

110TH CONGRESS
1ST SESSION

H. R. 574

To ensure the safety of residents and visitors to Lake Barkley, Kentucky, and to improve recreation, navigation, and the economic vitality of the lake's region, the Army Corps of Engineers, together with any other Federal agency that has the authority to change the pool elevation of such lake, shall establish a pilot program to maintain the pool elevation of such lake at 359 feet until after the first Monday in September.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 18, 2007

Mr. WHITFIELD introduced the following bill; which was referred to the
Committee on Transportation and Infrastructure

A BILL

To ensure the safety of residents and visitors to Lake Barkley, Kentucky, and to improve recreation, navigation, and the economic vitality of the lake's region, the Army Corps of Engineers, together with any other Federal agency that has the authority to change the pool elevation of such lake, shall establish a pilot program to maintain the pool elevation of such lake at 359 feet until after the first Monday in September.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Lake Barkley Water
3 Level Improvement Act”.

4 **SEC. 2. SAFETY FOR LAKE BARKLEY, KENTUCKY.**

5 (a) PILOT PROGRAM.—Notwithstanding any other
6 provision of Federal law, beginning on July 1, 2007, the
7 Army Corps of Engineers, together with any other Federal
8 agency that has the authority to change the pool elevation
9 of Lake Berkley, Kentucky, shall establish and conduct
10 a pilot program that, under normal weather conditions,
11 extends the summer pool elevation of 359 feet on such
12 lake from the current draw down date of July 1 until after
13 the first Monday in September.

14 (b) PILOT PROGRAM DURATION.—Except as pro-
15 vided in subsection (d), the pilot program shall terminate
16 on the first Monday in September 2 years after the pilot
17 program begins.

18 (c) EVALUATION AND RECOMMENDATIONS.—Not
19 later than 60 days after the first Monday in September
20 2 years after the pilot program begins, the Chief of Engi-
21 neers of the Army Corps of Engineers shall evaluate the
22 effectiveness of extending the pool elevation on Lake Bar-
23 kley, Kentucky, under subsection (a) and report to the ap-
24 propriate committees of Congress their findings, including
25 any recommendations, regarding the extension of such
26 lake elevation.

1 (d) CONTINUATION.—If the Army Corps of Engi-
2 neers determines that the pilot program under this section
3 is effective, the Corps shall continue the summer elevation
4 of 359 feet on Lake Barkley, Kentucky, through the first
5 Monday in September each year.
