

109TH CONGRESS
1ST SESSION

H. R. 3447

To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, for the benefit of private landowners, State and local governments, and the public.

IN THE HOUSE OF REPRESENTATIVES

JULY 26, 2005

Mr. UDALL of Colorado introduced the following bill; which was referred to the Committee on Resources

A BILL

To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, for the benefit of private landowners, State and local governments, and the public.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE, FINDINGS, AND PURPOSE.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “Highway Claims Resolution Act of 2005”.

6 (b) FINDINGS.—Congress finds the following:

7 (1) In 1866, to assist in the opening of the
8 West for resource development and settlement, Con-

1 gress enacted a law that granted rights-of-way for
2 the construction of highways across public land not
3 reserved for public uses. That law was later included
4 in the Revised Statutes as section 2477 and thus be-
5 came popularly known as R.S. 2477.

6 (2) Section 706 of the Federal Land Policy and
7 Management Act of 1976 repealed R.S. 2477, but
8 did not terminate valid rights-of-way existing on the
9 date of the enactment of the Act.

10 (3) Between 1866 and 1976, millions of acres
11 of Federal lands were transferred to private parties
12 under the Homestead Act and other laws, while ad-
13 ditional millions of acres of Federal lands were
14 transferred to States and other parties.

15 (4) R.S. 2477 did not require notifying the
16 Federal Government or any other entity regarding
17 utilization of specific grants of highway rights-of-
18 way or documentation in the public land records re-
19 garding claims for such grants.

20 (5) Therefore, the number and location of
21 claimed highway rights-of-way under R.S. 2477 are
22 unknown. However, it is estimated that potential
23 claims for such rights-of-way could involve thou-
24 sands of square miles, including lands now owned by
25 private parties, States, and other non-Federal enti-

1 ties as well as large amounts of Federal lands, in-
2 cluding lands now used for military training and
3 testing and other national defense purposes as well
4 as lands that have been included in the National
5 Forest System, National Park System, National
6 Wildlife Refuge System, and National Wilderness
7 Preservation System.

8 (6) In recent years, controversies have arisen as
9 to whether certain claimed routes are valid highway
10 rights-of-way under R.S. 2477. This causes uncer-
11 tainty both for parties claiming to possess a prop-
12 erty interest in such routes and for the owners and
13 managers of the lands affected by such claimed
14 routes.

15 (7) Controversies related to claims under R.S.
16 2477 have been exacerbated by the absence of uni-
17 form Federal standards for review of such claims
18 and by court decisions that have failed to provide
19 consistent guidance. To address these problems, in
20 1992, Congress directed the Secretary of the Inte-
21 rior to study the history, impacts, and status of R.S.
22 2477 rights-of-way, study alternatives to such
23 rights-of-way, and make recommendations for as-
24 sessing claims for such rights-of-way.

1 (8) Pursuant to this directive, officials of the
2 Department of the Interior consulted with interested
3 parties in the public land States and held public
4 hearings in Alaska, California, Idaho, Oregon, Mon-
5 tana, Nevada, and Utah. In addition, the Depart-
6 ment received and reviewed more than 4,000 pages
7 of written comments.

8 (9) In June 1993, the Department of the Inte-
9 rior released the report of the results of its study to
10 Congress. The report highlighted the need for a
11 process whereby validly accepted rights-of-way could
12 be recognized and administered consistently and
13 fairly and recommended establishment of a uniform
14 administrative procedure and standards for deter-
15 mining within a specified period which claimed
16 rights-of-way were validly accepted under the R.S.
17 2477 grant from the Federal Government.

18 (10) It is in the interest of all who might be af-
19 fected, including private landowners, State and local
20 governments, and the public to provide consistent,
21 coherent guidance regarding evaluation and timely
22 resolution of claims for rights-of-way based on R.S.
23 2477.

24 (c) PURPOSE.—The purpose of this Act is to provide
25 certainty to affected private landowners, State and local

1 governments, and the public by establishing a deadline for
2 filing of claims for highway rights-of-way under R.S. 2477
3 and providing a process for consideration and resolution
4 of such claims.

12 National Wilderness Preservation System.

13 **SEC. 3. FILING OF A NOTICE OF CLAIM.**

14 (a) OPPORTUNITY TO FILE NOTICE OF A CLAIM.—
15 During the 4-year period beginning on the date of the en-
16 actment of this Act, a claimant asserting the existence and
17 validity of a right-of-way pursuant to R.S. 2477 across
18 lands owned or controlled by the United States or former
19 Federal lands may file a notice of a claim to that effect
20 pursuant to this section.

21 (b) CONTENTS OF A NOTICE OF A CLAIM.—A notice
22 of a claim filed under subsection (a) shall state the name
23 and address of the claimant, provide a general description
24 and general map of the location of the claimed R.S. 2477
25 right-of-way, and identify the county or counties in which

1 the right-of-way is claimed. A notice of claim filed under
2 subsection (a) involving former Federal lands shall include
3 the names of the owners of record of such lands.

