## A BILL

To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Park Centen-  
5 nial Act”.

1 **SEC. 2. FINDINGS AND PURPOSE.**

2 (a) FINDINGS.—Congress finds the following:

3 (1) The National Park Service was established  
4 to conserve the national parks, their scenery, natural  
5 and historic objects, and wildlife for public enjoy-  
6 ment, in such manner and by such means as will  
7 leave them unimpaired for the enjoyment of future  
8 generations.

9 (2) The central purpose of the establishment of  
10 our national parks is being challenged by chronic  
11 funding shortfalls, which have created annual short-  
12 falls in operational funding that exceed  
13 \$600,000,000, and have amassed a maintenance  
14 backlog estimated by the General Accounting Office  
15 at between \$4,080,000,000 and \$6,800,000,000.

16 (3) Without providing the Park Service the re-  
17 sources necessary to operate and maintain our na-  
18 tional parks, future generations will—

19 (A) receive diminished visitor services;

20 (B) experience a continually weakening  
21 system that is less and less able to fulfill its  
22 mission; and

23 (C) inherit a National Park System that  
24 has been left to them in worse condition than  
25 it was left to their ancestors.

1           (4) The annual Congressional appropriations  
2 process has proved insufficient to fully address the  
3 debilitating funding shortfalls of the national parks,  
4 making it necessary to supplement what the appro-  
5 priations process is able to accomplish.

6           (5) It is necessary to ensure that fiscal re-  
7 sources devoted to the national parks are spent wise-  
8 ly and effectively, making strong congressional over-  
9 sight over annual appropriations extremely impor-  
10 tant.

11           (6) Congress can enhance the resources avail-  
12 able for national park operations and ensure ade-  
13 quate oversight over Park Service spending by re-  
14 moving from the appropriations process a series of  
15 funding responsibilities that are outside the core op-  
16 erating budgets for the national parks.

17           (b) PURPOSE.—The purpose of this Act is to elimi-  
18 nate the annual operating deficit and the maintenance  
19 backlog in the national parks by the centennial anniver-  
20 sary of the National Park System by enabling Congress  
21 to focus on overseeing and fully funding the core oper-  
22 ations of the national parks in the annual appropriations  
23 process.
