

109TH CONGRESS
1ST SESSION

H. R. 910

To amend title XIX of the Social Security Act to provide individuals with disabilities and older Americans with equal access to community-based attendant services and supports, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 17, 2005

Mr. DAVIS of Illinois (for himself and Mr. SHIMKUS) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend title XIX of the Social Security Act to provide individuals with disabilities and older Americans with equal access to community-based attendant services and supports, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “Medicaid Community-Based Attendant Services and
6 Support Act of 2005”.

7 (b) TABLE OF CONTENTS.—The table of contents for
8 this Act is as follows:

Sec. 1. Short title; table of contents.

Sec. 2. Findings and purposes.

TITLE I—ESTABLISHMENT OF MEDICAID PLAN BENEFIT

Sec. 101. Coverage of community-based attendant services and supports under the medicaid program.

Sec. 102. Enhanced FMAP for ongoing activities of early coverage States that enhance and promote the use of community-based attendant services and supports.

Sec. 103. Increased Federal financial participation for certain expenditures.

TITLE II—PROMOTION OF SYSTEMS CHANGE AND CAPACITY BUILDING

Sec. 201. Grants to promote systems change and capacity building.

Sec. 202. Demonstration project to enhance coordination of care under the medicare and medicaid programs for non-elderly dual eligible individuals.

1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) FINDINGS.—Congress makes the following find-
3 ings:

4 (1) Long-term services and supports provided
5 under the medicaid program established under title
6 XIX of the Social Security Act (42 U.S.C. 1396 et
7 seq.) must meet the ability and life choices of indi-
8 viduals with disabilities and older Americans, includ-
9 ing the choice to live in one's own home or with
10 one's own family and to become a productive mem-
11 ber of the community.

12 (2) Research on the provision of long-term serv-
13 ices and supports under the medicaid program (con-
14 ducted by and on behalf of the Department of
15 Health and Human Services) has revealed a signifi-
16 cant funding bias toward institutional care. Only
17 about 27 percent of long-term care funds expended

1 under the medicaid program, and only about 9 per-
2 cent of all funds expended under that program, pay
3 for services and supports in home and community-
4 based settings.

5 (3) In the case of medicaid beneficiaries who
6 need long-term care, the only long-term care service
7 currently guaranteed by Federal law in every State
8 is nursing home care. Only 27 States have adopted
9 the benefit option of providing personal care services
10 under the medicaid program. Although every State
11 has chosen to provide certain services under home
12 and community-based waivers, these services are un-
13 evenly available within and across States, and reach
14 a small percentage of eligible individuals. In fiscal
15 year 2000, only 3 States spent 50 percent or more
16 of their medicaid long-term care funds under the
17 medicaid program on home and community-based
18 care.

19 (4) Despite the funding bias and the uneven
20 distribution of home and community-based services,
21 2½ times more people are served in home and com-
22 munity-based settings than in institutional settings.

23 (5) The goals of the Nation properly include
24 providing families of children with disabilities, work-

1 ing-age adults with disabilities, and older Americans
2 with—

3 (A) a meaningful choice of receiving long-
4 term services and supports in the most inte-
5 grated setting appropriate to their needs;

6 (B) the greatest possible control over the
7 services received and, therefore, their own lives
8 and futures; and

9 (C) quality services that maximize inde-
10 pendence in the home and community, including
11 in the workplace.

12 (b) PURPOSES.—The purposes of this Act are the fol-
13 lowing:

14 (1) To reform the medicaid program established
15 under title XIX of the Social Security Act (42
16 U.S.C. 1396 et seq.) to provide equal access to com-
17 munity-based attendant services and supports.

18 (2) To provide financial assistance to States as
19 they reform their long-term care systems to provide
20 comprehensive statewide long-term services and sup-
21 ports, including community-based attendant services
22 and supports that provide consumer choice and di-
23 rection, in the most integrated setting appropriate.

8 “(3) ASSURANCE OF NONDISCRIMINATION.—
9 That the State will provide community-based attend-

12 individual’s age, type of disability, or the form of
13 community-based attendant services and supports
14 that the individual requires in order to lead an inde-

22 waiver under section 1915, section 1115, or
