

110TH CONGRESS
1ST SESSION

H. R. 3390

To impose sanctions on Iran and on other countries for assisting Iran in developing a nuclear program, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

AUGUST 3, 2007

Mr. ISSA introduced the following bill; which was referred to the Committee on Foreign Affairs, and in addition to the Committees on Financial Services, Ways and Means, Oversight and Government Reform, and Select Intelligence (Permanent Select), for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To impose sanctions on Iran and on other countries for assisting Iran in developing a nuclear program, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Iran Counter-Pro-
5 liferation Act of 2007”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

1 (1) For more than 20 years, Iran has pursued
2 a secret nuclear program that is intended to produce
3 a nuclear weapons capability for Iran.

4 (2) The Government of Iran has consistently
5 misled the United Nations, the International Atomic
6 Energy Agency, and the United States as to the ob-
7 jectives and scope of its nuclear activities.

8 (3) Iran has refused to comply with United Na-
9 tions Security Council Resolution 1737, adopted on
10 December 23, 2006, which called for the suspension
11 of all enrichment-related and reprocessing activities
12 and is advancing work at its largest nuclear facility.

13 (4) The International Atomic Energy Agency is
14 unable to verify the absence of undeclared nuclear
15 material and activities in Iran and its Director-Gen-
16 eral has stated that Iran could be 6 months to a
17 year away from acquiring the material necessary to
18 make a nuclear weapon.

19 (5) An Iranian nuclear weapons capability poses
20 a grave threat to the security of the United States
21 and its allies around the world.

22 (6) It is in the national security interests of the
23 United States to prevent Iran from acquiring a nu-
24 clear weapons capability.

1 (7) The United States should use all political,
2 economic, and diplomatic tools at its disposal to pre-
3 vent Iran from acquiring a nuclear weapons capa-
4 bility.

5 (8) Nothing in this Act should be construed as
6 giving the President the authority to use military
7 force against Iran.

8 **SEC. 3. SENSE OF CONGRESS.**

9 The following is the sense of Congress:

10 (1) The United States should pursue vigorously
11 all measures in the international financial sector to
12 restrict Iran's ability to conduct international finan-
13 cial transactions, including prohibiting banks in the
14 United States from handling indirect transactions
15 with Iran's state-owned banks and prohibiting finan-
16 cial institutions that operate in United States cur-
17 rency from engaging in dollar transactions with Ira-
18 nian institutions.

19 (2) The United States Trade Representative or
20 any other Federal official should not take any action
21 that would extend preferential trade treatment to, or
22 lead to the accession to the World Trade Organiza-
23 tion of, any country that is determined by the Sec-
24 retary of State to offer government-backed export
25 credit guarantees to companies that invest in Iran or

1 any country in which the government owns or par-
2 tially owns an entity that invests in Iran.

3 (3) Iran should comply fully with its obligations
4 under United Nations Security Council Resolution
5 1737, and any subsequent United Nations resolu-
6 tions related to Iran's nuclear program, and in par-
7 ticular the requirement to suspend without delay all
8 enrichment-related and reprocessing activities, in-
9 cluding research and development, and all work on
10 all heavy water-related nuclear activities, including
11 research and development.

12 (4) The United Nations Security Council should
13 take further measures beyond Resolution 1737 to
14 tighten sanctions on Iran, including preventing new
15 investment in Iran's energy sector, as long as Iran
16 fails to comply with the international community's
17 demand to halt its nuclear enrichment campaign.

18 (5) The United States should encourage foreign
19 governments to direct state-owned entities to cease
20 all investment in Iran's energy sector and all im-
21 ports to and exports from Iran of refined petroleum
22 products and to persuade, and, where possible, re-
23 quire private entities based in their territories to
24 cease all investment in Iran's energy sector and all

1 imports to and exports from Iran of refined petro-
2 leum products.

3 (6) Administrators of Federal and State pen-
4 sion plans should divest all assets or holdings from
5 foreign companies and entities that have invested or
6 invest in the future in Iran’s energy sector.

7 (7) Iranian state-owned banks should not be
8 permitted to use the banking system of the United
9 States.

10 (8) The Secretary of State should designate the
11 Iranian Revolutionary Guards as a Foreign Terrorist
12 Organization under section 219 of the Immigration
13 and Nationality Act (8 U.S.C. 1189) and the Sec-
14 retary of the Treasury should place the Iranian Rev-
15 olutionary Guards on the list of Specially Designated
16 Global Terrorists under Executive Order 13224 (66
17 Fed. Reg. 186; relating to blocking property and
18 prohibiting transactions with persons who commit,
19 threaten to commit, or support terrorism).