4 (c) PLACE OF FILING.—

5 (1) INTERIOR DEPARTMENT.—A claimant may
6 file the notice of a claim either in the office of the
7 Secretary of the Interior in Washington, DC, or in
8 an office designated by the Secretary of the Interior
9 pursuant to paragraph (2) in each State where lands
10 are located upon which the R.S. 2477 right-of-way
11 is claimed to exist.

12 (2) STATE OFFICES.—No later than 30 days
13 after the date of enactment of this Act, the Sec-
14 retary of the Interior shall identify offices where no-
15 tices of claims may be filed in Alaska, Arizona, Cali-
16 fornia, Colorado, Idaho, Montana, Nevada, New
17 Mexico, Oregon, Utah, Washington, and Wyoming
18 and in addition may identify such offices in such
19 other States as the Secretary considers appropriate.

20 (3) OTHER FEDERAL DEPARTMENTS.—If a no-
21 tice filed pursuant to this section involves lands
22 owned by the United States, the Secretary of the In-
23 terior shall provide a copy of each notice to the head
24 of each Federal agency responsible for control or
25 management of such lands and, in the case of a no-

1 tice involving lands controlled by the Department of
2 Defense, also to the commanding officer of the mili-
3 tary installation having real property accountability
4 for such lands.

5 (4) FORMER FEDERAL LANDS.—In the case of
6 a claim involving former Federal lands, the claimant
7 shall provide to the current owner of record of the
8 lands a copy of the notice of the claim as filed pur-
9 suant to this section.

10 (5) COUNTY FILING.—A claimant shall provide
11 a copy of the notice of a claim or claims to the coun-
12 ty or counties where any portion of the claimed
13 right-of-way is purported to exist.

14 (6) AUTHORIZED OFFICER.—No later than 30
15 days after receipt from a claimant of a notice filed
16 pursuant to this section, the Secretary of the Inte-
17 rior shall notify the claimant regarding the identity
18 of the authorized officer who will be responsible for
19 the claim.

20 (d) PUBLICATION OF FILING.—The authorized offi-
21 cer shall regularly post the filings of notices of claims on
22 the authorized officer's agency Web site, shall publish in
23 the Federal Register a monthly list of the notices of claims
24 filed by State, shall monthly provide relevant counties a
25 list of the notices of claims filed within those counties, and

1 shall monthly publish a list of the notices of claims in a
2 newspaper of general distribution in the vicinity of such
3 claims. To the extent practicable, the authorized officer
4 shall also seek to specifically notify the current owners of
5 former Federal lands concerning claims affecting such
6 lands.”

7 (e) EFFECT OF FAILURE TO MEET NOTICE OF A
8 CLAIM FILING DEADLINE.—

9 (1) DEEMED RELINQUISHMENT OF RIGHTS.—

10 The failure of a claimant to timely file a notice of
11 a claim pursuant to this section shall be deemed to
12 constitute a relinquishment of any rights purported
13 to have been acquired under R.S. 2477 related to
14 that claim.

15 (2) REVIEW.—A deeming of a relinquishment
16 pursuant to paragraph (1) shall be subject to review
17 in the United States District Court for the District
18 of Columbia or the United States District Court in
19 the district within which the longest lineal portion of
20 an affected claim lies. Any action initiated in district
21 court pursuant to this paragraph shall be filed not
22 later than the date that is 7 years after the date of
23 enactment of this Act.

24 (f) EXEMPTION.—This section shall not apply with
25 respect to any claim or assertion based on R.S. 2477 that

1 has been the subject of any final determination of any
2 Federal court or agency. For purposes of this Act,
3 issuance of a document of disclaimer of interest or inter-
4 ests pursuant to section 315 of the Federal Land Policy
5 and Management Act of 1976 (43 U.S.C. 1745) shall not
6 constitute a final determination of a Federal agency.

7 **SEC. 4. OPPORTUNITY TO SUBMIT EVIDENCE IN SUPPORT**
8 **OF CLAIM.**

9 (a) DEADLINE.—Any claimant who timely files a no-
10 tice of a claim pursuant to section 3(a) shall submit evi-
11 dence in support of such claim no later than 6 years after
12 the date of the filing of such notice of claim.

13 (b) REQUIREMENTS.—Evidence submitted to the au-
14 thorized officer pursuant to subsection (a) shall include
15 at least the following:

16 (1) The name, affiliation, address, phone num-
17 ber (and facsimile number if available) of the claim-
18 ant.

