

109TH CONGRESS
1ST SESSION

H. R. 811

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 15, 2005

Mrs. CUBIN introduced the following bill; which was referred to the Committee on Resources

A BILL

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Soda Ash Royalty Re-

5 duction Act of 2005”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

8 (1) The combination of global competitive pres-

9 sures, flat domestic demand, and spiraling costs of

1 production threaten the future of the United States
2 soda ash industry.

3 (2) Despite booming world demand, growth in
4 United States exports of soda ash since 1997 has
5 been flat, with most of the world's largest markets
6 for such growth, including Brazil, the People's Re-
7 public of China, India, the countries of eastern Eu-
8 rope, and the Republic of South Africa, have been
9 closed by protectionist policies.

10 (3) The People's Republic of China is the prime
11 competitor of the United States in soda ash produc-
12 tion, and recently supplanted the United States as
13 the largest producer of soda ash in the world.

14 (4) Over 700 jobs have been lost in the United
15 States soda ash industry since the Department of
16 the Interior increased the royalty rate on soda ash
17 produced on Federal land, in 1996.

18 (5) Reduction of the royalty rate on soda ash
19 produced on Federal land will provide needed relief
20 to the United States soda ash industry and allow it
21 to increase export growth and competitiveness in
22 emerging world markets, and create new jobs in the
23 United States.

1 **SEC. 3. REDUCTION IN ROYALTY RATE ON SODA ASH.**

2 Notwithstanding section 102(a)(9) of the Federal
3 Land Policy Management Act of 1976 (43 U.S.C.
4 1701(a)(9)), section 24 of the Mineral Leasing Act (30
5 U.S.C. 262), and the terms of any lease under that Act,
6 the royalty rate on the quantity or gross value of the out-
7 put of sodium compounds and related products at the
8 point of shipment to market from Federal land in the 5-
9 year period beginning on the date of the enactment of this
10 Act shall be 2 percent.

11 **SEC. 4. STUDY.**

12 After the end of the 4-year period beginning on the
13 date of the enactment of this Act, and before the end of
14 the 5-year period beginning on that date, the Secretary
15 of the Interior shall report to the Congress on the effects
16 of the royalty reduction under this Act, including—

17 (1) the amount of sodium compounds and re-
18 lated products at the point of shipment to market
19 from Federal land during that 4-year period;

20 (2) the number of jobs that have been created
21 or maintained during the royalty reduction period;

22 (3) the total amount of royalty paid to the
23 United States on the quantity or gross value of the
24 output of sodium compounds and related products at
25 the point of shipment to market produced during

1 that 4-year period, and the portion of such royalty
2 paid to States; and

3 (4) a recommendation of whether the reduced
4 royalty rate should apply after the end of the 5-year
5 period beginning on the date of the enactment of
6 this Act.
