1ST SESSION

H. RES. 552

Recognizing the 50th Anniversary of the Crop Science Society of America.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 15, 2005

Ms. BALDWIN submitted the following resolution; which was referred to the
Committee on Agriculture

RESOLUTION

Recognizing the 50th Anniversary of the Crop Science
Society of America.

Whereas the Crop Science Society of America was founded in
1955, with Gerald O. Mott as its first President;

Whereas the Crop Science Society of America is one of the
premier scientific societies in the world, as shown by its
world-class journals, international and regional meetings,
and development of a broad range of educational oppor-
tunities;

Whereas the science and scholarship of the Crop Science So-
ciety of America are mission-directed, with the goal of
addressing agricultural challenges facing humanity;

Whereas the Crop Science Society of America significantly
contributes to the scientific and technical knowledge nec-

essary to protect and sustain natural resources in the United States;

Whereas the Crop Science Society of America plays a key role internationally in developing sustainable agricultural management and biodiversity conservation for the protection and sound management of the crop resources of the world;

Whereas the mission of the Crop Science Society of America continues to expand, from the development of sustainable production of food and forage, to the production of renewable energy and novel industrial products;

Whereas, in industry, extension, and basic research, the Crop Science Society of America has fostered a dedicated professional and scientific community that includes more than 3,000 members; and

Whereas the American Society of Agronomy was the parent society that led to the formation of both the Crop Science Society of America and the Soil Science Society of America and fostered the development of the common overall management of the three sister societies: Now, therefore, be it
