 9 **SERVICE CORPS.**

10 Section 338H of the Public Health Service Act (42
 11 U.S.C. 254q) is amended by adding at the end the fol-
 12 lowing subsection:

13 “(d) TRAUMA CENTERS; SEPARATE AUTHORIZATION
 14 REGARDING SHORTAGES RESULTING FROM COSTS OF
 15 MEDICAL MALPRACTICE INSURANCE.—

16 “(1) IN GENERAL.—For the purpose of assign-
 17 ing Corps surgeons, obstetricians/gynecologists, and
 18 other health professionals to trauma centers in
 19 health professional shortage areas described in para-
 20 graph (2), there are authorized to be appropriated
 21 such sums as may be necessary for each of the fiscal
 22 years 2005 through 2008. Such authorization is in
 23 addition to any other authorization of appropriations
 24 that is available for such purpose.

1 “(2) DESCRIPTION OF AREAS.—A health pro-
2 fessional shortage area referred to in paragraph (1)
3 is such an area in which, as determined by the Sec-
4 retary, a medical facility in the area has lost its des-
5 ignation as a trauma center or as a particular level
6 of trauma center, or is at significant risk of losing
7 such a designation, as a result of one or more sur-
8 geons, obstetricians/gynecologists, or other health
9 professionals making the decision to cease or curtail
10 practicing at the facility because of the costs of
11 maintaining malpractice insurance. For purposes of
12 paragraph (1), (A) the term ‘trauma center’ includes
13 such a medical facility; and (B) the Secretary may
14 adjust the criteria for designation as a health profes-
15 sional shortage area to the extent necessary to make
16 funds appropriated under paragraph (1) available
17 with respect to any medical facility to ensure that
18 the facility does not lose any such designation as a
19 result of such decisions by health professionals.”.
