"(iii) are sold or marketed in the United States during the quarter.

"(D) SINGLE SOURCE DRUG.—The term 'single source drug' means a covered outpatient drug or biological which is not a multiple source drug and which is produced or distributed under an original new drug application approved by the Food and Drug Administration, including a drug product marketed by any cross-licensed producers or distributors operating under the new drug application, or which is a biological.

"(E) EXCEPTION FROM PHARMACEUTICAL EQUIVALENCE AND BIOEQUIVALENCE REQUIREMENT.—Subparagraph (C)(ii) shall not apply if the Food and Drug Administration changes by regulation the requirement that, for purposes of the publication described in subparagraph (C)(i), in order for drug products to be rated as thera-

peutically equivalent, they must be pharmaceutically equivalent and bioequivalent, as defined in subparagraph (F).

"(F) DETERMINATION OF PHARMACEUTICAL EQUIVALENCE AND BIOEQUIVALENCE.—For purposes of this paragraph—

"(i) drug products are pharmaceutically equivalent if the products contain identical amounts of the same active drug ingredient in the same dosage form and meet compendial or other applicable standards of strength, quality, purity, and identity; and

"(ii) drugs are bioequivalent if they do not present a known or potential bioequivalence problem, or, if they do present such a problem, they are shown to meet an appropriate standard of bioequivalence.

"(G) INCLUSION OF VACCINES.—In applying provisions of section 1927 under this section, 'other than a vaccine' is deemed deleted from section 1927(k)(2)(B).

"(d) AUTHORITY TO USE ALTERNATIVE PAYMENT IN RESPONSE TO PUBLIC HEALTH EMERGENCY.—In the case of a public health emergency under section 319 of the Public

Health Service Act in which there is a documented inability to access covered outpatient drugs and biologicals, and a concomitant increase in the price, of a drug or biological which is not reflected in the manufacturer's average sales price for one or more quarters, the Secretary may use the wholesale acquisition cost (or other reasonable measure of drug price) instead of the manufacturer's average sales price for such quarters and for subsequent quarters until the price and availability of the drug or biological has stabilized and is substantially reflected in the applicable manufacturer's average sales price.

"(e) REPORTS.—

"(1) QUARTERLY REPORT ON AVERAGE SALES PRICE.—For requirements for reporting the manufacturer's average sales price (and, if required to make payment, the manufacturer's wholesale acquisition cost) for the covered outpatient drug or biological, see section 1927(b)(3).

"(D) Administrative costs associated with compliance with this section.

"(E) Total value of payments made under this section.

"(F) Comparison of the average manufacturer price as applied under section 1927 for a covered outpatient drug or biological with the manufacturer's average sales price for the drug or biological under this section.

"(4)(A) The term 'essential rural hospital' means a subsection (d) hospital (as defined in section 1886(d)(1)(B)) that is located in a rural area (as defined for purposes of section 1886(d)), has more than 25 licensed acute care inpatient beds, has applied to the Secretary for classification as such a hospital, and with respect to which the Secretary has determined that the closure of the hospital would significantly diminish the ability of medicare beneficiaries to obtain essential health care services.

"(B) The determination under subparagraph (A) shall be based on the following criteria:

"(i) HIGH PROPORTION OF MEDICARE BENEFICIARIES RECEIVING CARE FROM HOSPITAL.—(I) A high percentage of such beneficiaries residing in the area of the hospital who are hospitalized (during the most recent year for which complete data are available) receive basic inpatient medical care at the hospital.

"(II) For a hospital with more than 200 licensed beds, a high percentage of such beneficiaries residing in such area who are hospitalized (during such recent year) receive specialized surgical inpatient care at the hospital.

"(II) there would be an inability in the community to stablize emergency cases for transfers to another acute care setting, resulting in a potential for significant harm to medicare beneficiaries; and

"(III) any other nearby hospital lacks the physical and clinical capacity to take over the hospital's typical admissions.

"(C) In making such determination, the Secretary may also consider the following:

"(i) Free-standing ambulatory surgery centers, office-based oncology care, and imaging center services are insufficient in the hospital's area to handle the outpatient care of the hospital.

"(ii) Beneficiaries in nearby areas would be adversely affected if the hospital were to close as the hospital provides specialized knowledge and services to a network of smaller hospitals and critical access hospitals.

"(iii) Medicare beneficiaries would have difficulty in accessing care if the hospital were to close as the hospital provides significant subsidies to support ambulatory care in local clinics, including mental health clinics and to support post acute care.

"(iv) The hospital has a committment to provide graduate medical education in a rural area.

"(C) QUALITY CARE.—The hospital inpatient score for quality of care is not less than the median hospital score for qualify of care for hospitals in the State, as established under standards of the utilization and quality control peer review organization under part B of title XI or other quality standards recognized by the Secretary.

A hospital classified as an essential rural hospital may not change such classification and a hospital so classified shall not be treated as a sole community hospital, medicare dependent hospital, or rural referral center for purposes of section 1886.".

the reference resident level specified in subclause (III) (or subclause (IV) if applicable).

"(IV) ADJUSTMENT PROCESS.—Upon the timely request of a hospital, the Secretary may adjust the reference resident level for a hospital to be the resident level for the hospital for the cost reporting period that includes July 1, 2003.

"(V) AFFILIATION.—With respect to hospitals which are members of the same affiliated group (as defined by the Secretary under subparagraph (H)(ii)), the provisions of this section shall be applied with respect to such an affiliated group by deeming the affiliated group to be a single hospital.

"(V) APPLICATION OF LOCALITY ADJUSTED NATIONAL AVERAGE PER RESIDENT AMOUNT.—With respect to additional residency positions in a hospital attributable to the increase provided under this clause, notwithstanding any other provision of this subsection, the approved FTE resident amount is deemed to be equal to the locality adjusted national average per resident amount computed under subparagraph (E) for that hospital.

"(VI) CONSTRUCTION.—Nothing in this clause shall be construed as permitting the redistribution of reductions in residency positions attributable to voluntary reduction programs under

paragraph (6) or as affecting the ability of a hospital to establish new medical residency training programs under subparagraph (H).

"(iii) RESIDENT LEVEL AND LIMIT DEFINED.—In this subparagraph:

"(I) RESIDENT LEVEL.—The term 'resident level' means, with respect to a hospital, the total number of full-time equivalent residents, before the application of weighting factors (as determined under this paragraph), in the fields of allopathic and osteopathic medicine for the hospital.

"(B) Such timeline may vary among different regulations based on differences in the complexity of the regulation, the number and scope of comments received, and other relevant factors, but shall not be longer than 3 years except under exceptional circumstances. If the Secretary intends to vary such timeline with respect to the publication of a final regulation, the Secretary shall cause to have published in the Federal Register notice of the different timeline by not later than the timeline previously established with respect to such regulation. Such notice shall include a brief explanation of the justification for such variation.

"(C) In the case of interim final regulations, upon the expiration of the regular timeline established under this paragraph for the publication of a final regulation after opportunity for public comment, the interim final regulation shall not continue in effect unless the Secretary publishes (at the end of the regular timeline and, if applicable, at the end of each succeeding 1-year period) a notice of continuation of the regulation that includes an explanation of why the regular timeline (and any subsequent 1-year extension) was not complied with. If such a notice is published, the regular timeline (or such timeline as previously extended under this paragraph) for publication of the final regulation shall be treated as having been extended for 1 additional year.

"(ii) The Secretary may provide for such a substantive change to take effect on a date that precedes the end of the 30-day period under clause (i) if the Secretary finds that waiver of such 30-day period is necessary to comply with statutory requirements or that the application of such 30-day period is contrary to the public interest. If the Secretary provides for an earlier effective date pursuant to this clause, the Secretary shall include in the issuance or publication of the substantive change a finding described in the first sentence, and a brief statement of the reasons for such finding.

''(A) IN GENERAL.—The Secretary shall establish a process under which a provider of services or supplier that furnishes an item or service or an individual entitled to benefits under part A or enrolled under part B, or both, who has filed an appeal under paragraph (1) may obtain access to judicial review when a review panel (described in subparagraph (D)), on its own motion or at the request of the appellant, determines that no entity in the administrative appeals process has the authority to decide the question of law or regulation relevant to the matters in controversy and that there is no material issue of fact in dispute. The appellant may make

such request only once with respect to a question of law or regulation in a case of an appeal.

"(B) PROMPT DETERMINATIONS.—If, after or coincident with appropriately filing a request for an administrative hearing, the appellant requests a determination by the appropriate review panel that no review panel has the authority to decide the question of law or regulations relevant to the matters in controversy and that there is no material issue of fact in dispute and if such request is accompanied by the documents and materials as the appropriate review panel shall require for purposes of making such determination, such review panel shall make a determination on the request in writing within 60 days after the date such review panel receives the request and such accompanying documents and materials. Such a determination by such review panel shall be considered a final decision and not subject to review by the Secretary.

"(C) ACCESS TO JUDICIAL REVIEW.—

"(i) IN GENERAL.—If the appropriate review panel—

"(I) determines that there are no material issues of fact in dispute and

that the only issue is one of law or regulation that no review panel has the authority to decide; or

"(II) fails to make such determination within the period provided under subparagraph (B);

then the appellant may bring a civil action as described in this subparagraph.

"(ii) DEADLINE FOR FILING.—Such action shall be filed, in the case described in—

"(II) clause (i)(II), within 60 days of the end of the period provided under subparagraph (B) for the determination.

"(iii) VENUE.—Such action shall be brought in the district court of the United States for the judicial district in which the appellant is located (or, in the case of an action brought jointly by more than one applicant, the judicial district in which the greatest number of applicants are located)

or in the district court for the District of Columbia.

"(iv) INTEREST ON AMOUNTS IN CONTROVERSY.—Where a provider of services or supplier seeks judicial review pursuant to this paragraph, the amount in controversy shall be subject to annual interest beginning on the first day of the first month beginning after the 60-day period as determined pursuant to clause (ii) and equal to the rate of interest on obligations issued for purchase by the Federal Hospital Insurance Trust Fund and by the Federal Supplementary Medical Insurance Trust Fund for the month in which the civil action authorized under this paragraph is commenced, to be awarded by the reviewing court in favor of the prevailing party. No interest awarded pursuant to the preceding sentence shall be deemed income or cost for the purposes of determining reimbursement due providers of services or suppliers under this Act.

"(D) REVIEW PANELS.—For purposes of this subsection, a 'review panel' is a panel consisting of 3 members (who shall be administra-

Nothing in this subparagraph shall be construed to affect the application of any remedy imposed under section 1819 during the pendency of an appeal under this subparagraph.".

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to appeals filed on or after October 1, 2004.

(d) EXPEDITED REVIEW OF CERTAIN PROVIDER AGREEMENT DETERMINATIONS.—

(1) TERMINATION AND CERTAIN OTHER IMMEDIATE REMEDIES.—The Secretary shall develop and implement a process to expedite proceedings under sections 1866(h) of the Social Security Act (42 U.S.C. 1395cc(h)) in which the remedy of termination of participation, or a remedy described in clause (i) or (iii) of section 1819(h)(2)(B) of such Act (42 U.S.C. 1395i–3(h)(2)(B)) which is applied on an immediate basis, has been imposed. Under such process priority shall be provided in cases of termination.

(2) INCREASED FINANCIAL SUPPORT.—In addition to any amounts otherwise appropriated, to reduce by 50 percent the average time for administrative determinations on appeals under section 1866(h) of the Social Security Act (42 U.S.C. 1395cc(h)), there are authorized to be appropriated (in appropriate part from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund) to the Secretary such additional sums for fiscal year 2005 and each subsequent

fiscal year as may be necessary. The purposes for which such amounts are available include increasing the number of administrative law judges (and their staffs) and the appellate level staff at the Departmental Appeals Board of the Department of Health and Human Services and educating such judges and staffs on long-term care issues.

"(C) CONSTRUCTION.—Nothing in this paragraph shall be construed as preventing the denial of payments for claims actually reviewed under a random prepayment review.

"(D) RANDOM PREPAYMENT REVIEW.—For purposes of this subsection, the term 'random prepayment review' means a demand for the production of records or documentation absent cause with respect to a claim.

"(2) LIMITATIONS ON NON-RANDOM PREPAYMENT REVIEW.—

"(A) LIMITATIONS ON INITIATION OF NON-RANDOM PREPAYMENT REVIEW.—A medicare administrative contractor may not initiate non-random prepayment review of a provider of services or supplier based on the initial identifica-

SEC. 935. RECOVERY OF OVERPAYMENTS.

(a) IN GENERAL.—Section 1893 (42 U.S.C. 1395ddd) is amended by adding at the end the following new subsection:

"(f) RECOVERY OF OVERPAYMENTS.—

"(1) USE OF REPAYMENT PLANS.—

"(A) IN GENERAL.—If the repayment, within 30 days by a provider of services or supplier, of an overpayment under this title would constitute a hardship (as defined in subparagraph (B)), subject to subparagraph (C), upon request of the provider of services or supplier the Secretary shall enter into a plan with the provider

of services or supplier for the repayment (through offset or otherwise) of such overpayment over a period of at least 6 months but not longer than 3 years (or not longer than 5 years in the case of extreme hardship, as determined by the Secretary). Interest shall accrue on the balance through the period of repayment. Such plan shall meet terms and conditions determined to be appropriate by the Secretary.

"(B) HARDSHIP.—

"(i) IN GENERAL.—For purposes of subparagraph (A), the repayment of an overpayment (or overpayments) within 30 days is deemed to constitute a hardship if—

"(I) in the case of a provider of services that files cost reports, the aggregate amount of the overpayments exceeds 10 percent of the amount paid under this title to the provider of services for the cost reporting period covered by the most recently submitted cost report; or

"(II) in the case of another provider of services or supplier, the aggregate amount of the overpayments ex-

ceeds 10 percent of the amount paid under this title to the provider of services or supplier for the previous calendar year.

"(ii) RULE OF APPLICATION.—The Secretary shall establish rules for the application of this subparagraph in the case of a provider of services or supplier that was not paid under this title during the previous year or was paid under this title only during a portion of that year.

"(iii) TREATMENT OF PREVIOUS OVERPAYMENTS.—If a provider of services or supplier has entered into a repayment plan under subparagraph (A) with respect to a specific overpayment amount, such payment amount under the repayment plan shall not be taken into account under clause (i) with respect to subsequent overpayment amounts.

"(C) EXCEPTIONS.—Subparagraph (A) shall not apply if—

"(i) the Secretary has reason to suspect that the provider of services or supplier may file for bankruptcy or otherwise cease

to do business or discontinue participation in the program under this title; or

"(ii) there is an indication of fraud or abuse committed against the program.

"(D) IMMEDIATE COLLECTION IF VIOLATION OF REPAYMENT PLAN.—If a provider of services or supplier fails to make a payment in accordance with a repayment plan under this paragraph, the Secretary may immediately seek to offset or otherwise recover the total balance outstanding (including applicable interest) under the repayment plan.

"(E) RELATION TO NO FAULT PROVISION.—Nothing in this paragraph shall be construed as affecting the application of section 1870(c) (relating to no adjustment in the cases of certain overpayments).

"(2) LIMITATION ON RECOUPMENT.—

"(A) IN GENERAL.—In the case of a provider of services or supplier that is determined to have received an overpayment under this title and that seeks a reconsideration by a qualified independent contractor on such determination under section 1869(b)(1), the Secretary may not take any action (or authorize any other person,

including any medicare contractor, as defined in subparagraph (C)) to recoup the overpayment until the date the decision on the reconsideration has been rendered. If the provisions of section 1869(b)(1) (providing for such a reconsideration by a qualified independent contractor) are not in effect, in applying the previous sentence any reference to such a reconsideration shall be treated as a reference to a redetermination by the fiscal intermediary or carrier involved.

"(B) COLLECTION WITH INTEREST.—Insofar as the determination on such appeal is against the provider of services or supplier, interest on the overpayment shall accrue on and after the date of the original notice of overpayment. Insofar as such determination against the provider of services or supplier is later reversed, the Secretary shall provide for repayment of the amount recouped plus interest at the same rate as would apply under the previous sentence for the period in which the amount was recouped.

"(C) MEDICARE CONTRACTOR DEFINED.—For purposes of this subsection, the term 'medicare contractor' has the meaning given such term in section 1889(g).

"(3) LIMITATION ON USE OF EXTRAPOLATION.—A medicare contractor may not use extrapolation to determine overpayment amounts to be recovered by recoupment, offset, or otherwise unless—

"(A) there is a sustained or high level of payment error (as defined by the Secretary by regulation); or

"(B) documented educational intervention has failed to correct the payment error (as determined by the Secretary).

"(4) PROVISION OF SUPPORTING DOCUMENTATION.—In the case of a provider of services or supplier with respect to which amounts were previously overpaid, a medicare contractor may request the periodic production of records or supporting documentation for a limited sample of submitted claims to ensure that the previous practice is not continuing.

"(5) CONSENT SETTLEMENT REFORMS.—

"(A) IN GENERAL.—The Secretary may use a consent settlement (as defined in subparagraph (D)) to settle a projected overpayment.

"(B) OPPORTUNITY TO SUBMIT ADDITIONAL INFORMATION BEFORE CONSENT SETTLEMENT OFFER.—Before offering a provider of services or

supplier a consent settlement, the Secretary shall—

"(i) communicate to the provider of services or supplier—

"(I) that, based on a review of the medical records requested by the Secretary, a preliminary evaluation of those records indicates that there would be an overpayment;

"(II) the nature of the problems identified in such evaluation; and

"(III) the steps that the provider of services or supplier should take to address the problems; and

"(ii) provide for a 45-day period during which the provider of services or supplier may furnish additional information concerning the medical records for the claims that had been reviewed.

