A BILL

To improve women's access to health care services and provide improved medical care by reducing the excessive burden the liability system places on the delivery of obstetrical and gynecological services.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the "Healthy Mothers and
5 Healthy Babies Access to Care Act of 2003".

1 **SEC. 2. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.**

2 (a) IN GENERAL.—Except as otherwise provided for
3 in this section, the time for the commencement of a health
4 care lawsuit shall be 3 years after the date of manifesta-
5 tion of injury or 1 year after the claimant discovers, or
6 through the use of reasonable diligence should have discov-
7 ered, the injury, whichever occurs first.

8 (b) GENERAL EXCEPTION.—The time for the com-
9 mencement of a health care lawsuit shall not exceed 3
10 years after the date of manifestation of injury unless the
11 tolling of time was delayed as a result of—

12 (1) fraud;

13 (2) intentional concealment; or

14 (3) the presence of a foreign body, which has no
15 therapeutic or diagnostic purpose or effect, in the
16 person of the injured person.

17 (c) MINORS.—An action by a minor shall be com-
18 menced within 3 years from the date of the alleged mani-
19 festation of injury except that if such minor is under the
20 full age of 6 years, such action shall be commenced within
21 3 years of the manifestation of injury, or prior to the
22 eighth birthday of the minor, whichever provides a longer
23 period. Such time limitation shall be tolled for minors for
24 any period during which a parent or guardian and a health
25 care provider or health care organization have committed

1 fraud or collusion in the failure to bring an action on be-
 2 half of the injured minor.

3 **SEC. 3. COMPENSATING PATIENT INJURY.**

4 (a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL
 5 ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any
 6 health care lawsuit, nothing in this Act shall limit the re-
 7 covery by a claimant of the full amount of the available
 8 economic damages, notwithstanding the limitation con-
 9 tained in subsection (b).

10 (b) ADDITIONAL NONECONOMIC DAMAGES.—In any
 11 health care lawsuit, the amount of noneconomic damages
 12 recovered, if otherwise available under applicable Federal
 13 or State law, may be as much as \$250,000, regardless of
 14 the number of parties against whom the action is brought
 15 or the number of separate claims or actions brought with
 16 respect to the same injury.

17 (c) NO DISCOUNT OF AWARD FOR NONECONOMIC
 18 DAMAGES.—In any health care lawsuit—

19 (1) an award for future noneconomic damages
 20 shall not be discounted to present value;

21 (2) the jury shall not be informed about the
 22 maximum award for noneconomic damages under
 23 subsection (b);

24 (3) an award for noneconomic damages in ex-
 25 cess of \$250,000 shall be reduced either before the

1 entry of judgment, or by amendment of the judgment
 2 ment after entry of judgment, and such reduction
 3 shall be made before accounting for any other reduction
 4 tion in damages required by law; and

5 (4) if separate awards are rendered for past
 6 and future noneconomic damages and the combined
 7 awards exceed \$250,000, the future noneconomic
 8 damages shall be reduced first.

9 (d) FAIR SHARE RULE.—In any health care lawsuit,
 10 each party shall be liable for that party's several share
 11 of any damages only and not for the share of any other
 12 person. Each party shall be liable only for the amount of
 13 damages allocated to such party in direct proportion to
 14 such party's percentage of responsibility. A separate judgment
 15 shall be rendered against each such party for the
 16 amount allocated to such party. For purposes of this section,
 17 the trier of fact shall determine the proportion of
 18 responsibility of each party for the claimant's harm.

19 **SEC. 4. MAXIMIZING PATIENT RECOVERY.**

20 (a) COURT SUPERVISION OF SHARE OF DAMAGES
 21 ACTUALLY PAID TO CLAIMANTS.—

22 (1) IN GENERAL.—In any health care lawsuit,
 23 the court shall supervise the arrangements for payment
 24 of damages to protect against conflicts of interest
 25 that may have the effect of reducing the

1 amount of damages awarded that are actually paid
 2 to claimants.

