---

## A BILL

To provide for paid sick leave to ensure that Americans can address their own health needs and the health needs of their families.

1        *Be it enacted by the Senate and House of Representa-*  
2        *tives of the United States of America in Congress assembled,*

3        **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Healthy Families Act”.

5        **SEC. 2. FINDINGS.**

6        Congress makes the following findings:

7                (1) Working Americans need to take time off  
8        for their own health care needs or to perform essen-

1 tial caretaking responsibilities for a wide range of  
2 family members, including, among others, their chil-  
3 dren, spouse, parents, and parents-in-law, and other  
4 children and adults for whom they are caretakers.

5 (2) Health care needs include preventive health  
6 care, diagnostic procedures, medical treatment, and  
7 recovery in response to short- and long-term ill-  
8 nesses and injuries.

9 (3) Providing employees time off to tend to  
10 their own health care needs ensures that they will be  
11 healthier in the long run. Preventive care helps avoid  
12 illnesses and injuries and routine medical care helps  
13 detect illnesses early and shorten the duration of ill-  
14 nesses.

15 (4) When parents are available to care for their  
16 children who become sick, children recover faster,  
17 more serious illnesses are prevented, and children's  
18 overall mental and physical health are improved.  
19 Parents who cannot afford to miss work and must  
20 send children with a contagious illness to child care  
21 or school contribute to the high rate of infections in  
22 child care centers and schools.

23 (5) Providing paid sick leave improves public  
24 health by reducing infectious disease. Policies that  
25 make it easier for sick adults and children to be iso-

1       lated at home reduce the spread of infectious dis-  
2       ease.

3           (6) Routine medical care results in savings by  
4       decreasing medical costs by detecting and treating  
5       illness and injury early, decreasing the need for  
6       emergency care. These savings benefit public and  
7       private payers of health insurance, including private  
8       businesses.

9           (7) The provision of individual and family sick  
10      leave by large and small businesses, both here in the  
11      United States and elsewhere, demonstrates that pol-  
12      icy solutions are both feasible and affordable in a  
13      competitive economy. Measures that ensure that em-  
14      ployees are both in good health themselves and do  
15      not need to worry about unmet family health prob-  
16      lems help businesses by promoting productivity and  
17      reducing employee turnover.

18          (8) The American Productivity Audit found  
19      that presenteeism—the practice of employees coming  
20      to work despite illness—costs \$180,000,000,000 an-  
21      nually in lost productivity. Studies in the *Journal of*  
22      *Occupational and Environmental Medicine*, the *Em-*  
23      *ployee Benefit News*, and the *Harvard Business Re-*  
24      *view* show that presenteeism is a larger productivity

1 drain than either absenteeism or short-term dis-  
2 ability.

3 (9) The absence of sick leave has forced Ameri-  
4 cans to make untenable choices between needed in-  
5 come and jobs on the one hand and caring for their  
6 own and their family's health on the other.

7 (10) The majority of middle income Americans  
8 lack paid leave for self-care or to care for a family  
9 member. Low-income Americans are significantly  
10 worse off. Of the poorest families (the lowest quar-  
11 tile), 76 percent lack regular sick leave. For families  
12 in the next 2 quartiles, 63 percent and 54 percent,  
13 respectively lack regular sick leave. Even in the  
14 highest income quartile, 40 percent of families lack  
15 regular sick leave. Less than 1/2 of workers who have  
16 paid sick leave can use it to care for ill children.

17 (11) It is in the national interest to ensure that  
18 Americans from all demographic groups can care for  
19 their own health and the health of their families  
20 while prospering at work.

21 (12) Due to the nature of the roles of men and  
22 women in society, the primary responsibility for fam-  
23 ily caretaking often falls on women, and such re-  
24 sponsibility affects the working lives of women more  
25 than it affects the working lives of men.

1           (13) Although women are still primarily respon-  
2           sible for family caretaking, an increasing number of  
3           men are taking on caretaking obligations, and men  
4           who request leave time for caretaking purposes are  
5           often denied accommodation or penalized because of  
6           stereotypes that caretaking is only “women’s work”.

7           (14) Employers’ reliance on persistent stereo-  
8           types about the “proper” roles of both men and  
9           women in the workplace and in the home—

10                   (A) creates a cycle of discrimination that  
11                   forces women to continue to assume the role of  
12                   primary family caregiver; and

13                   (B) fosters stereotypical views among em-  
14                   ployers about women’s commitment to work and  
15                   their value as employees.

16           (15) Employment standards that apply to only  
17           one gender have serious potential for encouraging  
18           employers to discriminate against employees and ap-  
19           plicants for employment who are of that gender.