"(C) CONSENT SETTLEMENT OFFER.—The Secretary shall review any additional information furnished by the provider of services or supplier under subparagraph (B)(ii). Taking into consideration such information, the Secretary

shall determine if there still appears to be an overpayment. If so, the Secretary—

"(i) shall provide notice of such determination to the provider of services or supplier, including an explanation of the reason for such determination; and

"(ii) in order to resolve the overpayment, may offer the provider of services or supplier—

"(I) the opportunity for a statistically valid random sample; or

"(II) a consent settlement.

The opportunity provided under clause (ii)(I) does not waive any appeal rights with respect to the alleged overpayment involved.

"(D) CONSENT SETTLEMENT DEFINED.—For purposes of this paragraph, the term 'consent settlement' means an agreement between the Secretary and a provider of services or supplier whereby both parties agree to settle a projected overpayment based on less than a statistically valid sample of claims and the provider of services or supplier agrees not to appeal the claims involved.

"(6) NOTICE OF OVER-UTILIZATION OF CODES.—The Secretary shall establish, in consultation with organizations representing the classes of providers of services and suppliers, a process under which the Secretary provides for notice to classes of providers of services and suppliers served by the contractor in cases in which the contractor has identified that particular billing codes may be overutilized by that class of providers of services or suppliers under the programs under this title (or provisions of title XI insofar as they relate to such programs).

"(7) PAYMENT AUDITS.—

"(A) WRITTEN NOTICE FOR POST-PAYMENT AUDITS.—Subject to subparagraph (C), if a medicare contractor decides to conduct a post-payment audit of a provider of services or supplier under this title, the contractor shall provide the provider of services or supplier with written notice (which may be in electronic form) of the intent to conduct such an audit.

"(B) EXPLANATION OF FINDINGS FOR ALL AUDITS.—Subject to subparagraph (C), if a medicare contractor audits a provider of services or supplier under this title, the contractor shall—

"(i) give the provider of services or supplier a full review and explanation of the findings of the audit in a manner that is understandable to the provider of services or supplier and permits the development of an appropriate corrective action plan;

"(ii) inform the provider of services or supplier of the appeal rights under this title as well as consent settlement options (which are at the discretion of the Secretary);

"(iii) give the provider of services or supplier an opportunity to provide additional information to the contractor; and

"(iv) take into account information provided, on a timely basis, by the provider of services or supplier under clause (iii).

"(C) EXCEPTION.—Subparagraphs (A) and (B) shall not apply if the provision of notice or findings would compromise pending law enforcement activities, whether civil or criminal, or reveal findings of law enforcement-related audits.

"(8) STANDARD METHODOLOGY FOR PROBE SAMPLING.—The Secretary shall establish a standard methodology for medicare contractors to use in select-

ing a sample of claims for review in the case of an abnormal billing pattern.".

"(B) LATE ENROLLMENT PENALTY.—In the case of an individual who does not maintain such continuous prescription drug coverage (as described in subparagraph (C)), a PDP sponsor or an entity offering a MA-EFFS Rx plan may (notwithstanding any provision in this title) adjust the premium otherwise applicable or impose a pre-

existing condition exclusion with respect to qualified prescription drug coverage in a manner that reflects additional actuarial risk involved. Such a risk shall be established through an appropriate actuarial opinion of the type described in subparagraphs (A) through (C) of section 2103(c)(4).

"(C) CONTINUOUS PRESCRIPTION DRUG COVERAGE.—An individual is considered for purposes of this part to be maintaining continuous prescription drug coverage on and after the date the individual first qualifies to elect prescription drug coverage under this part if the individual establishes that as of such date the individual is covered under any of the following prescription drug coverage and before the date that is the last day of the 63-day period that begins on the date of termination of the particular prescription drug coverage involved (regardless of whether the individual subsequently obtains any of

the following prescription drug coverage):

"(i) COVERAGE UNDER PRESCRIPTION DRUG PLAN OR MA-EFFS RX PLAN.—Qualified prescription drug coverage under a prescription drug plan or under a MA-EFFS Rx plan.

"(ii) MEDICAID PRESCRIPTION DRUG COVERAGE.—Prescription drug coverage under a medicaid plan under title XIX, including through the Program of All-inclusive Care for the Elderly (PACE) under section 1934, through a social health maintenance organization (referred to in section 4104(c) of the Balanced Budget Act of 1997), or through a demonstration project under part C that demonstrates the application of capitation payment rates for frail elderly medicare beneficiaries through the use of an interdisciplinary team and through

the provision of primary care services to such beneficiaries by means of such a team at the nursing facility involved.

"(iii) PRESCRIPTION DRUG COVERAGE UNDER GROUP HEALTH PLAN.—Any outpatient prescription drug coverage under a group health plan, including a health benefits plan under the Federal Employees Health Benefit Plan under chapter 89 of title 5, United States Code, and a qualified retiree prescription drug plan as defined in section 1860D–8(f)(1), but only if (subject to subparagraph (E)(ii)) the coverage provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(iv) PRESCRIPTION DRUG COVERAGE UNDER CERTAIN MEDIGAP POLICIES.—Coverage under a medicare supplemental policy under section 1882 that provides

benefits for prescription drugs (whether or not such coverage conforms to the standards for packages of benefits under section 1882(p)(1)), but only if the policy was in effect on January 1, 2006, and if (subject to subparagraph (E)(ii)) the coverage provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(v) STATE PHARMACEUTICAL ASSISTANCE PROGRAM.—Coverage of prescription drugs under a State pharmaceutical assistance program, but only if (subject to subparagraph (E)(ii)) the coverage provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(vi) VETERANS' COVERAGE OF PRESCRIPTION DRUGS.—Coverage of prescription drugs for veterans under chapter 17 of title 38, United States Code, but only if

(subject to subparagraph (E)(ii)) the coverage provides benefits at least equivalent to the benefits under a qualified prescription drug plan.

"(D) CERTIFICATION.—For purposes of carrying out this paragraph, the certifications of the type described in sections 2701(e) of the Public Health Service Act and in section 9801(e) of the Internal Revenue Code shall also include a statement for the period of coverage of whether the individual involved had prescription drug coverage described in subparagraph (C).

"(E) DISCLOSURE.—

"(i) IN GENERAL.—Each entity that offers coverage of the type described in clause (iii), (iv), (v), or (vi) of subparagraph (C) shall provide for disclosure, consistent with standards established by the Administrator, of whether such coverage provides benefits at

least equivalent to the benefits under a qualified prescription drug plan.

"(ii) WAIVER OF LIMITATIONS.—An individual may apply to the Administrator to waive the requirement that coverage of such type provide benefits at least equivalent to the benefits under a qualified prescription drug plan, if the individual establishes that the individual was not adequately informed that such coverage did not provide such level of benefits.

"(F) CONSTRUCTION.—Nothing in this section shall be construed as preventing the disenrollment of an individual from a prescription drug plan or a MA-EFFS Rx plan based on the termination of an election described in section 1851(g)(3), including for non-payment of premiums or for other reasons specified in subsection (d)(3), which takes into account a

grace period described in section 1851(g)(3)(B)(i).

"(3) NONDISCRIMINATION.—A PDP sponsor that offers a prescription drug plan in an area designated under section 1860D–4(b)(5) shall make such plan available to all eligible individuals residing in the area without regard to their health or economic status or their place of residence within the area.

"(d) EFFECTIVE DATE OF ELECTIONS.—

"(1) IN GENERAL.—Except as provided in this section, the Administrator shall provide that elections under subsection (b) take effect at the same time as the Administrator provides that similar elections under section 1851(e) take effect under section 1851(f).

"(2) NO ELECTION EFFECTIVE BEFORE 2006.—In no case shall any election take effect before January 1, 2006.

"(3) TERMINATION.—The Administrator shall provide for the termination of an election in the case of—

"(A) termination of coverage under both part A and part B; and

"(B) termination of elections described in section 1851(g)(3) (including failure to pay required premiums).

"SEC. 1860D–2. REQUIREMENTS FOR QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) REQUIREMENTS.—

"(1) IN GENERAL.—For purposes of this part and part C and part E, the term 'qualified prescription drug coverage' means either of the following:

"(A) STANDARD COVERAGE WITH ACCESS TO NEGOTIATED PRICES.—Standard coverage (as defined in subsection (b)) and access to negotiated prices under subsection (d).

"(B) ACTUARIALLY EQUIVALENT COVERAGE WITH ACCESS TO NEGOTIATED PRICES.—Coverage of covered outpatient drugs which meets the alternative coverage requirements of subsection (c) and access to negotiated prices under subsection (d), but only

if it is approved by the Administrator, as provided under subsection (c).

"(2) PERMITTING ADDITIONAL OUTPATIENT PRESCRIPTION DRUG COVERAGE.—

"(A) IN GENERAL.—Subject to subparagraph (B), nothing in this part shall be construed as preventing qualified prescription drug coverage from including coverage of covered outpatient drugs that exceeds the coverage required under paragraph (1), but any such additional coverage shall be limited to coverage of covered outpatient drugs.

"(B) DISAPPROVAL AUTHORITY.—The Administrator shall review the offering of qualified prescription drug coverage under this part or part C or E. If the Administrator finds, in the case of a qualified prescription drug coverage under a prescription drug plan or a MA-EFFS Rx plan, that the organization or sponsor offering the coverage is engaged in activities intended to discourage enrollment of

classes of eligible medicare beneficiaries obtaining coverage through the plan on the basis of their higher likelihood of utilizing prescription drug coverage, the Administrator may terminate the contract with the sponsor or organization under this part or part C or E.

"(3) APPLICATION OF SECONDARY PAYOR PROVISIONS.—The provisions of section 1852(a)(4) shall apply under this part in the same manner as they apply under part C.

"(b) STANDARD COVERAGE.—For purposes of this part, the 'standard coverage' is coverage of covered outpatient drugs (as defined in subsection (f)) that meets the following requirements:

"(1) DEDUCTIBLE.—The coverage has an annual deductible—

"(A) for 2006, that is equal to $250; or

"(B) for a subsequent year, that is equal to the amount specified under this paragraph for the previous year

increased by the percentage specified in paragraph (5) for the year involved.

Any amount determined under subparagraph (B) that is not a multiple of $10 shall be rounded to the nearest multiple of $10.

"(2) 80:20 BENEFIT STRUCTURE.—

"(A) 20 PERCENT COINSURANCE.—The coverage has cost-sharing (for costs above the annual deductible specified in paragraph (1) and up to the initial coverage limit under paragraph (3)) that is—

"(i) equal to 20 percent; or

"(ii) is actuarially equivalent (using processes established under subsection (e)) to an average expected payment of 20 percent of such costs.

"(B) USE OF TIERS.—Nothing in this part shall be construed as preventing a PDP sponsor from applying tiered copayments, so long as such

tiered copayments are consistent with subparagraph (A).

"(3) INITIAL COVERAGE LIMIT.—Subject to paragraph (4), the coverage has an initial coverage limit on the maximum costs that may be recognized for payment purposes—

"(A) for 2006, that is equal to $2,000; or

"(B) for a subsequent year, that is equal to the amount specified in this paragraph for the previous year, increased by the annual percentage increase described in paragraph (5) for the year involved.

Any amount determined under subparagraph (B) that is not a multiple of $25 shall be rounded to the nearest multiple of $25.

"(4) CATASTROPHIC PROTECTION.—

"(A) IN GENERAL.—Notwithstanding paragraph (3), the coverage provides benefits with no cost-sharing after the individual has incurred costs (as described in subparagraph

(C)) for covered outpatient drugs in a year equal to the annual out-of-pocket threshold specified in subparagraph (B).

"(B) ANNUAL OUT-OF-POCKET THRESHOLD.—

"(i) IN GENERAL.—For purposes of this part, the 'annual out-of-pocket threshold' specified in this subparagraph is equal to $3,500 (subject to adjustment under clause (ii) and subparagraph (D)).

"(ii) INFLATION INCREASE.—For a year after 2006, the dollar amount specified in clause (i) shall be increased by the annual percentage increase described in paragraph (5) for the year involved. Any amount determined under the previous sentence that is not a multiple of $100 shall be rounded to the nearest multiple of $100.

"(C) APPLICATION.—In applying subparagraph (A)—

"(i) incurred costs shall only include costs incurred for the annual deductible (described in paragraph (1)), cost-sharing (described in paragraph (2)), and amounts for which benefits are not provided because of the application of the initial coverage limit described in paragraph (3); and

"(ii) such costs shall be treated as incurred only if they are paid by the individual (or by another individual, such as a family member, on behalf of the individual), under section 1860D–7, under title XIX, or under a State pharmaceutical assistance program and the individual (or other individual) is not reimbursed through insurance or otherwise, a group health plan, or other third-party payment arrangement (other than under such title or such program) for such costs.

"(D) ADJUSTMENT OF ANNUAL OUT-OF-POCKET THRESHOLDS.—

"(i) IN GENERAL.—For each enrollee in a prescription drug plan or in a MA-EFFS Rx plan whose adjusted gross income exceeds the income threshold as defined in clause (ii) for a year, the annual out-of-pocket threshold otherwise determined under subparagraph (B) for such year shall be increased by an amount equal to the percentage specified in clause (iii), multiplied by the lesser of—

"(I) the amount of such excess; or

"(II) the amount by which the income threshold limit exceeds the income threshold.

Any amount determined under the previous sentence that is not a multiple of $100 shall be rounded to the nearest multiple of $100.

"(ii) INCOME THRESHOLD.—For purposes of clause (i)—

"(I) IN GENERAL.—Subject to subclause (II), the term 'income threshold' means $60,000 and the term 'income threshold limit' means $200,000.

"(II) INCOME INFLATION ADJUSTMENT.—In the case of a year beginning after 2006, each of the dollar amounts in subclause (I) shall be increased by an amount equal to such dollar amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the Internal Revenue Code of 1986 for such year, determined by substituting 'calendar year 2005' for 'calendar year 1992'. If any amount increased under the previous sentence is not a multiple of $100, such amount

shall be rounded to the nearest multiple of $100.

"(iii) PERCENTAGE.—The percentage specified in this clause for a year is a fraction (expressed as a percentage) equal to—

"(I) the annual out-of-pocket threshold for a year under subparagraph (B) (determined without regard to this subparagraph), divided by

"(II) the income threshold under clause (ii) for that year.

If any percentage determined under the previous sentence that is not a multiple of 1/10th of 1 percentage point, such percentage shall be rounded to the nearest multiple of 1/10th of 1 percentage point.

"(iv) USE OF MOST RECENT RETURN INFORMATION.—For purposes of clause (i) for an enrollee for a year, except as provided in clause

(v), the adjusted gross income of an individual shall be based on the most recent information disclosed to the Secretary under section 6109(l)(19) of the Internal Revenue Code of 1986 before the beginning of that year.

"(v) INDIVIDUAL ELECTION TO PRESENT MOST RECENT INFORMATION REGARDING INCOME.—The Secretary shall provide, in coordination with the Secretary of the Treasury, a procedure under which, for purposes of applying this subparagraph for a calendar year, instead of using the information described in clause (iv), an enrollee may elect to use more recent information, including information with respect to a taxable year ending in such calendar year. Such process shall—

"(I) require the enrollee to provide the Secretary with a copy of the relevant portion

of the more recent return to be used under this clause;

"(II) provide for the Medicare Beneficiary Ombudsman (under section 1810) offering assistance to such enrollees in presenting such information and the toll-free number under such section being a point of contact for beneficiaries to inquire as to how to present such information;

"(III) provide for the verification of the information in such return by the Secretary of the Treasury under section 6103(l)(19) of the Internal Revenue Code of 1986; and

"(IV) provide for the payment by the Secretary (in a manner specified by the Secretary) to the enrollee of an amount equal to the excess of the benefit payments that

would have been payable under the plan if the more recent return information were used, over the benefit payments that were made under the plan.

In the case of a payment under subclause (III) for an enrollee under a prescription drug plan, the PDP sponsor of the plan shall pay to the Secretary the amount so paid, less the applicable reinsurance amount that would have applied under section 1860D–8(c)(1)(B) if such payment had been treated as an allowable cost under such section. Such plan payment shall be deposited in the Treasury to the credit of the Medicare Prescription Drug Account in the Federal Supplementary Medical Insurance Trust Fund (under section 1841).

"(vi) DISSEMINATION OF INFORMATION ON PROCESS.—The Sec-

retary shall provide, through the annual medicare handbook under section 1804(a), for a general description of the adjustment of annual out-of-pocket thresholds provided under this subparagraph, including the process for adjustment based upon more recent information and the confidentiality provisions of subparagraph (F), and shall provide for dissemination of a table for each year that sets forth the amount of the adjustment that is made under clause (i) based on the amount of an enrollee's adjusted gross income.

"(E) REQUESTING INFORMATION ON ENROLLEES.—

"(i) IN GENERAL.—The Secretary shall, periodically as required to carry out subparagraph (D), transmit to the Secretary of the Treasury a list of the names and TINs of enrollees in prescrip-

tion drug plans (or in MA-EFFS Rx plans) and request that such Secretary disclose to the Secretary information under subparagraph (A) of section 6103(l)(19) of the Internal Revenue Code of 1986 with respect to those enrollees for a specified taxable year for application in a particular calendar year.

"(ii) DISCLOSURE TO PLAN SPONSORS.—In the case of a specified taxpayer (as defined in section 6103(l)(19)(B) of the Internal Revenue Code of 1986) who is enrolled in a prescription drug plan or in an MA-EFFS Rx plan, the Secretary shall disclose to the entity that offers the plan the annual out-of-pocket threshold applicable to such individual under subparagraph (D).

"(F) MAINTAINING CONFIDENTIALITY OF INFORMATION.—

"(i) IN GENERAL.—The amount of any increase in an annual out-of-pocket threshold under subparagraph (D) may not be disclosed by the Secretary except to a PDP sponsor or entity that offers a MA-EFFS Rx plan to the extent necessary to carry out this part.

