## IN THE SENATE OF THE UNITED STATES

OCTOBER 23, 2003

Mr. DASCHLE (for Mr. KERRY) introduced the following bill; which was read twice and referred to the Committee on Finance

---

# A BILL

To provide duty-free treatment for certain tuna.

1       *Be it enacted by the Senate and House of Representa-  
2       tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Fair Trade in Pouch  
5       Tuna Act of 2003”.

**6 SEC. 2. FINDINGS.**

7       Congress finds that—

8               (1) a strong relationship between the United  
9       States and the member nations of the Association of  
10      Southeast Asian Nations (ASEAN) is a force for  
11      stability and development in the Southeast Asian re-

1 gion and international trade is a critical element of  
2 this relationship;

3 (2) many of the ASEAN nations are important  
4 friends and allies in the ongoing fight against world  
5 terrorism;

6 (3) ASEAN nations provide a large portion of  
7 the processed tuna imported into the United States;

8 (4) such imports are subject to tariffs whereas  
9 tuna in airtight pouches imported from the bene-  
10 ficiary countries of the Andean Trade Promotion  
11 and Drug Eradication Act (Andean) are not;

12 (5) as a result, tuna in airtight pouches im-  
13 ported from ASEAN member nations is placed at a  
14 competitive disadvantage that has harmed the econo-  
15 mics of these nations and that will ultimately harm  
16 consumers in the United States; and

17 (6) eliminating tariffs on pouch tuna imported  
18 from the ASEAN countries in a quantity equal to  
19 the quantity imported from Andean countries will re-  
20 store fair trade in the pouch tuna market and will  
21 benefit United States consumers and the economies  
22 of the ASEAN nations.
