## A BILL

To establish a competitive grant program to build capacity in veterinary medical education and expand the workforce of veterinarians engaged in public health practice and biomedical research.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Veterinary Public  
5       Health Workforce Expansion Act of 2007”.

6       **SEC. 2. COMPETITIVE GRANTS PROGRAM.**

7       (a) IN GENERAL.—The Secretary of Health and  
8       Human Services (referred to in this section as the “Sec-

1   retary”) shall award competitive grants to eligible entities  
2   for the purpose of improving public health preparedness  
3   through increasing the number of veterinarians in the  
4   workforce.

5       (b) ELIGIBLE ENTITIES.—To be eligible to receive a  
6   grant under subsection (a), an entity shall—

7           (1) be—

8                   (A) a public or other nonprofit school of  
9                   veterinary medicine accredited by a recognized  
10                  body or bodies approved for such purpose by  
11                  the Department of Education;

12                  (B) a public or nonprofit, department of  
13                  comparative medicine, department of veterinary  
14                  science, school of public health, or school of  
15                  medicine that is accredited by a recognized  
16                  body or bodies approved for such purpose by  
17                  the Department of Education and that offers  
18                  graduate training for veterinarians in a public  
19                  health practice area as determined by the Sec-  
20                  retary; or

21                  (C) a public or nonprofit entity that con-  
22                  ducts recognized residency training programs  
23                  for veterinarians that are approved by a veteri-  
24                  nary specialty organization that is recognized  
25                  by the American Veterinary Medical Association

1           and that offers postgraduate training for veteri-  
2           narians in a public health practice area as de-  
3           termined by the Secretary; and

4           (2) prepare and submit to the Secretary an ap-  
5           plication, at such time, in such manner, and con-  
6           taining such information as the Secretary may re-  
7           quire.

8           (c) CONSIDERATION OF APPLICATIONS.—The Sec-  
9           retary shall establish procedures to ensure that applica-  
10          tions under subsection (b)(2) are rigorously reviewed and  
11          that grants are competitively awarded based on—

12           (1) the ability of the applicant to increase the  
13           number of veterinarians who are trained in specified  
14           public health practice areas as determined by the  
15           Secretary;

16           (2) the ability of the applicant to increase ca-  
17           pacity in research on high priority disease agents; or

18           (3) any other consideration the Secretary deter-  
19           mines necessary.

20          (d) PREFERENCE.—In awarding grants under sub-  
21          section (a)(1), the Secretary shall give preference to appli-  
22          cants that demonstrate a comprehensive approach by in-  
23          volving more than one school of veterinary medicine, de-  
24          partment of comparative medicine, department of veteri-  
25          nary science, school of public health, school of medicine,

1 or residency training program that offers postgraduate  
2 training for veterinarians in a public health practice area  
3 as determined by the Secretary.

4 (e) USE OF FUNDS.—Amounts received under a  
5 grant under this subsection shall be used by a grantee to  
6 increase the number of veterinarians in the workforce  
7 through—

8 (1) paying the costs associated with construc-  
9 tion, the acquisition of equipment, and other capital  
10 costs relating to the expansion of existing schools of  
11 veterinary medicine, departments of comparative  
12 medicine, departments of veterinary science, or enti-  
13 ties offering residency training programs; or

14 (2) paying the capital costs associated with the  
15 expansion of academic programs that offer post-  
16 graduate training for veterinarians or concurrent  
17 training for veterinary students in specific areas of  
18 specialization.

19 (f) DEFINITION.—In this section, the term “public  
20 health practice” includes bioterrorism and emergency pre-  
21 paredness, environmental health, food safety and food se-  
22 curity, regulatory medicine, diagnostic laboratory medi-  
23 cine, and biomedical research.

24 (g) AUTHORIZATION OF APPROPRIATIONS.—There  
25 are authorized to be appropriated to carry out this section,

1 \$300,000,000 for fiscal year 2007, and \$1,264,000,000  
2 for the 9-fiscal year period beginning with fiscal year  
3 2008. Amounts appropriated under this subsection shall  
4 remain available until expended.