3 (2) CONTINGENCY FEES.—

4 (A) IN GENERAL.—In any health care law-
 5 suit in which the attorney for a party claims a
 6 financial stake in the outcome by virtue of a
 7 contingent fee, the court shall have the power
 8 to restrict the payment of a claimant's damage
 9 recovery to such attorney, and to redirect such
 10 damages to the claimant based upon the inter-
 11 ests of justice and principles of equity.

12 (B) LIMITATION.—The total of all contin-
 13 gent fees for representing all claimants in a
 14 health care lawsuit shall not exceed the fol-
 15 lowing limits:

16 (i) 40 percent of the first \$50,000 re-
 17 covered by the claimant(s).

18 (ii) $33\frac{1}{3}$ percent of the next \$50,000
 19 recovered by the claimant(s).

20 (iii) 25 percent of the next \$500,000
 21 recovered by the claimant(s).

22 (iv) 15 percent of any amount by
 23 which the recovery by the claimant(s) is in
 24 excess of \$600,000.

25 (b) APPLICABILITY.—

1 (1) IN GENERAL.—The limitations in subsection
 2 (a) shall apply whether the recovery is by judgment,
 3 settlement, mediation, arbitration, or any other form
 4 of alternative dispute resolution.

5 (2) MINORS.—In a health care lawsuit involving
 6 a minor or incompetent person, a court retains the
 7 authority to authorize or approve a fee that is less
 8 than the maximum permitted under this section.

9 (c) EXPERT WITNESSES.—

10 (1) REQUIREMENT.—No individual shall be
 11 qualified to testify as an expert witness concerning
 12 issues of negligence in any health care lawsuit
 13 against a defendant unless such individual—

14 (A) except as required under paragraph
 15 (2), is a health care professional who—

16 (i) is appropriately credentialed or li-
 17 censed in 1 or more States to deliver
 18 health care services; and

19 (ii) typically treats the diagnosis or
 20 condition or provides the type of treatment
 21 under review; and

22 (B) can demonstrate by competent evi-
 23 dence that, as a result of training, education,
 24 knowledge, and experience in the evaluation, di-
 25 agnosis, and treatment of the disease or injury

1 which is the subject matter of the lawsuit
2 against the defendant, the individual was sub-
3 stantially familiar with applicable standards of
4 care and practice as they relate to the act or
5 omission which is the subject of the lawsuit on
6 the date of the incident.

7 (2) PHYSICIAN REVIEW.—In a health care law-
8 suit, if the claim of the plaintiff involved treatment
9 that is recommended or provided by a physician
10 (allopathic or osteopathic), an individual shall not be
11 qualified to be an expert witness under this sub-
12 section with respect to issues of negligence con-
13 cerning such treatment unless such individual is a
14 physician.

15 (3) OTHER HEALTH CARE PROVIDERS.—With
16 respect to a lawsuit described in paragraph (1), a
17 court shall not permit an expert in one health care
18 provider field to testify against a defendant in an-
19 other health care provider field unless, in addition to
20 a showing of substantial familiarity in accordance
21 with paragraph (1)(B), there is a showing that the
22 standards of care and practice in the two health care
23 provider fields are similar.

24 (4) LIMITATION.—The limitations in this sub-
25 section shall not apply to expert witnesses testifying

1 as to the degree or permanency of medical or phys-
 2 ical impairment.

3 **SEC. 5. PROMOTING FAIRNESS IN RECOVERING HEALTH**
 4 **BENEFITS AND PREVENTING DOUBLE RECOV-**
 5 **ERIES.**

6 (a) IN GENERAL.—The amount of any damages re-
 7 ceived by a claimant in any health care lawsuit shall be
 8 reduced by the court by the amount of any collateral
 9 source benefits to which the claimant is entitled, less any
 10 insurance premiums or other payments made by the claim-
 11 ant (or by the spouse, parent, child, or legal guardian of
 12 the claimant) to obtain or secure such benefits.

