

109TH CONGRESS
2^D SESSION

H. R. 2110

IN THE SENATE OF THE UNITED STATES

SEPTEMBER 28, 2006

Received

NOVEMBER 13, 2006

Read twice and referred to the Committee on Energy and Natural Resources

AN ACT

To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE; FINDINGS; PURPOSE.**

2 (a) SHORT TITLE.—This Act may be cited as the
3 “Colorado Northern Front Range Mountain Backdrop
4 Protection Study Act”.

5 (b) FINDINGS.—Congress finds the following:

6 (1) Rising dramatically from the Great Plains,
7 the Front Range of the Rocky Mountains provides
8 a scenic mountain backdrop to many communities in
9 the Denver metropolitan area and elsewhere in Colo-
10 rado. The portion of the range within and adjacent
11 to the Arapaho and Roosevelt National Forests also
12 includes a diverse array of wildlife habitats and pro-
13 vides many opportunities for outdoor recreation.

14 (2) The open space character of this mountain
15 backdrop is an important esthetic and economic
16 asset for adjoining communities, making them at-
17 tractive locations for homes and businesses.

18 (3) Rapid population growth in the northern
19 Front Range area of Colorado is increasing rec-
20 reational use of the Arapaho and Roosevelt National
21 Forests and is also placing increased pressure for
22 development of other lands within and adjacent to
23 that national forest.

24 (4) Efforts by local governments and other enti-
25 ties have provided important protection for portions
26 of this mountain backdrop, especially in the northern

1 Denver metropolitan area. However, some portions
2 of the mountain backdrop in this part of Colorado
3 remain unprotected and are at risk of losing their
4 open space qualities.

5 (5) It is in the national interest for the Federal
6 Government, in collaboration with local communities,
7 to assist in identifying options for increasing the
8 protection of the mountain backdrop in the northern
9 Front Range area of Colorado.

10 (c) PURPOSE.—The purpose of this Act is to identify
11 options that may be available to assist in maintaining the
12 open space characteristics of lands that are part of the
13 mountain backdrop of communities in the northern section
14 of the Front Range area of Colorado.

15 **SEC. 2. COLORADO NORTHERN FRONT RANGE MOUNTAIN**
16 **BACKDROP STUDY.**

17 (a) STUDY AND REPORT.—The Secretary of Agri-
18 culture, acting through the Chief of the Forest Service and
19 in consultation with the State and local officials and agen-
20 cies specified in subsection (c), shall review the lands with-
21 in the study area and, not later than one year after the
22 date of the enactment of this Act, shall report to such
23 officials and to Congress regarding the following:

24 (1) The present ownership of such lands.

1 (2) Which undeveloped land may be at risk of
2 development.

3 (3) Actions that could be taken by the United
4 States, the State of Colorado or a political subdivi-
5 sion of such State, or any other parties to preserve
6 the open and undeveloped character of such lands.

7 (b) DEFINITIONS.—For the purposes of this section,
8 the following definitions apply:

9 (1) STUDY AREA.—The term “study area”
10 means those lands in southern Boulder, northern
11 Jefferson, and northern Gilpin Counties, Colorado,
12 that are situated west of Colorado State Highway
13 93, south and east of Colorado State Highway 119,
14 and north of Colorado State Highway 46, excluding
15 lands within the city limits of the cities of Boulder
16 or Golden, Colorado, as generally depicted on the
17 map entitled “Northern Front Range Mountain
18 Backdrop Study Area” dated April, 2006.

19 (2) UNDEVELOPED LAND.—The term “undevel-
20 oped land” means land that—

21 (A) is located within the study area;

22 (B) is free or primarily free of structures;

23 and

1 (C) the development of which is likely to
2 adversely affect the scenic, wildlife, or rec-
3 reational value of the study area.

4 (c) CONSULTATIONS.—In implementing this Act, the
5 Secretary shall consult with the following:

6 (1) The Colorado Department of Natural Re-
7 sources.

8 (2) Colorado State Forest Service.

9 (3) Colorado State Conservation Board.

10 (4) Great Outdoors Colorado.

11 (5) The Boards of County Commissioners of
12 Boulder, Jefferson, and Gilpin Counties, Colorado.

13 (d) RULE OF CONSTRUCTION.—Nothing in this Act
14 shall be construed as authorizing the Secretary of Agri-
15 culture to take any action that would affect the use of
16 any lands not owned by the United States.

 Passed the House of Representatives September 27,
2006.

Attest:

KAREN L. HAAS,

Clerk.
