# RESOLUTION

Expressing the sense of the Senate that the United States should not support the February 20, 2004, elections in Iran and that the United States should advocate a democratic government in Iran that will restore freedom to the Iranian people and will abandon terrorism.

Whereas there is a long history of mutual affection, appreciation, and respect between the people of the United States and the people of Iran, including the incalculable efforts by the United States in providing humanitarian, financial, and technological assistance to help the people of Iran;

Whereas the people of Iran have shown support for decency and freedom, and solidarity with the United States, including the demonstration of such support through can-

dleight vigils attended by the youth of Iran in the wake of the September 11, 2001, attacks upon the United States;

Whereas the Council of Guardians is a 12-member unelected body that has arbitrarily disqualified thousands of candidates, including sitting Members of the Parliament of Iran and members of the reformist movement;

Whereas the elections scheduled to be held on February 20, 2004, in Iran are fatally flawed;

Whereas the brave efforts of the people of Iran to promote greater democracy and respect for human rights are being thwarted by the actions of the Council of Guardians;

Whereas the blatant interference of the Council of Guardians in the electoral process ensures that the elections scheduled for February 20, 2004, will be neither free nor fair; and

Whereas the circumstances in Iran clearly call into serious question whether pro-democratic reform within the regime of Iran is possible: Now, therefore, be it

1       *Resolved*, That it is the sense of the Senate that—

2           (1) the United States should not support the  
3       elections in Iran scheduled to take place on Feb-  
4       ruary 20, 2004, as such elections stifle the growth  
5       of the democratic forces in Iran and do not serve the  
6       national security interest of the United States;

7           (2) the support provided by the United States  
8       to Iran should be provided to the people of Iran; and

1           (3) the policy of the United States should be to  
2       advocate a democratic government in Iran that will  
3       restore freedom to the people of Iran, will abandon  
4       terrorism, will protect human rights, and will live in  
5       peace and security with the international commu-  
6       nity.