13 (b) PRESERVATION OF CURRENT LAW.—Where a
 14 payor of collateral source benefits has a right of recovery
 15 by reimbursement or subrogation and such right is per-
 16 mitted under Federal or State law, subsection (a) shall
 17 not apply.

18 (c) APPLICATION OF PROVISION.—This section shall
 19 apply to any health care lawsuit that is settled or resolved
 20 by a fact finder.

21 **SEC. 6. PUNITIVE DAMAGES.**

22 (a) PUNITIVE DAMAGES PERMITTED.—

23 (1) IN GENERAL.—Punitive damages may, if
 24 otherwise available under applicable State or Federal
 25 law, be awarded against any person in a health care

lawsuit only if it is proven by clear and convincing evidence that such person acted with malicious intent to injure the claimant, or that such person deliberately failed to avoid unnecessary injury that such person knew the claimant was substantially certain to suffer.

(2) FILING OF LAWSUIT.—No demand for punitive damages shall be included in a health care lawsuit as initially filed. A court may allow a claimant to file an amended pleading for punitive damages only upon a motion by the claimant and after a finding by the court, upon review of supporting and opposing affidavits or after a hearing, after weighing the evidence, that the claimant has established by a substantial probability that the claimant will prevail on the claim for punitive damages.

(3) SEPARATE PROCEEDING.—At the request of any party in a health care lawsuit, the trier of fact shall consider in a separate proceeding—

(A) whether punitive damages are to be awarded and the amount of such award; and

(B) the amount of punitive damages following a determination of punitive liability.

If a separate proceeding is requested, evidence relevant only to the claim for punitive damages, as de-

1 terminated by applicable State law, shall be inadmis-
 2 sible in any proceeding to determine whether com-
 3 pensatory damages are to be awarded.

4 (4) LIMITATION WHERE NO COMPENSATORY
 5 DAMAGES ARE AWARDED.—In any health care law-
 6 suit where no judgment for compensatory damages
 7 is rendered against a person, no punitive damages
 8 may be awarded with respect to the claim in such
 9 lawsuit against such person.

10 (b) DETERMINING AMOUNT OF PUNITIVE DAM-
 11 AGES.—

12 (1) FACTORS CONSIDERED.—In determining
 13 the amount of punitive damages under this section,
 14 the trier of fact shall consider only the following:

15 (A) the severity of the harm caused by the
 16 conduct of such party;

17 (B) the duration of the conduct or any
 18 concealment of it by such party;

19 (C) the profitability of the conduct to such
 20 party;

21 (D) the number of products sold or med-
 22 ical procedures rendered for compensation, as
 23 the case may be, by such party, of the kind
 24 causing the harm complained of by the claim-
 25 ant;

1 (E) any criminal penalties imposed on such
2 party, as a result of the conduct complained of
3 by the claimant; and

4 (F) the amount of any civil fines assessed
5 against such party as a result of the conduct
6 complained of by the claimant.

7 (2) MAXIMUM AWARD.—The amount of punitive
8 damages awarded in a health care lawsuit may not
9 exceed an amount equal to two times the amount of
10 economic damages awarded in the lawsuit or
11 \$250,000, whichever is greater. The jury shall not
12 be informed of the limitation under the preceding
13 sentence.

14 (c) NO PUNITIVE DAMAGES FOR PRODUCTS THAT
15 COMPLY WITH FDA STANDARDS.—

16 (1) IN GENERAL.—No punitive damages may be
17 awarded against the manufacturer or distributor of
18 a medical product used in direct connection with the
19 provision of obstetrical or gynecological services
20 based on a claim that such product caused the
21 claimant's harm where—

22 (A)(i) such medical product was subject to
23 premarket approval or clearance by the Food
24 and Drug Administration with respect to the
25 safety of the formulation or performance of the

1 aspect of such medical product which caused
2 the claimant's harm or the adequacy of the
3 packaging or labeling of such medical product;
4 and

5 (ii) such medical product was so approved
6 or cleared; or

7 (B) such medical product is generally rec-
8 ognized among qualified experts as safe and ef-
9 fective pursuant to conditions established by the
10 Food and Drug Administration and applicable
11 Food and Drug Administration regulations, in-
12 cluding without limitation those related to pack-
13 aging and labeling, unless the Food and Drug
14 Administration has determined that such med-
15 ical product was not manufactured or distrib-
16 uted in substantial compliance with applicable
17 Food and Drug Administration statutes and
18 regulations.

