A BILL

To amend the Housing and Community Development Act of 1974 to provide financial assistance for the development and reuse of brownfields.

1 *Be it enacted by the Senate and House of Representa-

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Brownfields Housing
5 and Community Renewal Development Act”.

6 SEC. 2. FINDINGS AND PURPOSE.

7 (a) CONGRESSIONAL FINDINGS.—The Congress finds
8 the following:

9 (1) Addressing the problem of contaminated
10 abandoned industrial or commercial properties by

1 funding programs that encourage the reuse of such
2 properties must continue to be a priority of this
3 country.

4 (2) Brownfields grant programs funded through
5 the Environmental Protection Agency (EPA) are uti-
6 lized for environmental assessment, planning, job
7 training, and cleanup.

8 (3) EPA brownfields programs are not ade-
9 quate to rehabilitate, demolish, or redevelop struc-
10 tures.

11 (4) The Department of Housing and Urban De-
12 velopment is an appropriate agency to provide
13 grants to redevelop contaminated, abandoned or un-
14 derutilized buildings, which pose not only a possible
15 health risk but also impact a community's quality of
16 life.

17 (5) Local communities need additional redevel-
18 opment programs that provide new flexibility to or-
19 ganizations to be part of community development ef-
20 forts.

21 (6) The Congress should fund appropriate Fed-
22 eral programs that allow communities to redevelop
23 their neighborhoods and improve the quality of life
24 in the surrounding areas.

1 (b) PURPOSE.—The purpose of this Act is to em-
2 power local communities and their partners to clean and
