

109TH CONGRESS  
2D SESSION

# S. RES. 423

Designating April 8, 2006, as “National Cushing’s Syndrome Awareness Day”.

---

IN THE SENATE OF THE UNITED STATES

APRIL 4, 2006

Mr. INHOFE (for himself and Mr. COBURN) submitted the following resolution;  
which was considered and agreed to

---

## RESOLUTION

Designating April 8, 2006, as “National Cushing’s Syndrome Awareness Day”.

Whereas Cushing’s Syndrome annually affects an estimated 10 to 15 people per million, most of whom are currently between the ages of 20 and 50;

Whereas Cushing’s Syndrome is an endocrine or hormonal disorder caused by prolonged exposure of the body’s tissue to high levels of the hormone cortisol;

Whereas exposure to cortisol can occur by overproduction in the body or by taking glucocorticoid hormones, which are routinely prescribed for asthma, rheumatoid arthritis, lupus, or as an immunosuppressant following transplantation;

Whereas the syndrome may also result from pituitary adenomas, ectopic ACTH syndrome, adrenal tumors, and Familial Cushing's Syndrome;

Whereas Cushing's Syndrome can cause abnormal weight gain, skin changes, and fatigue and ultimately lead to diabetes, high blood pressure, depression, osteoporosis, and death;

Whereas Cushing's Syndrome is diagnosed through a series of tests, often requiring x-ray examinations of adrenal or pituitary glands to locate tumors;

Whereas many people who suffer from Cushing's Syndrome are misdiagnosed or go undiagnosed for years because many of the symptoms are mirrored in milder diseases, thereby delaying important treatment options;

Whereas treatments for Cushing's Syndrome include surgery, radiation, chemotherapy, cortisol-inhibiting drugs, and reducing the dosage of glucocorticoid hormones;

Whereas Cushing's Syndrome was discovered by Dr. Harvey Williams Cushing, who was born on April 8, 1869;

Whereas the Dr. Harvey Cushing stamp was part of the United States Postal Service's "Great American" series, initiated in 1980 to recognize individuals for making significant contributions to the heritage and culture of the United States;

Whereas President Ronald Reagan spoke on April 8, 1987, in the Rose Garden at a White House ceremony to unveil the commemorative stamp honoring Dr. Harvey Cushing;

Whereas following the ceremony, President Reagan hosted a reception in the State Dining Room for Mrs. John Hay Whitney, Dr. Cushing's daughter, and representatives of the American Association of Neurological Surgeons; and

Whereas the Senate is an institution that can raise awareness  
in the general public and the medical community of  
Cushing's Syndrome: Now, therefore, be it

1       *Resolved*, That the Senate—

2           (1) designates April 8, 2006, as “National  
3       Cushing's Syndrome Awareness Day”;

4           (2) recognizes that all Americans should be-  
5       come more informed and aware of Cushing's Syn-  
6       drome;

7           (3) calls upon the people of the United States  
8       to observe the date with appropriate ceremonies and  
9       activities; and

10          (4) directs the Secretary of the Senate to trans-  
11       mit a copy of this resolution to the Cushing's Under-  
12       standing, Support & Help Organization.
