

108TH CONGRESS
1ST SESSION

H. R. 2530

To authorize grants for community telecommunications infrastructure planning and market development, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JUNE 19, 2003

Mr. INSLIEE (for himself, Mr. DICKS, Mr. LARSEN of Washington, and Mr. BAIRD) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To authorize grants for community telecommunications infrastructure planning and market development, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Community Tele-
5 communications Planning Act of 2003”.

6 **SEC. 2. COMMUNITY TELECOMMUNICATIONS PLANNING**
7 **GRANTS.**

8 (a) **AUTHORITY TO MAKE GRANTS.**—Each Secretary
9 concerned may, using amounts authorized to be appro-

1 priated by the applicable paragraph of subsection (g),
2 make grants to eligible entities described in subsection (b)
3 for the community telecommunications infrastructure
4 planning and market development purposes described in
5 subsection (e).

6 (b) ELIGIBLE ENTITIES.—An entity eligible for a
7 grant under this section is any local or tribal government,
8 local non-profit entity, cooperative, public utility, or other
9 public entity that proposes to use the amount of the grant
10 for the community telecommunications infrastructure
11 planning and market development purposes described in
12 subsection (e).

13 (c) COMMUNITY TELECOMMUNICATIONS INFRA-
14 STRUCTURE PLANNING AND MARKET DEVELOPMENT.—
15 Amounts from a grant made under this section shall be
16 used for purposes of facilitating the development of a tele-
17 communications infrastructure and market development
18 plan for a locality by various means, including—

19 (1) by encouraging the involvement in the devel-
20 opment of the plan of interested elements of the
21 community concerned, including the business com-
22 munity, governments, telecommunications providers,
23 and secondary and, where applicable, post-secondary
24 educational institutions and their students;

1 (2) by enhancing the focus of the development
2 of the plan on a wide range of telecommunications
3 needs in the community concerned, including needs
4 relating to local business, education, health care, and
5 government;

6 (3) by enhancing the identification of a wide
7 range of potential solutions for such needs through
8 advanced telecommunications infrastructure; and

9 (4) by any other means that the Secretary con-
10 cerned considers appropriate.

11 (d) GRANT PRIORITY FOR PLANNING FOR RURAL
12 AND UNDERSERVED AREAS.—In making grants under
13 this section, each Secretary concerned shall give priority
14 to eligible entities that propose to use the grants for com-
15 munity telecommunications infrastructure planning and
16 market development for rural areas or underserved areas.

17 (e) ADMINISTRATION.—Each Secretary concerned
18 shall establish such administrative requirements for grants
19 under this section, including requirements for applications
20 for such grants, as such Secretary considers appropriate.
