IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 7, 2004

Mr. SWEENEY introduced the following bill; which was referred to the
Committee on Veterans' Affairs

A BILL

1 *Be it enacted by the Senate and House of Representa-*

5 countries staying in the United States, are on the
6 decline.

7 (3) This decline has serious implications for
8 jobs, industry, and national security in the United
9 States.

10 (4) Shortages in the science and technology
11 base of the United States will be addressed, in part,
12 by creating a scientific and technology doctoral
13 study program in math, science, engineering, and
14 technology for veterans.
