(a) IN GENERAL.—Notwithstanding any other provision of law, a State may apply to the Secretary of Health and Human Services (in this Act referred to as the “Secretary”) for waivers of such provisions of law as may be necessary for the State to implement policies that make comprehensive, affordable health coverage available for all State residents, including access to essential benefits with limits on cost-sharing, as provided in the most recent report under section 501(e)(2).

(b) REQUIREMENTS.—In order to ensure that waivers under this section benefit rather than harm health care consumers, a State shall not be eligible for a waiver under this section unless—

(1) the State reasonably expects to achieve a level of enrollment in coverage described in subsection (a) that is at least equal to the level of coverage (taking into account the number of insured individuals, covered benefits, and premium and out-of-pocket costs to the consumer for such coverage) that the State would have achieved if the State had fully implemented the coverage options available under titles III and IV of this Act;

1           (2) no individual who would have qualified for  
2           assistance under the State medicaid program under  
3           title XIX of the Social Security Act or the State  
4           children's health insurance program under title XXI  
5           of such Act, as of either the date of the waiver re-  
6           quest or the date of enactment of this Act, will be  
7           denied eligibility for such program, have a reduction  
8           in benefits under such program, have reduced access  
9           to geographically and linguistically appropriate care  
10          or essential community providers, or be subject to  
11          increased premiums or cost-sharing under the waiver  
12          program under this section; and

13          (3) the State agrees to comply with such stand-  
14          ards or guidelines as the Secretary of Health and  
15          Human Services may require to ensure that the re-  
16          quirements of paragraphs (1) and (2) are satisfied.

17          (c) FEDERAL PAYMENTS.—

18          (1) IN GENERAL.—The Secretary of Health and  
19          Human Services shall pay a State with a waiver ap-  
20          proved under this section an amount each quarter  
21          equal to the sum of—

22                  (A) the Federal payments the State and  
23                  residents of the State (including, but not lim-  
24                  ited to, through the credit allowed under section  
25                  36 of the Internal Revenue Code of 1986 for

health insurance costs) would have received if the State had exercised the coverage options under titles III and IV of this Act with respect to residents of the State who have not attained age 65; and

(B) the amount of any grants authorized by this Act that the State would have received if the State had applied for such grants.

(2) ADDITIONAL PAYMENT FOR MEDICARE BENEFICIARIES UNDER AGE 65.—

(A) IN GENERAL.—In the case of a State that elects to enroll an individual described in subparagraph (B) in coverage described in subsection (a), the amount described in paragraph (1) with respect to a quarter shall be increased by the amount described in subparagraph (C).

(B) INDIVIDUAL DESCRIBED.—An individual is described in this subparagraph if the individual—

(i) has not attained age 65;

(ii) is eligible for coverage under title XVIII of the Social Security Act; and

1 (C) AMOUNT DESCRIBED.—The amount  
 2 described in this subparagraph is the amount  
 3 equal to the amount that the Federal Govern-  
 4 ment would have incurred with respect to a  
 5 quarter for providing coverage to an individual  
 6 described in subparagraph (B) under title  
 7 XVIII of the Social Security Act (42 U.S.C.  
 8 1395 et seq.).

9 (d) IMPLEMENTATION DATE.—No State may submit  
 10 a request for a waiver under this section before October  
 11 1, 2011.

12 **TITLE II—IMPROVING QUALITY**  
 13 **AND SAFETY THROUGH PRE-**  
 14 **VENTIVE SERVICES, CARE CO-**

18 **SEC. 201. ADDITIONAL WAIVER AUTHORITY.**

19 (a) IN GENERAL.—Notwithstanding the require-  
 20 ments to submit a state waiver under title I, the Secretary  
 21 shall establish a process by which States may apply for  
 22 a waiver to implement policies that emphasize the use of  
 23 preventive services, care coordination by a personal physi-  
 24 cian, and health information technology (in this section  
 25 referred to as a qualified patient-centered medical home).

1 (b) DEFINITIONS.—For purposes of this title:

2 (1) QUALIFIED PATIENT-CENTERED MEDICAL  
3 HOME.—The term “qualified patient-centered med-  
4 ical home” or “PC–MH” means a physician-directed  
5 practice that has voluntarily participated in a quali-  
6 fication process to demonstrate it has the capabili-  
7 ties to achieve improvements in the management and  
8 coordination of care of eligible beneficiaries, includ-  
9 ing those with multiple chronic diseases, by incor-  
10 porating attributes of the care management model.

11 (2) CARE MANAGEMENT MODEL.—The term  
12 “care management model” means a model that uses  
13 health information and other physician practice in-  
14 novations to improve the management and coordina-  
15 tion of care provided to patients with one or more  
16 chronic illnesses. Attributes of the model include the  
17 following:

18 (A) Practices advocate for their patients to  
19 support the attainment of optimal, patient-cen-  
20 tered outcomes that are defined by a care plan-  
21 ning process driven by a compassionate, robust  
22 partnership between physicians, patients, and  
23 the patient’s family.

