## A BILL

To establish the Granada Relocation Center National Historic Site as an affiliated unit of the National Park System.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Granada Relocation  
5 Center National Historic Site Act of 2007”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1           (1) the Granada Relocation Center, also known  
2           as Camp Amache, was located in the Arkansas Val-  
3           ley in Prowers County in southeastern Colorado;

4           (2) of the 10 camps built across the country,  
5           Camp Amache was the only one built on private  
6           lands that were purchased outright or acquired by  
7           condemnation;

8           (3) the Granada Relocation Center had the  
9           smallest population of the 10 camps but was the  
10          tenth largest population in Colorado at the time;

11          (4) more than 10,000 Japanese-Americans were  
12          interned at the Granada Relocation Center between  
13          August 1942 and October 1945;

14          (5) 314 of the original 10,500 acres of Camp  
15          Amache have been found to be nationally significant  
16          and are listed on the National Register of Historic  
17          Places;

18          (6) different construction methods were used at  
19          Camp Amache than at all the other sites;

20          (7) these differences are mirrored in the re-  
21          maining foundations of housing, administrative,  
22          warehouse, other support buildings, and the ceme-  
23          tery that remain within the core area of the Gra-  
24          nada Relocation Center;

1           (8) Camp Amache had the largest and most di-  
 2           versified agricultural enterprise of all the camps, in-  
 3           cluding a 500-acre vocational farm for high school  
 4           agriculture students, and

5           (9) there is strong local, regional, and national  
 6           support for recognizing and telling the relatively un-  
 7           known story of internment of United States citizens  
 8           of Japanese descent.

9   **SEC. 3. DEFINITIONS.**
