

109TH CONGRESS
2D SESSION

H. R. 5167

To amend the Child Nutrition Act of 1966 to improve the nutrition and health of schoolchildren by updating the definition of “food of minimal nutritional value” to conform to current nutrition science and to protect the Federal investment in the national school lunch and breakfast programs.

IN THE HOUSE OF REPRESENTATIVES

APRIL 6, 2006

Ms. WOOLSEY (for herself, Mr. SHAYS, Mr. CONYERS, Mrs. JOHNSON of Connecticut, Mr. GRIJALVA, Mr. FILNER, Mr. EVANS, Ms. WASSERMAN SCHULTZ, Mr. FARR, Mrs. CAPPS, Mr. POMEROY, and Ms. HERSETH) introduced the following bill; which was referred to the Committee on Education and the Workforce

A BILL

To amend the Child Nutrition Act of 1966 to improve the nutrition and health of schoolchildren by updating the definition of “food of minimal nutritional value” to conform to current nutrition science and to protect the Federal investment in the national school lunch and breakfast programs.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Child Nutrition Pro-
3 motion and School Lunch Protection Act of 2006”.

4 **SEC. 2. FINDINGS.**

5 Congress finds that—

6 (1) for a school food service program to receive
7 Federal reimbursements under the Child Nutrition
8 Act of 1966 (42 U.S.C. 1771 et seq.) or the Richard
9 B. Russell National School Lunch Act (42 U.S.C.
10 1751 et seq.), school meals served by that program
11 must meet science-based nutritional standards estab-
12 lished by Congress and the Secretary of Agriculture;

13 (2) foods sold individually outside the school
14 meal programs (including foods sold in vending ma-
15 chines, a la carte or snack lines, school stores, and
16 snack bars) are not required to meet comparable nu-
17 tritional standards;

18 (3) in order to promote child nutrition and
19 health, Congress—

20 (A) has authorized the Secretary to estab-
21 lish nutritional standards in the school lunch-
22 room during meal time; and

23 (B) since 1979, has prohibited the sale of
24 food of minimal nutritional value, as defined by
25 the Secretary, in areas where school meals are
26 sold or eaten;

1 (4) Federally-reimbursed school meals and child
2 nutrition and health are undermined by the uneven
3 authority of the Secretary to set nutritional stand-
4 ards throughout the school campus and over the
5 course of the school day;

6 (5) since 1979, when the Secretary defined the
7 term “food of minimal nutritional value” and pro-
8 mulgated regulations for the sale of those foods dur-
9 ing meal times, nutrition science has evolved and ex-
10 panded;

11 (6) the current definition of “food of minimal
12 nutritional value” is inconsistent with current knowl-
13 edge about nutrition and health;

14 (7) because some children purchase foods other
15 than balanced meals provided through the school
16 lunch program established under the Richard B.
17 Russell National School Lunch Act (42 U.S.C. 1751
18 et seq.) and the school breakfast program estab-
19 lished by section 4 of the Child Nutrition Act of
20 1966 (42 U.S.C. 1773), the efforts of parents to en-
21 sure that their children consume healthful diets are
22 undermined;

23 (8) experts in nutrition science have found
24 that—

1 (A) since 1980, rates of obesity have dou-
2 bled in children and tripled in adolescents;

3 (B) only 2 percent of children eat a
4 healthy diet that is consistent with Federal nu-
5 trition recommendations;

6 (C) 3 out of 4 high school students do not
7 eat the minimum recommended number of
8 servings of fruits and vegetables each day; and

9 (D) type 2 diabetes, which is primarily due
10 to poor diet and physical inactivity, is rising
11 rapidly in children;

12 (9) in 1996, children aged 2 to 18 years con-
13 sumed an average of 118 more calories per day than
14 similar children did in 1978, which is the equivalent
15 of 12 pounds of weight gain annually, if not com-
16 pensated for through increased physical activity; and

17 (10) according to the Surgeon General, the di-
18 rect and indirect costs of obesity in the United
19 States are \$117,000,000,000 per year.

20 **SEC. 3. FOOD OF MINIMAL NUTRITIONAL VALUE.**

21 Section 10 of the Child Nutrition Act of 1966 (42
22 U.S.C. 1779) is amended—

23 (1) by striking the section heading and all that
24 follows through “(a) The Secretary” and inserting
25 the following:

1 **“SEC. 10. REGULATIONS.**

2 “(a) IN GENERAL.—The Secretary”; and

3 (2) by striking subsections (b) and (c) and in-
4 serting the following:

5 “(b) FOOD OF MINIMAL NUTRITIONAL VALUE.—

6 “(1) PROPOSED REGULATIONS.—

7 “(A) IN GENERAL.—Not later than 180
8 days after the date of enactment of this para-
9 graph, the Secretary shall promulgate proposed
10 regulations to revise the definition of ‘food of
11 minimal nutritional value’ that is used to carry
12 out this Act and the Richard B. Russell Na-
13 tional School Lunch Act (42 U.S.C. 1751 et
14 seq.).

15 “(B) APPLICATION.—The revised defini-
16 tion of ‘food of minimal nutritional value’ shall
17 apply to all foods sold—

18 “(i) outside the school meal programs;

19 “(ii) on the school campus; and

20 “(iii) at any time during the school
21 day.

22 “(C) REQUIREMENTS.—In revising the
23 definition, the Secretary shall consider—

24 “(i) both the positive and negative
25 contributions of nutrients, ingredients, and
26 foods (including calories, portion size, satu-

1 rated fat, trans fat, sodium, and added
2 sugars) to the diets of children;

3 “(ii) evidence concerning the relation-
4 ship between consumption of certain nutri-
5 ents, ingredients, and foods to both pre-
6 venting and promoting the development of
7 overweight, obesity, and other chronic ill-
8 nesses;

9 “(iii) recommendations made by au-
10 thoritative scientific organizations con-
11 cerning appropriate nutritional standards
12 for foods sold outside of the reimbursable
13 meal programs in schools; and

14 “(iv) special exemptions for school-
15 sponsored fundraisers (other than fund-
16 raising through vending machines, school
17 stores, snack bars, a la carte sales, and
18 any other exclusions determined by the
19 Secretary), if the fundraisers are approved
20 by the school and are infrequent within the
21 school.

22 “(2) IMPLEMENTATION.—

23 “(A) EFFECTIVE DATE.—

24 “(i) IN GENERAL.—Except as pro-
25 vided in clause (ii), the proposed regula-

1 tions shall take effect at the beginning of
2 the school year following the date on which
3 the regulations are finalized.

4 “(ii) EXCEPTION.—If the regulations
5 are finalized on a date that is not more
6 than 60 days before the beginning of the
7 school year, the proposed regulations shall
8 take effect at the beginning of the fol-
9 lowing school year.

10 “(B) FAILURE TO PROMULGATE.—If, on
11 the date that is 1 year after the date of enact-
12 ment of this paragraph, the Secretary has not
13 promulgated final regulations, the proposed reg-
14 ulations shall be considered to be final regula-
15 tions.”.
