## A BILL

To require the Secretary of the Treasury to mint coins in commemoration of the founding of America's National Parks, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Park Anni-  
5 versaries-Great American Spaces Commemorative Coin  
6 Act”.

7 **SEC. 2. FINDINGS.**

8 The Congress finds the following:

1           (1) The National Park Foundation is the con-  
2           gressionally-chartered nonprofit partner of America’s  
3           National Parks.

4           (2) The mission of the National Park Founda-  
5           tion is to strengthen the enduring connection be-  
6           tween the American people and their National Parks  
7           by raising private funds, making strategic grants,  
8           creating innovative partnerships, and increasing  
9           public awareness of National Parks.

10          (3) The parks represented in this program rep-  
11          resent some of the most beloved and treasured Na-  
12          tional Parks in America.

13          (4) The National Park Service was established  
14          in 1916, to preserve and protect great scenic parks  
15          such as Grand Canyon National Park and Yosemite  
16          National Park, and to manage battlefields such as  
17          Gettysburg National Military Park and historical  
18          sites such as the Lincoln Memorial.

19          (5) Theodore Roosevelt said that nothing short  
20          of defending this country in wartime “compares in  
21          importance with the great task of leaving this land  
22          even a better land for our descendants than it is for  
23          us”.

24          (6) National Parks established under the presi-  
25          dency of Theodore Roosevelt, such as Grand Canyon

1 National Park and Devils Tower National Monu-