"(ii) CRIMINAL AND CIVIL PENALTIES FOR UNAUTHORIZED DISCLOSURE.—A person who makes an unauthorized disclosure of information disclosed under section 6103(l)(19) of the Internal Revenue Code of 1986 (including disclosure of any increase in an annual out-of-pocket threshold under subparagraph (D)) shall be subject to penalty to the extent provided under—

"(I) section 7213 of such Code (relating to criminal penalty for unauthorized disclosure of information);

"(II) section 7213A of such Code (relating to criminal penalty for unauthorized inspection of returns or return information);

"(III) section 7431 of such Code (relating to civil damages for unauthorized inspection or disclosure of returns and return information);

"(IV) any other provision of the Internal Revenue Code of 1986; or

"(V) any other provision of law.

"(iii) APPLICATION OF ADDITIONAL CIVIL MONETARY PENALTY FOR UNAUTHORIZED DISCLOSURES.—In addition to any penalty otherwise provided under law, any person who makes an unauthorized disclosure of such information shall be subject to a civil monetary penalty of not to exceed $10,000 for each such unauthor-

ized disclosure. The provisions of section 1128A (other than subsections (a) and (b)) shall apply to civil money penalties under this subparagraph in the same manner as they apply to a penalty or proceeding under section 1128A(a).

"(5) ANNUAL PERCENTAGE INCREASE.—For purposes of this part, the annual percentage increase specified in this paragraph for a year is equal to the annual percentage increase in average per capita aggregate expenditures for covered outpatient drugs in the United States for medicare beneficiaries, as determined by the Administrator for the 12-month period ending in July of the previous year.

"(c) ALTERNATIVE COVERAGE REQUIREMENTS.—A prescription drug plan or MA-EFFS Rx plan may provide a different prescription drug benefit design from the standard coverage described in subsection (b) so long as the Administrator determines (based on an actuarial analysis by the Administrator) that

the following requirements are met and the plan applies for, and receives, the approval of the Administrator for such benefit design:

"(1) ASSURING AT LEAST ACTUARIALLY EQUIVALENT COVERAGE.—

"(A) ASSURING EQUIVALENT VALUE OF TOTAL COVERAGE.—The actuarial value of the total coverage (as determined under subsection (e)) is at least equal to the actuarial value (as so determined) of standard coverage.

"(B) ASSURING EQUIVALENT UNSUBSIDIZED VALUE OF COVERAGE.—The unsubsidized value of the coverage is at least equal to the unsubsidized value of standard coverage. For purposes of this subparagraph, the unsubsidized value of coverage is the amount by which the actuarial value of the coverage (as determined under subsection (e)) exceeds the actuarial value of the subsidy payments under section 1860D–8 with respect to such coverage.

"(C) ASSURING STANDARD PAYMENT FOR COSTS AT INITIAL COVERAGE LIMIT.—The coverage is designed, based upon an actuarially representative pattern of utilization (as determined under subsection (e)), to provide for the payment, with respect to costs incurred that are equal to the initial coverage limit under subsection (b)(3), of an amount equal to at least the product of—

"(i) the amount by which the initial coverage limit described in subsection (b)(3) exceeds the deductible described in subsection (b)(1); and

"(ii) 100 percent minus the cost-sharing percentage specified in subsection (b)(2)(A)(i).

"(2) CATASTROPHIC PROTECTION.—The coverage provides for beneficiaries the catastrophic protection described in subsection (b)(4).

"(d) ACCESS TO NEGOTIATED PRICES.—

"(1) IN GENERAL.—Under qualified prescription drug coverage offered by a PDP sponsor or an entity offering a MA-EFFS Rx plan, the sponsor or entity shall provide beneficiaries with access to negotiated prices (including applicable discounts) used for payment for covered outpatient drugs, regardless of the fact that no benefits may be payable under the coverage with respect to such drugs because of the application of cost-sharing or an initial coverage limit (described in subsection (b)(3)). Insofar as a State elects to provide medical assistance under title XIX to a beneficiary enrolled under such title and under a prescription drug plan or MA-EFFS Rx plan for a drug based on the prices negotiated by a prescription drug plan or MA-EFFS Rx plan under this part, the requirements of section 1927 shall not apply to such drugs. The prices negotiated by a prescription drug plan under this part, by a MA-EFFS Rx plan with respect to covered outpatient drugs, or by a qualified retiree

prescription drug plan (as defined in section 1860D–8(f)(1)) with respect to such drugs on behalf of individuals entitled to benefits under part A or enrolled under part B, shall (notwithstanding any other provision of law) not be taken into account for the purposes of establishing the best price under section 1927(c)(1)(C).

"(2) DISCLOSURE.—The PDP sponsor or entity offering a MA-EFFS Rx plan shall disclose to the Administrator (in a manner specified by the Administrator) the extent to which discounts or rebates or other remuneration or price concessions made available to the sponsor or organization by a manufacturer are passed through to enrollees through pharmacies and other dispensers or otherwise. The provisions of section 1927(b)(3)(D) shall apply to information disclosed to the Administrator under this paragraph in the same manner as such provisions apply to information disclosed under such section.

"(3) AUDITS AND REPORTS.—To protect against fraud and abuse and to ensure

proper disclosures and accounting under this part, in addition to any protections against fraud and abuse provided under section 1860D–4(b)(3)(C), the Administrator may periodically audit the financial statements and records of PDP sponsor or entities offering a MA-EFFS Rx plan.

"(e) ACTUARIAL VALUATION; DETERMINATION OF ANNUAL PERCENTAGE INCREASES.—

"(1) PROCESSES.—For purposes of this section, the Administrator shall establish processes and methods—

"(A) for determining the actuarial valuation of prescription drug coverage, including—

"(i) an actuarial valuation of standard coverage and of the reinsurance subsidy payments under section 1860D–8;

"(ii) the use of generally accepted actuarial principles and methodologies; and

"(iii) applying the same methodology for determinations of al-

ternative coverage under subsection (c) as is used with respect to determinations of standard coverage under subsection (b); and

"(B) for determining annual percentage increases described in subsection (b)(5).

"(2) USE OF OUTSIDE ACTUARIES.—Under the processes under paragraph (1)(A), PDP sponsors and entities offering MA-EFFS Rx plans may use actuarial opinions certified by independent, qualified actuaries to establish actuarial values, but the Administrator shall determine whether such actuarial values meet the requirements under subsection (c)(1).

"(f) COVERED OUTPATIENT DRUGS DEFINED.—

"(1) IN GENERAL.—Except as provided in this subsection, for purposes of this part, the term 'covered outpatient drug' means—

"(A) a drug that may be dispensed only upon a prescription and that is

described in subparagraph (A)(i) or (A)(ii) of section 1927(k)(2); or

"(B) a biological product described in clauses (i) through (iii) of subparagraph (B) of such section or insulin described in subparagraph (C) of such section,

and such term includes a vaccine licensed under section 351 of the Public Health Service Act and any use of a covered outpatient drug for a medically accepted indication (as defined in section 1927(k)(6)).

"(2) EXCLUSIONS.—

"(A) IN GENERAL.—Such term does not include drugs or classes of drugs, or their medical uses, which may be excluded from coverage or otherwise restricted under section 1927(d)(2), other than subparagraph (E) thereof (relating to smoking cessation agents), or under section 1927(d)(3).

"(B) AVOIDANCE OF DUPLICATE COVERAGE.—A drug prescribed for an individual that would otherwise be a

covered outpatient drug under this part shall not be so considered if payment for such drug is available under part A or B for an individual entitled to benefits under part A and enrolled under part B.

"(3) APPLICATION OF FORMULARY RESTRICTIONS.—A drug prescribed for an individual that would otherwise be a covered outpatient drug under this part shall not be so considered under a plan if the plan excludes the drug under a formulary and such exclusion is not successfully appealed under section 1860D–3(f)(2).

"(4) APPLICATION OF GENERAL EXCLUSION PROVISIONS.—A prescription drug plan or MA-EFFS Rx plan may exclude from qualified prescription drug coverage any covered outpatient drug—

"(A) for which payment would not be made if section 1862(a) applied to part D; or

"(B) which are not prescribed in accordance with the plan or this part.

Such exclusions are determinations subject to reconsideration and appeal pursuant to section 1860D–3(f).

"SEC. 1860D–3. BENEFICIARY PROTECTIONS FOR QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) GUARANTEED ISSUE, COMMUNITY-RATED PREMIUMS, ACCESS TO NEGOTIATED PRICES, AND NONDISCRIMINATION.—For provisions requiring guaranteed issue, community-rated premiums, access to negotiated prices, and nondiscrimination, see sections 1860D–1(c)(1), 1860D–1(c)(2), 1860D–2(d), and 1860D–6(b), respectively.

"(b) DISSEMINATION OF INFORMATION.—

"(1) GENERAL INFORMATION.—A PDP sponsor shall disclose, in a clear, accurate, and standardized form to each enrollee with a prescription drug plan offered by the sponsor under this part at the time of enrollment and at least annually thereafter, the information described in section 1852(c)(1) relating to such plan. Such information includes the following:

"(A) Access to specific covered outpatient drugs, including access through pharmacy networks.

"(B) How any formulary used by the sponsor functions, including the drugs included in the formulary.

"(C) Co-payments and deductible requirements, including the identification of the tiered or other co-payment level applicable to each drug (or class of drugs).

"(D) Grievance and appeals procedures.

Such information shall also be made available upon request to prospective enrollees.

"(2) DISCLOSURE UPON REQUEST OF GENERAL COVERAGE, UTILIZATION, AND GRIEVANCE INFORMATION.—Upon request of an individual eligible to enroll under a prescription drug plan, the PDP sponsor shall provide the information described in section 1852(c)(2) (other than subparagraph (D)) to such individual.

"(3) RESPONSE TO BENEFICIARY QUESTIONS.—Each PDP sponsor offering a prescription drug plan shall have a mechanism for providing specific information to enrollees upon request. The sponsor shall make available on a timely basis, through an Internet website and in writing upon request, information on specific changes in its formulary.

"(4) CLAIMS INFORMATION.—Each PDP sponsor offering a prescription drug plan must furnish to each enrollee in a form easily understandable to such enrollees an explanation of benefits (in accordance with section 1806(a) or in a comparable manner) and a notice of the benefits in relation to initial coverage limit and the annual out-of-pocket threshold applicable to such enrollee for the current year, whenever prescription drug benefits are provided under this part (except that such notice need not be provided more often than monthly).

"(c) ACCESS TO COVERED BENEFITS.—

"(1) ASSURING PHARMACY ACCESS.—

"(A) PARTICIPATION OF ANY WILLING PHARMACY.—A PDP sponsor and an entity offering a MA-EFFS Rx plan shall permit the participation of any pharmacy that meets terms and conditions that the plan has established.

"(B) DISCOUNTS ALLOWED FOR NETWORK PHARMACIES.—A prescription drug plan and a MA-EFFS Rx plan may, notwithstanding subparagraph (A), reduce coinsurance or copayments for its enrolled beneficiaries below the level otherwise provided for covered outpatient drugs dispensed through in-network pharmacies, but in no case shall such a reduction result in an increase in payments made by the Administrator under section 1860D–8 to a plan.

"(C) CONVENIENT ACCESS FOR NETWORK PHARMACIES.—The PDP sponsor of the prescription drug plan and the entity offering a MA-EFFS Rx plan shall secure the participation in its network of a sufficient number of

pharmacies that dispense (other than by mail order) drugs directly to patients to ensure convenient access (consistent with rules of the Administrator). The Administrator shall establish convenient access rules under this subparagraph that are no less favorable to enrollees than the rules for convenient access to pharmacies of the Secretary of Defense established as of June 1, 2003, for purposes of the TRICARE Retail Pharmacy (TRRx) program. Such rules shall include adequate emergency access for enrolled beneficiaries.

"(D) LEVEL PLAYING FIELD.—Such a sponsor shall permit enrollees to receive benefits (which may include a 90-day supply of drugs or biologicals) through a community pharmacy, rather than through mail order, with any differential in cost paid by such enrollees.

"(E) NOT REQUIRED TO ACCEPT INSURANCE RISK.—The terms and condi-

tions under subparagraph (A) may not require participating pharmacies to accept insurance risk as a condition of participation.

"(2) USE OF STANDARDIZED TECHNOLOGY.—

"(A) IN GENERAL.—The PDP sponsor of a prescription drug plan and an entity offering a MA-EFFS Rx plan shall issue (and reissue, as appropriate) such a card (or other technology) that may be used by an enrollee to assure access to negotiated prices under section 1860D–2(d) for the purchase of prescription drugs for which coverage is not otherwise provided under the plan.

"(B) STANDARDS.—

"(i) DEVELOPMENT.—The Administrator shall provide for the development or utilization of uniform standards relating to a standardized format for the card or other technology referred to in subparagraph (A). Such standards

shall be compatible with standards established under part C of title XI.

"(ii) APPLICATION OF ADVISORY TASK FORCE.—The advisory task force established under subsection (d)(3)(B)(ii) shall provide recommendations to the Administrator under such subsection regarding the standards developed under clause (i).

"(3) REQUIREMENTS ON DEVELOPMENT AND APPLICATION OF FORMULARIES.—If a PDP sponsor of a prescription drug plan or an entity offering a MA-EFFS Rx plan uses a formulary, the following requirements must be met:

"(A) PHARMACY AND THERAPEUTIC (P&T) COMMITTEE.—The sponsor or entity must establish a pharmacy and therapeutic committee that develops and reviews the formulary. Such committee shall include at least one practicing physician and at least one practicing pharmacist independent

and free of conflict with respect to the committee both with expertise in the care of elderly or disabled persons and a majority of its members shall consist of individuals who are practicing physicians or practicing pharmacists (or both).

"(B) FORMULARY DEVELOPMENT.—In developing and reviewing the formulary, the committee shall—

"(i) base clinical decisions on the strength of scientific evidence and standards of practice, including assessing peer-reviewed medical literature, such as randomized clinical trials, pharmacoeconomic studies, outcomes research data, and such other information as the committee determines to be appropriate; and

"(ii) shall take into account whether including in the formulary particular covered outpatient drugs has therapeutic ad-

vantages in terms of safety and efficacy.

"(C) INCLUSION OF DRUGS IN ALL THERAPEUTIC CATEGORIES.—The formulary must include drugs within each therapeutic category and class of covered outpatient drugs (although not necessarily for all drugs within such categories and classes). In establishing such classes, the committee shall take into account the standards published in the United States Pharmacopeia-Drug Information. The committee shall make available to the enrollees under the plan through the Internet or otherwise the bases for the exclusion of coverage of any drug from the formulary.

"(D) PROVIDER AND PATIENT EDUCATION.—The committee shall establish policies and procedures to educate and inform health care providers and enrollees concerning the formulary.

"(E) NOTICE BEFORE REMOVING DRUG FROM FORMULARY FOR CHANGING PREFERRED OR TIER STATUS OF DRUG.—Any removal of a covered outpatient drug from a formulary and any change in the preferred or tier cost-sharing status of such a drug shall take effect only after appropriate notice is made available to beneficiaries and physicians.

"(F) PERIODIC EVALUATION OF PROTOCOLS.—In connection with the formulary, a prescription drug plan shall provide for the periodic evaluation and analysis of treatment protocols and procedures.

"(G) GRIEVANCES AND APPEALS RELATING TO APPLICATION OF FORMULARIES.—For provisions relating to grievances and appeals of coverage, see subsections (e) and (f).

"(d) COST AND UTILIZATION MANAGEMENT; QUALITY ASSURANCE; MEDICATION THERAPY MANAGEMENT PROGRAM.—

"(1) IN GENERAL.—The PDP sponsor or entity offering a MA-EFFS Rx plan shall have in place, directly or through appropriate arrangements, with respect to covered outpatient drugs—

"(A) an effective cost and drug utilization management program, including medically appropriate incentives to use generic drugs and therapeutic interchange, when appropriate;

"(B) quality assurance measures and systems to reduce medical errors and adverse drug interactions, including side-effects, and improve medication use, including a medication therapy management program described in paragraph (2) and for years beginning with 2007, an electronic prescription program described in paragraph (3); and

"(C) a program to control fraud, abuse, and waste.

Nothing in this section shall be construed as impairing a PDP sponsor or entity

from utilizing cost management tools (including differential payments) under all methods of operation.

"(2) MEDICATION THERAPY MANAGEMENT PROGRAM.—

"(A) IN GENERAL.—A medication therapy management program described in this paragraph is a program of drug therapy management and medication administration that may be furnished by a pharmacy provider and that is designed to assure, with respect to beneficiaries at risk for potential medication problems, such as beneficiaries with complex or chronic diseases (such as diabetes, asthma, hypertension, and congestive heart failure) or multiple prescriptions, that covered outpatient drugs under the prescription drug plan are appropriately used to optimize therapeutic outcomes through improved medication use and reduce the risk of adverse events, including adverse drug interactions. Such programs

may distinguish between services in ambulatory and institutional settings.

"(B) ELEMENTS.—Such program may include—

"(i) enhanced beneficiary understanding to promote the appropriate use of medications by beneficiaries and to reduce the risk of potential adverse events associated with medications, through beneficiary education, counseling, case management, disease state management programs, and other appropriate means;

"(D) CONSIDERATIONS IN PHARMACY FEES.—The PDP sponsor of a prescription drug program and an entity offering a MA-EFFS Rx plan shall take into account, in establishing fees for pharmacists and others providing services under the medication therapy management program, the resources and time used in implementing the program. Each such sponsor or entity shall disclose to the Administrator upon request the amount of any such management or dispensing fees.