24 (B) Evidence-based medicine and clinical  
25 decision-support tools guide decision making.

1           (C) Physicians in the practice accept ac-  
2           countability for continuous quality improvement  
3           through voluntary engagement in performance  
4           measurement and improvement.

7           patients' expectations are being met.

8           (E) Information technology is utilized ap-  
9           propriately to support optimal patient care, per-  
10          formance measurement, patient education, and  
11          enhanced communication.

12          (F) Practices go through a voluntary rec-  
13          ognition process by an appropriate non-govern-  
14          mental entity to demonstrate that they have the  
15          capabilities to provide patient centered services  
16          consistent with the medical home model.

17          (G) Patients and families participate in  
18          quality improvement activities at the practice  
19          level.

20          (3) PATIENT CENTERED MEDICAL HOME REIM-  
21          BURSEMENT METHODOLOGY.—The patient centered  
22          medical home reimbursement methodology is a  
23          methodology to reimburse physicians in qualified  
24          PC–MH practices based on the value of the services

1 provided by such practices. Such methodology shall  
2 include, at a minimum the following:

3 (A) Recognition of the value of physician  
4 and clinical staff work associated with patient  
5 care that falls outside the face-to-face visit,  
6 such as the time and effort spent on educating  
7 family caregivers and arranging appropriate fol-  
8 low-up services with other health care profes-  
9 sionals, such as nurse educators.

10 (B) Services associated with coordination  
11 of care both within a given practice and be-  
12 tween consultants, ancillary providers, and com-  
13 munity resources.

14 (C) Recognition of expenses that the PC-  
15 MH practices will incur to acquire and utilize

18 electronic medical records.

19 (D) Reimbursement for separately identifi-  
20 able email and telephonic consultations, either  
21 as separately-billable services or as part of a  
22 global management fee.

23 (E) Recognition of the value of physician  
24 work associated with remote monitoring of clin-  
25 ical data using technology.

1 (F) Allowance for separate fee-for-service  
2 payments for face-to-face visits.

3 (G) Recognition of case mix differences in  
4 the patient population being treated within the  
5 practice.

6 (H) Recognition and sharing of savings  
7 from reduced hospitalizations associated with  
8 physician-guided care management in the office  
9 setting.

10 (I) Allowance for additional payments for  
11 achieving measurable and continuous quality  
12 improvements.

13 (4) PERSONAL PHYSICIAN.—The term “per-  
14 sonal physician” means a physician who practices in  
15 a qualified PC–MH and whom the practice has de-

22 the Medicaid or SCHIP program or other State resi-

24 physician in a qualified PC–MH as their personal  
25 physician.

1           (6) PATIENT-CENTERED MEDICAL HOME QUALI-  
 2           FICATION.—The PC–MH qualification is a process  
 3           whereby an interested practice will voluntarily sub-  
 4           mit information to an objective external private-sec-  
 5           tor entity that is recognized and deemed by the state  
 6           or by the Secretary to make the determination as to  
 7           whether the practice has the attributes of a qualified  
 8           PC–MH based on standards the Secretary shall es-  
 9           tablish.

10          (c) REPORT AND EVALUATION.—States shall submit  
 11          an annual report to the Secretary that describes initiatives  
 12          it has taken to encourage the provision of care through  
 13          a patient-centered medical home as described in this sec-  
 14          tion.

10 of subsection (b)) for the State increased, subject to sub-  
11 paragraph (B), by such percentage increase as would com-

 5 is less than 100, the Secretary shall reduce the need-based  
 6 enhanced FMAP otherwise determined for the State under  
 7 subparagraph (A) by a proportion based on the national  
 8 income distribution of all individuals in all States who are  
 9 (regardless of whether such individuals are enrolled under  
 10 this title) eligible for medical assistance only on the basis  
 11 of section 1902(a)(10)(A)(ii)(XX).”.

5 employee enrolled in a health benefits plan under

20 chasing power in comparison to individuals  
21 whose adjusted gross income equals the average  
22 adjusted gross income for all Federal employ-  
23 ees, to the extent that the amount of the result-  
24 ing increase in the credit amount for all such  
25 eligible low-income individuals for the taxable

8 Health Coverage, Affordability, Responsibility, and Equity  
9 Act of 2007 for the calendar year in which the such tax-

21          (b) OPERATION SIMILAR TO FEHBP.—Each pur-  
 22          chasing pool operator shall operate the purchasing pool  
 23          established under section 403(a) in a manner that is simi-

1 health benefits program under chapter 89 of title 5,  
2 United States Code, including (but not limited to) the per-

6 premium payments.