20 **SEC. 3. PURPOSES.**

21           The purposes of this Act are—

22                   (1) to ensure that all working Americans can  
23                   address their own health needs and the health needs  
24                   of their families by requiring employers to provide a

1 minimum level of paid sick leave including leave for  
2 family care;

3 (2) to diminish public and private health care  
4 costs by enabling workers to seek early and routine  
5 medical care for themselves and their family mem-  
6 bers;

7 (3) to accomplish the purposes described in  
8 paragraphs (1) and (2) in a manner that is feasible  
9 for employers; and

10 (4) consistent with the provision of the 14th  
11 amendment to the Constitution relating to equal  
12 protection of the laws, and pursuant to Congress'  
13 power to enforce that provision under section 5 of  
14 that amendment—

15 (A) to accomplish the purposes described  
16 in paragraphs (1) and (2) in a manner that  
17 minimizes the potential for employment dis-  
18 crimination on the basis of sex by ensuring gen-  
19 erally that leave is available for eligible medical  
20 reasons on a gender-neutral basis; and

21 (B) to promote the goal of equal employ-  
22 ment opportunity for women and men.

21 **SEC. 5. PROVISION OF PAID SICK LEAVE.**

22 (a) IN GENERAL.—An employer shall provide for  
23 each employee employed by the employer not less than—

24 (1) 7 days of sick leave with pay annually for  
25 employees working 30 or more hours per week; or

1           (2) a pro rata number of days or hours of sick

5 basis; or

6                   (B) 1,500 hours throughout the year in-  
7 volved.

8 (b) ACCRUAL.—

9           (1) PERIOD OF ACCRUAL.—Sick leave provided  
10 for under this section shall accrue as determined ap-  
11 propriate by the employer, but not on less than a  
12 quarterly basis.

13           (2) ACCUMULATION.—Accrued sick leave pro-  
14 vided for under this section shall carry over from  
15 year to year, but this Act shall not be construed to  
16 require an employer to permit an employee to accu-  
17 mulate more than 7 days of the sick leave.

18           (3) USE.—The sick leave may be used as ac-  
19 crued. The employer, at the discretion of the em-  
20 ployer, may loan the sick leave to the employee in  
21 advance of accrual by such employee.

22 (c) CALCULATION.—

23           (1) LESS THAN A FULL WORKDAY.—Unless the  
24 employer and employee agree to designate otherwise,

1 for periods of sick leave that are less than a normal  
2 workday, that leave shall be counted—

3 (A) on an hourly basis; or

4 (B) in the smallest increment that the em-  
5 ployer's payroll system uses to account for ab-  
6 sences or use of leave.

7 (2) VARIABLE SCHEDULE.—If the schedule of  
8 an employee varies from week to week, a weekly av-  
9 erage of the hours worked over the 12-week period  
10 prior to the beginning of a sick leave period shall be  
11 used to calculate the employee's normal workweek  
12 for the purpose of determining the amount of sick  
13 leave to which the employee is entitled.

14 (d) USES.—Sick leave accrued under this section may  
15 be used by an employee for any of the following:

16 (1) An absence resulting from a physical or  
17 mental illness, injury, or medical condition of the  
18 employee.

19 (2) An absence resulting from obtaining profes-  
20 sional medical diagnosis or care, or preventive med-  
21 ical care, for the employee subject to the require-  
22 ment of subsection (e).

23 (3) An absence for the purpose of caring for a  
24 child, a parent, a spouse, or any other individual re-  
25 lated by blood or affinity whose close association

1 with the employee is the equivalent of a family rela-  
2 tionship, who—

3 (A) has any of the conditions or needs for  
4 diagnosis or care described in paragraph (1) or  
5 (2); and

6 (B) in the case of someone who is not a  
7 child, is otherwise in need of care.

8 (e) SCHEDULING.—An employee shall make a reason-  
9 able effort to schedule leave under paragraphs (2) and (3)  
10 of subsection (d) in a manner that does not unduly disrupt  
11 the operations of the employer.

12 (f) PROCEDURES.—

13 (1) IN GENERAL.—Paid sick leave shall be pro-  
14 vided upon the oral or written request of an em-  
15 ployee. Such request shall—

16 (A) include a reason for the absence in-  
17 volved and the expected duration of the leave;

18 (B) in a case in which the need for leave  
19 is foreseeable at least 7 days in advance of such  
20 leave, be provided at least 7 days in advance of  
21 such leave; and

22 (C) otherwise, be provided as soon as prac-  
23 ticable after the employee is aware of the need  
24 for such leave.

25 (2) CERTIFICATION.—

1 (A) PROVISION.—

2 (i) IN GENERAL.—Subject to subpara-  
3 graph (C), an employer may require that a  
4 request for leave be supported by a certifi-  
5 cation issued by the health care profes-  
6 sional of the eligible employee or of an in-  
7 dividual described in subsection (d)(3), as  
8 appropriate, if the leave period covers more  
9 than 3 consecutive workdays.