"(3) ELECTRONIC PRESCRIPTION PROGRAM.—

"(A) IN GENERAL.—An electronic prescription drug program described in this paragraph is a program that

includes at least the following components, consistent with uniform standards established under subparagraph (B):

"(III) Efforts to develop uniform standards and a common software platform for the secure electronic communication of medication history, eligibility, benefit, and prescription information.

"(IV) Efforts to develop and promote universal connectivity and interoperability for the secure electronic exchange of such information.

"(V) The cost of implementing such systems in the range of hospital and physician office settings and pharmacies, including hardware, software, and training costs.

"(VI) Implementation issues as they relate to part C

of title XI, and current Federal and State prescribing laws and regulations and their impact on implementation of computerized prescribing.

"(iii) DEADLINES.—

"(I) The Administrator shall constitute the task force under clause (ii) by not later than April 1, 2004.

"(II) Such task force shall submit recommendations to Administrator by not later than January 1, 2005.

"(III) The Administrator shall provide for the development and promulgation, by not later than January 1, 2006, of national standards relating to the electronic prescription drug program described in clause (ii). Such standards shall be issued by a standards organization ac-

credited by the American National Standards Institute (ANSI) and shall be compatible with standards established under part C of title XI.

"(4) TREATMENT OF ACCREDITATION.—Section 1852(e)(4) (relating to treatment of accreditation) shall apply to prescription drug plans under this part with respect to the following requirements, in the same manner as they apply to plans under part C with respect to the requirements described in a clause of section 1852(e)(4)(B):

"(B) Subsection (c)(1) (relating to access to covered benefits).

"(C) Subsection (g) (relating to confidentiality and accuracy of enrollee records).

"(5) PUBLIC DISCLOSURE OF PHARMACEUTICAL PRICES FOR EQUIVALENT DRUGS.—

Each PDP sponsor and each entity offering a MA-EFFS Rx plan shall provide that each pharmacy or other dispenser that arranges for the dispensing of a covered outpatient drug shall inform the beneficiary at the time of purchase of the drug of any differential between the price of the prescribed drug to the enrollee and the price of the lowest cost available generic drug covered under the plan that is therapeutically equivalent and bioequivalent.

"(e) GRIEVANCE MECHANISM, COVERAGE DETERMINATIONS, AND RECONSIDERATIONS.—

"(1) IN GENERAL.—Each PDP sponsor shall provide meaningful procedures for hearing and resolving grievances between the organization (including any entity or individual through which the sponsor provides covered benefits) and enrollees with prescription drug plans of the sponsor under this part in accordance with section 1852(f).

"(2) APPLICATION OF COVERAGE DETERMINATION AND RECONSIDERATION PROVI-

SIONS.—A PDP sponsor shall meet the requirements of paragraphs (1) through (3) of section 1852(g) with respect to covered benefits under the prescription drug plan it offers under this part in the same manner as such requirements apply to an organization with respect to benefits it offers under a plan under part C.

"(3) REQUEST FOR REVIEW OF TIERED FORMULARY DETERMINATIONS.—In the case of a prescription drug plan offered by a PDP sponsor or a MA-EFFS Rx plan that provides for tiered cost-sharing for drugs included within a formulary and provides lower cost-sharing for preferred drugs included within the formulary, an individual who is enrolled in the plan may request coverage of a nonpreferred drug under the terms applicable for preferred drugs if the prescribing physician determines that the preferred drug for treatment of the same condition either would not be as effective for the individual or would have adverse effects for the individual or both.

"(f) APPEALS.—

"(1) IN GENERAL.—Subject to paragraph (2), a PDP sponsor shall meet the requirements of paragraphs (4) and (5) of section 1852(g) with respect to drugs (including a determination related to the application of tiered cost-sharing described in subsection (e)(3)) in the same manner as such requirements apply to an organization with respect to benefits it offers under a plan under part C.

"(2) FORMULARY DETERMINATIONS.—An individual who is enrolled in a prescription drug plan offered by a PDP sponsor or in a MA-EFFS Rx plan may appeal to obtain coverage for a covered outpatient drug that is not on a formulary of the sponsor or entity offering the plan if the prescribing physician determines that the formulary drug for treatment of the same condition either would not be as effective for the individual or would have adverse effects for the individual or both.

"(g) CONFIDENTIALITY AND ACCURACY OF ENROLLEE RECORDS.—A PDP sponsor that offers

a prescription drug plan shall meet the requirements of section 1852(h) with respect to enrollees under the plan in the same manner as such requirements apply to an organization with respect to enrollees under part C. A PDP sponsor shall be treated as a business associate for purposes of the provisions of subpart E of part 164 of title 45, Code of Federal Regulations, adopted pursuant to the authority of the Secretary under section 264(c) of the Health Insurance Portability and Accountability Act of 1996 (42 U.S. C. 1320d-2 note).

"(a) GENERAL REQUIREMENTS.—Each PDP sponsor of a prescription drug plan shall meet the following requirements:

"(1) LICENSURE.—Subject to subsection (c), the sponsor is organized and licensed under State law as a risk-bearing entity eligible to offer health insurance or health benefits coverage in each State in which it offers a prescription drug plan.

"(2) ASSUMPTION OF FINANCIAL RISK FOR UNSUBSIDIZED COVERAGE.—

"(A) IN GENERAL.—Subject to subparagraph (B) and section 1860D–5(d)(2), the entity assumes full financial risk on a prospective basis for qualified prescription drug coverage that it offers under a prescription drug plan and that is not covered under section 1860D–8.

"(B) REINSURANCE PERMITTED.—The entity may obtain insurance or make other arrangements for the cost of coverage provided to any enrollee.

"(3) SOLVENCY FOR UNLICENSED SPONSORS.—In the case of a sponsor that is not described in paragraph (1), the sponsor shall meet solvency standards established by the Administrator under subsection (d).

"(b) CONTRACT REQUIREMENTS.—

"(1) IN GENERAL.—The Administrator shall not permit the election under section 1860D–1 of a prescription drug plan offered by a PDP sponsor under this part,

and the sponsor shall not be eligible for payments under section 1860D–7 or 1860D–8, unless the Administrator has entered into a contract under this subsection with the sponsor with respect to the offering of such plan. Such a contract with a sponsor may cover more than one prescription drug plan. Such contract shall provide that the sponsor agrees to comply with the applicable requirements and standards of this part and the terms and conditions of payment as provided for in this part.

"(2) NEGOTIATION REGARDING TERMS AND CONDITIONS.—The Administrator shall have the same authority to negotiate the terms and conditions of prescription drug plans under this part as the Director of the Office of Personnel Management has with respect to health benefits plans under chapter 89 of title 5, United States Code. In negotiating the terms and conditions regarding premiums for which information is submitted under section 1860D–6(a)(2), the Administrator shall

take into account the subsidy payments under section 1860D–8.

"(3) INCORPORATION OF CERTAIN MEDICARE ADVANTAGE CONTRACT REQUIREMENTS.—The following provisions of section 1857 shall apply, subject to subsection (c)(5), to contracts under this section in the same manner as they apply to contracts under section 1857(a):

"(ii) in no case shall the amount of the fee established under this subparagraph for a plan exceed 20 percent of the maximum amount of the fee that may be established under subparagraph (B) of such section; and

"(iii) no fees shall be applied under this subparagraph with respect to MA-EFFS Rx plans.

"(E) INTERMEDIATE SANCTIONS.—Section 1857(g).

"(F) PROCEDURES FOR TERMINATION.—Section 1857(h).

"(4) RULES OF APPLICATION FOR INTERMEDIATE SANCTIONS.—In applying paragraph (3)(E)—

"(A) the reference in section 1857(g)(1)(B) to section 1854 is deemed a reference to this part; and

"(B) the reference in section 1857(g)(1)(F) to section 1852(k)(2)(A)(ii) shall not be applied.

"(5) SERVICE AREA REQUIREMENT.—For purposes of this part, the Administrator shall designate at least 10 areas covering the entire United States and shall be consistent with EFFS regions established under section 1860E–1(a)(2).

"(c) WAIVER OF CERTAIN REQUIREMENTS TO EXPAND CHOICE.—

"(1) IN GENERAL.—In the case of an entity that seeks to offer a prescription drug plan in a State, the Administrator shall waive the requirement of subsection (a)(1) that the entity be licensed in that State if the Administrator determines, based on the application and other evidence presented to the Administrator, that any of the grounds for approval of the application described in paragraph (2) have been met.

"(2) GROUNDS FOR APPROVAL.—The grounds for approval under this paragraph are the grounds for approval described in subparagraph (B), (C), and (D) of section 1855(a)(2), and also include the application by a State of any grounds

other than those required under Federal law.

"(3) APPLICATION OF WAIVER PROCEDURES.—With respect to an application for a waiver (or a waiver granted) under this subsection, the provisions of subparagraphs (E), (F), and (G) of section 1855(a)(2) shall apply.

"(4) LICENSURE DOES NOT SUBSTITUTE FOR OR CONSTITUTE CERTIFICATION.—The fact that an entity is licensed in accordance with subsection (a)(1) does not deem the entity to meet other requirements imposed under this part for a PDP sponsor.

"(5) REFERENCES TO CERTAIN PROVISIONS.—For purposes of this subsection, in applying provisions of section 1855(a)(2) under this subsection to prescription drug plans and PDP sponsors—

"(A) any reference to a waiver application under section 1855 shall be treated as a reference to a waiver application under paragraph (1); and

"(B) any reference to solvency standards shall be treated as a ref-

erence to solvency standards established under subsection (d).

"(d) SOLVENCY STANDARDS FOR NON-LICENSED SPONSORS.—

"(1) ESTABLISHMENT.—The Administrator shall establish, by not later than October 1, 2004, financial solvency and capital adequacy standards that an entity that does not meet the requirements of subsection (a)(1) must meet to qualify as a PDP sponsor under this part.

"(2) COMPLIANCE WITH STANDARDS.—Each PDP sponsor that is not licensed by a State under subsection (a)(1) and for which a waiver application has been approved under subsection (c) shall meet solvency and capital adequacy standards established under paragraph (1). The Administrator shall establish certification procedures for such PDP sponsors with respect to such solvency standards in the manner described in section 1855(c)(2).

"(e) RELATION TO STATE LAWS.—

"(1) IN GENERAL.—The standards established under this part shall supersede

any State law or regulation (other than State licensing laws or State laws relating to plan solvency, except as provided in subsection (d)) with respect to prescription drug plans which are offered by PDP sponsors under this part.

"(2) PROHIBITION OF STATE IMPOSITION OF PREMIUM TAXES.—No State may impose a premium tax or similar tax with respect to premiums paid to PDP sponsors for prescription drug plans under this part, or with respect to any payments made to such a sponsor by the Administrator under this part.

"SEC. 1860D–5. PROCESS FOR BENEFICIARIES TO SELECT QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) IN GENERAL.—The Administrator shall establish a process for the selection of the prescription drug plan or MA-EFFS Rx plan through which eligible individuals elect qualified prescription drug coverage under this part.

"(b) ELEMENTS.—Such process shall include the following:

"(1) Annual, coordinated election periods, in which such individuals can change the qualifying plans through which they obtain coverage, in accordance with section 1860D–1(b)(2).

"(2) Active dissemination of information to promote an informed selection among qualifying plans based upon price, quality, and other features, in the manner described in (and in coordination with) section 1851(d), including the provision of annual comparative information, maintenance of a toll-free hotline, and the use of non-Federal entities.

"(3) Coordination of elections through filing with the entity offering a MA-EFFS Rx plan or a PDP sponsor, in the manner described in (and in coordination with) section 1851(c)(2).

"(4) Informing each enrollee before the beginning of each year of the annual out-of-pocket threshold applicable to the enrollee for that year under section 1860D–2(b)(4) at such time.

"(c) MA-EFFS RX ENROLLEE MAY ONLY OBTAIN BENEFITS THROUGH THE PLAN.—An individual who is enrolled under a MA-EFFS Rx plan may only elect to receive qualified prescription drug coverage under this part through such plan.

"(d) ASSURING ACCESS TO A CHOICE OF QUALIFIED PRESCRIPTION DRUG COVERAGE.—

"(1) CHOICE OF AT LEAST TWO PLANS IN EACH AREA.—

"(A) IN GENERAL.—The Administrator shall assure that each individual who is entitled to benefits under part A or enrolled under part B and who is residing in an area in the United States has available, consistent with subparagraph (B), a choice of enrollment in at least two qualifying plans (as defined in paragraph (5)) in the area in which the individual resides, at least one of which is a prescription drug plan.

"(B) REQUIREMENT FOR DIFFERENT PLAN SPONSORS.—The requirement in subparagraph (A) is not satisfied with

respect to an area if only one PDP sponsor or one entity that offers a MA-EFFS Rx plan offers all the qualifying plans in the area.

"(2) GUARANTEEING ACCESS TO COVERAGE.—In order to assure access under paragraph (1) and consistent with paragraph (3), the Administrator may provide partial underwriting of risk for a PDP sponsor to expand the service area under an existing prescription drug plan to adjoining or additional areas or to establish such a plan (including offering such a plan on a regional or nationwide basis), but only so long as (and to the extent) necessary to assure the access guaranteed under paragraph (1).

"(3) LIMITATION ON AUTHORITY.—In exercising authority under this subsection, the Administrator—

"(A) shall not provide for the full underwriting of financial risk for any PDP sponsor; and

"(B) shall seek to maximize the assumption of financial risk by PDP

sponsors or entities offering a MA-EFFS Rx plan.

"(4) REPORTS.—The Administrator shall, in each annual report to Congress under section 1809(f), include information on the exercise of authority under this subsection. The Administrator also shall include such recommendations as may be appropriate to minimize the exercise of such authority, including minimizing the assumption of financial risk.

"(5) QUALIFYING PLAN DEFINED.—For purposes of this subsection, the term 'qualifying plan' means a prescription drug plan or a MA-EFFS Rx plan.

"SEC. 1860D–6. SUBMISSION OF BIDS AND PREMIUMS.

"(a) SUBMISSION OF BIDS, PREMIUMS, AND RELATED INFORMATION.—

"(1) IN GENERAL.—Each PDP sponsor shall submit to the Administrator the information described in paragraph (2) in the same manner as information is submitted by an organization under section 1854(a)(1).

"(2) INFORMATION SUBMITTED.—The information described in this paragraph is the following:

"(A) COVERAGE PROVIDED.—Information on the qualified prescription drug coverage to be provided.

"(B) ACTUARIAL VALUE.—Information on the actuarial value of the coverage.

"(i) the actuarial basis for such bid and premium;

"(ii) the portion of such bid and premium attributable to benefits in excess of standard coverage;

"(iii) the reduction in such bid resulting from the reinsurance subsidy payments provided under section 1860D–8(a)(2); and

"(iv) the reduction in such premium resulting from the di-

rect and reinsurance subsidy payments provided under section 1860D–8.

"(D) ADDITIONAL INFORMATION.—Such other information as the Administrator may require to carry out this part.

"(3) REVIEW OF INFORMATION; NEGOTIATION AND APPROVAL OF PREMIUMS.—

"(A) IN GENERAL.—Subject to subparagraph (B), the Administrator shall review the information filed under paragraph (2) for the purpose of conducting negotiations under section 1860D–4(b)(2) (relating to using OPM-like authority under the FEHBP). The Administrator, using the information provided (including the actuarial certification under paragraph (2)(C)) shall approve the premium submitted under this subsection only if the premium accurately reflects both (i) the actuarial value of the benefits provided, and (ii) the 73 percent average subsidy

provided under section 1860D–8 for the standard benefit. The Administrator shall apply actuarial principles to approval of a premium under this part in a manner similar to the manner in which those principles are applied in establishing the monthly part B premium under section 1839.

"(B) EXCEPTION.—In the case of a plan described in section 1851(a)(2)(C), the provisions of subparagraph (A) shall not apply and the provisions of paragraph (5)(B) of section 1854(a), prohibiting the review, approval, or disapproval of amounts described in such paragraph, shall apply to the negotiation and rejection of the monthly bid amounts and proportion referred to in subparagraph (A).

"(b) UNIFORM BID AND PREMIUM.—

"(1) IN GENERAL.—The bid and premium for a prescription drug plan under this section may not vary among enrollees in the plan in the same service area.

"(2) CONSTRUCTION.—Nothing in paragraph (1) shall be construed as preventing the imposition of a late enrollment penalty under section 1860D–1(c)(2)(B).

"(c) COLLECTION.—

"(1) BENEFICIARY'S OPTION OF PAYMENT THROUGH WITHHOLDING FROM SOCIAL SECURITY PAYMENT OR USE OF ELECTRONIC FUNDS TRANSFER MECHANISM.—In accordance with regulations, a PDP sponsor shall permit each enrollee, at the enrollee's option, to make payment of premiums under this part to the sponsor through withholding from benefit payments in the manner provided under section 1840 with respect to monthly premiums under section 1839 or through an electronic funds transfer mechanism (such as automatic charges of an account at a financial institution or a credit or debit card account) or otherwise. All premium payments that are withheld under this paragraph shall be credited to the Medicare Prescription

Drug Trust Fund and shall be paid to the PDP sponsor involved.

"(2) OFFSETTING.—Reductions in premiums for coverage under parts A and B as a result of a selection of a MA-EFFS Rx plan may be used to reduce the premium otherwise imposed under paragraph (1).

"(d) ACCEPTANCE OF REFERENCE PREMIUM AMOUNT AS FULL PREMIUM FOR SUBSIDIZED LOW-INCOME INDIVIDUALS IF NO STANDARD (OR EQUIVALENT) COVERAGE IN AN AREA.—

"(1) IN GENERAL.—If there is no standard prescription drug coverage (as defined in paragraph (2)) offered in an area, in the case of an individual who is eligible for a premium subsidy under section 1860D–7 and resides in the area, the PDP sponsor of any prescription drug plan offered in the area (and any entity offering a MA-EFFS Rx plan in the area) shall accept the reference premium amount (under paragraph (3)) as payment in full for the premium charge for qualified prescription drug coverage.

the plan's PDP premium multiplied by the ratio of (I) the actuarial value of standard coverage, to (II) the actuarial value of the alternative coverage;

"(B) an EFFS plan, the EFFS monthly prescription drug beneficiary premium (as defined in section 1860E–4(a)(3)(B)); or

"(C) a Medicare Advantage, the Medicare Advantage monthly prescription drug beneficiary premium (as defined in section 1854(b)(2)(B)).