19 (2) The names, affiliations, addresses, phone
20 numbers (and facsimile numbers if available) of all
21 persons or entities with property interests in land, as
22 shown on the real estate records of the counties in
23 which any portion of the claimed R.S. 2477 right-
24 of-way is located, over which the claimed R.S. 2477

1 right-of-way lies, or counties that might claim some
2 right, title, or interest in the right of way.

3 (3) Proof of notification of the claim to all such
4 persons and entities.

5 (4) Identification of the entity that would have
6 a property interest in the claimed R.S. 2477 right-
7 of-way.

8 (5) A description of the highway on which the
9 claim is based, including identification of the high-
10 way on an official State or local map, if available,
11 the name and number of the highway, if available,
12 beginning and ending points, existing surveys of the
13 highway, or portions thereof, or a survey of the
14 highway.

15 (6) Evidence that the claimed route is a high-
16 way.

17 (7) Evidence of construction of the highway,
18 which may include evidence of monetary expendi-
19 tures for highway construction.

20 (8) A statement of whether any photographs,
21 profiles, constructions, as-built or similar detail
22 maps or diagrams of the right-of-way, are available
23 and, if so, where such material may be viewed or
24 copies obtained.

1 (9) Evidence that the claimed right-of-way tra-
2 versed public land not reserved for public use at the
3 time construction of the highway occurred.

4 (c) ADDITIONAL EVIDENCE FOR CLAIMS INVOLVING
5 CONSERVATION LANDS, TRIBAL LANDS, DEPARTMENT OF
6 DEFENSE LANDS, AND FORMER FEDERAL LANDS.—In
7 addition to the evidence required in subsection (b), claim-
8 ants must also provide additional evidence when either of
9 the following applies to the claim:

10 (1) Where any portion of the claimed right-of-
11 way involves conservation lands, tribal lands, and
12 Department of Defense lands, evidence must be sub-
13 mitted to show that prior construction and con-
14 tinuing use of the lands for highway purposes were
15 so open and notorious on and after the date on
16 which the lands acquired such status that manage-
17 ment of such lands by the United States was in-
18 tended to be subject to continuation of the use of the
19 lands for highway purposes.

20 (2) Where any portion of the claimed right-of-
21 way involves former Federal lands, evidence must be
22 submitted to show that prior construction and con-
23 tinuing use of the lands for highway purposes were
24 so open and notorious on and after the date on
25 which the lands became former Federal lands that

1 the transfer of ownership by the United States was
2 intended to be subject to continuation of the use of
3 the lands for highway purposes.

4 (d) OPPORTUNITY TO SUPPLEMENT EVIDENCE.—If
5 the authorized officer determines that the evidentiary re-
6 quirements of this section have not been fully met with
7 regard to a claim, the authorized officer shall, within 10
8 days after the date in subsection (a), issue an order advis-
9 ing the claimant of the deficiencies and providing the
10 claimant an opportunity to provide supplementary evi-
11 dence within 30 days of the date of such order. If the
12 claimant fails to provide supplementary evidence by the
13 end of the 30 days, or if the authorized officer determines
14 that supplementary evidence provided within the 30 days
15 is insufficient, the authorized officer shall issue a final ad-
16 ministrative determination that the claim is deemed to
17 have been abandoned and that any rights purported to
18 have been acquired under R.S. 2477 with respect to the
19 claim have been relinquished and that therefore no further
20 administrative action is required with respect to the claim.
21 The authorized officer shall submit such final administra-
22 tive determination to the claimant and shall provide gen-
23 eral notification as per the requirements of section 3(d).
24 Such determination shall constitute final agency action

1 and shall be subject to judicial review pursuant to section
2 5(j).

3 **SEC. 5. DETERMINATIONS BY AUTHORIZED OFFICER.**

4 (a) REVIEW OF EVIDENCE.—If the authorized officer
5 determines that a claimant has submitted all the required
6 evidence with respect to a claim within the time allowed
7 for such submission, the authorized officer shall review the
8 evidence in order to determine whether the claim should
9 be considered presumptively valid.

10 (b) BURDEN OF PROOF.—In all cases, a claimant
11 shall have the burden to prove by a preponderance of the
12 evidence that the grant of a right-of-way pursuant to R.S.
13 2477 was validly accepted.

14 (c) PRIVATE AND OTHER NON-FEDERAL LANDS.—
15 If a claim or portion of a claim involves lands that as of
16 the time of the filing of the notice of the claim are former
17 Federal lands, the authorized officer shall determine the
18 claim to be presumptively valid if the claimant has met
19 the burden of proof specified in subsection (b) and has
20 demonstrated by clear and convincing evidence that on the
21 date on which the lands became former Federal lands
22 prior construction and continuing use of the claimed lands
23 for highway purposes were so open and notorious that
24 transfer of the lands by the United States was intended

1 to be subject to the continued use of the claimed lands
2 for highway purposes.

