RESOLUTION

Designating the second week of March 2005 as “Extension Living Well Week”.

Whereas the health and well-being of the family is crucial to the functioning of the Nation and to providing adults and youth with the necessary skills and knowledge to help them achieve the best quality of life possible;

Whereas psychologically, socially, and emotionally strong families provide strength for future generations;

Whereas Extension is a nationwide educational network through the land-grant universities, funded cooperatively through the Department of Agriculture, State governments, and local county, city, and parish governments;

Whereas Extension provides non-biased, research-based information through informal education to help adults, youth, families, farms, businesses, and communities;

Whereas Extension education programs are developed at the grassroots level to meet local needs, and are available in nearly every county and parish in the United States and its territories, from the biggest to the smallest;

Whereas information offered by Extension is provided by scientists and researchers at land-grant universities, and is made practical and relevant by Extension educators working at the local level;

Whereas Extension Family and Consumer Sciences educators are advocates for education for families so that the families might gain skills for a full and productive life; and

Whereas the designation of the second week of March 2005 as “Extension Living Well Week” is a fitting tribute to the National Extension Association for Family and Consumer Sciences professionals who provide education that is critical to the quality of life of adults, youth, individuals, and families, including food preparation, food safety, nutrition, financial management, healthy lifestyles, home and work environment and safety, relationship and parenting skills, and much more: Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) designates the second week of March 2005
