A BILL

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Children’s Access to
5 Vision Act of 2003”.

6 **SEC. 2. FINDINGS.**

7 Congress finds as follows:

8 (1) Good vision is essential for proper physical
9 development and educational progress in growing
10 children.

1 (2) Many serious ocular conditions are treatable
2 if identified in the preschool and early school-aged
3 years.

4 (3) Early detection of ocular conditions provides
5 the best opportunity for effective, inexpensive treat-
6 ment and can have far reaching implications for vi-
7 sion.

8 (4) Vision screening programs will identify chil-
9 dren needing comprehensive eye examinations, and
10 these children should have access to these eye exami-
11 nations, as well as to subsequent treatment or serv-
12 ices necessary to correct vision problems.

13 **SEC. 3. GRANTS REGARDING COMPREHENSIVE EYE EXAMI-**
14 **NATIONS FOR CHILDREN.**

6 State will submit to the Secretary an evaluation of the
7 operations and activities carried out under the grant, in-