19 (2) LIABILITY OF HEALTH CARE PROVIDERS.—

20 A health care provider who prescribes, or who dis-
21 penses pursuant to a prescription, a drug or device
22 (including blood products) approved by the Food
23 and Drug Administration for use in direct connec-
24 tion with the provision of obstetrical or gynecological
25 services shall not be named as a party to a product

1 liability lawsuit invoking such drug or device and
2 shall not be liable to a claimant in a class action
3 lawsuit against the manufacturer, distributor, or
4 product seller of such drug or device.

5 (3) PACKAGING.—In a health care lawsuit for
6 harm which is alleged to relate to the adequacy of
7 the packaging or labeling of a drug which is required
8 to have tamper-resistant packaging under regula-
9 tions of the Secretary (including labeling regulations
10 related to such packaging), the manufacturer or
11 product seller of the drug shall not be held liable for
12 punitive damages unless such packaging or labeling
13 is found by the trier of fact by clear and convincing
14 evidence to be substantially out of compliance with
15 such regulations.

16 (4) EXCEPTION.—Paragraph (1) shall not
17 apply in any health care lawsuit in which—

18 (A) a person, before or after premarket ap-
19 proval or clearance of such medical product,
20 knowingly misrepresented to or withheld from
21 the Food and Drug Administration information
22 that is required to be submitted under the Fed-
23 eral Food, Drug, and Cosmetic Act (21 U.S.C.
24 301 et seq.) or section 351 of the Public Health
25 Service Act (42 U.S.C. 262) that is material

1 and is causally related to the harm which the
2 claimant allegedly suffered; or

3 (B) a person made an illegal payment to
4 an official of the Food and Drug Administra-
5 tion for the purpose of either securing or main-
6 taining approval or clearance of such medical
7 product.

8 **SEC. 7. AUTHORIZATION OF PAYMENT OF FUTURE DAM-**
9 **AGES TO CLAIMANTS IN HEALTH CARE LAW-**
10 **SUITS.**

11 (a) IN GENERAL.—In any health care lawsuit, if an
12 award of future damages, without reduction to present
13 value, equaling or exceeding \$50,000 is made against a
14 party with sufficient insurance or other assets to fund a
15 periodic payment of such a judgment, the court shall, at
16 the request of any party, enter a judgment ordering that
17 the future damages be paid by periodic payments. In any
18 health care lawsuit, the court may be guided by the Uni-
19 form Periodic Payment of Judgments Act promulgated by
20 the National Conference of Commissioners on Uniform
21 State Laws.

22 (b) APPLICABILITY.—This section applies to all ac-
23 tions which have not been first set for trial or retrial be-
24 fore the effective date of this Act.

1 **SEC. 8. EFFECT ON OTHER LAWS.**

2 (a) GENERAL VACCINE INJURY.—

3 (1) IN GENERAL.—To the extent that title XXI
4 of the Public Health Service Act establishes a Fed-
5 eral rule of law applicable to a civil action brought
6 for a vaccine-related injury or death—

7 (A) this Act shall not affect the application
8 of the rule of law to such an action; and

9 (B) any rule of law prescribed by this Act
10 in conflict with a rule of law of such title XXI
11 shall not apply to such action.