7 (7) Each purchasing pool operator shall rec-

10 surance plans consistent with practices under the  
11 Federal employees' health benefits program under  
12 chapter 89 of title 5, United States Code.

13 (8) Each purchasing pool operator shall offer  
14 customer service to eligible individuals enrolled for

9 less than the premium charged to Federal employees  
10 by the most highly-enrolled health plan under the  
11 Federal employees' health benefits program under  
12 chapter 89 of title 5, United States Code. If the  
13 most highly-enrolled plan in that program differs for  
14 Federal enrollees in the State and all Federal enroll-  
15 ees nationally in such plan, the minimum permitted  
16 premium cap shall be the lower of such premiums.

8 residents with the private group coverage health in-  
9 surance plans that it offers through the pool.

10 (2) EXCEPTION.—A pool operator may enter  
11 into a contract under subsection (a) to cover pool  
12 participants through a health plan without a State  
13 license described in paragraph (1) if such plan is of-  
14 fered to Federal employees nationwide and, with re-  
15 spect to such employees, is exempt from State health  
16 insurance regulation. Nothing in this paragraph  
17 shall be construed to permit coverage of pool partici-  
18 pants through such a plan except with groups, con-  
19 tracts, and premium rates that are entirely distinct  
20 from those used for individuals covered under the  
21 Federal employee's health benefits program under  
22 chapter 89 of title 5, United States Code.

15 to allow such decisions to be taken into account with  
16 respect to eligible individuals' choice of a private  
17 group health insurance plan under such program.  
18 Such participation in the program under this title  
19 shall include at least the covered benefits and pro-  
20 vider networks available through such an entity and  
21 shall not involve greater out-of-pocket cost-sharing  
22 than the plan offered by such entity pursuant to its  
23 contract under section 8902 of title 5, United States  
24 Code.

1           (2) NO EFFECT ON FEHBP COVERAGE.—The  
 2       Director of Office of Personnel Management shall

 4       individual enrolled for health benefits coverage under  
 5       the program under chapter 89 of title 5, United  
 6       States Code, is not adversely affected by eligible in-  
 7       dividuals or others enrolled for coverage under the  
 8       program under this title. Such steps shall include  
 9       (but need not be limited to) the establishment of

 24      Health benefits coverage that meets the following re-  
 25      quirements:

4 offered by the benchmark plan, with out-of-pocket  
5 cost-sharing for such items and services that is not  
6 greater than under the benchmark plan. Nothing in  
7 this title shall be construed to forbid a private group  
8 health plan from offering additional items and serv-  
9 ices not covered by such a benchmark plan or reduc-  
10 ing out-of-pocket cost-sharing below levels applicable  
11 under such plan.

12 **SEC. 407. ENROLLMENT PROCESS FOR ELIGIBLE INDIVID-**  
13 **UALS.**

1           (1) IN GENERAL.—Each premium negotiated  
 2           under subsection (a) may not permit a profit margin  
 3           that exceeds the applicable percentage (as defined in  
 4           paragraph (2)).

5           (2) APPLICABLE PERCENTAGE DEFINED.—In  
 6           this subsection, the term “applicable percentage”  
 7           means—

8                   (A) for the first 3 years that a purchasing

 20                           such program.

21 **SEC. 409. ENROLLEE PREMIUM SHARE.**

22           (a) IN GENERAL.—A participating insurer offering a  
 23           private group health insurance plan that has been awarded  
 24           a contract under section 405(a) in which the eligible indi-  
 25           vidual is enrolled may not deny, limit, or condition the

1 coverage (including out-of-pocket cost-sharing) or provi-

 3 enrollee premium share under the plan based on any  
 4 health status-related factor described in section  
 5 2702(a)(1) of the Public Health Service Act (42 U.S.C.

 16 justment mechanisms promulgated by the Secretary.

17 (2) ADDITIONAL ADJUSTMENTS.—The pool op-

 21 sharing amounts consistent with section  
 22 404(c)(9)(B).

23 (3) ENROLLEE PREMIUM COSTS.—The adjust-  
 24 ments described in this subsection shall not affect  
 25 enrollee premium shares, which shall be based on the

1 premium that would be charged for enrollees with  
 2 health risk factors for State residents as a whole (as  
 3 described in paragraph (1)), without taking into ac-  
 4 count cost-sharing adjustments under section  
 5 404(c)(9)(B).

6 (c) AMOUNT OF PREMIUM.—The amount of the en-  
 7 rollee premium share shall be equal to premium amounts

 9 404(c)(10), plus 100 percent of the remainder minus the  
 10 applicable percentage (as defined in section 36(b) of the  
 11 Internal Revenue Code of 1986, as added by section 311).

12 **SEC. 410. PAYMENTS TO PURCHASING POOL OPERATORS**
