

H. Res. 208

In the House of Representatives, U. S.,

July 16, 2007.

Whereas Operation Smile is a private, not-for-profit volunteer medical services organization providing reconstructive surgery and related health care to indigent children and young adults in developing countries and the United States;

Whereas in 1982, Dr. William P. Magee Jr., a plastic surgeon, and his wife, Kathleen S. Magee, a nurse and clinical social worker, traveled to the Philippines with a group of medical volunteers to repair children's cleft lips and cleft palates;

Whereas there they discovered hundreds of children ravaged by deformities, and although they helped many children, the volunteers were forced to turn away the majority of those who sought help;

Whereas Operation Smile headquartered in Norfolk, Virginia, was founded in 1982 by Dr. William Magee Jr. and his wife Kathleen S. Magee to address this need;

Whereas since 1982, Operation Smile's volunteers have provided free reconstructive surgery to more than 100,000 children and young adults with facial deformities in 25 countries;

Whereas Operation Smile provides education and training to thousands of healthcare professionals globally, and is implementing a plan for a Global Standard of Care to ensure that every child treated will receive the same high standard of care every time;

Whereas Operation Smile provides a network of resources to assist families in the United States with children born with facial deformities;

Whereas more than 450 Operation Smile Student Associations in the United States and around the world build awareness, raise funds, and educate students about values of commitment, leadership, and volunteerism; and

Whereas in 2007, in commemoration of its 25th anniversary, Operation Smile has announced a year-long series of initiatives to include implementing global standards of care for all its medical programs, opening comprehensive care centers in seven countries, hosting international forums on medical diplomacy, and launching the World Journey of Smiles, which consists of 40 simultaneous missions in 25 countries with the goal of treating an estimated 5,000 children living with facial deformities: Now, therefore, be it

Resolved, That the House of Representatives recognizes the 25th anniversary of the founding of Operation Smile as its volunteer medical professionals continue to travel around the world to treat children suffering from facial deformities.