3 (d) CONSERVATION AND DEFENSE LANDS.—If a
4 claim or portion of a claim involves lands that as of the
5 time of the filing of the notice of the claim are conserva-
6 tion lands or defense lands, the authorized officer shall
7 determine the claim to be presumptively valid if the claim-
8 ant has met the burden of proof specified in subsection
9 (b) and has demonstrated by clear and convincing evidence
10 that on the date on which the lands acquired such status
11 prior construction and continuing use of the claimed lands
12 for highway purposes were so open and notorious that it
13 was intended that management of the lands for conserva-
14 tion or defense purposes would be subject to the continued
15 use of the claimed lands for highway purposes.

16 (e) TRIBAL LANDS.—If a claim or portion of a claim
17 involves lands that as of the time of the filing of the notice
18 of the claim are tribal lands, the authorized officer shall
19 determine the claim to be presumptively valid if the claim-
20 ant has met the burden of proof specified in subsection
21 (b) and has demonstrated by clear and convincing evidence
22 that on the date on which the lands acquired such status
23 prior construction and continuing use of the claimed lands
24 for highway purposes were so open and notorious that it

1 was intended that use of the claimed lands for highway
2 purposes would continue.

3 (f) OTHER LANDS.—If no portion of a claim involves
4 former Federal lands, conservation lands, defense lands,
5 or tribal lands, the authorized officer shall determine the
6 claim to be presumptively valid if the claimant has met
7 the burden of proof specified in subsection (b).

8 (g) DETERMINATIONS.—

9 (1) GENERAL RULE.—If the authorized officer
10 is unable to determine that a claim is presumptively
11 valid, the authorized officer shall determine that the
12 claim is invalid and that any rights purported to
13 have been acquired under R.S. 2477 with respect to
14 the claim have been relinquished and that therefore
15 no further administrative action on the claim is re-
16 quired.

17 (2) NOTIFICATION.—The authorized officer
18 shall notify in writing the claimant and each appro-
19 priate Federal agency and tribe regarding each de-
20 termination made pursuant to paragraph (1), and
21 shall provide general notification to the public and
22 affected parties of such determination pursuant to
23 the requirements of section 3(d).

24 (3) FINAL AGENCY ACTION; REVIEW.—A deter-
25 mination of the authorized officer pursuant to para-

1 graph (1) shall constitute final agency action, sub-
2 ject to review in the United States District Court for
3 the District of Columbia or the United States Dis-
4 trict Court in the district within which the longest
5 lineal portion of the claimed R.S. 2477 right-of-way
6 lies.

7 (4) FILING; LIMITED REVIEW.—Any action ini-
8 tiated in district court pursuant to paragraph (3)
9 shall be filed not later than 3 years after the date
10 of the written notice to the claimant from the au-
11 thorized officer. Judicial review of a determination
12 of an authorized officer under paragraph (3) shall be
13 limited to a review of the administrative record.

14 (5) If the authorized officer determines that a
15 claim is presumptively valid, the authorized officer
16 shall follow the procedures specified in subsection
17 (h).

18 (h) PRESUMPTIVELY VALID CLAIMS.—If the author-
19 ized officer determines that a claim is presumptively valid,
20 the authorized officer shall follow the following proce-
21 dures:

22 (1) If the authorized officer determines that a
23 claimant has submitted all the required evidence,
24 and has met the relevant burden of proof as re-
25 quired in this section with respect to a claim, the au-

1 thorized officer, subject to the requirement of section
2 6(g)(2), shall make a determination that the claim
3 is presumptively valid. Within 10 days after such de-
4 termination, the authorized officer shall notify the
5 claimant, each affected Federal agency, each county
6 or other political subdivision within which any por-
7 tion of such claim is located, and the public and af-
8 fected parties pursuant to section 3(d) regarding
9 each determination that a claim is presumptively
10 valid, and shall provide an opportunity for any per-
11 son or entity to file an objection to the determina-
12 tion.

13 (2) If within 180 days after the authorized offi-
14 cer's providing of notice pursuant to paragraph (1),
15 the authorized officer receives an objection to the de-
16 termination, the authorized officer shall notify the
17 claimant of such objection and of the opportunity to
18 provide a response thereto.

19 (3) During the period of 30 days after receipt
20 of a notification pursuant to paragraph (2), a claim-
21 ant shall be allowed to provide supplementary evi-
22 dence to the authorized officer that responds to the
23 objection.

24 (i) PUBLIC HEARING.—

1 (1) HEARING AT REQUEST OF PARTIES.—If ei-
2 ther the claimant or an objector submits a timely re-
3 quest for a public hearing regarding an objection to
4 a determination that a claim is presumptively valid,
5 the authorized officer shall conduct such a hearing
6 at a convenient time and location within the county
7 where the longest segment of the claim covered by
8 such a determination is located.

9 (2) TIMELY REQUESTS.—A request for a public
10 hearing described in paragraph (1) shall be consid-