For purposes of subparagraph (A), the term 'PDP premium' means, with respect to a prescription drug plan, the premium amount for enrollment under the plan under this part (determined without regard to any low-income subsidy under section 1860D–7 or any late enrollment penalty under section 1860D–1(c)(2)(B)).

"SEC. 1860D–7. PREMIUM AND COST-SHARING SUBSIDIES FOR LOW-INCOME INDIVIDUALS.

"(B) subject to subsection (c), to the substitution for the beneficiary cost-sharing described in paragraphs (1) and (2) of section 1860D–2(b) (up to the initial coverage limit specified in paragraph (3) of such section) of amounts that do not exceed $2 for a multiple source or generic drug (as

described in section 1927(k)(7)(A)) and $5 for a non-preferred drug.

"(2) SLIDING SCALE PREMIUM SUBSIDY FOR INDIVIDUALS WITH INCOME ABOVE 135, BUT BELOW 150 PERCENT, OF FEDERAL POVERTY LEVEL.—In the case of a subsidy eligible individual who is determined to have income that exceeds 135 percent, but does not exceed 150 percent, of the Federal poverty level, the individual is entitled under this section to an income-related premium subsidy determined on a linear sliding scale ranging from 100 percent of the amount described in subsection (b)(1) for individuals with incomes at 135 percent of such level to 0 percent of such amount for individuals with incomes at 150 percent of such level.

"(3) CONSTRUCTION.—Nothing in this section shall be construed as preventing a PDP sponsor or entity offering a MA-EFFS Rx plan from reducing to 0 the cost-sharing otherwise applicable to generic drugs.

"(4) DETERMINATION OF ELIGIBILITY.—

"(A) SUBSIDY ELIGIBLE INDIVIDUAL DEFINED.—For purposes of this section, subject to subparagraph (D), the term 'subsidy eligible individual' means an individual who—

In the case of a State that does not operate such a medicaid plan (either under

title XIX or under a statewide waiver granted under section 1115), such determination shall be made under arrangements made by the Administrator. There are authorized to be appropriated to the Social Security Administration such sums as may be necessary for the determination of eligibility under this subparagraph.

"(D) RESOURCE STANDARD APPLIED TO BE BASED ON TWICE SSI RESOURCE

STANDARD.—The resource requirement of this subparagraph is that an individual's resources (as determined under section 1613 for purposes of the supplemental security income program) do not exceed—

"(i) for 2006 twice the maximum amount of resources that an individual may have and obtain benefits under that program; and

"(ii) for a subsequent year the resource limitation established under this clause for the previous year increased by the annual percentage increase in the consumer price index (all items; U.S. city average) as of September of such previous year.

Any resource limitation established under clause (ii) that is not a multiple of $10 shall be rounded to the nearest multiple of $10.

"(E) TREATMENT OF TERRITORIAL RESIDENTS.—In the case of an indi-

vidual who is not a resident of the 50 States or the District of Columbia, the individual is not eligible to be a subsidy eligible individual but may be eligible for financial assistance with prescription drug expenses under section 1935(e).

"(F) TREATMENT OF CONFORMING MEDIGAP POLICIES.—For purposes of this section, the term 'qualified prescription drug coverage' includes a medicare supplemental policy described in section 1860D–8(b)(4).

"(B) FOR SUBSEQUENT YEARS.—The dollar amounts applied under paragraph (1)(B) for a year after 2007 shall be the amounts (under this

paragraph) applied under paragraph (1)(B) for the preceding year increased by the annual percentage increase described in section 1860D–2(b)(5) (relating to growth in medicare prescription drug costs per beneficiary) for the year involved.

"(b) PREMIUM SUBSIDY AMOUNT.—

"(1) IN GENERAL.—The premium subsidy amount described in this subsection for an individual residing in an area is the benchmark premium amount (as defined in paragraph (2)) for qualified prescription drug coverage offered by the prescription drug plan or the MA-EFFS Rx plan in which the individual is enrolled.

"(2) BENCHMARK PREMIUM AMOUNT DEFINED.—For purposes of this subsection, the term 'benchmark premium amount' means, with respect to qualified prescription drug coverage offered under—

"(A) a prescription drug plan that—

"(i) provides standard coverage (or alternative prescription drug coverage the actuarial value of which is equivalent to that of standard coverage), the premium amount for enrollment under the plan under this part (determined without regard to any subsidy under this section or any late enrollment penalty under section 1860D–1(c)(2)(B)); or

"(ii) provides alternative prescription drug coverage the actuarial value of which is greater than that of standard coverage, the premium amount described in clause (i) multiplied by the ratio of (I) the actuarial value of standard coverage, to (II) the actuarial value of the alternative coverage; or

"(B) a MA-EFFS Rx plan, the portion of the premium amount that is attributable to statutory drug bene-

fits (described in section 1853(a)(1)(A)(ii)(II)).

"(c) RULES IN APPLYING COST-SHARING SUBSIDIES.—

who is determined to be a subsidy eligible individual and who is enrolled in prescription drug plan or is enrolled in a MA-EFFS Rx plan—

"(1) the Administrator provides for a notification of the PDP sponsor or the entity offering the MA-EFFS Rx plan involved that the individual is eligible for a subsidy and the amount of the subsidy under subsection (a);

"(2) the sponsor or entity involved reduces the premiums or cost-sharing otherwise imposed by the amount of the applicable subsidy and submits to the Administrator information on the amount of such reduction; and

"(3) the Administrator periodically and on a timely basis reimburses the sponsor or entity for the amount of such reductions.

The reimbursement under paragraph (3) with respect to cost-sharing subsidies may be computed on a capitated basis, taking into account the actuarial value of the subsidies and

with appropriate adjustments to reflect differences in the risks actually involved.

"(e) RELATION TO MEDICAID PROGRAM.—

"(1) IN GENERAL.—For provisions providing for eligibility determinations, and additional financing, under the medicaid program, see section 1935.

"(2) MEDICAID PROVIDING WRAP AROUND BENEFITS.—The coverage provided under this part is primary payor to benefits for prescribed drugs provided under the medicaid program under title XIX consistent with section 1935(d)(1).

"(3) COORDINATION.—The Administrator shall develop and implement a plan for the coordination of prescription drug benefits under this part with the benefits provided under the medicaid program under title XIX, with particular attention to insuring coordination of payments and prevention of fraud and abuse. In developing and implementing such plan, the Administrator shall involve the Secretary, the States, the data processing industry, pharmacists, and pharma-

ceutical manufacturers, and other experts.

"SEC. 1860D–8. SUBSIDIES FOR ALL MEDICARE BENEFICIARIES FOR QUALIFIED PRESCRIPTION DRUG COVERAGE.

"(a) SUBSIDY PAYMENT.—In order to reduce premium levels applicable to qualified prescription drug coverage for all medicare beneficiaries consistent with an overall subsidy level of 73 percent, to reduce adverse selection among prescription drug plans and MA-EFFS Rx plans, and to promote the participation of PDP sponsors under this part, the Administrator shall provide in accordance with this section for payment to a qualifying entity (as defined in subsection (b)) of the following subsidies:

"(1) DIRECT SUBSIDY.—In the case of an enrollee enrolled for a month in a prescription drug plan or a MA-EFFS Rx plan, a direct subsidy equal to 43 percent of the national average monthly bid amount (computed under subsection (g)) for that month.

"(2) SUBSIDY THROUGH REINSURANCE.—In the case of an enrollee enrolled for a month in a prescription drug plan or a MA-EFFS Rx plan, the reinsurance payment amount (as defined in subsection (c)), which in the aggregate is 30 percent of the total payments made by qualifying entities for standard coverage under the respective plan, for excess costs incurred in providing qualified prescription drug coverage—

"(A) for enrollees with a prescription drug plan under this part; and

"(B) for enrollees with a MA-EFFS Rx plan.

"(3) EMPLOYER AND UNION FLEXIBILITY.—In the case of an individual who is a participant or beneficiary in a qualified retiree prescription drug plan (as defined in subsection (f)(1)) and who is not enrolled in a prescription drug plan or in a MA-EFFS Rx plan, the special subsidy payments under subsection (f)(3).

This section constitutes budget authority in advance of appropriations Acts and rep-

resents the obligation of the Administrator to provide for the payment of amounts provided under this section. In applying the percentages under paragraphs (1) and (2), there shall be taken into account under the respective paragraphs the portion of the employer and union special subsidy payments under subsection (f)(3) that reflect payments that would have been made under the respective paragraphs if such paragraphs had applied to qualified retiree prescription drug plans instead of paragraph (3).

"(b) QUALIFYING ENTITY DEFINED.—For purposes of this section, the term 'qualifying entity' means any of the following that has entered into an agreement with the Administrator to provide the Administrator with such information as may be required to carry out this section:

"(1) A PDP sponsor offering a prescription drug plan under this part.

"(2) An entity that offers a MA-EFFS Rx plan.

"(3) The sponsor of a qualified retiree prescription drug plan (as defined in subsection (f)).

"(c) REINSURANCE PAYMENT AMOUNT.—

"(1) IN GENERAL.—Subject to subsection (d)(1)(B) and paragraph (4), the reinsurance payment amount under this subsection for a qualifying covered individual (as defined in paragraph (5)) for a coverage year (as defined in subsection (h)(2)) is equal to the sum of the following:

"(A) REINSURANCE BETWEEN INITIAL REINSURANCE THRESHOLD AND THE INITIAL COVERAGE LIMIT.—For the portion of the individual's gross covered prescription drug costs (as defined in paragraph (3)) for the year that exceeds the initial reinsurance threshold specified in paragraph (4), but does not exceed the initial coverage limit specified in section 1860D–2(b)(3), an amount equal to 20 percent of the allowable costs (as defined in

paragraph (2)) attributable to such gross covered prescription drug costs.

"(B) REINSURANCE ABOVE ANNUAL OUT-OF-POCKET THRESHOLD.—For the portion of the individual's gross covered prescription drug costs for the year that exceeds the annual out-of-pocket threshold specified in 1860D–2(b)(4)(B), an amount equal to 80 percent of the allowable costs attributable to such gross covered prescription drug costs.

"(2) ALLOWABLE COSTS.—For purposes of this section, the term 'allowable costs' means, with respect to gross covered prescription drug costs under a plan described in subsection (b) offered by a qualifying entity, the part of such costs that are actually paid (net of discounts, chargebacks, and average percentage rebates) under the plan, but in no case more than the part of such costs that would have been paid under the plan if the prescription drug coverage under the plan were standard coverage.

"(3) GROSS COVERED PRESCRIPTION DRUG COSTS.—For purposes of this section, the term 'gross covered prescription drug costs' means, with respect to an enrollee with a qualifying entity under a plan described in subsection (b) during a coverage year, the costs incurred under the plan (including costs attributable to administrative costs) for covered prescription drugs dispensed during the year, including costs relating to the deductible, whether paid by the enrollee or under the plan, regardless of whether the coverage under the plan exceeds standard coverage and regardless of when the payment for such drugs is made.

"(4) INITIAL REINSURANCE THRESHOLD.—The initial reinsurance threshold specified in this paragraph—

"(A) for 2006, is equal to $1,000; or

"(B) for a subsequent year, is equal to the payment threshold specified in this paragraph for the previous year, increased by the annual percentage increase described in sec-

"(A) ESTIMATION OF PAYMENTS.—The Administrator shall estimate—

"(i) the total payments to be made (without regard to this subsection) during a year under subsections (a)(2) and (c); and

"(ii) the total payments to be made by qualifying entities for standard coverage under plans described in subsection (b) during the year.

"(B) ADJUSTMENT.—The Administrator shall proportionally adjust the payments made under subsections (a)(2) and (c) for a coverage year in such manner so that the total of the payments made under such subsections (and under subsection (f)(3) insofar as such payments reflect payments that would have been made under such subsections if such subsections had applied to qualified retiree prescription drug plans instead of subsections (a)(3) and (f)(3)) for the year is equal to 30 percent of the total payments described in subparagraph (A)(ii).

"(2) RISK ADJUSTMENT FOR DIRECT SUBSIDIES.—To the extent the Administrator determines it appropriate to avoid risk selection, the payments made for direct

subsidies under subsection (a)(1) are subject to adjustment based upon risk factors specified by the Administrator. Any such risk adjustment shall be designed in a manner as to not result in a change in the aggregate payments made under such subsection.

"(e) PAYMENT METHODS.—

"(1) IN GENERAL.—Payments under this section shall be based on such a method as the Administrator determines. The Administrator may establish a payment method by which interim payments of amounts under this section are made during a year based on the Administrator's best estimate of amounts that will be payable after obtaining all of the information.

"(2) SOURCE OF PAYMENTS.—Payments under this section shall be made from the Medicare Prescription Drug Trust Fund.

"(f) RULES RELATING TO QUALIFIED RETIREE PRESCRIPTION DRUG PLAN.—

"(1) DEFINITION.—For purposes of this section, the term 'qualified retiree pre-

"(A) ACTUARIAL EQUIVALENCE TO STANDARD COVERAGE.—The Administrator determines (based on an actuarial analysis by the Administrator) that coverage provides at least the same actuarial value as standard coverage. Such determination may be made on an annual basis.

"(B) AUDITS.—The sponsor (and the plan) shall maintain, and afford the Administrator access to, such records as the Administrator may require for purposes of audits and other oversight activities necessary to ensure the adequacy of prescription drug coverage and the accuracy of payments made.

"(C) PROVISION OF CERTIFICATION OF PRESCRIPTION DRUG COVERAGE.—The sponsor of the plan shall provide for issuance of certifications of the type described in section 1860D–1(c)(2)(D).

"(2) LIMITATION ON BENEFIT ELIGIBILITY.—No payment shall be provided under this section with respect to a participant or beneficiary in a qualified retiree prescription drug plan unless the individual is—

"(3) EMPLOYER AND UNION SPECIAL SUBSIDY AMOUNTS.—

"(A) IN GENERAL.—For purposes of subsection (a), the special subsidy payment amount under this para-

graph for a qualifying covered retiree (as defined in paragraph (6)) for a coverage year (as defined in subsection (h)) enrolled in a qualifying entity described in subsection (b)(3) under a qualified retiree prescription drug plan is, for the portion of the individual's gross covered prescription drug costs for the year that exceeds the deductible amount specified in subparagraph (B), an amount equal to, subject to subparagraph (D), 28 percent of the allowable costs attributable to such gross covered prescription drug costs, but only to the extent such costs exceed the deductible under subparagraph (B) and do not exceed the cost limit under such subparagraph in the case of any such individual for the plan year.

"(B) DEDUCTIBLE AND COST LIMIT APPLICABLE.—Subject to subparagraph (C)—

"(i) the deductible under this subparagraph is equal to $250 for plan years that end in 2006; and

"(ii) the cost limit under this subparagraph is equal to $5,000 for plan years that end in 2006.

"(C) INDEXING.—The deductible and cost limit amounts specified in subparagraphs (B) for a plan year that ends after 2006 shall be adjusted in the same manner as the annual deductible under section 1860D–2(b)(1) is annually adjusted under such section.

"(D) ADJUSTMENT CONTINGENCY.—The Secretary may adjust the percentage specified in subparagraph (A) with respect to plan years that end in a year in a manner so that the aggregate expenditures in the year under this section are the same as the aggregate expenditures that would have been made under this section (taking into account the effect of any adjustment under subsection (d)(1)(B)) if

paragraphs (1) and (2) of subsection (a) had applied to qualified prescription drug coverage instead of this paragraph and subsection (a)(3).

"(B) precluding such employment-based retiree health coverage or an employer or other person from paying all or any portion of any premium required for coverage under such a prescription drug plan or MA-EFFS plan on behalf of such an individual; or

"(C) preventing such employment-based retiree health coverage from providing coverage for retirees—

"(i) who are covered under a qualified retiree prescription plan that is better than standard coverage; or

"(ii) who are not covered under a qualified retiree prescription plan but who are enrolled in a prescription drug plan or a MA-EFFS Rx plan, that is supple-

mental to the benefits provided under such prescription drug plan or MA-EFFS Rx plan, except that any such supplemental coverage (not including payment of any premium referred to in subparagraph (B)) shall be treated as primary coverage to which section 1862(b)(2)(A)(i) is deemed to apply.

"(g) COMPUTATION OF NATIONAL AVERAGE MONTHLY BID AMOUNT.—

"(1) IN GENERAL.—For each year (beginning with 2006) the Administrator shall compute a national average monthly bid amount equal to the average of the benchmark bid amounts for each prescription drug plan and for each MA-EFFS Rx plan (as computed under paragraph (2), but excluding plans described in section 1851(a)(2)(C))) adjusted under paragraph (4) to take into account reinsurance payments.

"(h) COVERAGE YEAR DEFINED.—For purposes of this section, the term 'coverage year' means a calendar year in which covered outpatient drugs are dispensed if a claim for payment is made under the plan for such drugs, regardless of when the claim is paid.

"(1) REQUIREMENT.—

"(A) EFFS MONTHLY BID AMOUNT.—For each year (beginning with 2006), an EFFS organization shall submit to the Administrator an EFFS monthly bid amount for each EFFS plan offered in each region. Each such bid is referred to in this section as the 'EFFS monthly bid amount'.

"(B) FORM.—Such bid amounts shall be submitted for each such plan and region in a form and manner and time specified by the Administrator, and shall include information described in paragraph (3)(A).

