3	SEC. 3. MANAGEMENT OF ROCKY MOUNTAIN NATIONAL
4	PARK WILDERNESS.
5	(a) Management Generally.—Subject to valid ex-

7	2(a) or subsequently included in the Rocky Mountain Na-
8	tional Park Wilderness by section 2(c) shall be managed
9	by the Secretary of the Interior in accordance with the
10	Wilderness Act (16 U.S.C. 1131 et seq.) and this Act.
11	With respect to the lands designated as wilderness by sec-
12	tion 2(a), any reference in the Wilderness Act to the effec-
13	tive date of the Wilderness Act shall be deemed to be a
14	reference to the date of the enactment of this Act. With
15	respect to the lands subsequently included in the Rocky
16	Mountain National Park Wilderness by section 2(c), any
17	reference in the Wilderness Act to the effective date of
18	the Wilderness Act shall be deemed to be a reference to
19	the date on which the lands were included in the wilder-
20	ness area.
21	(b) Water Rights.—
22	(1) FINDINGS.—Congress finds the following:
23	(A) According to decisions of the courts of
24	the State of Colorado, the United States has ex-

- 1 isting rights to water within the Rocky Moun-2 tain National Park.
  - (B) Those rights are sufficient for the purposes of the Rocky Mountain National Park Wilderness as designated by section 2.
  - (C) In light of the findings in subparagraphs (A) and (B), there is no need for this Act to effect a reservation by the United States of any additional water rights to fulfill the purposes for which the Rocky Mountain National Park Wilderness is designated.
  - (2) No reservation.—Nothing in this Act or any action taken pursuant to this Act shall constitute either an express or implied reservation of water or water rights for any purpose.

### (c) Colorado-Big Thompson Project.—

(1) Current activities.—Activities on, under, or affecting the lands designated as wilderness by section 2 relating to the monitoring, operation, maintenance, repair, replacement, and use of the Colorado-Big Thompson Project and its facilities which were allowed as of June 1, 1998, shall be allowed to continue and shall not be affected by the designation of the lands as wilderness.

1 (2) New activities.—In addition to the activi-2 ties described in paragraph (1), any other activities 3 on, under, or affecting the lands designated as wilderness by section 2 that because of emergencies or 5 catastrophic events become necessary for the oper-6 ation, maintenance, repair, replacement, and contin-7 ued use of the Colorado-Big Thompson Project and 8 its facilities shall be allowed, subject only to reason-9 able restrictions which are established by the Sec-10 retary of the Interior to protect the wilderness values of the lands. In implementing this paragraph, 12 the Secretary shall not establish any restrictions on 13 the activities that would prevent the occurrence of 14 such necessary activities or that would reduce the 15 water supply provided by the Colorado-Big Thomp-16 son Project or the Windy Gap Project.

- (3) Relation to authority in act estab-LISHING PARK.—Nothing in the first section of the Act of January 26, 1915 (16 U.S.C. 191), shall be construed to allow development within the lands designated as wilderness by section 2 of any reclamation project not in existence as of the date of the enactment of this Act.
- 24 (d) No Buffer Zones.—Congress does not intend that the designation by this Act of the Rocky Mountain

- National Park Wilderness creates or implies the creation of protective perimeters or buffer zones around the wilder-3 ness area. The fact that nonwilderness activities or uses 4 can be seen or heard from within the wilderness area shall 5 not, of itself, preclude such activities or uses up to the boundary of the wilderness area. 6 SEC. 4.