12 (2) EXCEPTION.—If there is an aspect of a civil
13 action brought for a vaccine-related injury or death
14 to which a Federal rule of law under title XXI of
15 the Public Health Service Act does not apply, then
16 this Act or otherwise applicable law (as determined
17 under this Act) will apply to such aspect of such ac-
18 tion.

19 (b) SMALLPOX VACCINE INJURY.—

20 (1) IN GENERAL.—To the extent that part C of
21 title II of the Public Health Service Act establishes
22 a Federal rule of law applicable to a civil action
23 brought for a smallpox vaccine-related injury or
24 death—

25 (A) this Act shall not affect the application
26 of the rule of law to such an action; and

1 (B) any rule of law prescribed by this Act
 2 in conflict with a rule of law of such part C
 3 shall not apply to such action.

4 (2) EXCEPTION.—If there is an aspect of a civil
 5 action brought for a smallpox vaccine-related injury
 6 or death to which a Federal rule of law under part
 7 C of title II of the Public Health Service Act does
 8 not apply, then this Act or otherwise applicable law
 9 (as determined under this Act) will apply to such as-
 10 pect of such action.

11 (c) OTHER FEDERAL LAW.—Except as provided in
 12 this section, nothing in this Act shall be deemed to affect
 13 any defense available to a defendant in a health care law-
 14 suit or action under any other provision of Federal law.

15 **SEC. 9. STATE FLEXIBILITY AND PROTECTION OF STATES**
 16 **RIGHTS.**

17 (a) HEALTH CARE LAWSUITS.—The provisions gov-
 18 erning health care lawsuits set forth in this Act shall pre-
 19 empt, subject to subsections (b) and (c), State law to the
 20 extent that State law prevents the application of any pro-
 21 visions of law established by or under this Act. The provi-
 22 sions governing health care lawsuits set forth in this Act
 23 supersede chapter 171 of title 28, United States Code, to
 24 the extent that such chapter—

1 (1) provides for a greater amount of damages
2 or contingent fees, a longer period in which a health
3 care lawsuit may be commenced, or a reduced appli-
4 cability or scope of periodic payment of future dam-
5 ages, than provided in this Act; or

6 (2) prohibits the introduction of evidence re-
7 garding collateral source benefits.

8 (b) PREEMPTION OF CERTAIN STATE LAWS.—No
9 provision of this Act shall be construed to preempt any
10 State law (whether effective before, on, or after the date
11 of the enactment of this Act) that specifies a particular
12 monetary amount of compensatory or punitive damages
13 (or the total amount of damages) that may be awarded
14 in a health care lawsuit, regardless of whether such mone-
15 tary amount is greater or lesser than is provided for under
16 this Act, notwithstanding section 3(a).

17 (c) PROTECTION OF STATE’S RIGHTS AND OTHER
18 LAWS.—

19 (1) IN GENERAL.—Any issue that is not gov-
20 erned by a provision of law established by or under
21 this Act (including the State standards of neg-
22 ligence) shall be governed by otherwise applicable
23 Federal or State law.

24 (2) RULE OF CONSTRUCTION.—Nothing in this
25 Act shall be construed to—

(A) preempt or supersede any Federal or State law that imposes greater procedural or substantive protections for a health care provider, health care organization, or the manufacturer, distributor, supplier, marketer, promoter, or seller of a medical product from liability, loss, or damages than those provided by this Act;

(B) notwithstanding any other provision of this section, preempt or supercede any State law that provides for a specific monetary limit on total damages (including compensatory damages) that may be awarded in a health care lawsuit regardless of whether such monetary limit is greater or lesser than is provided for under this Act;

(C) create a cause of action that is not otherwise available under Federal or State law; or

(D) affect the scope of preemption of any other Federal law.

 14 distributor, supplier, marketer, promoter, or seller of
 15 a medical product (only with respect to a medical

 20 the number of claims or causes of action, in which
 21 the claimant alleges a health care liability claim.

22 (9) HEALTH CARE LIABILITY ACTION.—The
 23 term “health care liability action” means a civil ac-