"(2) UNIFORM BID AMOUNTS.—Each EFFS monthly bid amount submitted under paragraph (1) by an EFFS organization under this part for an EFFS plan in an EFFS region may not vary among EFFS eligible individuals residing in the EFFS region involved.

"(3) SUBMISSION OF BID AMOUNT INFORMATION BY EFFS ORGANIZATIONS.—

"(A) INFORMATION TO BE SUBMITTED.—The information described in this subparagraph is as follows:

"(i) The EFFS monthly bid amount for provision of all items and services under this part, which amount shall be based on average costs for a typical beneficiary residing in the region, and the actuarial basis for determining such amount.

"(ii) The proportions of such bid amount that are attributable to—

"(I) the provision of statutory non-drug benefits (such portion referred to in this part as the 'unadjusted EFFS statutory non-drug monthly bid amount');

"(II) the provision of statutory prescription drug benefits; and

"(III) the provision of non-statutory benefits;

and the actuarial basis for determining such proportions.

The Administrator may reject such a bid amount or proportion if the Administrator determines that such amount or proportion is not supported by the actuarial bases provided under subparagraph (A).

"(D) CONTRACT AUTHORITY.—The Administrator may, taking into account the unadjusted EFFS statutory non-drug monthly bid amounts accepted under subparagraph (C), enter into contracts for the offering of up to 3 EFFS plans in any region.

"(b) PROVISION OF BENEFICIARY SAVINGS FOR CERTAIN PLANS.—

"(1) BENEFICIARY REBATE RULE.—

"(A) REQUIREMENT.—The EFFS plan shall provide to the enrollee a

monthly rebate equal to 75 percent of the average per capita savings (if any) described in paragraph (2) applicable to the plan and year involved.

"(A) DETERMINATION OF REGION-WIDE AVERAGE RISK ADJUSTMENT.—

"(i) IN GENERAL.—The Medicare Benefits Administrator shall determine, at the same time rates are promulgated under section 1853(b)(1) (beginning with 2006), for each EFFS region the average of the risk adjustment factors described in subsection (c)(3) to be applied to enrollees under this part in that region. In the case of an EFFS region in which an EFFS plan was offered in the previous year, the Administrator may compute such average based upon risk adjustment factors applied under subsection (c)(3) in that region in a previous year.

"(ii) TREATMENT OF NEW REGIONS.—In the case of a region in

which no EFFS plan was offered in the previous year, the Administrator shall estimate such average. In making such estimate, the Administrator may use average risk adjustment factors applied to comparable EFFS regions or applied on a national basis.

"(B) DETERMINATION OF RISK ADJUSTED BENCHMARK AND RISK-ADJUSTED BID.—For each EFFS plan offered in an EFFS region, the Administrator shall—

"(i) adjust the EFFS region-specific non-drug monthly benchmark amount (as defined in paragraph (3)) by the applicable average risk adjustment factor computed under subparagraph (A); and

"(ii) adjust the unadjusted EFFS statutory non-drug monthly bid amount by such applicable average risk adjustment factor.

"(C) DETERMINATION OF AVERAGE PER CAPITA MONTHLY SAVINGS.—The average per capita monthly savings described in this subparagraph is equal to the amount (if any) by which—

"(i) the risk-adjusted benchmark amount computed under subparagraph (B)(i), exceeds

"(ii) the risk-adjusted bid computed under subparagraph (B)(ii).

"(3) COMPUTATION OF EFFS REGION-SPECIFIC NON-DRUG MONTHLY BENCHMARK AMOUNT.—For purposes of this part, the term 'EFFS region-specific non-drug monthly benchmark amount' means, with respect to an EFFS region for a month in a year, an amount equal to 1/12 of the average (weighted by number of EFFS eligible individuals in each payment area described in section 1853(d)) of the annual capitation rate as calculated under section 1853(c)(1) for that area.

"(c) PAYMENT OF PLANS BASED ON BID AMOUNTS.—

"(1) NON-DRUG BENEFITS.—Under a contract under section 1860E–4(c) and subject to section 1853(g) (as made applicable under subsection (d)), the Administrator shall make monthly payments under this subsection in advance to each EFFS organization, with respect to coverage of an individual under this part in an EFFS region for a month, in an amount determined as follows:

"(A) PLANS WITH BIDS BELOW BENCHMARK.—In the case of a plan for which there are average per capita monthly savings described in subsection (b)(2)(C), the payment under this subsection is equal to the unadjusted EFFS statutory non-drug monthly bid amount, adjusted under paragraphs (3) and (4), plus the amount of the monthly rebate computed under subsection (b)(1)(A) for that plan and year.

"(B) PLANS WITH BIDS AT OR ABOVE BENCHMARK.—In the case of a plan for which there are no average per cap-

ita monthly savings described in subsection (b)(2)(C), the payment amount under this subsection is equal to the EFFS region-specific non-drug monthly benchmark amount, adjusted under paragraphs (3) and (4).

"(2) FOR FEDERAL DRUG SUBSIDIES.—In the case in which an enrollee who elects under part D to be provided qualified prescription drug coverage through the plan, the EFFS organization offering such plan also is entitled—

"(3) DEMOGRAPHIC RISK ADJUSTMENT, INCLUDING ADJUSTMENT FOR HEALTH STATUS.—The Administrator shall adjust under paragraph (1)(A) the unadjusted

EFFS statutory non-drug monthly bid amount and under paragraph (1)(B) the EFFS region-specific non-drug monthly benchmark amount for such risk factors as age, disability status, gender, institutional status, and such other factors as the Administrator determines to be appropriate, including adjustment for health status under section 1853(a)(3) (as applied under subsection (d)), so as to ensure actuarial equivalence. The Administrator may add to, modify, or substitute for such adjustment factors if such changes will improve the determination of actuarial equivalence.

"(4) ADJUSTMENT FOR INTRA-REGIONAL GEOGRAPHIC VARIATIONS.—The Administrator shall also adjust such amounts in a manner to take into account variations in payments rates under part C among the different payment areas under such part included in each EFFS region.

"(d) APPLICATION OF ADDITIONAL PAYMENT RULES.—The provisions of section 1853 (other than subsections (a)(1)(A), (d), and (e)) shall

apply to an EFFS plan under this part, except as otherwise provided in this section.

"(B) EFFS MONTHLY PRESCRIPTION DRUG BENEFICIARY PREMIUM.—The term 'EFFS monthly prescription drug beneficiary premium' means, with respect to an EFFS plan, the portion of the aggregate monthly bid amount submitted under clause (i) of section 1860E–3(a)(3)(A) for the year that is attributable under such section to the provision of statutory prescription drug benefits.

"(4) The adjustment in the premium under this subsection shall be effected in such manner as the Medicare Benefits Administrator determines appropriate.

"(D) EXCLUSION AUTHORITY.—The Secretary may exclude covered outpatient drugs and biologicals (including a class of such drugs and biologicals) from the competitive bidding system under this section if the drugs or biologicals (or class) are not appropriate for competitive bidding due to low volume of utilization by beneficiaries under this part or a unique mode or method of delivery or similar reasons.

"(ii) the physician has elected such contractor under paragraph (5) for such category and area.

"(B) PHYSICIAN CHOICE.—Subparagraph (A) shall not apply for a category of drugs for an area if the physician prescribing the covered outpatient drug in such category and area has elected to apply section 1847B instead of this section.

"(5) CONTRACTOR SELECTION PROCESS.—

"(A) IN GENERAL.—The Secretary shall provide a process for the selection of a contractor, on an annual basis and in such exigent circumstances as the Secretary may provide and with respect to each category of covered outpatient drugs and biologicals for an area, by physicians prescribing such drugs and

biologicals in the area of the contractor under this section that will supply the drugs and biologicals within that category and area. Such selection shall also include the election described in section 1847B(a).

"(2) CONDITIONS FOR AWARDING CONTRACT.—

"(A) IN GENERAL.—The Secretary may not award a contract to any entity under the competition conducted in a competitive acquisition area pursuant to paragraph (1) with respect to the acquisition of covered outpatient drugs and biologicals within a category unless the Secretary finds that the entity meets all of the following with respect to the contract period involved:

"(ii) the exclusion of the entity under section 1128 from participation under this title.

The contractor shall not deliver drugs and biologicals to a selecting physi-

cian except upon receipt of a prescription for such drugs and biologicals, and such necessary data as may be required by the Secretary to carry out this section. This section does not require a physician to submit a prescription for each individual treatment and does not change the physician's flexibility in terms of writing a prescription for drugs for a single treatment or a course of treatment.

"(5) PERMITTING ACCESS TO DRUGS AND BIOLOGICALS.—The Secretary shall establish rules under this section under which drugs and biologicals which are acquired through a contractor under this section may be used to resupply inventories of such drugs and biologicals which are administered consistent with safe drug practices and with adequate safeguards against fraud and abuse. the other factors referred to in subsection (b)(3).

"(2) PRICES BID.—The prices bid by an entity under paragraph (1) shall be the prices in effect and available for the supply of contracted drugs and biologicals in the area through the entity for the contract period.

"(3) REJECTION OF CONTRACT OFFER.—The Secretary shall reject the contract offer of an entity with respect to a category of drugs and biologicals for an area if the Secretary estimates that the prices bid, in the aggregate on average, would exceed 120 percent of the average sales price (as determined under section 1847B).

"(4) BIDDING ON A NATIONAL OR REGIONAL BASIS.—Nothing in this section shall be construed as precluding a bidder from bidding for contracts in all areas of the United States or as requiring a bidder to submit a bid for all areas of the United States.

"(5) UNIFORMITY OF BIDS WITHIN AREA.—The amount of the bid submitted under a contract offer for any covered outpatient drug or biological for an area shall be the same for that drug or biological for all portions of that area.

"(6) CONFIDENTIALITY OF BIDS.—The provisions of subparagraph (D) of section 1927(b)(3) shall apply to a bid submitted in a contract offer for a covered outpatient drug or biological under this section in the same manner as it applies to information disclosed under such section, except that any reference—

"(8) PRICE ADJUSTMENTS DURING CONTRACT PERIOD; DISCLOSURE OF COSTS.—Each contract awarded shall provide for—

"(A) disclosure to the Secretary the contractor's reasonable, net acquisition costs for periods specified by the Secretary, not more often than quarterly, of the contract; and

"(B) appropriate price adjustments over the period of the contract to reflect significant increases or decreases in a contractor's reasonable, net acquisition costs, as so disclosed.

"(d) COMPUTATION OF AVERAGE BID PRICES FOR A CATEGORY AND AREA.—

"(1) IN GENERAL.—For each year or other contract period for each covered outpatient drug or biological and area with respect to which a competition is conducted under the program, the Secretary shall compute an area average of the bid prices submitted, in contract offers accepted for the category and area, for that year or other contract period.

"(2) SPECIAL RULES.—The Secretary shall establish rules regarding the use under this section of the alternative payment amount provided under section 1847B to the use of a price for specific covered outpatient drugs and biologicals in the following cases:

"(A) NEW DRUGS AND BIOLOGICALS.—A covered outpatient

drug or biological for which an average bid price has not been previously determined.

"(B) OTHER CASES.—Such other exceptional cases as the Secretary may specify in regulations.

Such alternative payment amount shall be based upon actual market price information and in no case shall it exceed the average sales price (as determined under section 1847B).

"(e) COINSURANCE.—

"(1) IN GENERAL.—Coinsurance under this part with respect to a covered outpatient drug or biological for which payment is payable under this section shall be based on 20 percent of the payment basis under this section.

"(2) COLLECTION.—Such coinsurance shall be collected by the contractor that supplies the drug or biological involved and, subject to subsection (a)(3)(B), in the same manner as coinsurance is collected for durable medical equipment under this part.

"(f) SPECIAL PAYMENT RULES.—

"(1) IN GENERAL.—The Secretary may not provide for an adjustment to reimbursement for covered outpatient drugs and biologicals unless adjustments to the practice expense payment adjustment are made on the basis of supplemental surveys under section 1848(c)(2)(H)(ii) of the Social Security Act, as added by subsection (a)(1)(B).

"(B) USE IN EXCLUSION CASES.—If the Secretary excludes a drug or biological (or class of drugs or biologicals) under subsection (a)(1)(D), the Secretary may provide for reimbursement to be made under this part for such drugs and biologicals (or class) using the payment methodology under section 1847B or other market based pricing system.

"(2) COORDINATION RULES.—The provisions of section 1842(h)(3) shall apply to a contractor with respect to covered outpatients drugs and biologicals supplied

by that contractor in the same manner as they apply to a participating supplier. In order to administer this section, the Secretary may condition payment under this part to a person for the administration of a drug or biological supplied under this section upon person's provision of information on such administration.

"(3) APPLICATION OF REQUIREMENT FOR ASSIGNMENT.—For provision requiring assignment of claims for covered outpatient drugs and biologicals, see section 1842(o)(3).

"(4) PROTECTION FOR BENEFICIARY IN CASE OF MEDICAL NECESSITY DENIAL.—For protection of beneficiaries against liability in the case of medical necessity determinations, see section 1842(b)(3)(B)(ii)(III).

"(5) PHYSICIAN ROLE IN APPEALS PROCESS.—The Secretary shall establish a procedure under which a physician who prescribes a drug or biological for which payment is made under this section has appeal rights that are similar to those

provided to a physician who prescribes durable medical equipment or a laboratory test.

"(g) ADVISORY COMMITTEE.—The Secretary shall establish an advisory committee that includes representatives of parties affected by the program under this section, including physicians, specialty pharmacies, distributors, manufacturers, and beneficiaries. The committee shall advise the Secretary on issues relating to the effective implementation of this section.

"(h) ANNUAL REPORTS.—The Secretary shall submit to Congress an annual report in each of 2004, 2005, and 2006, on the program. Each such report shall include information on savings, reductions in cost-sharing, access to covered outpatient drugs and biologicals, the range of choices of contractors available to providers, and beneficiary and provider satisfaction.

"OPTIONAL USE OF AVERAGE SALES PRICE PAYMENT METHODOLOGY

"SEC. 1847B. (a) IN GENERAL.—In connection with the election made by a physician under section 1847A(a)(5), the physician may

elect to apply this section to the payment for covered outpatient drugs instead of the payment methodology under section 1847A. For purposes of this section, the term 'covered outpatient drug' has the meaning given such term in section 1847A(a)(2)(A).

"(b) COMPUTATION OF PAYMENT AMOUNT.—

"(1) IN GENERAL.—If this section applies with respect to a covered outpatient drug, the amount payable for the drug (based on a minimum dosage unit) is, subject to applicable deductible and coinsurance—

"(A) in the case of a multiple source drug (as defined in subsection (c)(6)(C)), the amount determined under paragraph (3); or

"(B) in the case of a single source drug (as defined in subsection (c)(6)(D)), the amount determined under paragraph (4).

"(2) SPECIFICATION OF UNIT.—

"(A) SPECIFICATION BY MANUFACTURER.—The manufacturer of a covered outpatient drug shall specify the

unit associated with each National Drug Code as part of the submission of data under section 1927(b)(3)(A)(iii).

"(B) UNIT DEFINED.—In this section, the term 'unit' means, with respect to a covered outpatient drug, the lowest identifiable quantity (such as a capsule or tablet, milligram of molecules, or grams) of the drug that is dispensed, exclusive of any diluent without reference to volume measures pertaining to liquids.

"(3) MULTIPLE SOURCE DRUG.—For all drug products included within the same multiple source drug, the amount specified in this paragraph is the volume-weighted average of the average sales prices reported under section 1927(b)(3)(A)(iii) computed as follows:

"(A) Compute the sum of the products (for each national drug code assigned to such drug products) of—

"(i) the manufacturer's average sales price (as defined in subsection (c)); and

"(ii) the total number of units specified under paragraph (2) sold, as reported under section 1927(b)(3)(A)(iii).

"(B) Divide the sum computed under subparagraph (A) by the sum of the total number of units under subparagraph (A)(ii) for all national drug codes assigned to such drug products.

"(4) SINGLE SOURCE DRUG.—The amount specified in this paragraph for a single source drug is the lesser of the following:

"(A) MANUFACTURER'S AVERAGE SALES PRICE.—The manufacturer's average sales price for a national drug code, as computed using the methodology applied under paragraph (3).

"(B) WHOLESALE ACQUISITION COST (WAC).—The wholesale acquisition cost

(as defined in subsection (c)(6)(B)) reported for the single source drug.

"(5) BASIS FOR DETERMINATION.—The payment amount shall be determined under this subsection based on information reported under subsection (e) and without regard to any special packaging, labeling, or identifiers on the dosage form or product or package.

"(c) MANUFACTURER'S AVERAGE SALES PRICE.—

"(1) IN GENERAL.—For purposes of this subsection, subject to paragraphs (2) and (3), the manufacturer's 'average sales price' means, of a covered outpatient drug for a NDC code for a calendar quarter for a manufacturer for a unit—

"(A) the manufacturer's total sales (as defined by the Secretary in regulations for purposes of section 1927(c)(1)) in the United States for such drug in the calendar quarter; divided by

"(B) the total number of such units of such drug sold by the manufacturer in such quarter.

"(2) CERTAIN SALES EXEMPTED FROM COMPUTATION.—In calculating the manufacturer's average sales price under this subsection, the following sales shall be excluded:

"(A) SALES EXEMPT FROM BEST PRICE.—Sales exempt from the inclusion in the determination of 'best price' under section 1927(c)(1)(C)(i).

"(B) SALES AT NOMINAL CHARGE.—Such other sales as the Secretary identifies by regulation as sales to an entity that are nominal in price or do not reflect a market price paid by an entity to which payment is made under this section.

