

108TH CONGRESS
1ST SESSION

H. RES. 403

Recognizing the 30th anniversary of the founding of the National Foundation
for Cancer Research.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 16, 2003

Mr. COOPER (for himself and Mr. KOLBE) submitted the following resolution;
which was referred to the Committee on Energy and Commerce

RESOLUTION

Recognizing the 30th anniversary of the founding of the
National Foundation for Cancer Research.

Whereas since its founding in 1973, the not-for-profit National Foundation for Cancer Research has provided more than \$200,000,000 to fund scientific research on all major types of cancer;

Whereas such research has been conducted by hundreds of doctors and scientists in dozens of different countries, yielding numerous research journal articles and helping countless patients;

Whereas the National Foundation for Cancer Research has aided innovation in the way that cancer research is conducted, instituting programs such as “Laboratory Without Walls” to promote the sharing of ideas and information across disciplines;

Whereas the National Foundation for Cancer Research funds the very early stages of basic cancer research for which funding from other sources is scarce; and

Whereas the research funded by the National Foundation for Cancer Research has led to breakthroughs that underlie much of the cutting-edge cancer research being conducted today: Now, therefore, be it
