110TH CONGRESS 1ST SESSION

H. R. 3449

To amend title 10, United States Code, to provide eligibility for reduced non-regular service military retired pay before age 60, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

August 3, 2007

Mr. Wilson of South Carolina introduced the following bill; which was referred to the Committee on Armed Services

A BILL

To amend title 10, United States Code, to provide eligibility for reduced non-regular service military retired pay before age 60, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Guard and Reserve
- 5 Early Retirement Act of 2007".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds the following:
- 8 (1) Members of the Active Components of the
- 9 United States Military Services are eligible for an

- 1 immediate annuity upon attaining twenty years of 2 creditable service.
 - (2) Members of the Reserve Components must wait to receive their annuity until age 60.
 - (3) Over the last 15 years, the contributions in support of Active Duty missions by both the Guard and the Reserve have increased substantially.
 - (4) During the Global War on Terrorism Reserve Component members have gone into harms way and fought alongside members of the Active Duty.
 - (5) These contributions have been made under various forms of active duty orders, including Active Duty for Training (ADT), Active Duty for Special Work (ADSW), Presidential Recall, and Partial Mobilization. Only a subset of mobilization orders is being credited as being "in support of contingency operation."
 - (6) Further contributions have been made to Active Duty commands within the United States during consecutive periods of Inactive Duty Training (IDT) and Annual Training (AT).
 - (7) Additionally, both enlisted and officers within the Reserve Component are required for promotion to complete professional training and/or

- Joint Professional Military Education (JPME),
 often by taking non-paid correspondence or on-line
 Distant Learning courses for only inactive duty
 points, while Active Duty are often sent on Temporary Duty Assignment (TDY) to complete such
 courses. Currently there is no mechanism in place to
 compensate National Guard and Reserve Component
 soldiers for required professional courses.
 - (8) Active Duty does not differentiate between stateside or deployed duty when earning creditable duty toward retirement at 20 years.
 - (9) As defined by section 12733 of title 10, United States Code, RC members earn one inactive duty point toward retirement for each Reserve training drill. They can also earn one active duty point for every day of active duty performed. An Active Duty year is measured as 360 points. Professional courses are assigned inactive duty points.
 - (10) Members of the Guard and Reserve understand the point system.
 - (11) A minimum of 50 points is required for a creditable service year.
 - (12) Basing a Reserve Component retirement system on the accumulation of retirement points would remove differentiation of duty, clarify eligi-

1	bility, and by using an appropriately structured ma-
2	trix would encourage volunteerism and retention.
3	SEC. 3. ELIGIBILITY FOR RETIRED PAY FOR NONREGULAR
4	SERVICE.
5	(a) AGE AND SERVICE REQUIREMENTS.—Subsection
6	(a) of section 12731 of title 10, United States Code, is
7	amended to read as follows:
8	"(a)(1) Except as provided in subsection (c), a person
9	is entitled, upon application, to retired pay computed
10	under section 12739 of this title, if the person—

13	of years of creditable service (computed under sec-
14	tion 12732 of this title) that are specified in the
15	table in paragraph (2);
16	"(B) performed the last six years of qualifying
17	service while a member of any category named in
18	section 12732(a)(1) of this title, but not while a
19	member of a regular component, the Fleet Reserve,
20	or the Fleet Marine Corps Reserve, except that in
21	the case of a person who completed 20 years of serv-
22	ice computed under section 12732 of this title before
23	October 5, 1994, the number of years of qualifying

service under this subparagraph shall be eight; and

- "(C) is not entitled, under any other provision of law, to retired pay from an armed force or retainer pay as a member of the Fleet Reserve or the Fleet Marine Corps Reserve.
- 6 imum earned points (as defined under section 12732 of

"(2) The combinations of minimum age and min-

- 7 this title) required of a person under subparagraph (A)
- 8 of paragraph (1) for entitlement to retired pay as provided
- 9 in such paragraph are as follows:

Age, in years, is at least:	The minimum earned points required for that age is:
55	4500
56	4225
57	3950
58	3675
59	3400
60	1000".

- 10 (b) 20-Year Letter.—Subsection (d) of such sec-
- 11 tion is amended by striking "the years of service required
- 12 for eligibility for retired pay under this chapter" in the
- 13 first sentence and inserting "20 years of service computed
- 14 under section 12732 of this title".
- 15 SEC. 4. CONTINUATION OF AGE 60 AS MINIMUM AGE FOR
- 16 ELIGIBILITY OF NONREGULAR SERVICE RE-
- 17 TIREES FOR HEALTH CARE.

- 20 (1) by inserting "(1)" after "(b)"; and

- (2) by adding at the end the following new 1 2 paragraph: 3 SEC. 5. EFFECTIVE DATE AND APPLICABILITY. 4 This Act and the amendments made by this Act shall 5 take effect on the first day of the first month that begins no more than 180 days after the date of the enactment 6 of this Act and shall apply with respect to retired pay payable for that month and subsequent months. 8 9 "(2) Paragraph (1) does not apply to a member
- 9 "(2) Paragraph (1) does not apply to a member 10 or former member entitled to retired pay for non-11 regular service under chapter 1223 of this title who 12 is under 60 years of age.".
