## A BILL

To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2       tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE, FINDINGS, AND PURPOSE.**

4       (a) SHORT TITLE.—This Act may be cited as the  
5       “Rocky Flats Minerals Acquisition Act”.

6       (b) FINDINGS.—The Congress finds the following:

7           (1) Pursuant to the Rocky Flats Wildlife Ref-  
8       uge Act of 2001 (Subtitle F of Public Law 107-  
9       107), upon completion of its cleanup and closure,  
10       the Rocky Flats Environmental Technology Site, in

1 Colorado, will be transferred to the Department of  
2 the Interior and managed as a unit of the National  
3 Wildlife Refuge System.

4 (2) Acquisition by the United States of certain  
5 mineral rights associated with Rocky Flats is desir-  
6 able in order to—

7 (A) further sound management of the site  
8 as a wildlife refuge; and

9 (B) reduce the long-term responsibility of  
10 the Department of Energy.

11 (3) The likelihood of acquiring such rights will  
12 be increased by providing the Secretary of the Inter-  
13 ior with additional methods for completion of the  
14 acquisition.

15 (c) PURPOSE.—The purpose of this Act is to facil-  
16 iate acquisition of mineral and other rights associated  
17 with the Rocky Flats sites by authorizing the Secretary  
18 of the Interior to convey to the owners of such rights mon-  
19 etary credits or interests in certain public lands, instead  
20 of or in addition to making cash payments for such rights.

21 **SEC. 2. AUTHORITY TO ACQUIRE MINERAL INTERESTS.**