"(3) SALE PRICE NET OF DISCOUNTS.—In calculating the manufacturer's average sales price under this subsection, such price shall be determined taking into account volume discounts, prompt pay discounts, cash discounts, the free goods

that are contingent on any purchase requirement, chargebacks, and rebates (other than rebates under section 1927), that result in a reduction of the cost to the purchaser. A rebate to a payor or other entity that does not take title to a covered outpatient drug shall not be taken into account in determining such price unless the manufacturer has an agreement with the payor or other entity under which the purchaser's price for the drug is reduced as a consequence of such rebate.

"(4) AUTHORITY TO DISREGARD AVERAGE SALES PRICE DURING FIRST QUARTER OF SALES.—In the case of a covered outpatient drug during an initial period (not to exceed a full calendar quarter) in which data on the prices for sales for the drug is not sufficiently available from the manufacturer to compute an average sales price for the drug, the Secretary may determine the amount payable under this section for the drug without considering the manufacturer's average

sales price of that manufacturer for that drug.

"(5) FREQUENCY OF DETERMINATIONS.—

"(A) IN GENERAL ON A QUARTERLY BASIS.—The manufacturer's average sales price, for a covered outpatient drug of a manufacturer, shall be determined by such manufacturer under this subsection on a quarterly basis. In making such determination insofar as there is a lag in the reporting of the information on rebates and chargebacks under paragraph (3) so that adequate data are not available on a timely basis, the manufacturer shall apply a methodology established by the Secretary based on a 12-month rolling average for the manufacturer to estimate costs attributable to rebates and chargebacks.

"(B) UPDATES IN RATES.—The payment rates under subsection (b)(1) and (b)(2)(A) shall be updated by the Secretary on a quarterly basis and shall be applied based upon the man-

ufacturer's average sales price determined for the most recent calendar quarter.

"(C) USE OF CONTRACTORS; IMPLEMENTATION.—The Secretary may use a carrier, fiscal intermediary, or other contractor to determine the payment amount under subsection (b). Notwithstanding any other provision of law, the Secretary may implement, by program memorandum or otherwise, any of the provisions of this section.

"(6) DEFINITIONS AND OTHER RULES.—In this section:

"(A) MANUFACTURER.—The term 'manufacturer' means, with respect to a covered outpatient drug, the manufacturer (as defined in section 1927(k)(5)) whose national drug code appears on such drug.

"(ii) WHOLESALE ACQUISITION COST.—The term 'wholesale acquisition cost' means, with respect to a covered outpatient drug, the manufacturer's list price for the drug to

wholesalers or direct purchasers in the United States, not including prompt pay or other discounts, rebates or reductions in price, for the most recent month for which the information is available, as reported in wholesale price guides or other publications of drug pricing data.

"(C) MULTIPLE SOURCE DRUG.—The term 'multiple source drug' means, for a calendar quarter, a covered outpatient drug for which there are 2 or more drug products which—

"(i) are rated as therapeutically equivalent (under the Food and Drug Administration's most recent publication of 'Approved Drug Products with Therapeutic Equivalence Evaluations'),

"(ii) except as provided in subparagraph (E), are pharmaceutically equivalent and bioequivalent, as determined under subparagraph (F) and as deter-

mined by the Food and Drug Administration, and

"(iii) are sold or marketed in the United States during the quarter.

"(D) SINGLE SOURCE DRUG.—The term 'single source drug' means a covered outpatient drug which is not a multiple source drug and which is produced or distributed under an original new drug application approved by the Food and Drug Administration, including a drug product marketed by any cross-licensed producers or distributors operating under the new drug application, or which is a biological.

"(E) EXCEPTION FROM PHARMACEUTICAL EQUIVALENCE AND BIOEQUIVALENCE REQUIREMENT.—Subparagraph (C)(ii) shall not apply if the Food and Drug Administration changes by regulation the requirement that, for purposes of the publication described in subparagraph (C)(i), in order for drug

products to be rated as therapeutically equivalent, they must be pharmaceutically equivalent and bioequivalent, as defined in subparagraph (F).

"(F) DETERMINATION OF PHARMACEUTICAL EQUIVALENCE AND BIOEQUIVALENCE.—For purposes of this paragraph—

"(i) drug products are pharmaceutically equivalent if the products contain identical amounts of the same active drug ingredient in the same dosage form and meet compendial or other applicable standards of strength, quality, purity, and identity; and

"(ii) drugs are bioequivalent if they do not present a known or potential bioequivalence problem, or, if they do present such a problem, they are shown to meet an appropriate standard of bioequivalence.

"(G) INCLUSION OF VACCINES.—In applying provisions of section 1927 under this section, 'other than a vaccine' is deemed deleted from section 1927(k)(2)(B).

"(d) MONITORING PRICE INFORMATION.—

"(1) IN GENERAL.—The Secretary shall monitor available pricing information, including information on average sales price and average manufacturer price.

"(2) RESPONSE TO SIGNIFICANT DISCREPANCIES.—

"(A) REPORT TO CONGRESS.—If the Secretary finds that there are significant discrepancies among such prices and that the manufacturer's average sales price does not reflect a broad-based market price or a reasonable approximation of the acquisition cost of the covered outpatient drug involved to purchasers reimbursed under this section, the Secretary shall submit to Congress a report.

"(B) CONFIDENTIALITY OF INFORMATION REPORTED.—Consistent with re-

quirements relating to maintaining the confidentiality of information reported on manufacturer's average prices under section 1927(b)(3)(D), such report shall include details regarding such discrepancies and recommendations on how to best address such discrepancies. Such report shall not disclose average manufacturer prices or average sales prices.

"(C) RECOMMENDATIONS.—Such recommendations may include other changes in payment methodology.

"(D) AUTHORITY TO MODIFY PAYMENT METHODOLOGY BY RULE.—Upon submission of such report, the Secretary may commence a rulemaking to change such percent or payment methodologies under paragraph (1)(D) and (2) as applied to the covered outpatient drug involved under this section.

"(3) RESPONSE TO PUBLIC HEALTH EMERGENCY.—In the case of a public health emergency under section 319 of the Pub-

lic Health Service Act in which there is a documented inability to access covered outpatient drugs, and a concomitant increase in the price, of a drug which is not reflected in the manufacturer's average sales price for one or more quarters, the Secretary may use the wholesale acquisition cost (or other reasonable measure of drug price) instead of the manufacturer's average sales price for such quarters and for subsequent quarters until the price and availability of the drug has stabilized and is substantially reflected in the applicable manufacturer's average sales price.

"(4) ANNUAL REPORT TO CONGRESS.—The Secretary shall submit to the Committees on Energy and Commerce and Ways and Means of the House of Representatives and the Committee on Finance of the Senate an annual report on the operation of this section. Such report shall be submitted in coordination with the submission of reports under section 1927(i). Such report shall include information on the following:

"(A) Trends in average sales price under subsection (b).

"(B) Administrative costs associated with compliance with this section.

"(C) Total value of payments made under this section.

"(2) MEDPAC REVIEW.—The Medicare Payment Advisory Commission shall periodically review the payment methodology

established under this section and submit to Congress such recommendations on such methodology as it deems appropriate as part of its annual reports to Congress.

"(4)(A) The term 'essential rural hospital' means a subsection (d) hospital (as defined in section 1886(d)(1)(B)) that is located in a rural area (as defined for purposes of section 1886(d)), has more than 25 licensed acute care inpatient beds, has applied to the Secretary for classification as such a hospital, and with respect to which the Secretary has determined that the closure of the hospital would significantly diminish the ability of medicare

beneficiaries to obtain essential health care services.

"(B) The determination under subparagraph (A) shall be based on the following criteria:

"(i) HIGH PROPORTION OF MEDICARE BENEFICIARIES RECEIVING CARE FROM HOSPITAL.—(I) A high percentage of such beneficiaries residing in the area of the hospital who are hospitalized (during the most recent year for which complete data are available) receive basic inpatient medical care at the hospital.

"(II) For a hospital with more than 200 licensed beds, a high percentage of such beneficiaries residing in such area who are hospitalized (during such recent year) receive specialized surgical inpatient care at the hospital.

"(III) Almost all physicians described in section 1861(r)(1) in such area have privileges at the hospital and provide their inpatient services primarily at the hospital.

"(ii) SIGNIFICANT ADVERSE IMPACT IN ABSENCE OF HOSPITAL.—If the hospital were to close—

"(I) there would be a significant amount of time needed for residents to reach emergency treatment, resulting in a potential significant harm to beneficiaries with critical illnesses or injuries;

"(II) there would be an inability in the community to stablize emergency cases for transfers to another acute care setting, resulting in a potential for significant harm to medicare beneficiaries; and

"(III) any other nearby hospital lacks the physical and clinical capacity to take over the hospital's typical admissions.

"(C) In making such determination, the Secretary may also consider the following:

"(i) Free-standing ambulatory surgery centers, office-based oncology care, and imaging center services are insufficient

in the hospital's area to handle the outpatient care of the hospital.

"(ii) Beneficiaries in nearby areas would be adversely affected if the hospital were to close as the hospital provides specialized knowledge and services to a network of smaller hospitals and critical access hospitals.

"(iii) Medicare beneficiaries would have difficulty in accessing care if the hospital were to close as the hospital provides significant subsidies to support ambulatory care in local clinics, including mental health clinics and to support post acute care.

"(iv) The hospital has a committment to provide graduate medical education in a rural area.

"(C) QUALITY CARE.—The hospital inpatient score for quality of care is not less than the median hospital score for qualify of care for hospitals in the State, as established under standards of the utilization and quality control peer review organization under part B of title XI or

other quality standards recognized by the Secretary.

A hospital classified as an essential rural hospital may not change such classification and a hospital so classified shall not be treated as a sole community hospital, medicare dependent hospital, or rural referral center for purposes of section 1886.".

"(B) EXCEPTION.—Nothing in subparagraph (A) shall be construed to—

"(i) prohibit an individual, solely on the basis of a participation agreement with a fiscal intermediary, carrier, or other contractor, from serving as a reviewing professional if—

"(I) the individual is not involved in the provision of items or services in the case under review;

"(II) the fact of such an agreement is disclosed to the Secretary and the individual entitled to benefits under part A or enrolled under part B, or both, (or authorized representative) and neither party objects; and

"(III) the individual is not an employee of the intermediary, carrier, or contractor and does not provide services exclusively or primarily to or on behalf of such intermediary, carrier, or contractor;

"(ii) prohibit an individual who has staff privileges at the institution where the treatment involved takes place from serving as a reviewer merely on the basis of having such staff privileges if the existence of such privileges is disclosed to the Secretary and such individual (or authorized

representative), and neither party objects; or

"(iii) prohibit receipt of compensation by a reviewing professional from a contractor if the compensation is provided consistent with paragraph (3).

For purposes of this paragraph, the term 'participation agreement' means an agreement relating to the provision of health care services by the individual and does not include the provision of services as a reviewer under this subsection.

"(3) LIMITATIONS ON REVIEWER COMPENSATION.—Compensation provided by a qualified independent contractor to a reviewer in connection with a review under this section shall not be contingent on the decision rendered by the reviewer.

"(4) LICENSURE AND EXPERTISE.—Each reviewing professional shall be—

"(A) a physician (allopathic or osteopathic) who is appropriately credentialed or licensed in one or

more States to deliver health care services and has medical expertise in the field of practice that is appropriate for the items or services at issue; or

"(5) RELATED PARTY DEFINED.—For purposes of this section, the term 'related party' means, with respect to a case under this title involving a specific individual entitled to benefits under part A or enrolled under part B, or both, any of the following:

"(A) The Secretary, the medicare administrative contractor involved, or any fiduciary, officer, director, or employee of the Department of

Health and Human Services, or of such contractor.

"(B) The individual (or authorized representative).

"(C) The health care professional that provides the items or services involved in the case.

"(D) The institution at which the items or services (or treatment) involved in the case are provided.

"(E) The manufacturer of any drug or other item that is included in the items or services involved in the case.

independent contractors (but not fewer than 4 such contractors) to conduct reconsiderations consistent with the timeframes applicable under this subsection".

(a) IN GENERAL.—Section 1874A, as added by section 911(a)(1) and as amended by sections 912(b), 921(b)(1), and 921(c)(1), is further amended by adding at the end the following new subsection:

"(h) CONDUCT OF PREPAYMENT REVIEW.—

"(1) CONDUCT OF RANDOM PREPAYMENT REVIEW.—

"(A) IN GENERAL.—A medicare administrative contractor may conduct random prepayment review only to develop a contractor-wide or program-wide claims payment error rates or under such additional circumstances as may be provided under regulations, developed in consultation with providers of services and suppliers.

"(B) USE OF STANDARD PROTOCOLS WHEN CONDUCTING PREPAYMENT REVIEWS.—When a medicare administrative contractor conducts a random prepayment review, the contractor may conduct such review only in accordance with a standard protocol for random prepayment audits developed by the Secretary.

"(C) CONSTRUCTION.—Nothing in this paragraph shall be construed as preventing the denial of payments for

claims actually reviewed under a random prepayment review.

"(D) RANDOM PREPAYMENT REVIEW.—For purposes of this subsection, the term 'random prepayment review' means a demand for the production of records or documentation absent cause with respect to a claim.

"(2) LIMITATIONS ON NON-RANDOM PREPAYMENT REVIEW.—

"(A) LIMITATIONS ON INITIATION OF NON-RANDOM PREPAYMENT REVIEW.—A medicare administrative contractor may not initiate non-random prepayment review of a provider of services or supplier based on the initial identification by that provider of services or supplier of an improper billing practice unless there is a likelihood of sustained or high level of payment error (as defined in subsection (i)(3)(A)).

"(B) TERMINATION OF NON-RANDOM PREPAYMENT REVIEW.—The Secretary

shall issue regulations relating to the termination, including termination dates, of non-random prepayment review. Such regulations may vary such a termination date based upon the differences in the circumstances triggering prepayment review.".

(b) EFFECTIVE DATE.—

(1) IN GENERAL.—Except as provided in this subsection, the amendment made by subsection (a) shall take effect 1 year after the date of the enactment of this Act.

(2) DEADLINE FOR PROMULGATION OF CERTAIN REGULATIONS.—The Secretary shall first issue regulations under section 1874A(h) of the Social Security Act, as added by subsection (a), by not later than 1 year after the date of the enactment of this Act.

(3) APPLICATION OF STANDARD PROTOCOLS FOR RANDOM PREPAYMENT REVIEW.—Section 1874A(h)(1)(B) of the Social Security Act, as added by subsection (a), shall apply to random prepayment reviews

conducted on or after such date (not later than 1 year after the date of the enactment of this Act) as the Secretary shall specify.

(c) APPLICATION TO FISCAL INTERMEDIARIES AND CARRIERS.—The provisions of section 1874A(h) of the Social Security Act, as added by subsection (a), shall apply to each fiscal intermediary under section 1816 of the Social Security Act (42 U.S.C. 1395h) and each carrier under section 1842 of such Act (42 U.S.C. 1395u) in the same manner as they apply to medicare administrative contractors under such provisions.

SEC. 935. RECOVERY OF OVERPAYMENTS.

(a) IN GENERAL.—Section 1893 (42 U.S.C. 1395ddd) is amended by adding at the end the following new subsection:

"(f) RECOVERY OF OVERPAYMENTS.—

"(1) USE OF REPAYMENT PLANS.—

"(A) IN GENERAL.—If the repayment, within 30 days by a provider of services or supplier, of an overpayment under this title would constitute a hardship (as defined in sub-

paragraph (B)), subject to subparagraph (C), upon request of the provider of services or supplier the Secretary shall enter into a plan with the provider of services or supplier for the repayment (through offset or otherwise) of such overpayment over a period of at least 6 months but not longer than 3 years (or not longer than 5 years in the case of extreme hardship, as determined by the Secretary). Interest shall accrue on the balance through the period of repayment. Such plan shall meet terms and conditions determined to be appropriate by the Secretary.

"(B) HARDSHIP.—

"(i) IN GENERAL.—For purposes of subparagraph (A), the repayment of an overpayment (or overpayments) within 30 days is deemed to constitute a hardship if—

"(I) in the case of a provider of services that files

cost reports, the aggregate amount of the overpayments exceeds 10 percent of the amount paid under this title to the provider of services for the cost reporting period covered by the most recently submitted cost report; or

"(II) in the case of another provider of services or supplier, the aggregate amount of the overpayments exceeds 10 percent of the amount paid under this title to the provider of services or supplier for the previous calendar year.

"(ii) RULE OF APPLICATION.—The Secretary shall establish rules for the application of this subparagraph in the case of a provider of services or supplier that was not paid under this title during the previous year or was

paid under this title only during a portion of that year.

"(iii) TREATMENT OF PREVIOUS OVERPAYMENTS.—If a provider of services or supplier has entered into a repayment plan under subparagraph (A) with respect to a specific overpayment amount, such payment amount under the repayment plan shall not be taken into account under clause (i) with respect to subsequent overpayment amounts.

"(C) EXCEPTIONS.—Subparagraph (A) shall not apply if—

"(i) the Secretary has reason to suspect that the provider of services or supplier may file for bankruptcy or otherwise cease to do business or discontinue participation in the program under this title; or

"(ii) there is an indication of fraud or abuse committed against the program.

"(D) IMMEDIATE COLLECTION IF VIOLATION OF REPAYMENT PLAN.—If a provider of services or supplier fails to make a payment in accordance with a repayment plan under this paragraph, the Secretary may immediately seek to offset or otherwise recover the total balance outstanding (including applicable interest) under the repayment plan.

"(E) RELATION TO NO FAULT PROVISION.—Nothing in this paragraph shall be construed as affecting the application of section 1870(c) (relating to no adjustment in the cases of certain overpayments).

