 2 paragraphs (7) and (8), respectively; and

3 (2) by inserting after paragraph (5) the fol-
 4 lowing:

5 “(6) RESEARCH-PROVEN READING PROGRAM.—

6 “(A) IN GENERAL.—The term ‘research-
 7 proven reading program’ means a program that
 8 is determined to be a qualified program pursu-
 9 ant to subparagraph (B) and that is evaluated
 10 in not less than 2 studies, both of which studies
 11 meet the following minimum criteria:

12 “(i) The program was compared to a
 13 control group using alternative or tradi-
 14 tional methods.

15 “(ii) The study duration was not less
 16 than 12 weeks.

17 “(iii) Program and control schools
 18 were equivalent at pretest in reading
 19 achievement (within 0.5 standard devi-
 20 ations). Analyses of posttest differences
 21 were adjusted for pretest differences.

22 “(iv) The reading posttest measures
 23 used to compare program and control
 24 groups is a valid standardized or criterion-
 25 referenced test of reading, such as a State

1 accountability test, and is not inherent to
2 the program. For example, tests made by
3 the program authors, or tests of content
4 not studied by control students, do not
5 qualify.

6 “(v) The sample size of each study is
7 not less than 5 classes or 125 students per
8 treatment (10 classes or 250 students
9 overall). Multiple smaller studies may be
10 combined to reach this sample size collec-
11 tively.

12 “(vi) The median difference between
13 program and control students across all
14 qualifying studies is not less than 20 per-
15 cent of student-level standard deviation, in
16 favor of the program students.

17 “(B) REVIEW.—

18 “(i) IN GENERAL.—The Department
19 shall constitute a review panel to review
20 scientific reviews of reading evaluations
21 and determine which programs qualify as
22 qualified research-proven reading pro-
23 grams.

24 “(ii) PANEL MEMBERS.—Review panel
25 members shall have expertise in scientific

research review and in scientifically based reading research but may not have financial or personal connection with the authors or publishers of any programs.

“(iii) PANEL MEETINGS.—Review panel meetings shall be open to the public and minutes shall be made available to the public.”.

TITLE III—DEFINITION OF RESEARCH-PROVEN PROGRAM

SEC. 301. DEFINITION OF RESEARCH-PROVEN PROGRAM.

Section 9101 Note: This is the correct section reference, not 1901. of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801) is amended—

(1) by redesignating paragraphs (37) through (43) as paragraphs (38) through (44), respectively; and

(2) by inserting after section (36) the following:

“(37) RESEARCH-PROVEN PROGRAM.—

“(A) IN GENERAL.—The term ‘research-proven program’ means a program that is determined to be a qualified program pursuant to subparagraph (B) and that is evaluated in not less than 2 studies, both of which studies meet the following minimum criteria:

1 “(i) The program was compared to a
2 control group using alternative or tradi-
3 tional methods.

4 “(ii) The study duration was not less
5 than 12 weeks.

6 “(iii) Program and control schools
7 were equivalent at pretest in achievement
8 (within 0.5 standard deviations). Analyses
9 of posttest differences are adjusted for pre-
10 test differences.

11 “(iv) The posttest measures used to
12 compare program and control groups is a
13 valid standardized or criterion-referenced
14 test, such as a State accountability test,
15 and is not inherent to the program. For
16 example, tests made by the program au-
17 thors, or tests of content not studied by
18 control students, do not qualify.

19 “(v) The sample size of each study is
20 not less than 5 classes or 125 students per
21 treatment (10 classes or 250 students
22 overall). Multiple smaller studies may be
23 combined to reach this sample size collec-
24 tively.

1 “(vi) The median difference between
2 program and control students across all
3 qualifying studies is not less than 20 per-
4 cent of student-level standard deviation, in
5 favor of the program students.

6 “(B) REVIEW.—

7 “(i) IN GENERAL.—The Department
8 shall constitute a review panel to review
9 scientific reviews of program evaluations
10 and determine which programs qualify as
11 research-proven programs.

12 “(ii) PANEL MEMBERS.—Panel mem-
13 bers shall have expertise in scientific re-
14 search review but may not have financial
15 or personal connection with the authors or
16 publishers of any programs.

17 “(iii) PANEL MEETINGS.—Panel meet-
18 ings shall be open to the public and min-
19 utes shall be made available to the pub-
20 lic.”.