10 (ii) TIMELINESS.—The employee shall  
11 provide a copy of such certification to the  
12 employer in a timely manner, not later  
13 than 30 days after the first day of the  
14 leave. The employer shall not delay the  
15 commencement of the leave on the basis  
16 that the employer has not yet received the  
17 certification.

18 (B) SUFFICIENT CERTIFICATION.—

19 (i) IN GENERAL.—A certification pro-  
20 vided under subparagraph (A) shall be suf-  
21 ficient if it states—

22 (I) the date on which the leave  
23 will be needed;

24 (II) the probable duration of the  
25 leave;

1 (III) the appropriate medical  
2 facts within the knowledge of the  
3 health care provider regarding the  
4 condition involved, subject to clause  
5 (ii); and

6 (IV)(aa) for purposes of leave  
7 under subsection (d)(1), a statement  
8 that leave from work is medically nec-  
9 essary;

10 (bb) for purposes of leave under  
11 subsection (d)(2), the dates on which  
12 testing for a medical diagnosis or care  
13 is expected to be given and the dura-  
14 tion of such testing or care; and

15 (cc) for purposes of leave under  
16 subsection (d)(3), in the case of leave  
17 to care for someone who is not a  
18 child, a statement that care is needed  
19 for an individual described in such  
20 subsection, and an estimate of the  
21 amount of time that such care is  
22 needed for such individual.

23 (ii) LIMITATION.—In issuing a certifi-  
24 cation under subparagraph (A), a health  
25 care provider shall make reasonable efforts

1 to limit the medical facts described in  
2 clause (i)(III) that are disclosed in the cer-  
3 tification to the minimum necessary to es-  
4 tablish a need for the employee to utilize  
5 paid sick leave.

6 (C) REGULATIONS.—Regulations pre-  
7 scribed under section 13 shall specify the man-  
8 ner in which an employee who does not have  
9 health insurance shall provide a certification for  
10 purposes of this paragraph.

11 (D) CONFIDENTIALITY AND NONDISCLO-  
12 SURE.—

13 (i) PROTECTED HEALTH INFORMA-  
14 TION.—Nothing in this Act shall be con-  
15 strued to require a health care provider to  
16 disclose information in violation of section  
17 1177 of the Social Security Act (42 U.S.C.  
18 1320d–6) or the regulations promulgated  
19 pursuant to section 264(c) of the Health  
20 Insurance Portability and Accountability  
21 Act (42 U.S.C. 1320d–2 note).

22 (ii) HEALTH INFORMATION  
23 RECORDS.—If an employer possesses  
24 health information about an employee or  
25 an employee’s child, parent, spouse or

1 other individual described in subsection  
2 (d)(3), such information shall—

3 (I) be maintained on a separate  
4 form and in a separate file from other  
5 personnel information;

6 (II) be treated as a confidential  
7 medical record; and

8 (III) not be disclosed except to  
9 the affected employee or with the per-  
10 mission of the affected employee.

11 (g) CURRENT LEAVE POLICIES.—

12 (1) EQUIVALENCY REQUIREMENT.—An em-  
13 ployer with a leave policy providing paid leave op-  
14 tions shall not be required to modify such policy, if  
15 such policy offers an employee the option, at the em-  
16 ployee's discretion, to take paid sick leave that is at  
17 least equivalent to the sick leave described in para-  
18 graphs (1) and (2) of subsection (a) and subsection  
19 (d), or if the policy offers paid leave (in amounts  
20 equivalent to the amounts described in such para-  
21 graphs) for purposes that include the reasons de-  
22 scribed in subsection (d).

23 (2) NO ELIMINATION OR REDUCTION OF  
24 LEAVE.—An employer may not eliminate or reduce  
25 leave in existence on the date of enactment of this

1 Act, regardless of the type of such leave, in order to  
2 comply with the provisions of this Act.

3 **SEC. 6. POSTING REQUIREMENT.**

4 (a) IN GENERAL.—Each employer shall post and  
5 keep posted a notice, to be prepared or approved in ac-  
6 cordance with procedures specified in regulations pre-  
7 scribed under section 13, setting forth excerpts from, or  
8 summaries of, the pertinent provisions of this Act includ-  
9 ing—

10 (1) information describing leave available to  
11 employees under this Act;

12 (2) information pertaining to the filing of an  
13 action under this Act;

14 (3) the details of the notice requirement for  
15 foreseeable leave under section 5(f)(1)(B); and

16 (4) information that describes—

17 (A) the protections that an employee has  
18 in exercising rights under this Act; and

19 (B) how the employee can contact the Sec-