"(2) LIMITATION ON RECOUPMENT.—

"(A) IN GENERAL.—In the case of a provider of services or supplier that is determined to have received an overpayment under this title and that seeks a reconsideration by a qualified independent contractor on such determination under section 1869(b)(1), the Secretary may not take any ac-

tion (or authorize any other person, including any medicare contractor, as defined in subparagraph (C)) to recoup the overpayment until the date the decision on the reconsideration has been rendered. If the provisions of section 1869(b)(1) (providing for such a reconsideration by a qualified independent contractor) are not in effect, in applying the previous sentence any reference to such a reconsideration shall be treated as a reference to a redetermination by the fiscal intermediary or carrier involved.

"(B) COLLECTION WITH INTEREST.—Insofar as the determination on such appeal is against the provider of services or supplier, interest on the overpayment shall accrue on and after the date of the original notice of overpayment. Insofar as such determination against the provider of services or supplier is later reversed, the Secretary shall provide for repayment of

the amount recouped plus interest at the same rate as would apply under the previous sentence for the period in which the amount was recouped.

"(C) MEDICARE CONTRACTOR DEFINED.—For purposes of this subsection, the term 'medicare contractor' has the meaning given such term in section 1889(g).

"(3) LIMITATION ON USE OF EXTRAPOLATION.—A medicare contractor may not use extrapolation to determine overpayment amounts to be recovered by recoupment, offset, or otherwise unless—

"(A) there is a sustained or high level of payment error (as defined by the Secretary by regulation); or

"(B) documented educational intervention has failed to correct the payment error (as determined by the Secretary).

"(4) PROVISION OF SUPPORTING DOCUMENTATION.—In the case of a provider of services or supplier with respect to which amounts were previously overpaid,

a medicare contractor may request the periodic production of records or supporting documentation for a limited sample of submitted claims to ensure that the previous practice is not continuing.

"(5) CONSENT SETTLEMENT REFORMS.—

"(A) IN GENERAL.—The Secretary may use a consent settlement (as defined in subparagraph (D)) to settle a projected overpayment.

"(B) OPPORTUNITY TO SUBMIT ADDITIONAL INFORMATION BEFORE CONSENT SETTLEMENT OFFER.—Before offering a provider of services or supplier a consent settlement, the Secretary shall—

"(i) communicate to the provider of services or supplier—

"(I) that, based on a review of the medical records requested by the Secretary, a preliminary evaluation of those records indicates that there would be an overpayment;

"(II) the nature of the problems identified in such evaluation; and

"(III) the steps that the provider of services or supplier should take to address the problems; and

"(ii) provide for a 45-day period during which the provider of services or supplier may furnish additional information concerning the medical records for the claims that had been reviewed.

"(C) CONSENT SETTLEMENT OFFER.—The Secretary shall review any additional information furnished by the provider of services or supplier under subparagraph (B)(ii). Taking into consideration such information, the Secretary shall determine if there still appears to be an overpayment. If so, the Secretary—

"(i) shall provide notice of such determination to the pro-

vider of services or supplier, including an explanation of the reason for such determination; and

"(ii) in order to resolve the overpayment, may offer the provider of services or supplier—

"(I) the opportunity for a statistically valid random sample; or

"(II) a consent settlement.

The opportunity provided under clause (ii)(I) does not waive any appeal rights with respect to the alleged overpayment involved.

"(D) CONSENT SETTLEMENT DEFINED.—For purposes of this paragraph, the term 'consent settlement' means an agreement between the Secretary and a provider of services or supplier whereby both parties agree to settle a projected overpayment based on less than a statistically valid sample of claims and the provider of services or supplier agrees not to appeal the claims involved.

"(6) NOTICE OF OVER-UTILIZATION OF CODES.—The Secretary shall establish, in consultation with organizations representing the classes of providers of services and suppliers, a process under which the Secretary provides for notice to classes of providers of services and suppliers served by the contractor in cases in which the contractor has identified that particular billing codes may be overutilized by that class of providers of services or suppliers under the programs under this title (or provisions of title XI insofar as they relate to such programs).

"(7) PAYMENT AUDITS.—

"(A) WRITTEN NOTICE FOR POST-PAYMENT AUDITS.—Subject to subparagraph (C), if a medicare contractor decides to conduct a post-payment audit of a provider of services or supplier under this title, the contractor shall provide the provider of services or supplier with written notice (which may be in electronic form) of the intent to conduct such an audit.

"(B) EXPLANATION OF FINDINGS FOR ALL AUDITS.—Subject to subparagraph (C), if a medicare contractor audits a provider of services or supplier under this title, the contractor shall—

"(i) give the provider of services or supplier a full review and explanation of the findings of the audit in a manner that is understandable to the provider of services or supplier and permits the development of an appropriate corrective action plan;

"(ii) inform the provider of services or supplier of the appeal rights under this title as well as consent settlement options (which are at the discretion of the Secretary);

"(iii) give the provider of services or supplier an opportunity to provide additional information to the contractor; and

"(iv) take into account information provided, on a timely

basis, by the provider of services or supplier under clause (iii).

"(C) EXCEPTION.—Subparagraphs (A) and (B) shall not apply if the provision of notice or findings would compromise pending law enforcement activities, whether civil or criminal, or reveal findings of law enforcement-related audits.

"(8) STANDARD METHODOLOGY FOR PROBE SAMPLING.—The Secretary shall establish a standard methodology for medicare contractors to use in selecting a sample of claims for review in the case of an abnormal billing pattern.".

(b) EFFECTIVE DATES AND DEADLINES.—

(1) USE OF REPAYMENT PLANS.—Section 1893(f)(1) of the Social Security Act, as added by subsection (a), shall apply to requests for repayment plans made after the date of the enactment of this Act.

(2) LIMITATION ON RECOUPMENT.—Section 1893(f)(2) of the Social Security Act, as added by subsection (a), shall apply to

actions taken after the date of the enactment of this Act.

(4) PROVISION OF SUPPORTING DOCUMENTATION.—Section 1893(f)(4) of the Social Security Act, as added by subsection (a), shall take effect on the date of the enactment of this Act.

(5) CONSENT SETTLEMENT.—Section 1893(f)(5) of the Social Security Act, as added by subsection (a), shall apply to consent settlements entered into after the date of the enactment of this Act.

(6) NOTICE OF OVERUTILIZATION.—Not later than 1 year after the date of the enactment of this Act, the Secretary shall first establish the process for notice of overutilization of billing codes under section 1893A(f)(6) of the Social Security Act, as added by subsection (a).

(7) PAYMENT AUDITS.—Section 1893A(f)(7) of the Social Security Act, as added by subsection (a), shall apply to audits initiated after the date of the enactment of this Act.

(8) STANDARD FOR ABNORMAL BILLING PATTERNS.—Not later than 1 year after the date of the enactment of this Act, the Secretary shall first establish a standard methodology for selection of sample claims for abnormal billing patterns under section 1893(f)(8) of the Social Security Act, as added by subsection (a).

The Secretary shall monitor the performance of medicare administrative contractors in meeting the deadlines established under this subparagraph.

"(C) CONSULTATION BEFORE CHANGING PROVIDER ENROLLMENT FORMS.—The Secretary shall consult with providers of services and suppliers before making changes in the provider enrollment forms required of such providers and suppliers to be eligible to submit claims for which payment may be made under this title.

"(2) HEARING RIGHTS IN CASES OF DENIAL OR NON-RENEWAL.—A provider of services or supplier whose application to enroll (or, if applicable, to renew enrollment) under this title is denied may have a hearing and judicial review of such denial under the procedures that apply under subsection (h)(1)(A) to a provider of services that is dissatisfied with a determination by the Secretary.".

(b) EFFECTIVE DATES.—

(1) ENROLLMENT PROCESS.—The Secretary shall provide for the establishment of the enrollment process under section 1866(j)(1) of the Social Security Act, as added by subsection (a)(2), within 6 months after the date of the enactment of this Act.

(2) CONSULTATION.—Section 1866(j)(1)(C) of the Social Security Act, as added by subsection (a)(2), shall apply with respect to changes in provider enrollment forms made on or after January 1, 2004.

SEC. 937. PROCESS FOR CORRECTION OF MINOR ERRORS AND OMISSIONS WITHOUT PURSUING APPEALS PROCESS.

(a) CLAIMS.—The Secretary shall develop, in consultation with appropriate medicare contractors (as defined in section 1889(g) of the Social Security Act, as inserted by section 301(a)(1)) and representatives of providers of services and suppliers, a process whereby, in the case of minor errors or omissions (as defined by the Secretary) that are detected in the submission of claims under the programs under title XVIII of such Act, a provider of services or supplier is given an opportunity to correct such an error or omission without the need to initiate an appeal. Such process shall include the ability to resubmit corrected claims.

(b) PERMITTING USE OF CORRECTED AND SUPPLEMENTARY DATA.—

(1) IN GENERAL.—Section 1886(d)(10)(D)(vi) (42 U.S.C. 1395ww(d)(10)(D)(vi)) is amended by adding after subclause (II) at the end the following:

"Notwithstanding subclause (I), a hospital may submit, and the Secretary may accept upon verification, data that corrects or supplements the data described in such subclause without regard to whether the corrected or supplementary data relate to a cost report that has been settled.".

(2) EFFECTIVE DATE.—The amendment made by paragraph (1) shall apply to fiscal years beginning with fiscal year 2004.

(3) SUBMITTAL AND RESUBMITTAL OF APPLICATIONS PERMITTED FOR FISCAL YEAR 2004.—

(B) APPLICATION OF BUDGET NEUTRALITY.—If one or more hospital's applications are approved as a result of paragraph (1) and subparagraph (A) for fiscal year 2004, the Secretary shall make a proportional adjustment in the standardized amounts determined under section 1886(d)(3) of the Social Security Act (42 U.S.C. 1395ww(d)(3)) for fiscal year 2004 to assure that approval of such applications does not result in aggregate payments under section 1886(d) of such Act that are greater or less than those that would otherwise be made if paragraph (1) and subparagraph (A) did not apply.

SEC. 938. PRIOR DETERMINATION PROCESS FOR CERTAIN ITEMS AND SERVICES; ADVANCE BENEFICIARY NOTICES.

(a) IN GENERAL.—Section 1869 (42 U.S.C. 1395ff(b)), as amended by sections 521 and 522 of BIPA and section 933(d)(2)(B), is further amended by adding at the end the following new subsection:

"(h) PRIOR DETERMINATION PROCESS FOR CERTAIN ITEMS AND SERVICES.—

"(1) ESTABLISHMENT OF PROCESS.—

"(A) IN GENERAL.—With respect to a medicare administrative contractor that has a contract under section 1874A that provides for making payments under this title with respect to eligible items and services described in subparagraph (C), the Secretary shall establish a prior determination process that meets the requirements of this subsection and that shall be applied by such contractor in the case of eligible requesters.

"(2) SECRETARIAL FLEXIBILITY.—The Secretary shall establish by regulation reasonable limits on the categories of eligible items and services for which a prior determination of coverage may be requested under this subsection. In establishing such limits, the Secretary may consider the dollar amount involved with respect to the item or service, administrative costs and burdens, and other relevant factors.

"(3) REQUEST FOR PRIOR DETERMINATION.—

"(A) IN GENERAL.—Subject to paragraph (2), under the process established under this subsection an eligible requester may submit to the contractor a request for a determination, before the furnishing of an eligible item or service involved as to whether the item or service is covered under this title consistent with the applicable requirements of section

1862(a)(1)(A) (relating to medical necessity).

"(B) ACCOMPANYING DOCUMENTATION.—The Secretary may require that the request be accompanied by a description of the item or service, supporting documentation relating to the medical necessity for the item or service, and any other appropriate documentation. "(4) RESPONSE TO REQUEST.—

"(A) IN GENERAL.—Under such process, the contractor shall provide the eligible requester with written notice of a determination as to whether—

"(i) the item or service is so covered;

"(ii) the item or service is not so covered; or

"(iii) the contractor lacks sufficient information to make a coverage determination.

If the contractor makes the determination described in clause (iii), the contractor shall include in the notice a description of the additional information required to make the coverage determination.

"(B) DEADLINE TO RESPOND.—Such notice shall be provided within the same time period as the time period applicable to the contractor providing notice of initial determinations on a claim for benefits under subsection (a)(2)(A).

"(C) INFORMING BENEFICIARY IN CASE OF PHYSICIAN REQUEST.—In the case of a request in which an eligible requester is not the individual described in paragraph (1)(B)(ii), the process shall provide that the individual to whom the item or service is

proposed to be furnished shall be informed of any determination described in clause (ii) (relating to a determination of non-coverage) and the right (referred to in paragraph (6)(B)) to obtain the item or service and have a claim submitted for the item or service.

"(5) EFFECT OF DETERMINATIONS.—

"(A) BINDING NATURE OF POSITIVE DETERMINATION.—If the contractor makes the determination described in paragraph (4)(A)(i), such determination shall be binding on the contractor in the absence of fraud or evidence of misrepresentation of facts presented to the contractor.

"(B) NOTICE AND RIGHT TO REDETERMINATION IN CASE OF A DENIAL.—

"(i) IN GENERAL.—If the contractor makes the determination described in paragraph (4)(A)(ii)—

"(I) the eligible requester has the right to a redeter-

mination by the contractor on the determination that the item or service is not so covered; and

"(II) the contractor shall include in notice under paragraph (4)(A) a brief explanation of the basis for the determination, including on what national or local coverage or noncoverage determination (if any) the determination is based, and the right to such a redetermination.

"(ii) DEADLINE FOR REDETERMINATIONS.—The contractor shall complete and provide notice of such redetermination within the same time period as the time period applicable to the contractor providing notice of redeterminations relating to a claim for benefits under subsection (a)(3)(C)(ii).

"(6) LIMITATION ON FURTHER REVIEW.—

"(A) IN GENERAL.—Contractor determinations described in paragraph (4)(A)(ii) or (4)(A)(iii) (and redeterminations made under paragraph (5)(B)), relating to pre-service claims are not subject to further administrative appeal or judicial review under this section or otherwise.

"(B) DECISION NOT TO SEEK PRIOR DETERMINATION OR NEGATIVE DETERMINATION DOES NOT IMPACT RIGHT TO OBTAIN SERVICES, SEEK REIMBURSEMENT, OR APPEAL RIGHTS.—Nothing in this subsection shall be construed as affecting the right of an individual who—

"(i) decides not to seek a prior determination under this subsection with respect to items or services; or

"(ii) seeks such a determination and has received a determination described in paragraph (4)(A)(ii),

from receiving (and submitting a claim for) such items services and from obtaining administrative or judicial review respecting such claim under the other applicable provisions of this section. Failure to seek a prior determination under this subsection with respect to items and services shall not be taken into account in such administrative or judicial review.

"(C) NO PRIOR DETERMINATION AFTER RECEIPT OF SERVICES.—Once an individual is provided items and services, there shall be no prior determination under this subsection with respect to such items or services.".

(b) EFFECTIVE DATE; TRANSITION.—

(1) EFFECTIVE DATE.—The Secretary shall establish the prior determination process under the amendment made by subsection (a) in such a manner as to provide for the acceptance of requests for determinations under such process filed

not later than 18 months after the date of the enactment of this Act.

(2) TRANSITION.—During the period in which the amendment made by subsection (a) has become effective but contracts are not provided under section 1874A of the Social Security Act with medicare administrative contractors, any reference in section 1869(g) of such Act (as added by such amendment) to such a contractor is deemed a reference to a fiscal intermediary or carrier with an agreement under section 1816, or contract under section 1842, respectively, of such Act.

(3) LIMITATION ON APPLICATION TO SGR.—For purposes of applying section 1848(f)(2)(D) of the Social Security Act (42 U.S.C. 1395w–4(f)(2)(D)), the amendment made by subsection (a) shall not be considered to be a change in law or regulation.

(c) PROVISIONS RELATING TO ADVANCE BENEFICIARY NOTICES; REPORT ON PRIOR DETERMINATION PROCESS.—

(1) DATA COLLECTION.—The Secretary shall establish a process for the collection of information on the instances in which an advance beneficiary notice (as defined in paragraph (5)) has been provided and on instances in which a beneficiary indicates on such a notice that the beneficiary does not intend to seek to have the item or service that is the subject of the notice furnished.

(2) OUTREACH AND EDUCATION.—The Secretary shall establish a program of outreach and education for beneficiaries and providers of services and other persons on the appropriate use of advance beneficiary notices and coverage policies under the medicare program.

(3) GAO REPORT REPORT ON USE OF ADVANCE BENEFICIARY NOTICES.—Not later than 18 months after the date on which section 1869(g) of the Social Security Act (as added by subsection (a)) takes effect, the Comptroller General of the United States shall submit to Congress a report on the use of advance beneficiary notices

under title XVIII of such Act. Such report shall include information concerning the providers of services and other persons that have provided such notices and the response of beneficiaries to such notices.

(4) GAO REPORT ON USE OF PRIOR DETERMINATION PROCESS.—Not later than 18 months after the date on which section 1869(g) of the Social Security Act (as added by subsection (a)) takes effect, the Comptroller General of the United States shall submit to Congress a report on the use of the prior determination process under such section. Such report shall include—

(B) an evaluation of whether the process was useful for physicians (and other suppliers) and bene-

ficiaries, whether it was timely, and whether the amount of information required was burdensome to physicians and beneficiaries.

(5) ADVANCE BENEFICIARY NOTICE DEFINED.—In this subsection, the term "advance beneficiary notice" means a written notice provided under section 1879(a) of the Social Security Act (42 U.S.C. 1395pp(a)) to an individual entitled to benefits under part A or B of title XVIII of such Act before items or services are furnished under such part in cases where a provider of services or other person that would furnish the item or service believes that payment will not be made for some or all of such items or services under such title.

(a) IN GENERAL.—The Secretary may not implement any new documentation guidelines

for, or clinical examples of, evaluation and management physician services under the title XVIII of the Social Security Act on or after the date of the enactment of this Act unless the Secretary—
