Congress finds that—

(3) the United States made a commitment to the Three Affiliated Tribes of the Fort Berthold Indian Reservation to replace the lost infrastructure;

(4) on May 10, 1985, the Secretary of the Interior established the Garrison Unit Joint Tribal Advisory Committee to examine the effects of the Garrison Dam and Reservoir on the Fort Berthold Indian Reservation;

(5) the final report of the Committee issued on May 23, 1986, acknowledged the obligation of the Federal Government to replace the infrastructure destroyed by the Federal action;

(6) the Committee on Indian Affairs of the Senate—

(A) acknowledged the recommendations of the final report of the Committee in Senate Report No. 102–250; and

(B) stated that every effort should be made by the Administration and Congress to provide additional Federal funding to replace the lost infrastructure; and

(7) on August 30, 2001, the Chairman of the Three Affiliated Tribes testified before the Committee on Indian Affairs of the Senate that the promise to replace the lost infrastructure, particularly the hospital, still had not been kept.
